Notice under the Shops and Offices Act, 1921-22, fixing the Closing-hours of (1) Tobacconists' and (2) Hairdressers' Shops within the City of Dunedin.

WHEREAS a requisition in writing, signed by a majority of the occupiers of all shops in each of the trades of (1) tobacconist and (2) hairdresser within the City of Dunedin,

has been forwarded to me, desiring that all such shops within the said city be closed in the evening of working-days as follows: Subject to closing at not later than 1 p.m. on the day observed as the statutory half-holiday, on Mondays, Tuesdays, Wednesdays, and Thursdays at 6.15 p.m., and on Fridays at 9.15 p.m., with the following exceptions—(1) the working-day immediately preceding, and the day of any race meeting held at Wingatui or Forbury Park, 9.15 p.m.; (2) on the working-day immediately preceding any day generally observed in the City of Dunedin as a public holiday, 11 p.m.; (3) should the occupier of any shop affected by this requisition observe Friday or Saturday as the statutory closing-day in any week, then and in such case there shall be no fixed closing-hour on Friday for any such shop in that week, and the closing-hour on Wednesday for any such shop in that week shall be 9.15 p.m.; (4) on the working-days from 17th December to 24th December (both included) there shall be no time fixed; (5) the working-days of the weeks in which the mid-winter show and February Carnival Week are held, on the Mondays, Tuesdays, Wednesdays, and Thursdays, 9.15 p.m.:

And whereas I, George James Anderson, Minister of Labour, am satisfied that the signatures to such requisition represent a majority of the occupiers of all the shops in each of the said trades within the said city:

Now, therefore, in pursuance of section 32 of the Shops and Offices Act, 1921-22, I do hereby direct that on and after the 4th day of October, 1926, all the shops in each of the trades of (1) tobacconist and (2) hairdresser within the City of Dunedin shall be closed accordingly.

The notice dated the 10th June, 1914, and published in the *New Zealand Gazette* of the 11th June, 1914, fixing the closing-hours of hairdressers and hairdressers' and tobacconists' (combined) shops in the City of Dunedin, and the notice dated the 31st October, 1923, and published in the *New Zealand Gazette* of the 8th November, 1923, fixing the closing-hours of tobacconists' shops in the City of Dunedin are hereby cancelled as from the date of the coming into operation of this notice.

Notice to Mariners No. 51 of 1926.

NEW ZEALAND.—SOUTH ISLAND.—FOVEAUX STRAIT.—EASTERN ENTRANCE.

Marine Department,
Wellington, N.Z., 21st September, 1926.

Reported Sunken Rock unsuccessfully searched for.

CAPTAIN J. Bollons, of the Government steamer "Tutane-kai," reports having on the 10th September, 1926, exhaustively searched for the sunken rock reported by Wellington Notice to Mariners No. 40 of 11th May, 1925, to exist at an estimated distance of about one mile southward of Dog Island.

Captain Bollons reports the search was carried out under conditions of sea which would have shown distinctly any shoal carrying up to seven fathoms of water; that the bottom in the locality in which the rock was reported to exist is clear and has a uniform depth of fourteen fathoms at low water, and that the reported shoal does not exist.

Captain Bollons supplies the following information for the use of vessels when nearing Dog Island:—

By keeping Whale Point (south-west point) open of Lookout Point (of Bluff Hill) Dog Island will be passed at a distance of at least one mile in a depth of from thirteen to fourteen fathoms of water.

Wilford Settlement is situated in the eastern part of the Borough of Petone, and is only two or three minutes' walk from the new Cuba Street Railway-station, which will be about fifteen minutes' journey from Wellington by rail.

The sections now offered are some of the best in the settlement, and are admirably suited for residential purposes. The soil is of a rich alluvial nature suitable for all classes of gardening. The streets now in the course of construction are being formed under the supervision of the Borough Engineer, and are being kept down to a depth of approximately 6 in. below the frontage of the sections to make ample provision for surface-water drainage.

In accordance with modern town-planning ideas, a grass berm is being laid down between the footpaths and the section frontages. This, when planted with trees or shrubs, will add considerably to the beauty of the streets.

A school-site of 5 acres has been provided in the settlement, and it is the intention of the Education Board to erect a school almost immediately.

Sale plans and full particulars may be obtained on application to this office.

Commissioner of Crown Lands.
