A member who becomes insolvent or assigns his estate for the benefit of, or compounds with, his creditors, shall, *ipso facto*, cease to be a member, and shall forfeit to the Exchange all interest in his membership, and in the funds and property of the Exchange, notwithstanding that he may not be at the same time a defaulter on the Exchange; but such member may be reinstated without payment of fee after he has obtained his discharge from his insolvency, or a release from his creditors, by ballot taken in the same manner as provided by Rule 40.

Open transactions of defaulters to be closed at order of Committee.

58. The Committee shall have power to order that all open transactions, including time bargains, between any member unable to meet his engagements and other members shall be closed within a time to be named by the Committee. Such transactions shall be closed accordingly, by the Chairman buying or selling in the market on account of the member in default, such stock or shares as he may have contracted to sell or purchase. Claims not arising from transactions under the rules.

64. Claims on the estate of a resigning, retiring, or deceased member that do not arise from transactions under these rules, shall not be recognized by the Committee, until all claims that have arisen from transactions under the rules shall have been satisfied.

Members' partners and clerks may be admitted to official meetings.

65. Without limiting the powers of a member under clause 41 of these rules, the Chairman or Vice-Chairman may grant a member permission for a partner or clerk in his service to attend the official meetings for the purpose of making quotations and the purchase and sale of shares on behalf of such member, and in his stead, but for no other purpose. Such authorized partner or clerk shall be subject to the rules and usages of the Exchange, but shall not have a vote at any meeting, nor any voice in the management of the Exchange. The Chairman or Vice-Chairman may withdraw the permission at any time. A member shall not enter into or be in active partnership with any person other than a member unless such partner shall have been approved by resolution of a meeting of the Committee.

Notice of intention to take such vote shall be given by the Chairman at a previous meeting. No meeting shall be held on public holidays, unless otherwise ordered by the members in the same manner as that provided for special holidays.

77. At the official meetings the prices made shall be binding on members making them to the extent of the minimum quotation, unless a definite number is stated. No sale shall be made while the record of business done is being called over, or during any time of suspense ordered by the Chairman.

Minimum quotations.

78. In offering to buy or sell at the meetings of the Exchange, the minimum number of shares shall be as fixed by the Committee from time to time.

Highest declared buyer to have priority.

79. The highest declared buyer shall have priority over all other members in purchasing the stock in question at the price named. But, having made a purchase, he must, to retain his priority, immediately declare himself as still a buyer.

Lowest declared seller to have priority.

80. The lowest declared seller shall have priority over all other members in supplying the stock in question at the price named; but, having made a sale, he must, to maintain his priority, immediately declare himself as still a seller.

Reporting sales.

81. No sales shall be quoted on 'Change except those which are made between members of this or any registered Exchange, and a sale may be reported only on the day on which the sale is made.

Quotations challenged.

82. If any quotation of sale be challenged, the Chairman of the day shall immediately accompany the member whose quotation is doubted to his office, and there satisfy himself by examination of the books or papers of such member as to the *bona fides* of the quotation; and shall report the result either to the Committee in the first instance, or direct to the members in official meeting assembled, as to him shall seem fit. Any member refusing to the Chairman the inspection of his books shall be treated by the Committee as guilty of making a false quotation. An offender shall be considered as guilty of conduct unworthy of a member, and be dealt with accordingly.

OFFICIAL LIST.

83. The list of quotations of prices and of purchases and sales effected and reported at the daily meetings of the Exchange shall be the official list of the Exchange.

Private lists. Publishing information. Advertising. Auctions.

84. The Committee may, if it so thinks fit, issue a monthly list. No member shall issue a private list or general report. No member shall publish in or disclose to any newspaper any information about any company quoted by the Exchange, except in the name and with the consent of the Committee or the Chairman. No member shall advertise in any manner whatsoever in connection with sharebroking business without first obtaining the sanction of the Committee. No member, nor his partner or clerk, or any one employed by him, shall be allowed to attend auctions to bid, directly or indirectly, for stock, debentures, scrip, bonds, or shares of any description (forfeited shares excepted); and no member shall be allowed, directly or indirectly, to tender for stock, debentures, scrip, bonds, or shares of any description in a deceased or bankrupt estate.

Terms and conditions of admission of companies to quotation.

85. Admission of companies to quotation on the official list shall be upon such terms and conditions as the members shall from time to time determine. The Exchange shall have power to suspend for any period, or withdraw altogether, the name of any company or association from the official list.

REGISTER OF SALES.

Register of all sales at official meetings to be kept. Contract notes in mining transactions.

86. All sales made at official meetings shall be recorded in a register kept for that purpose, which record shall be called over before the close of such meeting, and members shall be bound thereby. Stamped contract notes for all transactions in mining shares shall be passed between members, and in the event of a dispute, unless the contract note shall have been returned within a reasonable time, it shall be *prima facie* evidence of a sale having been effected, and at the price stated therein.

INVIOABILITY OF CONTRACT.

Members' contracts.

87. In contracts between members for the sale and purchase of shares and stocks they shall be held to be principals to each other unless a written arrangement to the contrary be made between buying and selling broker at the time of the contract being made.

DELIVERY AND SETTLEMENT.

Time allowed for delivery of documents.

88. When sales are effected, the selling member must deliver the documents within ten days from twelve o'clock on the day of sale, except in the case of Tasmanian and Australian stocks, when twenty-one days shall be allowed, unless a special time for delivery is stated at the time of sale. If the documents are not delivered in accordance with this rule the buying member shall (subject to his having given not less than twenty-four hours' notice to the Chairman of the Exchange, dating from noon of the day on which notice is given, of his intention so to do) have the right to purchase or buy the said shares through the Chairman on 'Change on the following or any subsequent day within the period of six weeks from date of the original purchase and at the risk of the seller.

Payment for documents.

89. Purchasers shall not be required to take delivery of and pay for documents until the day following the sale. All documents must be delivered before 11 o'clock on Saturdays and 1 o'clock on other days, otherwise it shall not be incumbent on purchasers to pay for same until the following day.

Failure of payment.

90. Sellers shall have the right to require the purchase money to be paid in cash or by marked cheque at the time and place of delivery of documents. In case of failure of payment by the buyer, the vendor may, within one day of default of settlement or on any future day, either cancel the transaction or sell at the buyer's risk, through the Chairman of the Exchange, the securities involved, and the defaulting member shall forthwith pay to the vendor any difference between the original purchase-money and the net proceeds of the securities resold.

Limit of time for tender of documents.

91. If delivery of documents has not been made within the time specified in Rule 88, and the buyer has not cancelled the purchase or bought at the risk of the seller as therein provided, and the seller shall tender delivery of documents after the expiration of six weeks from the date of the sale, the buyer shall not be bound or compellable to accept delivery of such documents unless some special agreement in writing has been entered into between the buyer and the seller in respect of such delivery.

Claim for delivery of documents.

92. When a buyer shall claim delivery of documents after the expiration of six weeks from the date of purchase, and the seller shall not have cancelled the sale or sold at the buyer's risk as provided in Rule 90, it shall not be incumbent upon the seller to deliver unless some special agreement in writing has been previously made between the buyer and the seller in respect of such delay.

Refusal to register a transfer not to invalidate sale.

93. The refusal of the board of directors of any company to register a transfer shall not invalidate a sale.

Separate transfers and scrip to be delivered for each sale. Scrip to accompany transfers.

94. Sellers shall deliver separate transfers and scrip representing a sufficient number of shares sold in each sale if required to do so. Buyers requiring scrip must have transfers delivered with scrip attached or as memorandum equivalent to such scrip certified to by the company. A seller of shares in a London company, having a colonial register, shall deliver scrip on the colonial register, unless otherwise arranged at time of sale. The selling broker shall be responsible for a period of seven clear days from date of delivery for the validity of all documents delivered, and for the shares being free from all liability due or payable at the time of sale.

Sellers may demand buyer's name for insertion in transfer.

95. Sellers shall have the right to demand from the buyer prior to delivery, a name for insertion in the transfer of investment shares. Failing the buyer complying with such demand within three clear days from date of sale, the seller may insert the name of the buying broker.

Buyers may refuse transfer with alterations in them.

96. A member shall not be bound to accept delivery of a transfer signed by a transferee and his signature cancelled, or filled in with a transferee's name and the name cancelled.

Transfers signed under power of attorney.

97. Buyers shall have the option of refusing all transfers or scrip signed under powers of attorney or per procuracy, unless the signature thereto be certified as correct by the Secretary of the company, or the documents be accompanied by a valid power of attorney.

Broker's stamp.

98. No member shall print or affix his name stamp on any transfer or scrip delivered to another broker.

Sales for forward delivery.

99. In all forward contracts for shares or stocks, except where it is otherwise specifically agreed in writing between the parties at the time of sale, there shall be implied the following conditions: The seller may at any time and from time to time, whenever the market price of the shares or stock is less than the amount for the time being owing under the contract, and the buyer may at any time and from time to time whenever the market price of the shares or stock exceeds the amount for the time being owing under the contract, by application or notice to the other in writing, require that the contract be kept to the market price by payment to the Secretary of the Exchange of the difference between the contract price and the market price. Notification of such application or notice shall be forthwith lodged with the Secretary. Any written notice may be served or application made by delivering the same to the other party personally, or by leaving the same at his registered address, and shall be deemed to be duly served or made when so delivered or left as aforesaid. No such application shall be made or notice served on Saturdays or Exchange holidays, or after 1 o'clock in the afternoon of any week-day. Whenever any such application shall have been made, or any such notice shall have been duly served as aforesaid, the person to whom such application shall have been made, or upon whom such notice shall have been served, shall, before 2.30 p.m. on the same day, pay to the Secretary of the Exchange a sum equal to the difference between the market price of the shares or stock at the time of such application or service and the amount then owing under the contract; such payments to be made in cash or marked cheque if so demanded. The amount so paid in shall be held by the Secretary upon and subject to the following trusts and conditions, viz.:-

- (1.) If the amount has been paid by the seller, and before the date fixed for completion of the contract the market price of the shares or stock falls to the contract price, then such amount shall be repaid to the seller if demanded.
- (2.) If the amount has been paid by the buyer, and before the date fixed for completion the market price of the shares or stock rises to the contract price, then such amount shall be repaid to the buyer if demanded.
- (3.) The said amount shall in any case be repaid to the party paying same, at the written request of the other party.
- (4.) The said amount shall be repaid to the party paying same on the Secretary being satisfied that the contract has been completed.
- (5.) If the party who has paid such amount shall fail to complete the contract, then the said amount shall be applied in the first place in paying to the other party the amount which the defaulting party is liable to pay to him as hereinafter provided, and the balance (if any) shall be applied firstly in paying the brokerage payable to the Chairman, as hereinafter mentioned, and secondly towards the payment of any fine or fines inflicted upon the defaulter.

Provided always that the seller may, in lieu of paying to the Secretary of the Exchange the difference between the market price and the amount owing under the contract, deposit the shares or stock in manner hereinafter mentioned. When any shares or stock are deposited under the provisions of this rule, such shares or stock shall be deposited with the Secretary of the Stock Exchange, or with such other person or persons as may be mutually agreed upon by the parties, to be held by the Secretary or other person or persons, pending the due completion of the contract. On payment of the amount payable under the contract, the shares or stock shall be delivered to the buyer, but if the buyer shall make default in such payment, such shares or stock shall be returned to the seller.

In this rule, unless otherwise expressed, the "market price" shall mean the market price of the shares or stock at the time when application is made, or the notice is served as aforesaid, as the case may be. All disputes as to the market price shall be decided by reference to the Chairman of the Exchange, or, in his absence, to any member of the Committee who may be available and mutually agreed upon, whose decision shall be final, conclusive, and binding on all parties.

If default shall be made by the buyer in complying in manner aforesaid with any such application or notice as aforesaid, or in completing the purchase at the time fixed by the contract, the seller may in either or any such case forthwith at his option either cancel the contract or sell out the shares or stock through the Chairman, and the purchases shall forthwith pay to the seller the difference between the contract price and the net proceeds from the sale.

If default shall be made by the seller in complying with any such application or notice as aforesaid, or in completing the purchase at the time fixed by the contract, the buyer may, in either or any such case, forthwith at his option, either cancel the contract or buy at the risk of the seller through the Chairman, and the seller shall forthwith pay to the buyer the difference between the contract price and the gross amount paid by the buyer. The Chairman shall charge the usual rates of brokerage on all such sales as aforesaid, the amount in each case to be paid by the defaulting party.

DIVIDENDS.

100. Transactions in shares shall be with dividend until the day the dividend is payable. When transfers are delivered subsequent to the declaration of a dividend, but prior to the closing of the books of the company and in sufficient time for the registration of the shares, the seller shall not be responsible for the dividend, and the buyer's claim shall be only upon the registered holder; but when no reasonable time is afforded to the buyer to register the shares in his own name, then the seller shall be responsible for the dividend.

Dividends on time-bargains and options.

101. Dividends payable between the date of sale and the maturity of time-bargains shall accrue to the buyer, and shall be accounted for at the time of settlement of the bargain.

Interest on debentures and funded stock.

102. Accrued interest on debentures up to and including the day of sale in addition to the price shall belong to the seller.

CALLS.

Calls due to be paid by seller before delivery.

103. All calls made prior to time of sale shall be paid by the seller before delivery. Calls made between the date of sale and maturity of time-bargains shall be paid by the buyer to the seller at the time of settlement of the bargain.

TIME-BARGAINS.

Date for completion of time-bargains.

104. Unless otherwise agreed, neither party to a time-bargain shall be entitled to call upon the other party to complete until the day fixed for completion.

Time-bargains fixed for completion on Sundays or holidays.

105. Time-bargains, the day for completion of which shall fall on a Sunday or Exchange holiday, shall not be completed until the business day next following.

NEW SHARES.

106. In the event of new shares being created and offered to the shareholders in any Company during the currency of a time-bargain, or pending delivery of shares in time for the buyer to complete transfer to enable him to secure such new shares himself, the buyer, if desirous of receiving his proportion of such new shares, shall request the seller in writing, accompanied by the necessary funds to secure them, and the seller, on receipt of such request, shall secure them, but the seller may elect to deliver such documents as will enable the buyer to secure the new shares.

107. When a transaction is in shares on a London Register the responsibility of the seller shall cease if he shall have taken every practicable course to secure the new shares, and further, the seller shall be relieved of all responsibility if the circumstances place him in no better position than the buyer to secure the new shares, in which case the seller may, on receipt of a written request from the buyer to protect his rights, notify the buyer in writing of such circumstances, and the buyer on receipt of such notification shall protect his own interests.

NON-MEMBERS—FAILURE TO MEET ENGAGEMENTS.

Defaulters—Non-members.

108. Non-members shall pay for all stocks or shares purchased on their account before two o'clock on the day following the purchase, unless an agreement be made in writing to the contrary.

109. Should a purchaser, not a member, fail to pay the amount due on his purchase as per Rule 108, either the seller or his broker, or the purchaser's broker, shall be at liberty, at any time thereafter, at his or their option, either to sue such purchaser for breach of contract, or to resell the securities in any manner, and upon such terms and conditions as he or they may think proper, and to sue for the difference and all loss and expenses consequent upon such resale whether the same shall be made immediately on such failure to pay as aforesaid, or at any time thereafter; and all damages which the seller or his broker or the purchaser's broker may sustain thereby, shall be recoverable by him, or them, from the purchasers as and for liquidated damages, and it shall not be necessary to give notice of any such resale.

Non-members may be posted as defaulters.

110. In the event of any person not a member failing to meet any engagement with a member of the Exchange, the member may apply to the Committee to have such person posted as a defaulter. The Committee shall inquire into the case, and if satisfied that such default has been made, shall post the said person and announce to the members that he is in default.

Members not to transact business with a non-member announced a defaulter.

111. A member shall not transact business for a non-member who has been announced to the members as a defaulter, unless such person shall have made an arrangement with his creditor or creditors satisfactory to the Committee.

Business with other members' employees prohibited.

112. A member shall not buy or sell shares for any one employed in another member's office.

DISPUTES.

Committee to be sole and final tribunal for settlement of disputes between members.

114. Unless permission of the Committee has first been obtained, members shall not appeal to any Court of law or equity in any dispute that may arise between them in transactions under these rules, and if such permission is not granted they shall accept the Committee as the sole and final tribunal and arbiter therein.

Complaint from non-members.

115. It shall not be incumbent on the Committee to entertain any complaint submitted to them by any one not a member of the Exchange against a member of it, unless such member shall have been employed by the complainant in the capacity of broker; and in that or any other case in which a non-member desires the intervention of the Committee, he shall, previously to the case being heard, pay not less than five guineas, or such other sum as the Committee may determine, to the Secretary, and shall undertake in writing to abide by and forthwith to carry out the decision of the Committee in the same manner as if he were a member of the Exchange; the Committee to have the power to repay the whole or part of the five guineas or such other sum to the complainant.

POWER OF COMMITTEE TO PROCURE INFORMATION RELATIVE TO MATTERS UNDER INVESTIGATION.

Committee may require members and their clerks to give information.

116. Members and their clerks when required so to do by the Committee shall attend any meeting of the Committee, and then and there shall give such information as may be in their possession relative to any matter under investigation.

Committee may call upon members to produce their books, &c.

117. The Committee shall have full and absolute power, in the event of a complaint being made, which in their opinion justifies such procedure, to call upon any member to produce for their inspection all books, letters, telegrams, or copies thereof, and other documents in his possession relating thereto, and he shall, without delay, produce them for inspection accordingly.

VIOLATION OF RULES AND PENALTIES.

118. The Committee shall take cognizance of all violations of these rules, whether in letter or spirit. Any member found by them to be guilty of such violation, or who may fail to comply with any decision or ruling of the Exchange or of the Committee, or who, in the opinion of the Committee, is or has been guilty of conduct unworthy of a member, shall be liable to be fined or suspended or fined and suspended from membership by resolution of the Committee; or should the matter be of such moment as in their opinion to demand expulsion, the Committee shall report accordingly to the members at a special general meeting called for that purpose. It shall be competent for the said special general meeting to confirm the Committee's recommendation and expel the offending member, or to deal with him by fine or suspension.

Fines.

119. The fines mentioned herein shall not, except in cases where another amount is fixed, be less than £25 or more than £100, and in case of a continuous offence shall be not less

than £5 or more than £10 for each day during which such offence continues.

NOTICES.

120. Except as by these rules otherwise provided any notice or document to be given or served upon any member shall be deemed to be duly given or served if given by advertisement or by personal service upon the member, or by sending it through the post as a pre-paid letter addressed to such member at his address as appearing in the register or to such other address as he shall from time to time notify in writing to the Secretary, or to his last-known address.

Member guilty of unworthy conduct.

121. Any member of the Exchange who shall fail to observe or be bound by the terms of any decision or ruling of the Committee or of the Exchange, or the spirit or intention thereof relative to the conduct by the members of the Exchange of their business as such members, or to their dealings with one another as such members, or relative to other matters arising out of the objects or purposes of the Exchange, shall be deemed guilty of conduct unworthy of a member, and be dealt with in manner provided by Rule No. 117.

No action maintainable.

125. No action or other proceeding shall, under any circumstances, be maintainable by the person referred to in such notification against any member or official publishing or circulating the same, and this rule shall operate as leave and authority to any member or official to publish or circulate such notification, and be pleadable accordingly.

Depreciated-currency Duty.—Rubber Tires, &c., imported from Germany, Austria, or Hungary.

Customs Department, Wellington, 20th August, 1924.

IT is hereby notified, for public information, that the Minister of Customs has been requested to determine whether or not depreciated-currency duty should be imposed on the following class or kind of goods, when imported from Germany, Austria, or Hungary—viz., Rubber tires, rubber tiring, and inner tubes of rubber for pneumatic tires, n.e.i.—which when imported from such countries are at present subject to depreciated-currency duty.

Before deciding the matter, the Minister hereby invites any person who considers that the importation of such goods without such duty being charged thereon would prejudicially or injuriously affect his industry or business, or who would be aggrieved if such duty were not charged on such goods, to make a complaint in the prescribed form.

The Minister also invites any person who considers that the imposition of depreciated-currency duty on such goods does prejudicially or injuriously affect his industry or business, or who is aggrieved by the imposition of such duty, to state in the prescribed form any reasons he may desire to offer why such duty should not be imposed.
