6. The scholarships will be open to all students as aforesaid who are not less than sixteen years of age on the day appointed for receiving applications, and who shall have attended regularly at any school of mines within the Dominion for not less than two years at least 80 per cent. of the lectures in each subject of the examination course, provided that the Minister may grant such exemption from the provisions of this regulation as he thinks reasonable in any case where it was not practicable for a student to attend 80 per cent. of the lectures in a subject in which he wishes to be examined, or where no lectures were held in that subject at the school of mines at which he was a student.

7. The examinations will be held in or about the month of December in each year, on days which will be duly announced.

14. The Minister of Mines retains to himself the right of cancelling any scholarship should the holder attend irregularly or be reported for idleness or bad conduct.
