GENERAL DESCRIPTION.

Fernleigh Settlement, being a portion of Mr. S. There is also a very efficient cream service connecting with Christchurch, and a mail-car service passing tri-weekly. The land is eminently adapted for dairying, being partly flat and partly hilly, all being in good pasture. The flats comprise some of the finest dairying country in Marlborough, being drained swamp, and capable of further improvement by more draining. The hills, carrying native grasses and a little manuka-scrub, have a northerly aspect and work in well with the flat land. There are a few rabbits on the hilly portion of the settlement. The altitude varies from about 200 ft. to 1,000 ft. above sea-level. The district enjoys a good climate with a sufficient rainfall for successful dairy farming.

#### DECEASED OR EX-MEMBERS HAVE NO CLAIM ON ASSETS.

Deceased or ex-members have no claim on the assets of the Exchange.

56. Members who resign or cease to be members from any cause whatever, or the executors or the administrators of any deceased member, shall have no claim on the assets of the Exchange.

#### DEFAULTERS.

Defaulters: Committee to deal with them, and how.

57. The Committee shall suspend for such period as it shall think fit, and may also fine or recommend for expulsion any member who shall fail to pay when due any debt incurred by him to another member. Should the Committee decide to recommend the member's expulsion they shall report accordingly to the members at a special general meeting called for that purpose. It shall be competent for the said special general meeting to confirm the Committee's recommendation and expel the member so brought before them, or deal with him by fine or suspension from membership. A member who becomes insolvent or assigns his estate for the benefit of, or compounds with, his creditors shall, *ipso facto*, cease to be a member, and shall forfeit to the Exchange all interest in his membership and in the funds and property of the Exchange, notwithstanding that he may not be at the same time a defaulter on the Exchange; but such member may be reinstated without payment of fee after he has obtained his discharge from his insolvency, or a release from his creditors, by ballot taken in the same manner as provided by Rule 40.

Open transactions of defaulters to be closed at order of Committee.

58. The Committee shall have power to order that all open transactions, including time-bargains, between any member unable to meet his engagements and other members shall be closed within a time to be named by the Committee. Such transactions shall be closed accordingly by the Chairman buying or selling in the market on account of the member in default such stock or shares as he may have contracted to sell or purchase. The Chairman shall charge current rate of brokerage to the defaulter, and such brokerage shall be the property of the Chairman. Members shall, without delay, render full statements of account to the Committee.

#### Notice of default.

59. Should it come to the knowledge of any member of the Exchange that a broker, either in Christchurch or elsewhere, has failed to meet his engagements, the said member must at once report the circumstances to the Chairman, who shall bring the matter before the Exchange at its first meeting for decision as to what action shall be taken. Any member failing or neglecting to report to the Chairman as above specified shall be liable to be fined a sum not exceeding £200, or to be suspended, at the option of the Exchange.

#### Accounts.

60. The Committee shall have power to investigate the accounts of members with a member in default, and to reject or require the correction of any items which they may deem unsatisfactory.

#### Surpluses.

61. Members, creditors of a member in default, shall have a preferential claim on all surpluses in the hands of other members, resulting on the closing of transactions open at the time of default, and also on all moneys which may become payable to a member in default out of funds in the hands of the Committee from the estate of another member in default. All surpluses in the hands of members resulting on the closing of open transactions with a member in default shall be paid to the Committee.

#### How to deal with surpluses.

62. The Committee shall distribute as soon as possible amongst members, creditors of the member in default, the surpluses received from other members on his account, and all moneys due to him out of funds in the hands of the Committee from the estate of another member in default.

#### DISTRIBUTION OF ASSETS OF EX-MEMBERS.

Recent claims to have preference in distribution of assets of an ex-member.

63. The Committee in dividing amongst members, creditors of a late member, the proceeds received by them on sale of a membership, after deducting the transfer fee of the purchaser and all other liabilities due to the Exchange, or in dividing any surpluses received by them from members on account of a defaulting member's estate, or in dividing any moneys due to him out of funds in the hands of the Committee from the estate of another member in default, shall not necessarily distribute the same *pro rata*, but may, in their discretion, give preference, either wholly or in part, to claims of recent date over claims of longer standing which were not divulged to the Committee at the time they arose.

#### Claims not arising from transactions under the rules.

64. Claims on the estate of a resigning, retiring, or deceased member that do not arise from transactions under these rules shall not be recognized by the Committee until all claims that have arisen from transactions under the rules shall have been satisfied.

#### PARTNERS OR CLERKS.

Members' partners and clerks may be admitted to official meetings.

65. Without limiting the powers of a member under clause 41 of these rules, the Chairman or Vice-Chairman may grant a member permission for a partner or clerk in his service to attend the official meetings for the purpose of making quotations and the purchase and sale of shares on behalf of such member, and in his stead, but for no other purpose. Such authorized partner or clerk shall be subject to the rules and usages of the Exchange, but shall not have a vote at any meeting, nor any voice in the management of the Exchange. The Chairman or Vice-Chairman may withdraw the permission at any time. A member shall not enter into or be in active partnership with any person other than a member, unless such partner shall have been approved by resolution of a meeting of the Committee.

65A. Where one of the members of a firm is a member of the Exchange, the entrance fee payable by another member of the same firm shall be reduced one-half: Provided that in the event of a dissolution of such partnership taking place the member who entered at reduced entrance fee, should he desire to remain a member, shall be required to pay, within one month after such dissolution has taken place, a sum which shall, with the amount already paid by him, make up the full entrance fee payable at the date of his election; and until such sum be paid the member shall be considered not to have paid his entrance fee (as provided by these rules), and shall not be entitled to attend the Exchange-room or to have any of the rights of membership, and shall cease to be a member. But if the same partnership shall have continued for a period of five years from the date of election he shall then be considered a full member without further payment. Any member who has not paid the full entrance fee payable at the date he became a member shall not have power to deal, by transfer or otherwise, with his seat on the Exchange for a period of five years.

#### Members may withdraw authority given to a clerk.

69. A member may, by a letter addressed to the Secretary, withdraw the authority to his clerk to act, but his responsibility shall continue until such withdrawal shall have been notified to the members at an official meeting.

Special holidays shall not be declared except by the vote of not less than two-thirds of the members present at any official meeting. Notice of intention to take such vote shall be given by the Chairman at a previous meeting. No meeting shall be held on public holidays unless otherwise ordered by the members in the same manner as that provided for special holidays.

#### Members leaving during a meeting must get permission.

75. A member shall not leave an official meeting without the permission of the Chairman, under penalty of a fine to be fixed by the Chairman, which shall be paid within seven days.

#### No messages to be sent out during meetings.

76. Telegrams and other written communications may be received by members during business meetings, but no messages shall be sent out during such meetings.

#### Reporting sales.

81. No sales shall be quoted on 'Change except those which are made between members of this or any affiliated Exchange, and any sale must be quoted not later than the next succeeding call, and only on the day that the sale is made; but sales made after the last call of the day may be reported up to 5 p.m. to the Secretary of the Exchange for publication.

#### Quotations challenged.

82. If any quotation of sale be challenged, the Chairman of the day shall immediately accompany the member whose quotation is doubted to his office, and there satisfy himself by examination of the books or papers of such member as to the *bona fides* of the quotation; and shall report the result either to the Committee in the first instance, or direct to the members in official meeting assembled, as to him shall seem fit. Any member refusing to the Chairman an inspection of his books shall be treated by the Committee as guilty of making a false quotation. An offender shall be considered as guilty of conduct unworthy of a member, and be dealt with accordingly.

No member shall advertise in any manner whatsoever in connection with sharebroking business without first obtaining the sanction of the Committee. No member, nor his partner or clerk or any one employed by him, shall be allowed to attend auctions to bid directly or indirectly for stock, debentures, scrip, bonds, or shares of any description (forfeited shares excepted), and no member shall be allowed, directly or indirectly, to tender for stock, debentures, scrip, bonds, or shares of any description in a deceased or bankrupt estate.

Any member who desires to issue a general circular—i.e., a circular to persons not his own clients, wherever located—shall first have the same approved by the Committee; and if he desires that the circular be distributed outside the territory of the Exchange, the permission of the Committee of the other Metropolitan Exchanges shall be first obtained by the Exchange.

#### Terms and conditions of admission of companies to quotation.

85. Admission of companies to quotation on the official list shall be upon such terms and conditions as the members shall from time to time determine. The Exchange shall have power to suspend for any period, or withdraw altogether, the name of any company or association from the official list.

### REGISTER OF SALES.

Register of all sales at official meetings to be kept. Contract notes in mining transactions.

86. All sales made at official meetings shall be recorded in a register kept for that purpose, which record shall be called over before the close of such meeting, and members shall be bound thereby. Stamped contract notes for all transactions in mining shares shall be passed between members, and in the event of a dispute, unless the contract note shall have been returned within a reasonable time, it shall be *prima facie* evidence of a sale having been effected, and at the price stated therein.

### INVIOABILITY OF CONTRACT.

#### Members' contracts.

87. In contracts between members for the sale and purchase of shares and stocks they shall be held to be principals to each other unless a written arrangement to the contrary be made between buying and selling broker at the time of the contract being made.

### DELIVERY AND SETTLEMENT.

#### Time allowed for delivery of documents.

88. When sales are effected, the selling member must deliver the documents within ten days from twelve o'clock on the day of sale, except in the case of Tasmanian and Australian stocks, when twenty-one days shall be allowed, unless a special time for delivery is stated at the time of sale. If the documents are not delivered in accordance with this rule, the buying member shall (subject to his having given not less than twenty-four hours' notice to the Chairman of the Exchange, dating from noon of the day on which notice is given, of his intention so to do) have the right to purchase or buy the said shares through the Chairman on 'Change on the following or any subsequent day within the period of six weeks from date of the original purchase and at the risk of the seller.

#### Payment of documents.

89. Purchasers shall not be required to take delivery of and pay for documents until the day following the sale. All documents must be delivered before 11 o'clock on Saturdays and 1 o'clock on other days, otherwise it shall not be incumbent on purchasers to pay for same until the following day.

#### Failure of payment.

90. Sellers shall have the right to require the purchase-money to be paid in cash or by marked cheque at the time and place of delivery of documents. In case of failure of payment by the buyer the vendor may, within one day of default of settlement or on any future day, either cancel the transaction or sell at the buyer's risk, through the Chairman of the Exchange, the securities involved, and the defaulting member shall forthwith pay to the vendor any difference between the original purchase-money and the net proceeds of the securities resold.

#### Limit of time for tender of documents.

91. If delivery of documents has not been made within the time specified in Rule 88, and the buyer has not cancelled the purchase or bought at the risk of the seller as therein provided, and the seller shall tender delivery of documents after the expiration of six weeks from the date of the sale, the buyer shall not be bound or compellable to accept delivery of such documents unless some special agreement in writing has been entered into between the buyer and the seller in respect of such delivery.

## Claim for delivery of documents.

92. When a buyer shall claim delivery of documents after the expiration of six weeks from the date of purchase, and the seller shall not have cancelled the sale or sold at the buyer's risk as provided in Rule 90, it shall not be incumbent upon the seller to deliver unless some special agreement in writing has been previously made between the buyer and the seller in respect of such delay.

## Refusal to register a transfer not to invalidate sale.

93. The refusal of the board of directors of any company to register a transfer shall not invalidate a sale.

Separate transfers and scrip to be delivered for each sale. Scrip to accompany transfers.

94. Sellers shall deliver separate transfers and scrip representing a sufficient number of shares sold in each sale if required to do so. Buyers requiring scrip must have transfers delivered with scrip attached or a memorandum equivalent to such scrip certified to by the company. A seller of shares in London companies, having a colonial register, shall deliver scrip on the colonial register, unless otherwise arranged at time of sale. The selling broker shall be responsible for a period of seven clear days from date of delivery for the validity of all documents delivered, and for the shares being free from all liability due or payable at the time of sale.

Sellers may demand buyer's name for insertion in transfer.

95. Sellers shall have the right to demand from the buyer, prior to delivery, a name for insertion in the transfer of investment shares. Failing the buyer complying with such demand within three clear days from date of sale, the seller may insert the name of the buying broker.

Buyers may refuse transfers with alterations in them.

96. A member shall not be bound to accept delivery of a transfer signed by a transferee and his signature cancelled, or filled in with a transferee's name and the name cancelled.

Transfers signed under power of attorney.

97. Buyers shall have the option of refusing all transfers or scrip signed under power of attorney or per procuration, unless the signature thereto be certified as correct by the Secretary of the company, or the documents be accompanied by a valid power of attorney.

## Broker's stamp.

98. No member shall print or affix his name stamp on any transfer or scrip delivered to another broker.

## Sales for forward delivery.

99. In all forward contracts for shares or stocks, except where it is otherwise specifically agreed in writing between the parties at the time of sale, there shall be implied the following conditions: The seller may at any time and from time to time, whenever the market price of the shares or stock is less than the amount for the time being owing under the contract, and the buyer may at any time and from time to time whenever the market price of the shares or stock exceeds the amount for the time being owing under the contract, by application or notice to the other in writing, require that the contract be kept to the market price by payment to the Secretary of the Exchange of the difference between the contract price and the market price. Notification of such application or notice shall be forthwith lodged with the Secretary. Any written notice may be served or application made by delivering the same to the other party personally, or by leaving the same at his registered address, and shall be deemed to be duly served or made when so delivered or left as aforesaid. No such application shall be made or notice served on Saturdays or Exchange holidays, or after 1 o'clock in the afternoon of any week-day. Whenever any such application shall have been made, or any such notice shall have been duly served as aforesaid, the person to whom such application shall have been made, or upon whom such notice shall have been served, shall, before 2.30 p.m. on the same day, pay to the Secretary of the Exchange a sum equal to the difference between the market price of the shares or stock at the time of such application or service, and the amount then owing under the contract; such payments to be made in cash or marked cheque if so demanded. The amount so paid in shall be held by the Secretary upon and subject to the following trusts and conditions, viz. :—

- (1.) If the amount has been paid by the seller, and before the date fixed for completion of the contract the market price of the shares or stock falls to the contract price, then such amount shall be repaid to the seller if demanded.
- (2.) If the amount has been paid by the buyer, and before the date fixed for completion the market price of the shares or stock rises to the contract price, then such amount shall be repaid to the buyer if demanded.
- (3.) The said amount shall in any case be repaid to the party paying same, at the written request of the other party.

(4.) The said amount shall be repaid to the party paying same on the Secretary being satisfied that the contract has been completed.

(5.) If the party who has paid such amount shall fail to complete the contract, then the said amount shall be applied in the first place in paying to the other party the amount which the defaulting party is liable to pay to him as hereinafter provided, and the balance (if any) shall be applied firstly in paying the brokerage payable to the Chairman, as hereinafter mentioned, and, secondly, towards the payment of any fine or fines inflicted upon the defaulter.

Provided always that the seller may, in lieu of paying to the Secretary of the Exchange the difference between the market price and the amount owing under the contract, deposit the shares or stock in manner hereinafter mentioned. When any shares or stock are deposited under the provisions of this rule, such shares or stock shall be deposited with the Secretary of the Stock Exchange, or with such other person or persons as may be mutually agreed upon by the parties, to be held by the Secretary or other person or persons, pending the due completion of the contract. On payment of the amount payable under the contract, the shares or stock shall be delivered to the buyer, but if the buyer shall make default in such payment such shares or stock shall be returned to the seller.

In this rule, unless otherwise expressed, the "market price" shall mean the market price of the shares or stock at the time when application is made, or the notice is served as aforesaid, as the case may be. All disputes as to the market price shall be decided by reference to the Chairman of the Exchange, or, in his absence, to any member of the Committee who may be available and mutually agreed upon, whose decision shall be final, conclusive, and binding on all parties.

If default shall be made by the buyer in complying in manner aforesaid with any such application or notice as aforesaid, or in completing the purchase at the time fixed by the contract, the seller may in either or any such case forthwith at his option either cancel the contract or sell out the shares or stock through the Chairman, and the purchaser shall forthwith pay to the seller the difference between the contract price and the net proceeds from the sale.

If default shall be made by the seller in complying with any such application or notice as aforesaid, or in completing the purchase at the time fixed by the contract, the buyer may, in either or any such case, forthwith at his option, either cancel the contract or buy at the risk of the seller through the Chairman, and the seller shall forthwith pay to the buyer the difference between the contract price and the gross amount paid by the buyer. The Chairman shall charge the usual rates of brokerage on all such sales as aforesaid, the amount in each case to be paid by the defaulting party.

## DIVIDENDS.

## Dividends.

100. Transactions in shares shall be with dividend until the day the dividend is payable. When transfers are delivered subsequent to the declaration of a dividend, but prior to the closing of the books of the company and in sufficient time for the registration of the shares, the seller shall not be responsible for the dividend, and the buyer's claim shall be only upon the registered holder; but when no reasonable time is afforded to the buyer to register the shares in his own name, then the seller shall be responsible for the dividends.

## Dividends on time-bargains and options.

101. Dividends payable between the date of sale and the maturity of time-bargains shall accrue to the buyer, and shall be accounted for at the time of settlement of the bargain.

## NEW SHARES.

## New shares.

106. In the event of new shares being created and offered to the shareholders in any company during the currency of a time-bargain, or pending delivery of shares in time for the buyer to complete transfer to enable him to secure such new shares himself, the buyer, if desirous of receiving his proportion of such new shares, shall request the seller in writing, accompanied by the necessary funds to secure them, and the seller, on receipt of such request, shall secure them; but the seller may elect to deliver such documents as will enable the buyer to secure the new shares.

107. When a transaction is in shares on a London Register the responsibility of the seller shall cease if he shall have taken every practicable course to secure the new shares; and, further, the seller shall be relieved of all responsibility if the circumstances place him in no better position than the buyer to secure the new shares, in which case the seller may, on receipt of a written request from the buyer to protect his rights, notify the buyer in writing of such circumstances, and the buyer on receipt of such notification shall protect his own interests.

## NON-MEMBERS.—FAILURE TO MEET ENGAGEMENTS.

## Defaulters—Non-members.

108. Non-members shall pay for all stocks or shares purchased on their account before 2 o'clock on the day following the purchase, unless an agreement be made in writing to the contrary.

109. Should a purchaser, not a member, fail to pay the amount due on his purchase as per Rule 108, either the seller or his broker, or the purchaser's broker, shall be at liberty at any time thereafter, at his or their option, either to sue such purchaser for breach of contract, or to resell the securities in any manner and upon such terms and conditions as he or they may think proper, and to sue for the difference and all loss and expenses consequent upon such resale, whether the same shall be made immediately on such failure to pay as aforesaid or at any time thereafter; and all damages which the seller or his broker or the purchaser's broker may sustain thereby shall be recoverable by him or them from the purchasers as and for liquidated damages, and it shall not be necessary to give notice of any such resale.

## Non-members may be posted as defaulters.

110. In the event of any person not a member failing to meet any engagement with a member of the Exchange, the member may apply to the Committee to have such person posted as a defaulter. The Committee shall inquire into the case, and if satisfied that such default has been made shall post the said person and announce to the members that he is in default.

Members not to transact business with a non-member announced as a defaulter.

111. A member shall not transact business for a non-member who has been announced to the members as a defaulter, unless such person shall have made an arrangement with his creditor or creditors satisfactory to the Committee.

## Business with other members' clerks prohibited.

112. A member shall not buy or sell shares for any one employed in another member's office.

Unless permission of the Committee has first been obtained, members shall not appeal to any Court of law or equity in any dispute that may arise between them in transactions under these rules, and if such permission is not granted they shall accept the Committee as the sole and final tribunal and arbiter therein.

## Complaint from non-members.

may determine, to the Secretary, and shall undertake in writing to abide by and forthwith to carry out the decision of the Committee in the same manner as if he were a member of the Exchange; the Committee to have the power to repay the whole or part of the five guineas or such other sum to the complainant.

## POWER OF COMMITTEE TO PROCURE INFORMATION RELATIVE TO MATTERS UNDER INVESTIGATION.

Committee may require members and their clerks to give information

115. Members and their clerks, when required so to do by the Committee, shall attend any meeting of the Committee, and then and there shall give such information as may be in their possession relative to any matter under investigation.

Committee may call upon members to produce their books, &c.

116. The Committee shall have full and absolute power, in the event of a complaint being made which in their opinion justifies such procedure, to call upon any member to produce for their inspection all books, letters, telegrams, or copies thereof, and other documents in his possession relating thereto and he shall, without delay, produce them for inspection accordingly.

Wellington, 30th April, 1925.

**THE** following additional regulations made at various times by the Board of Governors under the New Zealand Institute Act, 1908, and adopted at a general meeting of the Board held on 30th January, 1923, are published for general information, in accordance with the provisions of the Act.

M. WOOD,

Assistant Secretary N.Z. Institute.

### REGULATIONS OF THE NEW ZEALAND INSTITUTE.

#### BOARD OF GOVERNORS.

MEMBERS of the Board of Governors shall not hold any paid office under the Board.

#### GENERAL REGULATIONS.

The President shall be *ex officio* a member of all committees. The Hon. Editor shall be convener of the Publications Committee.

The seal of the old Institute bearing the date of establishment as 1867 shall be adopted as the seal of the New Zealand Institute reconstituted by the New Zealand Institute Act, 1903, and continued by the New Zealand Institute Act, 1908.

An abstract of all business transacted at each meeting of the standing committee shall be prepared and communicated to all members of the Board after each meeting.

The quorum of the standing committee meetings shall be four.

#### ENDOWMENT FUND.

A fund to be called an "Endowment Fund" shall be set up, the interest on which for any year may be spent for purposes of the Institute, but the capital may not be spent.

All interest accruing from moneys deposited in the Institute's General Account in the Post-office Savings-bank shall be credited to the Endowment Fund unless otherwise allocated by the Board at the annual meeting at which the amount of the annual interest is reported.

#### TRUST ACCOUNTS.

Trust moneys—namely, the Carter, Hector, Hutton, and Hamilton Funds—shall, when deposited in the Post Office Savings-bank, be placed in separate accounts for each trust.

#### RESEARCH GRANTS.

8. Grants shall be given preferentially to investigations which appear to have an economic bearing; purely scientific investigations to be by no means excluded. When the research is one that leads to a direct economic advance the Government shall reserve to itself the right of patenting the discovery and of rewarding the discoverer, but it is to be understood that grants from the research-grant vote are not in the nature of a reward or a prize, but for out-of-pocket

expenses incurred by the research worker, including salary or endowment of assistant, but not salary for the grantee himself. Plants, books, apparatus, chemicals, &c., purchased for applicants are to remain the property of the Institute and eventually to form a loan collection of apparatus in the manner now practised by the Royal Society of London.

First method of initiating researches: Applications shall be invited for grants in aid of research to be specified by applicants.

Second method of initiating researches: The Governors of the Institute shall suggest from time to time subjects the investigation of which is desirable, and ask capable investigators to undertake such researches, the Institute paying for apparatus, material, and working-expenses, including assistance.

9. All applications for grants shall come through some incorporated society.

10. In the case of a refusal to recommend a grant, the standing committee shall not give any reasons for its refusal, unless such reason is stated in the minutes of the standing committee's meeting.

FELLOWSHIP REGULATIONS.

26. (a.) The consent of the candidate must be obtained in writing.

The information regarding each candidate shall be condensed to one foolscap sheet of typewritten matter.

When a candidate is proposed by more than one society it shall be sufficient to circulate to voters the information supplied by one society.

Subsection E shall be rescinded, and the following inserted:—

*Method of Selection in Subclause (b) and of Election in Subclause (d).*

Names of Candidates, in Alphabetical Order.	X
