LIST OF TEACHERS HOLDING
CERTIFICATES OR LICENSES

UNDER THE EDUCATION ACT, 1914,

AND

GENERAL GRADED LIST OF PRIMARY-
SCHOOL TEACHERS.

Teachers holding Certificates or Licenses under the Education Act, 1914.

Education Department,
Wellington, 23rd April, 1924.

THE following lists of teachers are issued under the authority of the Minister of Education in accordance with the regulations respecting teachers' certificates and the grading of primary-school teachers.

Part I contains the names of certificated teachers who are at present employed in some form of public instruction, or who were so employed up to a few years ago. This list also serves the purpose of an alphabetical index to the general graded list of teachers published below in Part III.

The names of the teachers who are not known to have been engaged in teaching at any time during the past five years have been removed from the list, except when such teachers have made special application to be graded, and the retention of their names in the alphabetical list has been necessary to show their positions on the graded list. Teachers who applied to be graded and who are not employed in public primary schools have been awarded grading marks provisionally. These marks are subject to revision should the teachers obtain positions in public primary schools.

There is shown in each case the class of certificate held as defined by the regulations. Under the heading "Engagement," employment in the several classes of schools is indicated by the abbreviations shown in parentheses in each case: Public school (P.S.); Native Maori schools (Nat.); recognized classes under the Regulations for Manual and Technical Instruction (Tech.); schools in special Government institutions (Spec.); private schools registered under the Education Act, 1914 (Priv.); public secondary schools (Sec.); University Colleges (Univ.); training-colleges (Tr. C.); while students of training-colleges are indicated by "Norm." Inspectors of Schools by "Insp.," and other departmental certificated officers by "Dept." A blank opposite a name shows that a teacher is at present unemployed so far as is known to the Department. The district in which a public-school teacher is engaged may be ascertained by referring to the graded list.

Part II contains the names of teachers holding licenses to teach. The names of teachers whose licenses expired on the 31st December, 1923, are not included in this list.

Part III is the general graded list of primary-school teachers.

J. CAUGHLEY,
Director of Education.

PART III.

General Graded List of Primary School Teachers.

The following general graded list of teachers is issued, in accordance with the regulations for the grading of primary school teachers, and is, with any amendments thereto, to remain in force until the publication of the new general list in 1925. The list shows the order of merit in which teachers have been placed by the grading officers.

Included are the names of all certificated teachers who were employed in public schools or Native schools on the 31st December, 1923, and of such other certificated teachers who made special application to be graded in accordance with Regulation 3.

The abbreviations used in the column showing the class of position held by the teacher are as follows: H (head teacher); O (organizing teacher); S (sole teacher); A (assistant teacher or ex-normal student whose course ended December, 1923); D (assistant in the secondary department of a district high school).

The education districts in which teachers have been graded are shown under the heading "District." Where "Department" occurs under this heading it signifies that the teacher has been graded provisionally by the Director of Education.

In accordance with clause 19 of the regulations each teacher is being supplied with the separate marks on which his grading has been determined, such information to be treated as confidential.

Attention is drawn to the regulations, under which any teacher who considers that he has a good ground of objection to the position assigned to him on the graded list may lodge an appeal by letter to reach the Director of Education not later than forty clear days after the publication of the list in the *New Zealand Gazette*—i.e., appeals must reach the Department not later than the 2nd June, 1924. An appeal must be made on the prescribed form, which may be obtained on application to the Director of Education, Wellington, and must contain a complete and definite statement of the grounds on which the appeal is based.

The alphabetical list of certificated teachers published in Part I serves as an index to the graded list.

As indicated in Part I, teachers who are not employed in public primary schools and who have applied to be graded have been awarded grading marks provisionally. These marks are subject to revision should the teacher obtain an appointment in a public primary school.
