(2.) If the Board is unable to determine between the claims of any two or more applicants, as provided in the last preceding subclause, it shall cause a ballot to be taken in the manner in which ballots are taken for the purposes of the Land Act, 1924.

4. In the case of lands to be disposed of by way of sale or lease under section 4 of the said Act, the price or capital value shall be fixed by the Minister of Lands. The price or capital value so fixed shall be such amount as the Minister considers reasonable, notwithstanding that in the case of lands purchased by the Crown under the Land for Settlements Act, 1925, or the Native Land Act, 1909, the price or value so fixed may be less than the price paid for such land, together with the charges and expenses incurred by the Crown in connection therewith.

*Purchases of Land.*

5. In the case of lands purchased on deferred payment the following provisions shall apply:—

(a.) The purchaser shall forthwith on the approval of his application pay a deposit equal to 5 per centum of the price of the land, or such lesser amount as the Minister may in any case determine, and shall thereupon be entitled to receive a license to occupy the said land, in the form No. 4 in the First Schedule hereto.

(b.) The license to occupy shall provide for the payment of the balance of the price by equal annual instalments extending over such period as the Board in each case determines, with a right to the licensee to pay off at any time the whole or any part of the price then remaining unpaid, and shall also provide for the payment by the licensee of interest half-yearly at the rate of 5 per centum per annum from the date of his purchase upon such part of the price as for the time being remains unpaid.

(c.) In cases where lands held on deferred payment are proclaimed as subject to the provisions of sections 133 or 134 of the Land Act, 1924, all references to "rent" in these enactments shall be deemed, subject to the following modifications, to apply also to the interest payable on unpaid instalments of the price which becomes due during the period fixed for exemption.

In the case of land proclaimed under section 133 of the Land Act, 1924, the period of exemption from payment of such interest shall commence on the 1st day of January or the 1st day of July following the date of selection.

In the case of land proclaimed as subject to the provisions of section 134 of the Land Act, 1924, the period of exemption from payment of interest as aforesaid shall commence on the date fixed by Proclamation thereunder as the commencement of period of exemption from rent.

(d.) Upon payment of the price in full, and of all interest, the purchase shall be deemed to be completed, and a certificate of title for the said land shall be issued accordingly.

(e.) Residence on any land held under license to occupy shall be compulsory, and shall commence in the case of bush or swamp land within four years, and in the case of open or partly open land within one year, from the date of the license, and shall thereafter be continuous during the whole of the remainder of the term of the license: Provided that the Land Board may, in its discretion, dispense with compliance with the requirements of this paragraph.

6. Every license to occupy and every certificate of title issued in respect of land acquired for cash or on deferred payment under these regulations shall have endorsed upon or written thereon a memorial to the effect that the land comprised therein shall not, except with the consent of the Land Board and the approval of the Minister of Lands, be capable of being transferred until the expiry of ten years after the date of the sale, or in the case of land the fee-simple of which is acquired pursuant to clause 12 hereof, after the date of the lease.

*Leases.*

7. Every lease issued under section 4 of the said Act and these regulations shall be in the form No. 5 in the First Schedule hereto, and shall be for such term, with or without a right of renewal, as the Land Board in each case may determine: Provided that no lease under these regulations shall be for a longer term than thirty-three years in the case of lands acquired under the Land for Settlements Act, or sixty-six years in the case of other lands, with a perpetual right of renewal for further successive terms of thirty-three years or sixty-six years, as the case may be.

8. The value of improvements required to be effected by the lessee during the term of his lease shall in each case be determined by the Land Board, and for the purpose of fixing such value the Land Board shall take into consideration the purpose, as set out in his application, for which the lessee intends to use the land.

9. Every lessee of land disposed of under these regulations shall be required to reside continuously on the land comprised in his lease: Provided that the Land Board may postpone the date of the commencement of such residence for such period in any case as it thinks fit, or may dispense with such residence if it is satisfied in any case that the land may be effectively used by the lessee for the purpose for which it was acquired without his residence thereon.

10. (1.) In the case of lands acquired under the Land for Settlements Act and disposed of under these regulations, the annual rent shall be an amount equal to 5 per centum of the capital value thereof, as determined in accordance with clause 4 hereof, and in all other cases the annual rent shall be an amount not exceeding  $4\frac{1}{2}$  per centum of such capital value.

(2.) The said rent shall be paid to the Receiver of Land Revenue in equal parts on the 1st day of January and the 1st day of July of each year during the continuance of the lease: Provided that the rent for the period elapsing between the date of the lease and the due date of the first half-yearly payment shall be payable, at the option of the Board, either with such first half-yearly payment or on the due date of the next succeeding half-yearly payment.

(3.) The rent payable on renewal of a lease under the foregoing regulations shall be determined by the Land Board, and shall be based on a valuation of the land comprised in the lease as at the date of the renewal, exclusive of the value of improvements effected or paid for by the lessee or by a predecessor in title.

11. (1.) On the termination by effluxion of time of a lease granted under these regulations, if a renewal of such lease is not granted, the lessee shall be entitled to receive from the Crown the value of all existing improvements of a permanent character effected or paid for by him or by a predecessor in title.

(2.) For the purposes of this regulation the value of improvements shall be such value as may be agreed on between the Land Board and the lessee, and in default of agreement shall be determined by arbitration under the Land Act, 1924.

12. (1.) Before disposing of any land by way of lease under these regulations the Minister of Lands shall determine the

price in accordance with clause 4 hereof, and the lessee may at any time, during the continuance of his lease, with the approval of the Land Board and consent of the Minister, acquire the fee-simple of the lands comprised therein at the price so determined: Provided that nothing in this regulation shall authorize the acquisition of the fee-simple of any national-endowment land.

(2.) The provisions of clause 5 of these regulations (relating to purchases of land on deferred payment) shall, *mutatis mutandis*, apply in respect of the acquisition of the fee-simple under this regulation.

13. The Land Board, with the consent of the Minister, may accept the surrender of the whole or portion of the land comprised in any lease granted under these regulations, and the provisions of sections 80 to 83 of the Land Act, 1924, may thereupon be applied to the land so surrendered in the same manner as if the lease were a lease under that Act forfeited for breach of conditions.

## PART II.

### FINANCIAL.

20. With respect to advances under section 6 of the said Act (as extended by section 4 of the Discharged Soldiers Settlement Amendment Act, 1916), and under paragraphs (c) and (e) of section 2 of the Discharged Soldiers Settlement Amendment Act, 1917, the following provisions shall apply:—

(a.) The amount of advance that may be made to any one person, including all other advances made to the same person and still remaining unpaid, shall not exceed £750:

Provided that in the case of bush lands the Minister may authorize an advance under this regulation not exceeding £1,000, in ordinary cases, or £1,250 in cases where in the opinion of the Minister special circumstances warrant such amount being advanced:

Provided further that the Minister may, on the production of evidence that the advances as aforesaid are insufficient for the successful working of a farm, authorize advances up to such limits and for such purposes as he deems fit.

(b.) The amount of any loan made for the purpose of clearing, draining, fencing, erection of buildings, and general improvement may, in the discretion of the Minister, be advanced by progress payments corresponding to 75 per cent. of the value of the improvements from time to time effected by the mortgagor. In such case the value of the improvements so effected shall from time to time be ascertained and certified to by some person authorized by the Minister in that behalf, and any certificate given by such person shall be final: the balance of the advance may be paid on receipt of a final certificate that the improvements in respect of which the advance is made have been satisfactorily completed.

(c.) In no case shall the amount advanced for buildings exceed £250:

Provided that in special cases the Minister may, on the recommendation of the Land Board, authorize an advance for this purpose not exceeding such an amount as is deemed necessary for the efficient and economical working of the farm in respect of which the advance is made:

Provided further that the Minister, on the recommendation of the Land Board, may authorize an advance not exceeding £500, and in exceptional cases not exceeding £750, to be made for buildings on rural holdings not exceeding in area 21 acres, in cases where the Board is of opinion that the amount that may be advanced under these regulations is not required, or is not likely to be required, for any other purpose.

(d.) All moneys advanced shall be secured by way of mortgage over the land or the applicant's interest therein in the form No. 6 in the First Schedule hereto:

Provided that advances made under subclause (c) for buildings on rural holdings not exceeding in area 21 acres may be made by way of mortgage in the form No. 10 in the First Schedule, or as near thereto as may be necessary, and shall be repayable by half-yearly or monthly instalments over a period of twenty-five years and a half. Every instalment shall consist partly of interest and partly of principal, and shall be calculated at the rate of 7 per centum per annum on the amount of advance, and shall be applied towards payment of interest and principal in the proportions set out respecting the appropriate payment in the Second Schedule hereto. Form No. 10 in the First Schedule hereto shall be altered where necessary to provide for payment by monthly instalments. The decision as to whether moneys advanced shall be secured by way of flat mortgage or by instalment mortgage, and in the latter case whether such moneys shall be repayable by half-yearly or monthly instalments, shall be at the discretion of the Minister.

(e.) Where money is advanced for the purpose of purchasing stock and implements, or in special cases against the natural increase of such stock, such money shall be further secured by a collateral bill of sale in the form No. 7 in the First Schedule hereto.

(f.) In cases where further advances are made for purposes other than the purchase of stock or implements, and the applicant has on the land stock or implements not already encumbered by bill of sale, the Minister may require, before granting such further advance, collateral security over such stock or implements by way of bill of sale in the form No. 7 in the First Schedule hereto.

(g.) For the purpose of the administration of these regulations, the Minister may authorize the Commissioner of Crown Lands, or any other officer of the Lands and Survey Department, to pay advances, and any such authority to make an advance issued by the Minister shall be deemed to be an authority to

advance and readvance moneys on current account so that the total indebtedness, exclusive of interest, of the person to whom such advance is made shall not at any time exceed the amount so authorized.

21. (1.) Advances made hereunder on current account for the purposes of erecting buildings or effecting permanent improvements, may, to such extent as the Minister may approve, be discharged from a flat mortgage securing such advances, and the amount so discharged shall thereupon be secured by a mortgage over the land or the mortgagor's interest in the lease or license thereof in the Form No. 10 in the First Schedule hereto or to the like effect:

Provided that no adjustment shall be made to the prejudice of the position held by the security to the Crown, and provided further that in the event of any adjustment being made respecting a security by a flat mortgage next following a security for advances under the provisions of section 2 of the Discharged Soldiers Settlement Amendment Act, 1917, the security for such adjustment may be given by memorandum of increase, increasing the debt secured under the mortgage given as security under the said section 2.

(2.) All moneys so secured by such mortgage, together with interest thereon at the rate of five per centum per annum, shall be repayable by half-yearly instalments over such prescribed period, not exceeding thirty-six years and a half, as the Minister may determine. Every instalment shall consist partly of interest and partly of principal, and shall be calculated and apportioned in accordance with such table in the Second, Third, Fourth, Fifth, or Sixth Schedule hereto as is appropriate to the period so fixed.

22. In any case where upon the acquisition of any land for the settlement of discharged soldiers the Minister has considered it expedient that farming operations on such land should be carried on by the Commissioner of Crown Lands until such time as is deemed opportune for placing the persons to whom the subdivisions may have been allotted in possession of such allotments, and if the Minister is satisfied that the amount that may be advanced to any such person hereunder is inadequate having regard to the liabilities which it may be arranged that such person shall accept as mortgagor, he may, notwithstanding anything to the contrary in these regulations, make advances to any such person in the manner following:—

(a.) On current account mortgage up to an amount not exceeding the amount of the liabilities accepted by the mortgagor with respect to stock and chattels.

(b.) On mortgage up to an amount equal to the value of the improvements effected by the mortgagor. Repayment under such mortgage shall be by half-yearly instalments of principal and interest at the rate of five per centum per annum extending over a period not exceeding thirty-six years and a half:

Provided that in no case shall the amounts advanced under either paragraph (a) or (b), or both paragraphs, exceed such amount or amounts as the Minister, having regard to the special circumstances of each case and to the liabilities to be accepted by the mortgagor, decides to be adequate.

23. For the purpose of assisting settlers with respect to any of the matters for which advances may be made as aforesaid, the Minister may purchase such materials or articles as may be required, and may dispose of the same to settlers on such terms as he thinks proper. Where any such materials or articles are not paid for by the settler, their value as determined by the Minister shall be deemed to be an advance within the meaning of these regulations.

24. With respect to advances under paragraph (a), (b), or (d) of section 2 of the Discharged Soldiers Settlement Amendment Act, 1917, the following provisions shall apply:—

(a.) Every application for such an advance shall be made, in the form No. 8 in the First Schedule hereto or to the like effect, to the Land Board for the land district within which the land affected is situated, and shall be accompanied by the prescribed valuation fee. The Land Board shall, before making its recommendation, require the applicant to appear personally before it, or before such person or persons as it may appoint.

(b.) Valuation fees shall be payable in accordance with the following scale:—

	£	s.	d.
On an application for a loan not exceeding £100 .. .. .	0	10	6
Exceeding £100 but not exceeding £250 .. .. .	1	1	0
Exceeding £250 but not exceeding £500 .. .. .	1	11	6
Exceeding £500 but not exceeding £2,500 .. .. .	2	2	0

Provided that in the case of an applicant who has previously applied for an advance, and whose application has been refused, the Commissioner of Crown Lands may, with approval of the Minister, reduce or dispense with the payment of valuation fees on any subsequent application lodged by the said applicant for an advance under these regulations.

(c.) An application for an advance for any of the purposes mentioned in paragraph (a) or (b) of the said section 2 shall not be considered unless it is accompanied by an option to purchase the fee-simple or to acquire the lease or license, as the case may be, given by the owner or the lessee to the applicant. Such option shall be in the form No. 9 in the First Schedule hereto or to the like effect.

(d.) The amount of advance to any person for the purchase of a dwelling and appurtenances on other than rural land shall not exceed the sum of £1,000, and for any other purpose shall not exceed the sum of £2,500:

Provided that in any case where advances are authorized under the provisions of clause 20 hereof the maximum advance here prescribed in the case of rural land may be increased by the amount of such advances, but in no case shall the total amount advanced to one person hereunder exceed £2,750.

(e.) In such cases as the Minister may approve, an advance may be made to any person hereafter assisted to acquire land under section 2 of the Discharged Soldiers Settlement Amendment Act, 1917, for the purpose of enabling such person to pay any stamp duty payable on any transfer, conveyance, or assignment of such land to himself.

Notwithstanding anything to the contrary in sub-clause (d) hereof, the maximum amounts fixed for advances therein may be increased by such amount as may be advanced under this paragraph.

(f.) Except as provided in paragraph (h) hereof, all advances shall be secured by mortgage over the land or the applicant's interest in the lease or license in the form No. 10 in the First Schedule hereto or to the like effect; and the Minister may, as collateral security, require that a bill of sale be given over such stock and other chattels belonging to the applicant as he may decide.

(g.) Except as provided in paragraph (h) or paragraph (i) hereof, all moneys advanced under this clause, together with interest thereon at the rate of 5 per cent. per annum, shall be repayable by half-yearly instalments over a period of thirty-six years and a half. Every half-yearly instalment shall consist partly of interest and partly of principal, and shall be calculated and apportioned according to the table in the Sixth Schedule hereto.

(h.) In such cases as the Minister may approve, advances under this clause may be made on flat mortgage for any period not exceeding ten years. Advances made on flat mortgage shall bear interest at the rate of 5 per centum per annum and shall be secured by mortgage in the form No. 6 in the First Schedule hereto, with the necessary modifications.

(i.) In the case of applications for an advance to purchase a dwelling and appurtenances on other than rural land, the provisions of paragraph (b) of the next succeeding clause shall apply in lieu of the provisions of paragraph (g) of this clause.

(j.) In the case of any advance made in respect of leasehold land the following additional provisions shall apply:—

(i.) The mortgage shall be deemed not only to cover the mortgagor's interest in the lease, but to extend to and include his interest in any further lease issued to him in lieu of such first-mentioned lease, whether by way of renewal or otherwise.

(ii.) The term of the mortgage shall, unless the lessee receives in lieu of his lease a title in fee-simple, expire on the date of the prescribed half-yearly instalment next preceding the date of the expiration of the lease (which term shall be deemed to include any lease issued in lieu thereof, whether by way of renewal or otherwise), and such instalments shall include the balance of principal then owing under the mortgage.

(iii.) No surrender of any lease on the security of which money has been advanced shall, so long as any portion of the moneys advanced remains unpaid, be accepted, nor shall any such lease be declared forfeited by a Land Board without the consent of the Minister.

(iv.) For the purposes of section 82 of the Land Act, 1924, any moneys owing by a lessee on account of an advance made pursuant to these regulations, together with interest due thereon (if any) shall be deemed to be moneys due in respect of the land, and such moneys shall constitute a first charge on moneys received by the Receiver of Land Revenue pursuant to that section.

(v.) The terms "lease" and "lessee" include license and licensee.

25. With respect to a mortgage given in pursuance of the provisions of section 9 of the Discharged Soldiers Settlement

Amendment Act, 1921-22, as security for unpaid purchase-money in respect of any estate or interest in any land acquired by His Majesty, the half-yearly instalments of purchase-money and of interest payable under such mortgage shall be calculated and apportioned in accordance with such one of the tables in the hereinafter-mentioned Schedules to the said regulations as is appropriate to the term of the mortgage so given, and to the rate of interest chargeable thereunder:—

- (a.) Where interest on unpaid purchase-money is payable at the rate of 5 per centum per annum—

| "    36½  "             | Sixth Schedule.  |

- (b.) Where interest on unpaid purchase-money is payable at the rate of 5½ per centum per annum—

26. (1.) With respect to a license to occupy on deferred payments granted pursuant to the provisions of section 21 of the Discharged Soldiers Settlement Amendment Act, 1923, which license shall be in the Form No. 12 in the First Schedule to the said regulations, the half-yearly instalments of principal and interest in respect of balance of purchase-money payable thereunder shall be calculated and apportioned in accordance with such one of the tables in the Schedules mentioned in the preceding clause as is appropriate to the term of the license so granted, and to the rate of interest chargeable upon unpaid purchase-money.

(2.) Upon payment of the price in full, and of all interest thereon, in respect of a license to occupy on deferred payments granted as aforesaid, the purchase shall be deemed to be completed, and a certificate of title for the land so purchased shall be issued accordingly.

27. Advances for the purpose of the erection of a dwelling-house on other than rural land may, on the recommendation of the Land Board, be made by the Minister of Lands, subject to the following provisions:—

- (a.) The amount of the advance shall in no case exceed the sum of £900:

Provided that where a discharged soldier is the registered owner in fee-simple of such land, and the Minister is satisfied that such person has obtained such land directly as a beneficiary under a deed of gift without any consideration in money or money's worth, the Minister may, if in his opinion special circumstances render such an amount inadequate, authorize an additional advance not exceeding £250.

- (b.) Unless otherwise determined by the Minister as hereinafter provided, all moneys advanced, together with interest thereon at the rate of 5 per centum per annum, shall be secured by mortgage over the land in the form No. 10 in the First Schedule hereto or to the like effect, and shall be repayable by half-yearly or monthly instalments over a period of twenty-five years and a half. Every instalment shall consist partly of interest and partly of principal, and shall be calculated at the rate of 7 per centum per annum on the amount of the advance, and shall be applied towards payment of interest and principal in the proportions set out respecting the appropriate payment in the Second Schedule hereto. Form No. 10 in the First Schedule hereto shall be altered where necessary to provide for payment by monthly instalments. Any discharged soldier who has obtained an advance and has contracted to pay instalments of interest and principal half-yearly may, with the consent of the Land Board, be permitted to pay such instalments monthly, whereupon the amount payable monthly shall be one-sixth of the amount which he has contracted to pay half-yearly.

- (c.) Monthly instalments shall be payable on the first day of each and every month for a period of twenty-five years and a half, such instalments being calculated at the rate of 11s. 8d. per month for every £100 included in the balance of capital value.

- (d.) The total period during which instalments shall be payable as provided in the last preceding paragraph shall be divided into periods of six months, the first of such periods commencing on the first day of the month next following the date of the execution of the mortgage.

- (e.) The total amount of the monthly instalments for any such period of six months shall be deemed to be in

part satisfaction of principal and interest for that period, in proportions calculated in accordance with the table in the Second Schedule hereto as for the appropriate period of six months: Provided that if in any case the full amount of such instalments has not been paid, no allocation shall be made in respect of principal until the full amount of interest has been satisfied.

- (f.) The amount of any loan may, in the discretion of the Minister, be advanced by progress-payments to an amount not exceeding the value of the work from time to time be completed.

- (g.) Every application for an advance shall be made, in the form No. 11 in the First Schedule hereto, or to the like effect, to the Land Board for the district within which the land affected is situated, and shall be accompanied by the valuation fee calculated in accordance with the scale prescribed by paragraph (b) of clause 24 of these regulations. The Land Board shall, before making its recommendation, require the applicant to appear personally before it, or before such person or persons as it may appoint.

- (h.) In such cases as the Minister may determine, advances may be made on flat mortgage for any period not exceeding ten years. All moneys so advanced shall bear interest at the rate of 5 per centum per annum, and shall be secured by way of mortgage over the land in the form No. 6 in the First Schedule hereto, with the necessary modifications.

- (i.) In any case where the Board is of opinion that the estimated probable life of a dwelling, by reason of its being constructed of brick or concrete, is sufficient to justify the repayment of the moneys advanced therefor over a longer period than provided in paragraph (b) hereof, the Minister may, on a special recommendation made by the Board in that behalf, authorize the repayment over a period of thirty-six years and a half of the moneys so advanced. In such a case, every half-yearly instalment shall consist partly of principal and partly of interest, and shall be calculated and apportioned according to the table in the Sixth Schedule hereto.

28. In cases where the security offered for advances is not sufficient to warrant loans being granted for a term of thirty-six years and a half or twenty-five years and a half as provided respectively in clauses 24 (g) and 27 (b) hereof, and notwithstanding anything to the contrary contained in the said clauses 24 (g) and 27 (b) advances may be made in such special cases as the Minister may approve, repayable by half-yearly instalments over a period of ten or fifteen or twenty years as may be deemed suitable in the circumstances. Every half-yearly instalment shall consist partly of interest and partly of principal, and shall be calculated and apportioned respectively for the said periods of ten or fifteen or twenty years according to the tables of the Third, Fourth, and Fifth Schedules hereto.

29. All the powers conferred upon His Majesty the King as mortgagee by any mortgage to secure repayment of moneys advanced under these regulations, or pursuant to any law as such mortgagee, may be exercised in his own name by the Commissioner of Crown Lands for the land district within which the land affected by such mortgage is situated, and all actions and proceedings for the recovery of moneys advanced or interest thereon may be taken by the said Commissioner in his own name.

30. In every mortgage hereafter given as security for advances made for the purchase or erection of a dwelling under Part II of these regulations the following provisions shall apply:—

The mortgagor of such dwelling shall reside continuously therein so long as any portion of the moneys secured by the mortgage remain unpaid. Non-residence, or the sub-letting of such dwelling, by the mortgagor without the written consent of the Board being first had and obtained shall be deemed to be a breach of covenant, whereupon the mortgagee may call up and compel payment of all principal, interest, and other moneys for the time being owing under the security, notwithstanding that the time or times appointed for the payment thereof respectively may not have arrived.

31. Upon the transfer, otherwise than pursuant to the will or on the intestacy of the mortgagor, of any property upon the security of which an advance has been made pursuant to these regulations, the balance of the principal unpaid in respect of such advance shall be immediately due and payable: Provided that this regulation shall not apply in the case of a transfer to a discharged soldier as defined by the Discharged Soldiers Settlement Act, 1915, or the amendments thereof, where such transfer has been duly consented to by the Land Board and approved by the Minister.

32. No registration fee shall be payable in respect of any memorandum of mortgage or any bill of sale given as security for any advance made under the authority of these regulations: or in respect of the discharge or variation in the terms of any such memorandum of mortgage, or in respect of any memorial endorsed pursuant to section 15 of the Discharged Soldiers Settlement Amendment Act, 1923, on the registered copy of any lease or license, certificate of title, or other document, as the case may be."

33. Where two or more discharged soldiers hold or propose to acquire any land, whether freehold or leasehold, as tenants in common in equal shares, advances may be made to them only to the aggregate amount that one of them would have been entitled to obtain individually:

Provided that in any case where two or more discharged soldiers have acquired such land as tenants in common prior to the 19th day of September, 1921, advances may be made to them jointly to the aggregate amount that they would have been entitled to obtain individually.

34. In any case where advances have been made to two or more persons holding land as tenants in common, and the interest or interests of one or more of such persons in such land have been transferred or allotted to the other or others remaining in possession of such land, the Board, with the approval of the Minister, may apportion the liability of the outgoing partner or partners under any mortgage or bill of sale given as security to the Crown, and may transfer such liability to such other or others as may remain in possession of such land, notwithstanding that the aggregate amount then advanced to the person or persons remaining in possession may be in excess of the maximum amount that may be advanced to such person or persons under any other part of these regulations.

35. In any case where, by reason of dissolution of partnership or other cause, land held by two or more persons as tenants in common is subdivided, and each subdivision of such land is transferred or allotted to any person or persons and held under a separate title, the Board, with the approval of the Minister, may, provided that the scheme of subdivision is to its satisfaction, apportion the aggregate liability of such original tenants in common under any mortgage or bill of sale given as security to the Crown amongst the owners or lessees of such subdivisions in such manner as may seem to it equitable, notwithstanding that the amount thus apportioned to the owner or lessee of one subdivision may be in excess of the maximum amount that such owner or lessee is entitled to obtain under any other part of these regulations.

36. A mortgagor may reduce his mortgage debt by payment of a sum of not less than £100 or such other greater amount as is deemed reasonable, and upon payment being made the unpaid balance of the said debt may be reduced accordingly. A memorandum of adjustment adjusting the half-yearly or monthly charges shall be registered and shall be deemed to vary the terms of the original mortgage to the extent stated in the memorandum of adjustment.

The mortgagor may at any time, without previous notice of intention so to do, pay to the mortgagee the amount (in no case less than ten pounds) of principal included, according to the table in the appropriate Schedule, in any number of consecutive half-yearly instalments next succeeding the instalment corresponding to the half-yearly period then current.

The payment of any such amount shall not affect the periodical continuity of half-yearly instalments, but the amount of principal and interest included in the succeeding instalments shall be calculated according to the said table as if the half-yearly periods corresponding to the instalments of principal so paid had expired, and the period of years during which instalments of principal and interest would have been payable shall be reduced accordingly.

37. Forms Nos. 6 and 10 in the First Schedule hereto may be modified to such extent as may be necessary in cases in which the land affected is not under the Land Transfer Act, 1915.

38. The costs and fees for the preparation and completion of mortgages for advances under paragraphs (a), (b), and (d) of subsection (1) of section 2 of the Discharged Soldiers Settlement Amendment Act, 1917, shall be determined in accordance with Part I or Part II of the scale hereinafter set forth as the case may require, and shall be paid by the mortgagor.

or other payments reserved by, and faithfully perform and observe all the covenants and conditions contained in, the lease or license herein mentioned; and that if he [they] fails or neglects so to do it shall be lawful but not obligatory on the mortgagee so to do at the cost and expense in all things of the mortgagor, and all moneys so expended by the mortgagee shall be payable to him by the mortgagor on demand, and until paid shall be charged on the said land, together with the interest at the rate of 5 per centum per annum computed from the date or dates of such moneys being expended.

12. That the mortgagor will at all times cultivate and manage the mortgaged land in a skilful and proper manner, and according to the rules of good husbandry.

13. All the powers and duties conferred by these presents upon the mortgagee or directed or implied by statute shall, on behalf of the mortgagee, be exercisable and may be performed in his own name by the Commissioner of Crown Lands for the time being for the Land District.

And it is hereby declared that the provisions of the regulations made by Order in Council dated the day of , 1926, are implied herein so far as applicable, and shall have the same force and effect as if the same were set out in full.

And whereas all the ratepayers in the Pennington Road Special-rating District have signed the consent to the raising of the loan :

And whereas the special order is irregular, in that the same was passed on the sixth day of October, one thousand nine hundred and twenty-four, and confirmed on the third day of November, one thousand nine hundred and twenty-four, such date of confirmation being sooner than the twenty-eighth day after the date of the special meeting at which such special order was passed, as required by section ninety-nine of the Counties Act, 1920 :

## PRESS OPINIONS.

The Hon. G. M. Thomson in writing this manual has evidently taken up a labour of love. He writes not so much for the scientific as for the general reader. It is a valuable and likely to be one of the most popular works issued by the Board of Science and Art. It is a notable addition to Mr. Thomson's other works.—*Evening Post*, Wellington, N.Z.

A bright little book. Mr. Thomson has provided a book sufficiently scientific to be authoritative, and yet informal and simple enough to be interesting to the young and uneducated. We shall look forward eagerly to Part II.—*Herald*, Timaru, N.Z.

It is a book of unusual interest. There is nothing like it in print, and the wonder is that it has not been done before. Mr. Thomson is to be thanked for producing a work so useful and so timely. Technical terms and scientific language have been avoided as far as possible, with the result that we have a narrative as interesting as any romance. It will prove a valuable and useful book.—*Evening Star*, Dunedin, N.Z.
