ORDER IN COUNCIL.

At the Government House, at Wellington, this 1st day of September, 1924.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the Otago Electric-power Board lately proceeded to raise a loan of two hundred thousand pounds under the Local Bodies' Loans Act, 1913 (hereinafter referred to as "the said Act") for the reticulation of the

district and for the other purposes set out in the notice published pursuant to section nine of the said Act :

And whereas the proceedings in connection with the said loan were irregular, in that the notice published as aforesaid provided that the loan should be repayable at the end of thirty-six and a half years, with a sinking fund of one per centum, while in the voting-paper used for the purposes of the poll of ratepayers taken on the proposal to raise the said loan it was stated that the loan would be repayable by equal half-yearly instalments over a term of thirty-six and a half years.

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers and authorities conferred on him by section one hundred and eleven of the Local Bodies' Loans Act, 1913, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby order and declare that the proceedings in connection with the said loan shall be valid to all intents and purposes as though the said voting-paper had stated that the loan would be repayable at the end of thirty-six and a half years, with a sinking fund of one per centum, and that the validity of the proceedings in connection with the said loan shall not be called in question by reason only of the irregularity aforesaid.

INFORMATION is hereby given that the undermentioned prohibited anchorages which were shown as "pecked" areas on Admiralty Chart 1970, Auckland Harbour, have now been deleted, and in lieu of which in respect of submarine cables the positions of the cables and the words "telegraph cable" have been placed on the Chart. Also, pairs of triangular-shaped beacons each marked "Cable," the front beacon of each pair exhibiting a fixed green, and the rear one a fixed red light, have been erected so as to enable the position and direction of the cables to be visually located during daylight or darkness by vessels desiring to anchor.

Part II.—Passengers and Passengers' Luggage.

1. No person (other than a person entering a train at a flag station as denoted in the time-table of the Board for the time being in force) shall be entitled to travel in a train unless furnished by the Board with a ticket specifying the class of carriage and the stations for travelling between which such ticket is issued.

2. Any person joining a train at a booking-station without being in possession of a ticket available for the journey then commenced shall on demand by any Stationmaster, or person authorized by a Stationmaster, or by the Guard in charge of the train, pay 6d. in addition to the ordinary fare.

3. Tickets will be issued conditionally on there being room in the train for all the passengers to whom tickets shall have been issued. If there shall not be room for all such passengers, the holders of periodical tickets shall, subject to any arrangement for the time being in operation on the railway regarding the reservation of seats in trains, have priority over holders of return and single tickets; and the fare will be returned, on application to the Stationmaster, to such holders of return and single tickets as shall be unable to obtain seats.

4. Every person claiming to be a passenger shall, whenever required to do so for any purpose whatsoever, show and deliver his ticket to any servant of the Board for the time being engaged upon or in connection with the train in which such person is travelling.

5. Every person entering a train at a flag station shall pay the fare from such flag station to the station to which such person travels.

6. Every passenger shall leave the train at the station to which his ticket entitles him to travel. Any passenger who shall desire to travel or who shall travel beyond such station shall, on demand by any servant as aforesaid, pay to such servant the proper fare for the extra distance which he shall so travel.

7. No person shall use or attempt to use a ticket on any day for which it is not available, or a ticket which has already been used on a journey.

8. No person having paid the fare for a ticket entitling him to travel by an excursion train or any other specified train shall travel by any train other than that in respect of which such fare was paid without previously taking out the proper ticket and paying the proper fare therefore respectively.

9. No person having used a ticket for any part of the route for which it is issued shall afterwards use it for travelling on any preceding part of such route.

10. No person having paid the fare for a certain distance shall knowingly and wilfully proceed in any carriage beyond such distance without previously paying the additional fare for the additional distance.

11. No person shall wilfully alter or deface a ticket issued by the Board so as to render the date, number, or other material part thereof illegible.

12. Tickets are the property of the Board, and are in no case transferable. No person other than the person to whom a ticket has been issued shall travel or attempt to travel therewith, and no person to whom a ticket has been issued shall do any act by which any other person shall be enabled to travel or attempt to travel therewith.

13. No person shall be entitled to enter, or, having entered, shall, without the leave of a servant as aforesaid, be entitled to remain in, any carriage which at the time of such entry shall contain the full number of persons it is constructed to carry. Any person who shall have entered a carriage under such circumstances shall leave it immediately upon being requested to do so by any such servant. A statement by such servant that such carriage is full, or to that effect, shall be conclusive evidence that such carriage contains the full number of persons it is constructed to carry.

14. Except by express permission of some servant as aforesaid, no male person above or apparently above the age of eight years shall travel or attempt to travel or remain in any compartment of a carriage marked or otherwise indicated as being reserved or appropriated for the exclusive use of female persons. Any such male person who shall have entered any such carriage shall leave it immediately upon being requested to do so by any such servant. A statement by such servant that such carriage is so reserved or appropriated shall be conclusive evidence that such carriage is so reserved or appropriated.

15. Except by special permission of the Board, a person suffering from any infectious or contagious disease or disorder shall not enter or remain or be in or upon the Board's premises, or travel or attempt to travel on the Board's railway; and the Board may refuse to receive or carry any such person, or to permit any such person to enter, remain, or be in or upon any part of the Board's premises, or to travel on the railway. Any person infringing this by-law shall, in addition to any other penalty, be liable to the Board for the cost of disinfecting the Board's premises and any carriage in which such person shall have been. Any person who has charge of any person so offending or who aids or assists any such person in so offending shall be deemed to infringe and offend against this by-law.

16. Every passenger shall be entitled to have carried free of charge in the train in which he travels ordinary personal luggage to a weight not exceeding 112 lb. On any excess above that weight such passenger shall pay to the Board freight according to the scale set forth in the schedule of rates for the time being in force. Every passenger shall, on being requested by any servant as aforesaid so to do, allow his luggage to be weighed by or under the direction of such servant at any reasonable time.

17. All luggage taken by a passenger or placed at his request in the carriage in which he travels shall be deemed to be under such passenger's own personal control and at his own exclusive risk during transit, and the Board shall be under no liability in respect thereof. The passenger to whom such luggage belongs, or who shall have control thereof as aforesaid, shall, immediately after the arrival of the train at the station at which he leaves it, remove from the train all such luggage. Any such luggage left by him in the train shall remain at his sole risk until removed as hereinafter provided.

18. No servant of the Board shall have, or be deemed or assumed to have, any authority to undertake any charge or responsibility in respect of luggage brought to or left upon any station.

19. Luggage not claimed and removed within twenty minutes after the arrival of the train at the terminus to which it is travelling will be taken to the luggage-room of the Board for safe custody. The Board shall be entitled to charge 6d. for each and every package, whether large or small, so taken to the luggage-room; and in addition 1d. for every day or fraction of a day after the day it is so taken to such luggage-

room during which it shall remain in the Board's custody. Before such luggage shall be delivered to any person claiming the same he shall pay all such charges to the Board and in all other respects conform with these by-laws.

20. The Board will not be responsible to the owner of any luggage carried by it as aforesaid to a greater value than £10, unless the full value thereof be declared in writing, signed by such owner, when the same was delivered to the Board for carriage, and unless insurance be paid thereon at the rate of 6d. in the pound upon such declared value above the said sum of £10. In no case shall the Board be liable for more than the value so declared. Notwithstanding any such declaration of value, it shall be the duty of the person claiming or making any claim in respect of any such luggage to prove that such luggage was in fact of the declared value at the least at the time when such declaration was made.

21. Luggage not claimed and removed within one calendar month after having been placed in a luggage-room as hereinbefore provided, or in a store as hereinafter provided in respect of luggage left at a flag station, shall be treated as abandoned by the owner thereof, and may at any time thereafter be sold by the Board at auction at the risk of such owner, in such manner, at such time, and subject to such conditions as the Board shall think fit. For the purposes of such sale the Board may cause any box, trunk, or other package whatsoever to be opened, and the contents examined and catalogued, if considered necessary for the purposes of the sale.

22. The moneys received upon any such sale shall be applied in the first place in payment of the costs of and incident to the sale, and in the next in the payment of the storage charges upon the luggage so sold, and the balance shall be held by the Board for the use of the owner of the luggage so sold, to be paid over to him on the due proof that he is the person entitled to such moneys.

23. No claim for compensation for loss of luggage will in any case be recognized by the Board unless made in writing addressed to the Traffic Manager, and either delivered to him at his office within seven days after the date of the alleged loss, or posted to him addressed to such office at such a time that the letter so posted would if delivered in the ordinary course of post be delivered to him within the said period of seven days. Such writing shall contain a full description of any address or addresses on the said luggage, and the name of the station at which it was delivered to the Board, and that of the station to which it was addressed, and a list, as far as practicable, of the contents of the box, trunk, or other package alleged to have been lost.

24. With regard to the luggage of passengers joining or leaving a train at a flag station the following regulations shall apply, and where inconsistent with the foregoing by-law the following regulations shall prevail:—

- (1.) The luggage of any passenger joining a train at a flag station, except such as he shall keep under his personal control, shall be delivered by him to the Guard of the train, to whom he shall at the same time state the name of the station at which he proposes to leave the train.
- (2.) All luggage to be delivered at a flag station shall on the arrival of the train thereat be placed upon the platform of such station, and shall thereupon be and remain at the risk of the owner of such luggage, whether he be present to take charge of the same or not. If such luggage be not removed from such platform, and if there be a store or shed on such station, the Board shall be at liberty (but not so as to impose on the Board any liability in the event of the Board not so doing) to put such luggage into such store or under such shed so as to prevent, as far as practicable, damage by rain or storm, and such luggage shall thenceforth be and remain in such store or shed at the risk of the owner as aforesaid.
- (3.) If there be no store or shed at such station, then the Board shall be at liberty (but so as not to impose on the Board any liability in the event of the Board not so doing) to carry such luggage on to the nearest station at which the same can be stored in a luggage-room or other place for the receipt of goods, and such luggage shall thenceforth be and remain therein at the risk of the owner as aforesaid.
- (4.) The Board shall be at liberty to charge in respect of any luggage put into a shed or store as aforesaid or carried on to a luggage-shed as aforesaid the same amount of storage in respect of the time during which such luggage shall be so kept by the Board as the Board is entitled to do under By-law 19 of this Part of the Board's by-laws.

Part III.—Carriage of Goods.

1. Goods for carriage in the Board's railway will be received at that part of each station which is appointed for that purpose, and will only be carried by the Board upon the conditions laid down in this Part of these by-laws.

2. The freight, at the rates from time to time fixed by the Board, on all goods for conveyance on the Board's line must be prepaid.

3. Goods must be loaded by the consignors for despatch, and unloaded by the consignees at destination.

4. The Board will not admit any liability for loss or damage to goods unless actually incurred during transit. The Board's liability ceases when goods arrive at destination, and the Board will not undertake any responsibility for goods which are not immediately taken delivery of.

5. Demurrage shall be paid to the Board on the use of any rolling-stock in accordance with scale from time to time fixed by the Minister of Railways with respect to the New Zealand Government railways.

6. All goods which are not taken delivery of within five hours after arrival at their destination may, at the option of the Board, be unloaded and stored in the Board's sheds or elsewhere as the Board finds expedient at the sole risk and expense of the consignees or owners. Goods not taken delivery of as aforesaid will be subject to unloading demurrage and other charges in accordance with the schedule of charges for the time being in force.

7. The Board reserves the right to inspect all goods, live-stock, parcels, and luggage before insuring or accepting same for transit. For this purpose, if considered necessary, any package must be opened by the sender at his own expense.

8. Notices for the supply of trucks given by persons intending to consign goods will be accepted for fulfilment conditionally only upon its being found convenient to the Board to supply the trucks upon the due date. The Board in supplying trucks will, subject to clause 10 hereof, deliver them only on sidings on the Board's railway, and will take them away again only from such sidings. The Board will not be responsible for any loss or damage arising through failure from any cause to have trucks supplied or removed by any particular date or train.

9. All persons applying for a supply of trucks shall be responsible for any damage to the same occurring between the time when such trucks are set down and the time when they are taken away by the Board's engine.

10. Notwithstanding anything contained in these by-laws, the Board may, if it thinks fit, work any private siding connected with the Board's railway on such terms and conditions as may from time to time be mutually agreed upon.

11. The Board will not be responsible for the delivery of goods by any particular train or at any particular time, or for any damage to goods caused by delay in the delivery thereof.

12. No goods will be accepted for conveyance to flag stations except by special arrangement.

13. Special arrangements must be made with the Board for the carriage of live-stock of any kind, in order, *inter alia*, that the necessary trucks may be provided for the purpose. This by-law is subject to the provisions of By-law No. 8 of this Part of these by-laws.

14. The Board will not be responsible for mortality or injury to live-stock of any description during loading, transit, or unloading.

15. Perishable goods of all kinds, if not taken delivery of within five hours after arrival, may be forthwith sold at auction or otherwise without notice to the consignor or consignee, and payment of the proceeds of any such sale after deduction of expenses and charges shall be deemed to be equivalent to delivery.

16. The Board will not be responsible for any loss or damage in respect of any goods carried by the Board under any of the following circumstances:—

- (a.) If such goods have been insufficiently or insecurely packed, addressed, loaded, or sheeted.
- (b.) If they consist in whole or in part of articles liable by breakage or leakage to damage each other or any other goods in the same package.
- (c.) If the value of any package exceeds £10, unless the same shall have been previously declared as of greater value than £10, and extra charges for insurance paid to the Board at the rate of 6d. for every £1 in value above £10.
- (e.) If any package consists in whole or in part of any dangerous goods, or articles of a dangerous nature and have not been specially declared and arranged for beforehand.
- (e.) If goods have been put into packages described and charged for as empties.
- (f.) If a claim in writing for such loss or damage is not made in writing to the Board within seven days after the alleged loss or damage, and served on the Board in

manner provided with respect to lost luggage by clause 23 of Part II of these by-laws, and full particulars therein given of marks and numbers, value of packages, and contents.

Notwithstanding the conditions of clause (e) hereof it shall be the duty of every person making any claim under that clause to prove that the goods in respect whereof such claim is made were in fact of the declared value at the least at the time when the declaration was made.

17. No dangerous goods will be carried by the Board except under special arrangements, and the Board may refuse to receive or carry such goods. Double the ordinary rates will be charged for the carriage of dangerous goods. If it is considered expedient to provide a special train in connection therewith, the Board shall be at liberty to do so, and impose therefor a minimum charge as prescribed by the schedule of rates for the time being in force.

18. Any person presenting dangerous goods to be carried by the Board shall at the same time declare the nature and kind of the goods so presented.

19. The Board does not undertake and shall not be bound to advise consignees of the arrival of goods of any kind at their destination.

20. If any person for one month after demand therefor refuses or fails to pay in respect of any goods any charges lawfully imposed thereon, the Board may order any such goods to be sold, or, in case such goods have been delivered, then any other goods on the premises of the railway belonging to the same person. The proceeds of any such sale shall be applied first in paying the said charges and the expenses of such sale (including all charges and expenses incurred in or about the storage, warehousing, and handling of the goods, or otherwise howsoever), and the balance, if any, shall be paid over to the person entitled thereto upon his establishing his claim.

21. If any goods carried by the Board are left on the premises of the Board, and the owner thereof or the person liable for the charges thereon is not known, the Traffic Manager may cause it to be notified that such goods will be sold upon a day named in such notice, not less than one month from the publication thereof. If such goods are not removed and the charges thereon paid before such day the said goods may be sold. The balance of the proceeds of such sale, after deducting the expenses of such sale and the charges on such goods, shall be paid to the Public Trust Office, and shall be paid by the Public Trustee to any person establishing a lawful claim thereto.

22. (1.) When any goods have been received for conveyance upon a railway, and the consignee or owner has not complied with all provisions of any law relating to the charge or collection of duties by the Customs, or has not paid all charges incurred by the Board on account of such goods which have accrued upon or prior to receipt of the goods by the Board, or if the goods are held awaiting the consignor's order to deliver, then such goods may be held and detained by the Board until all such provisions are complied with, or such charges are paid, or such consignor's order to deliver is given.

(2.) During the time such goods are so held and detained the Board shall be responsible only as a warehouseman in respect to any loss or damage that may occur thereto.

(3.) The powers conferred by this clause shall not affect any other powers of the Board.

23. If the Board shall have paid any claim for goods for the time being lost on a railway, and such goods are afterwards found, the claimant shall have the option of taking such goods upon refunding the amount so paid to him. If he declines to do so the goods shall forthwith become the property of the Board.

Part IV.—Time-table.

1. The Board reserves the right whenever it shall be deemed expedient from time to time, without notice, to alter the hour of departure of any train or trains, or omit the running of any train or trains.

2. The Board shall not be responsible for any delay in the arrival or departure of any train or trains, or for any deviation or omission from the time-table of the Board for the time being in force.

Part V.—Offences and Penalties.

1. No passenger or other person shall do or attempt to do any of the acts or things following, that is to say:—

- (1.) Smoke in any carriage or compartment or in any waiting-room, station, or covered platform, except in a carriage or compartment specially appointed for that purpose.
- (2.) Take into any carriage or compartment for the purpose of carrying the same therein any luggage, parcel, or package for which there is not room under the seat occupied by such passenger or in the rack above such seat.

- (13.) Commit any nuisance on any part of a station or carriage or any other property whatsoever of the Board.
- (14.) Deface the writing on any board or any notice authorized to be maintained on any railway or railway-carriage, rolling-stock, or railway-station.

- (16.) Wilfully do any act interfering with the comfort or convenience of any passenger or passengers.

- (22.) Without a license from the Board issued by the Traffic Manager, or otherwise than as by such license provided, sell or offer for sale any articles of any kind whatsoever in any carriage forming part of a train.
- (23.) Without the express consent of the Board, enter or be upon or pass over or along any part of the Board's railway except at any authorized crossing over the same, and except at or upon such stations, platforms, warehouses, sheds, offices, or other places thereon as shall be or have been established and appropriated by the Board for the purpose of and in connection with the passenger and goods traffic upon the said railway, and the approaches to such places respectively.

Any persons who without such express consent or authority as aforesaid shall enter or be upon or pass along or over any part of the said railway except as hereinbefore excepted shall be deemed to be a trespasser upon the said railway within the provisions of the Local Railways Act, 1914.

- (24.) Permit any cattle to be at large without proper guidance or to wander or to be herded or grazed upon any part of the Board's railway.
 - (25.) Neglect to shut any gate or slip-panel on any fence forming the boundary of or upon or adjoining any railway the property of the Board.
2. Every person who shall do, or cause or procure to be done, anything contrary to or otherwise than as provided by these by-laws or any section or part of a section thereof, or who shall omit to do anything therein required to be done by him, shall be deemed guilty of an offence.
3. (1.) Every person guilty of a breach of any of these by-laws shall be liable to a fine not exceeding £20, or where the breach is a continuing one, then to a fine not exceeding

£5 for every day or part of a day during which such breach continues.

(2.) The continued existence in a state contrary to any by-law of any work or thing shall be deemed a continuing offence within the meaning of this section.
