Amending Regulations under the Discharged Soldiers Settlement Act, 1915.

CHARLES FERGUSSON, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington this 10th day of January, 1927.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

IN pursuance and exercise of the powers and authorities conferred upon him by the Discharged Soldiers Settlement Act, 1915 (hereinafter referred to as the said Act), His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby amend in the manner set forth in the Schedule hereto the regulations under the said Act (hereinafter referred to as the said regulations) made on the eighth day of March, one thousand nine hundred and twenty-six, and published in the *Gazette* of the eighteenth day of March, one thousand nine hundred and twenty-six.

SCHEDULE.

1. CLAUSE 5 of the said regulations is hereby revoked, and the following clause is hereby substituted therefor :—

“ 5. (1.) In the case of lands purchased on deferred payments, the following provisions shall apply :—

“(a.) The purchaser shall forthwith on the approval of his application to purchase pay a deposit of such amount as may be fixed by the Board, being not less than 3 per centum of the price of the land, and shall thereupon be entitled to receive a license to occupy the land.

“(b.) The license to occupy shall be for a period of thirty-four and a half years to be reckoned from the next 1st day of January or 1st day of July following the date thereof.

“(c.) The license shall provide for the payment by half-yearly instalments of the balance of the purchase-money, together with interest thereon, from the date of the license at the rate of 5½ per centum per annum.

“(d.) Every such half-yearly instalment shall consist partly of principal and partly of interest calculated in accordance with the table in the Eleventh Schedule of the said regulations.

“(e.) The first half-yearly instalment of principal and interest shall be payable on the 30th day of June or the 31st day of December (as the case may be) next following the expiration of six months from the date of the license, and the succeeding instalments shall be payable half-yearly in each year thereafter on the dates herein mentioned.

“(f.) With the first half-yearly instalment there shall also be paid the interest payable on the balance of purchase-money for the period between the date of the license and the date of commencement of the term thereof.

“(g.) (i.) The licensee shall have the right at any time during the currency of his license to pay off either the whole of the purchase-money or any half-yearly instalment or instalments thereof then remaining unpaid.

“(ii.) The payment of any half-yearly instalment of the purchase-money so made shall not affect the periodical continuity of half-yearly instalments, but the amount of principal and interest included in the succeeding instalments shall be calculated according to the aforesaid table as if the half-yearly periods corresponding to the instalments so paid had expired, and the term during which instalments of principal and interest would otherwise have been payable shall be reduced accordingly.

“(h.) The provisions of section 123 of the Land Act, 1924, with respect to rebate of rent shall, with the necessary modifications, apply to payments of such part of the aforesaid instalments as consists of interest, and references in that section to rent shall in such application be deemed to be references to interest.

“(i.) The license to occupy shall be in the form No. 2 (with such modifications as may be necessary) in the Third Schedule of the regulations under the Land Act, 1924, published in the *Gazette* of the 21st day of October, 1926,

“(j.) Upon payment of the purchase-money in full and of all interest thereon the purchase shall be deemed to be completed, and the Commissioner shall certify to the Minister that the licensee is entitled to a certificate of title in respect of the land purchased, and a certificate of title shall in due course be issued to him accordingly.

“(2.) Except in cases where residence may be dispensed with pursuant to the Land Act, 1924, residence on rural land comprised in a license granted in terms of this section shall be compulsory, and shall commence in the case of bush or swamp lands within four years, and in the case of open or partly open lands within one year, from the date of selection, and thereafter such residence shall be continuous during the whole of the remainder of the term of the license.

“(3.) The following provisions of the Land Act, 1924, shall, with the modifications (if any) hereinafter specified, apply with respect to licenses granted in terms of this section, namely :—

“(a.) Section 90 (prescribing conditions attaching to leases and licenses of Crown lands) :

“(b.) Section 135 (defining the power of the Governor-General to resume possession). Where possession of part only of the land comprised in a license granted in terms of this regulation is resumed pursuant to the said section 135, the purchase-money shall be reduced by a proportion thereof equal to the proportion borne by the value of the area resumed to the value of the whole area originally comprised in the license, and thereupon such adjustment as may be necessary shall be made in respect of future instalments of purchase-money and interest :

“(c.) Sections 136 to 141 (relating to the payment of ‘ thirds ’) except in the case of lands acquired under the Land for Settlements Act, 1925. For the purposes of this paragraph the amount of ‘ thirds ’ shall be computed in all respects as if the land comprised in the license had been disposed of by way of occupation with right of purchase under Part III of the Land Act, 1924.

“(d.) Sections 186 and 187 (with respect to improvements to be effected by selectors of Crown land).

“(4.) Where the land comprised in any license granted in terms of this regulation is subject to the provisions of section 133 of the Land Act, 1924, all references in that section or in section 134 of that Act, as the case may be, to ‘ rent ’ shall in their application to such land be deemed to be references to the interest payable in respect of unpaid purchase-money for the period of exemption fixed pursuant to the said sections respectively.

“(5.) Where the land comprised in any license granted in terms of this regulation is revalued pursuant to section 216 of the Land Act, 1924, the committee appointed for the purposes of that section may reduce the price of the land from the 1st day of January or the 1st day of July next following the date of revaluation, and the instalments of principal and interest thereafter becoming payable shall be adjusted accordingly.”

2. Clause 12 of the said regulations is hereby amended as follows :—

“(a.) By omitting from subclause (1) thereof the following words : “ Provided that nothing in this regulation shall authorize the acquisition of the fee-simple of any national-endowment land.”

“(b.) By omitting subclause (2) thereof ; and by adding after clause 12 as hereby amended the following new clause :—

“ 12A. (1.) If the owner of a lease elects to purchase upon deferred payments, the following provisions shall apply :—

“(a.) He shall, within three months after the delivery of the notice of his intention to purchase, pay a deposit of such amount as may be fixed by the Board, being not less than 3 per centum of the price, together with all rent accrued and accruing due under the lease up to the date of the delivery of the notice.

“(b.) Upon such payment the lease shall determine, and he shall hold the land under license to occupy, but such license shall be subject to any right, title, interest, or encumbrance existing or vested in any person other than the lessee affecting the lease at the time of such determination. Such license shall be in the form No. 3 (with such modifications as may be necessary) of the Third Schedule of the regulations under the Land Act, 1924, published in *Gazette* of the 21st day of October, 1926.

“(c.) The license to occupy shall be for a period of thirty-four and a half years, to be reckoned from the 1st day of January or the 1st day of July next after the expiration of three months from the date of delivery of the notice.

"(d.) The license shall provide for the payment by half-yearly instalments of the balance of the purchase-money, together with interest thereon at the rate of 5½ per centum per annum from the date of the delivery of the notice.

"(e.) Every such half-yearly instalment shall consist partly of principal and partly of interest, calculated in accordance with the table in the Eleventh Schedule of the said regulations.

"(f.) The first half-yearly instalment of principal and interest shall be payable on the 30th day of June or the 31st day of December, as the case may be, following the date of commencement of the term of the license, and the succeeding instalments shall be payable half-yearly in each year thereafter on the dates herein mentioned.

"(g.) With the first half-yearly instalment there shall also be paid the interest payable upon such part of the price as remains unpaid for the period between the date of delivery of the notice and the date of commencement of the term of the license.

"(h.) (i.) The licensee shall have the right at any time during the currency of his license to pay off either the whole of the purchase-money or any half-yearly instalment or instalments thereof then remaining unpaid.

"(ii.) The payment of any half-yearly instalment of the purchase-money so made shall not affect the periodical continuity of half-yearly instalments, but the amount of principal and interest included in the succeeding instalments shall be calculated according to the aforesaid table as if the half-yearly periods corresponding to the instalments so paid had expired, and the term during which instalments of principal and interest would otherwise have been payable shall be reduced accordingly.

"(i.) The provisions of section 123 of the Land Act, 1924, with respect to rebate of rent shall, with the necessary modifications, apply to payments of such part of the aforesaid instalments as consists of interest, and references in that section to rent shall in such application be deemed to be references to interest.

"(j.) Upon payment of the price in full and of all interest thereon the purchase shall be deemed to be completed, and the Commissioner shall certify to the Minister that the licensee is entitled to a certificate of title in respect of the land purchased, and a certificate of title shall in due course be issued to him accordingly.

"(2.) Except in cases where residence may be dispensed with pursuant to the Land Act, 1924, and save to the extent to which the conditions of the determined lease as to residence have been complied with, residence on rural lands comprised in a license granted in terms of this regulation shall be compulsory, and shall commence in the case of bush or swamp lands within four years, and in the case of open or partly open lands within one year, from the date of selection, and thereafter such residence shall be continuous during the whole of the remainder of the term of the license.

"(3.) Except to the extent to which the conditions of the determined lease as to improvements have been complied with, the provisions of sections 186 and 187 of the Land Act, 1924, with respect to improvements shall apply with respect to licenses to occupy rural land on deferred payments granted in terms of this regulation.

"(4.) The provisions of section 90 of the Land Act, 1924, shall, with the necessary modifications, apply with respect to the licenses to occupy on deferred payments granted in terms of this regulation."

3. Clause 14 of the said regulations is hereby amended by omitting the reference to section 57 of the Land for Settlements Act, 1925, and substituting a reference to section 61 of that Act, and by including therein a reference to paragraph (b) of subsection (1) of section 6 of the Land Laws Amendment Act, 1926.

4. Clause 10 of the said regulations is hereby amended by adding at the end of subclause (1) thereof the following proviso:—

"Provided that where pursuant to the surrender of a lease a new lease is issued in lieu of such surrendered lease for the purpose of adjusting rent in accordance with a reduced capital value, or for the purpose of adjusting boundaries by the incorporation in such new lease of an area in addition to the area comprised in the surrendered lease, or by the exclusion from such new lease of part of the land comprised in the surrendered

lease, the annual rent reserved by such new lease shall, notwithstanding anything hereinbefore contained, be calculated at the same rate per centum of the new capital value as was applied to the fixing of the rent reserved by the surrendered lease."

5. Clause 40 of the said regulations is hereby amended as follows:—

"(a.) By inserting after the word 'provisions' in the first paragraph thereof where it first occurs the following words: 'of section 6 of the Discharged Soldiers Settlement Act, 1915, or.'

"(b.) By inserting after the date '1917' in the said paragraph the following words: 'which is secured by an instalment mortgage in the form No. 10 in the First Schedule hereto or to the like effect.'

"(c.) By inserting after the word 'under' in paragraph (c) thereof the following words: 'section 6 of the Discharged Soldiers Settlement Act, 1915, or.'"

6. The said regulations are hereby amended by omitting therefrom Form No. 4 of the First Schedule thereof.

PART II.—VERIFICATION OF WEIGHTS AND MEASURES.

OBLITERATION.

1. The Inspector on inspection may obliterate the stamp on any weight, measure, weighing or measuring instrument, if such weight, measure, weighing or measuring instrument does not comply with these regulations.
2. A weight, measure, weighing or measuring instrument the stamp upon which has been obliterated shall be deemed to be unstamped.

NOVEL APPLIANCES.

3. A weight, measure, weighing or measuring instrument presenting any novel features shall not be stamped unless of a type approved by the Chief Inspector.
4. Any person desiring approval of a weight, measure, weighing or measuring instrument presenting novel features shall—
 - (a.) Submit a sample weight, measure, weighing or measuring instrument for examination, and such specifications and drawings as the Chief Inspector may require :
 - (b.) If it is represented that a weight, measure, weighing or measuring instrument identical in type, material, and design has been approved by the Board of Trade, for use for trade in Great Britain, produce proof to that effect :
 - (c.) Pay an examination fee of £2 2s.
5. The Chief Inspector may approve and issue a certificate that any weight, measure, weighing or measuring instrument the type, material, and design of which in his opinion comply with the requirements of the regulations, is suitable for use for trade and would not facilitate fraud.
6. Such certificate may be general, or may limit the trade or purpose for which a weight, measure, weighing or measuring instrument of such type, material, and design may be used, and may prescribe such conditions as the Chief Inspector thinks fit.
7. Where a weight, measure, weighing or measuring instrument has been limited by the Chief Inspector in its use for any particular trade or purpose, it shall be an offence to use such weight, measure, weighing or measuring instrument for any other trade or purpose.
8. When a certificate has prescribed any such conditions as aforesaid, the failure to comply with any such condition shall be an offence on the part of any person to whom such condition applies.

GENERAL.

9. All weights, measures, weighing or measuring instruments shall be of a denomination allowed by the Act, and shall have the denomination or capacity marked thereon, and if not marked in full the denomination or capacity shall be indicated only by one of the abbreviations set out in Table 1.
10. Any weight, measure, weighing or measuring instrument that has been tested and approved by the Inspector shall, unless the Inspector deems it impracticable, have impressed thereon a stamp of verification, together with any other distinguishing mark approved by the Chief Inspector.
11. No new instrument, other than Class A beam-scales, shall be stamped unless provided by the manufacturer with a plug or stud of soft metal on which to place the Inspector's stamp, such plug or stud being made irremovable by undercutting or in some other suitable manner.

 - (a.) Be of such type and material as will not, in the Inspector's opinion, in use for trade, facilitate fraud :
 - (b.) Be, in the opinion of the Inspector, sufficiently strong to withstand the wear-and-tear of ordinary use in trade, and be complete :
 - (c.) Bear no manufacturer's or other mark which may be mistaken for a verification stamp :
 - (d.) Comply in every respect with these regulations :
 Provided that when a weight, measure, weighing or measuring instrument which is in use for trade at the date of the commencement of these regulations does not comply with the regulations in some minor respect only, an Inspector may at his discretion stamp such weight, measure, weighing or measuring instrument ; but no such weight, measure, weighing or measuring instrument shall be restamped after the expiration of two years from the date of these regulations, unless a special period is otherwise provided in these regulations, or unless it has been made to conform to the requirements hereof.
13. An Inspector may require the person presenting a weighing or measuring instrument for verification to take such instrument sufficiently apart to enable an inspection of all working-parts to be made, and until such request is complied with may refuse to verify such instrument, or may, with the consent of such person, take such instrument apart without liability for damage resulting thereto.
14. When a weighing or measuring instrument is situated in a position exposed to wind or other disturbing influence, or put to a use the nature of which is likely seriously to affect its accuracy, an Inspector may refuse to stamp such instrument until it is suitably enclosed or protected, or such other steps have been taken as he deems necessary to maintain its accuracy.

 - (i.) Be not less than $\frac{1}{2}$ in. in diameter, unless precluded by the small size of the instrument :
 - (ii.) Be securely and firmly set down in an undercut hole below the surface of such hole: Provided that if, owing to the construction of the machine, this is impracticable, the plug shall be made irremovable in some other manner approved by an Inspector :
 - (iii.) Have a clean and even surface: Provided that small diamond, chemical, or assay balances in which the provision of the plug is impracticable may be stamped on the pans or other suitable part :
- (d.) Have any plate, pan, or scoop with which it may be fitted free from flaws and in a clean condition :
- (e.) Have knife edges and bearings of steel sufficiently hard to resist the action of a smooth file, or of agate or other approved material (such knife edges and bearings shall be so fitted as to allow the beam, steelyard, or other movable part easy movement, and shall bear on the whole length of their working-parts) :
- (f.) Have suitable friction-points at each bearing, unless so constructed that such points are unnecessary :
- (g.) Have all graduations indicated by lines sharply and clearly defined, with longer lines for principal subdivisions than for minor graduations, and so marked that the position of any sliding poise or indicator shall be clearly readable :
- (h.) Have all figures and the value of the minimum graduations on any steelyard, dial, quadrant, or other indicator clearly and indelibly marked thereon :
- (i.) Under test, retain its equilibrium, give constant weight-indications, and comply with the allowances for error set forth in the appropriate table (for capacities not tabulated the allowance for error shall be proportional; any dial hand or other self-indicating device shall return to zero when a load is removed) :
- (j.) Have a zero graduation :
- (k.) Have the scale pan used for weighing wet goods constructed so as to allow for the drainage of any liquid.

41. No weighing-instrument shall have—

- (b.) Interchangeable or reversible parts the interchange or reversal of which would affect the accuracy of the instrument :
- (c.) Any steelyard lever or beam so fitted as to allow excessive lateral play, or to show any appreciable difference in weighing when shifted within its limit of movement.

42. No weighing-instruments having a counterpoise or travelling poise shall be used for trade unless such counterpoise or travelling poise is provided by the manufacturer with a hole or other suitable means for future adjustment, such adjusting-hole being undercut; if loose material is used in a travelling poise it shall be securely enclosed.

43. Loose counterpoise weights on a weighing-instrument shall—

- (a.) Be marked with their equivalent weight in the following manner, for example— " = 1 cwt."—and shall be marked in indelible letters or figures so as to identify such weights with the machine to which they belong :
- (b.) If a "cwt." series, be flat-circular, and if a "cental" series, be flat-octagonal: Provided that this requirement shall not apply until twelve months after the date of the regulations, and thereafter shall not apply to instruments in use earlier than twelve

months after the date of the regulations if the different series are painted distinctly different colours :

- (c.) Have one adjusting-hole only : Provided that this shall not apply to any counterpoise weight in use prior to the date of these regulations which has not more than two adjusting-holes :
- (d.) Unless precluded by their small size, have a circular adjusting-hole not less than $\frac{5}{8}$ in. in diameter, or a rectangular hole not less than $\frac{5}{8}$ in. long and $\frac{3}{8}$ in. wide, and have the adjustment therein in accordance with the requirements of these regulations for avoirdupois weights.

Beam Scales.

44. The term "beam scale" means an equal-armed weighing-instrument the pans of which are below the beam.

45. Beam scales shall be divided into three classes :—

Class A includes diamond, chemical, and assay balances, and such other beam scales as comply with the requirements of Table 9 for Class A instruments, and are provided with means for relieving at least the end bearings and knife edges.

Class B includes beam scales other than those included in Class A and which satisfy the requirements of Table 10 for Class B instruments.

- (a.) Where an article is solid, semi-liquid, or partly solid and partly liquid, and is not an article commonly sold by lineal or superficial measure, such marking shall be expressed in terms of weight, and not otherwise.
- (b.) Where an article is liquid, such marking shall be expressed in terms of liquid measure.
- (c.) Where an article is commonly sold by lineal or superficial measure, such marking shall be expressed in terms of such measure.

4. The weight expressed shall be in terms of avoirdupois weight unless the article is one to which the provisions of section 15 of the Act apply (*viz.*, gold and other precious metals, precious stones, and drugs).

5. Weight of drugs may be either in terms of avoirdupois or apothecaries' weight. Where the denomination "ounce" or "drachm" in apothecaries' weight is used, it shall be followed by the term "Apoth."

6. Avoirdupois weight shall be stated in pounds, ounces, drams, and grains; liquid measure shall be stated in gallons, quarts, pints, gills, fluid ounces, fluid drachms; and measures of length in yards, feet, and inches: Provided that the fractions $\frac{3}{4}$, $\frac{1}{2}$, $\frac{1}{4}$ may be used to express fractional parts of a unit.

7. In the marking of any net weight or measure the abbreviations contained in Table 1 of Part III may be used.

8. Every net weight or measure should be expressed in terms of the greatest unit applicable to the quantity sold, smaller units being used only for that part of such quantity which is not exactly measurable in terms of such first-mentioned unit, as in the following examples :—

- "Net—One pound four ounces," or "Net—1 lb. 4 oz.," or "Net—1 $\frac{1}{4}$ lb.,"; *not* in the form "20 ounces," or "20 oz.," or in any other form:
 "One ounce (Apoth.)," or "1 oz. (Apoth.)":

9. The marking of net weight or measure shall—

- (1.) Be in a prominent position in proximity to the name or description of the contents;
- (2.) Be clearly stamped or printed in bold capital letters of not less than six points face measurement, and of a colour in distinct contrast to the background, and in the following form: "Net weight lb. oz.":

14. An Inspector or any purchaser may at any time require the driver of any vehicle conveying or hawking coke or coal in sacks for delivery to more than one purchaser or for sale to indicate the sack or sacks for delivery to such purchaser or for sale to such purchaser, and to drive the vehicle to a suitable stamped weighing-machine indicated by the Inspector or such purchaser, and there cause such sack or sacks to be weighed.

15. The driver of any vehicle failing to drive the same to such weighing-machine as provided by clause 13 or clause 14 hereof, or failing to cause any coke or coal or vehicle to be weighed or reweighed respectively as provided by clause 13 or clause 14 hereof, commits an offence against these regulations.

16. Whenever under clause 13 or clause 14 hereof an Inspector is entitled to require any coke, coal, or vehicle to be weighed, the Inspector may at his option himself weigh the same or cause the same to be weighed.

Wellington, 23rd December, 1926.

HIS Excellency the Governor-General in Council has been pleased to approve of the following amendments and additions to the rules of the Auckland Stock Exchange.

WM. DOWNIE STEWART,
Minister of Stamp Duties.

AUCKLAND STOCK EXCHANGE.

ADDITIONS AND ALTERATIONS TO THE RULES.

New Rule to be inserted after Rule 31:—

31A. The Exchange may at any time, with the sanction of a resolution passed at a special general meeting by a majority of not less than two-thirds of the members present and voting thereat, divide amongst its members any part of its assets not exceeding in amount or value the excess of the total assets of the Exchange over its liabilities. If the Exchange so decides, it may retain sufficient of the cash or other assets out of the share of any member upon any such distribution to pay or satisfy (so far as the same will extend) any moneys payable or owing by that member to the Exchange or to any member as such, and the cash and other assets retained shall be applied towards payment of the moneys so owing accordingly.

Addition to Rule 33:—

“and as hereinafter mentioned. In addition to the entrance fee payable as above or under Rule 49, each candidate for

membership shall pay to the Exchange before any ballot is taken upon his application such sum as the Exchange at a special general meeting shall estimate that he would have been entitled to receive under Rule 54 if he had been a member and on the date of receipt by the Secretary of his application his resignation had been given and accepted. Such sum shall be repaid to the candidate if he is not elected a member. The words 'Entrance fee' were used elsewhere in the rules shall be deemed to include this additional sum as well as any other entrance fee payable under these rules. This rule shall not affect the right of the Exchange to reinstate without payment a former member pursuant to Rule 55 or any other rule for the time being in force relating to reinstatement."

New Rule to be inserted after Rule 47:—

47A. Upon a request in writing in that behalf by the committee of any mentally-defective member, the Exchange at a special general meeting may resolve to treat that member as having ceased as from the date of receipt of such request to be a member, and thereupon the committee of such mental defective shall have the same privilege of nominating a candidate to be proposed for membership in the place of the mentally-defective member as is given by the rules to the executors or administrators of a deceased member in respect of that member.

Addition to Rule 54:—

"except as hereinafter mentioned, that is to say,—

(1.) Upon the acceptance of the resignation of any member (not being a country member), or upon the death of any such member or upon his ceasing to be a member pursuant to Rule 47A relating to mentally-defective members, he or his legal representatives shall be entitled, subject to the provisions of these rules and subject also as hereinafter set out, to receive from the Exchange such sum as he would have been entitled to if immediately before his ceasing to be a member the assets of the Exchange (not including furniture and fittings) had been sold at the fair market price thereof, its debts and liabilities paid or satisfied, and the surplus distributed equally amongst the then members. And it is hereby declared that the following provisions shall apply in respect of the right hereby given:—

- (a.) The decision of the Exchange as to the sum payable as aforesaid shall be final.
- (b.) The Exchange may in lieu of paying cash satisfy any sum payable as aforesaid, or any part thereof, by transferring or handing over shares, debentures, bonds, stock securities, or like property to the person or persons entitled at the market value thereof at the time of transfer or delivery; or, if the same are not quoted on the Exchange, then at the fair value thereof as fixed by the Exchange.
- (c.) The Exchange shall be entitled to deduct from the sum payable under this rule any moneys owing to it or to the Chairman as such by the member in respect of whom the same is payable, whether by way of subscriptions, fines, commission, or otherwise howsoever, and also the amount of any moneys owing by such member to any other member as such, and any further amount which the committee may think necessary or equitable to adjust any claims whatsoever that may arise out of his membership.
- (d.) This rule shall not affect the right, power, or authority of the Exchange to make donations and otherwise deal with its funds in as full and unrestricted a manner as if this rule had not been passed.
- (e.) Nothing herein contained shall in any way affect the rights under these rules of any resigning member, or the executors or administrators of any deceased member, or the committee of any mentally-defective member to nominate a candidate or successive candidates for membership in the stead of such member or deceased member or mentally-defective member.

(2.) All matters and things to be decided or done by the Exchange under the foregoing subclause (1) shall be decided or done by or pursuant to a resolution passed at a special general meeting.

(3.) In the case of any ex-member whose membership has ceased under such circumstances that he is not entitled to the benefit of the foregoing subclause (1) the Exchange may, with the sanction of a resolution passed at a special general meeting by a majority of not less than two-thirds of the members present and voting, pay such ex-member or his legal representatives such sum as it may think fit, not exceeding what he could have been paid had he been entitled to the benefit of the said subclause."

We hereby certify that the above rules and additions to rules were passed and adopted at a special general meeting of the Auckland Stock Exchange called for the purpose on

Dredging Operations.

ATTENTION of mariners is drawn to dredging operations which from time to time are carried out within the limits of Auckland Harbour, and of the importance that care should be exercised to avoid any dredger and its moorings.

Dredgers will show on the side on which vessels should pass—during daylight a red spherical shape, and during darkness a red light.

Latest information from the Auckland Harbour Board shows that existing dredging operations are confined to the locality immediately north-westward of Princes Wharf, and that the dredger "Hapai" is moored cardinally at a position (approx.) 304° 600 ft. from its north-western corner, and is working in a south-westerly direction.

The sections being offered comprise part of the land which was purchased by the Crown from the Riddiford family in connection with the Hutt Valley Railway deviation. The whole area has been laid out in accordance with modern town-planning ideas, a part of the general scheme of subdivision being shown on the sale plan. The situation of the blocks to be offered is ideal. Blocks XVIII and XXI abut on to the Hospital Reserve, as shown on the plan, and are in close proximity to Ludlam Crescent and to the well-known Bellevue Gardens. These sections also adjoin the Penrose Street subdivision, in which every section was sold at auction,

while Blocks XXVII and XXIX front on to Waterloo Road, which is one of the principal streets in the Lower Hutt Borough. In addition, the blocks are within a few minutes walk of the new railway-stations, now nearing completion, at White's Line and Waterloo Road. It is anticipated that the railway will be in operation at an early date, and when running it will bring these sections within quick reach of Wellington.

The formation levels of the roads throughout this settlement are being kept generally below the level of the sections in order to give better settings for houses, and to provide adequate facilities for storm-water drainage. The roads will also be constructed to a width sufficient for the accommodation of all traffic, and will be finished off on both sides by a grass berm.

The sections comprise excellent building sites in a select residential locality that will shortly be provided with sewerage, storm-water drains, high-pressure water-supply, gas, and electric lighting.

NOTE.—The attention of intending purchasers is drawn to easements for public purposes as shown on the plan. Intending purchasers are also advised that a building-line restriction will operate in case of sections fronting streets of a less width than 66 ft.

ABSTRACT OF CONDITIONS OF SALE.

Cash.

One-fifth of the purchase-money to be paid on the fall of the hammer, and the remaining four-fifths, together with Crown grant fee of £1, within thirty days thereafter.

Cash by Instalments.

(a.) Ten per cent. of the purchase-money and license fee of £1 ls. on the fall of the hammer.

(b.) Ten per cent. thereof on the expiration of each of the following periods from the date of sale—namely, three months, six months, nine months, and twelve months.

(c.) The balance of 50 per cent. on the expiration of eighteen months from the date of sale.

(d.) Interest on the unpaid balance of purchase-money to be payable with each instalment, and to be computed at the rate of 5½ per cent. per annum.

Special Deferred Payments.

(a.) Five per cent. of purchase-money, together with £1 ls. license fee, to be paid on the fall of the hammer.

(b.) The balance of the purchase-money, with interest thereon at the rate of 5½ per cent. per annum, to be paid by instalments extending over a period of 34½ years.

(c.) In addition to the prescribed half-yearly instalment the purchaser may, on making any such payment, pay any sum or sums not less than £5 or multiple of £5 in reduction of the purchase-money.

(d.) Upon receipt of the final instalment a certificate of title in respect of the land purchased shall issue, upon payment of the prescribed Crown grant fee.

If the purchaser fails to make any of the prescribed payments by due date, whether of purchase-money or interest, the amount (if any) already paid shall be forfeited and the contract for the sale be null and void.

It shall not be lawful for any person to acquire more than two allotments of land, subject to the provisions of the Hutt Valley Lands Settlement Act, 1925, under the system of deferred payments providing for repayment of purchase-money in 34½ years, and where any person so acquires two allotments, such allotments shall be contiguous.

Except on the recommendation of the Land Board and with the approval of the Minister of Lands, it shall not be lawful for any lessee or licensee of land subject to the provisions of the Hutt Valley Lands Settlement Act, 1925, to transfer his interest in such land before the expiration of ten years from the date of the original disposal of the land under the aforesaid Act.

Titles will be subject to section 85 of the Land for Settlements Act, 1925, and Part XIII of the Land Act, 1924.

The lands are described for the general information of intending bidders, who are recommended, nevertheless, to make a personal inspection, as the Department is not responsible for the accuracy of any description.

Full particulars may be obtained at this office.

Commissioner of Crown Lands.

10. The purchaser shall have the right to cut the timber for the period specified, but shall have no right to the use of the land.

11. The timber shall be cut in a face, and the Crown reserves the right to follow up the mill-workings by felling and grassing such areas as from time to time become available, and of disposing of the same.

13. Purchasers are notified that extension of the time herein stated for the removal of the timber must not be anticipated.

The highest or any tender not necessarily accepted. Tenders to be addressed "Commissioner of Crown Lands, North Auckland Land District, P.O. Box 10, Auckland," and envelopes to be marked "Tender for Timber."
