REGULATIONS.

PART I.

PURCHASE OF THE WHOLE OF THE LAND INCLUDED IN A RENEWABLE LEASE.

1. Every owner of a renewable lease of settlement land who desires to purchase the fee-simple of the land comprised in his lease in pursuance of the provisions of section 83 of the said Act, shall give notice of his intention to the Commissioner of Crown Lands in the form No. 1 in the First Schedule hereto.

5. Every such license to occupy shall be registered under the Land Transfer Act, 1915, in manner provided by section 99 of the Land Act, 1924.

PART II.

PURCHASE OF PART OF THE LAND INCLUDED IN A RENEWABLE LEASE.

6. Every owner of a renewable lease of settlement land who is disqualified by section 85 of the said Act from purchasing under section 83 of that Act the whole of the land included in his lease, and who is desirous of purchasing part of that land under section 84 of the said Act, shall make application to the Land Board in the form No. 6 in the First Schedule hereto for the consent of the Land Board to such purchase.

7. The applicant shall lodge with the application a plan showing the position and the approximate area and boundaries of the land so proposed to be purchased.

8. If the Land Board consents to such purchase the lessee shall, within three calendar months after receiving notice of such consent, deliver to the Commissioner of Crown Lands a notice, in the form No. 7 in the First Schedule hereto, of his intention to purchase the land.

9. Every such notice shall be accompanied by a statutory declaration made by the lessee in the form No. 8 in the First Schedule hereto, and also by a survey plan of the land proposed to be purchased, made and certified by a licensed surveyor at the cost of the lessee.

10. Every such notice shall, on delivery thereof at the office of the Commissioner of Crown Lands, be stamped with the date of such delivery.

11. (1.) On the receipt of such notice the Commissioner of Crown Lands shall thereupon make application to the Valuer-General to determine, for the purposes of section 84 of the said Act, the price of the land included in the plan.

(2.) For the purpose of such determination the provisions of section 83 of the said Act are hereby, under the authority of subsection (4) of section 84 of the said Act, modified in manner following:—

(a.) Every reference in section 83 of the said Act to the capital value of the land comprised in the lease shall be construed as a reference to the capital value of that part of the land comprised in the lease which is included in the said plan.

(b.) Every reference in section 83 of the said Act to improvements, shall be construed as a reference to improvements effected on the land included in the said plan.

(c.) Every reference in section 83 of the said Act to the original capital value of the land comprised in the lease shall be construed as a reference to the original capital value of the land included in the said plan, computed in manner hereinafter provided.

(3.) For the purpose of determining the original capital value of the land included in the said plan the Valuer-General shall apportion the original capital value of the whole of the land included in the lease, as defined by section 83 of the said Act, between the land included in the said plan and the residue of the land included in the said lease in proportion to the relative values of those several areas at the date of the delivery of the notice to purchase. The sum so apportioned to the land included in the said plan shall be deemed to be the original capital value for the purpose of determining the price thereof.

12. The Valuer-General shall thereupon certify to the Commissioner of Crown Lands the price so determined by him, and the Commissioner shall thereupon, in the form No. 9 or in the form No. 10 in the First Schedule hereto, as the case may require, deliver to the lessee a notice acknowledging the receipt of the notice and setting out the terms upon which the purchase is to be completed.

13. Every license to occupy issued in pursuance of any such notice to purchase on deferred payments shall be under the hand of the Commissioner of Crown Lands, and shall be in the form No. 11 in the First Schedule hereto.

14. Every such license shall be registered under the Land Transfer Act, 1915, in manner provided by section 99 of the Land Act, 1924.

15. Upon completion of a purchase for cash, or on the payment of the deposit payable in respect of a purchase on deferred payments, the lessee shall deliver his lease to the Commissioner of Crown Lands.

16. (1.) The annual rental payable by the lessee under his renewable lease for the land not included in his purchase shall, as from the date of the delivery of the notice of intention to purchase, be computed in respect of the difference between the original capital value of the whole land originally included in the lease and the original capital value, calculated in accordance with these regulations, of the land purchased by the lessee.

(2.) The reduced annual rental shall be the same percentage of the aforesaid difference as the original rental was of the original capital value.

17. (1.) On completion of a purchase for cash, or on payment of the deposit payable in respect of a purchase on deferred payments, the Commissioner of Crown Lands shall deliver to the District Land Registrar, together with the lease, a certificate under his hand in the form No. 12 in the First Schedule hereto.

(2.) The District Land Registrar shall thereupon enter upon the register and upon every instrument of title a memorial of the reduced area and rental, in accordance with the certificate of the Commissioner of Crown Lands.

PART III.

INSTALMENTS OF PURCHASE-MONEY AND INTEREST PAYABLE UNDER SYSTEM OF DEFERRED PAYMENTS.

18. Where, pursuant to section 83 or section 84 of the said Act, a license to occupy land is issued, pending the completion of the purchase of that land on deferred payments, the half-yearly instalments of purchase-money and interest payable under the license shall be calculated in accordance with the table set out in the Second Schedule to these regulations.

*Regulations under the Family Allowances Act, 1926.*

CHARLES FERGUSSON, Governor-General.

## ORDER IN COUNCIL.

At the Government House at Wellington, this 11th day of March, 1927.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

IN pursuance and exercise of the powers conferred on him by section nineteen of the Family Allowances Act, 1926 (hereinafter referred to as "the said Act"), His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby make the following regulations for the purposes of the said Act, and doth hereby declare that these regulations shall come into force on the first day of April, one thousand nine hundred and twenty-seven.

## REGULATIONS.

## INTERPRETATION.

## 1. IN these regulations—

- "Allowance year," in relation to any allowance granted under the said Act, means the year commencing on the first day of the month in which the allowance commences, and the corresponding period in each year thereafter :
- "Income year" means the year ending one month prior to the commencement of the allowance year :
- "Registrar" means a Registrar of Pensions holding office under the Pensions Act, 1926.

## APPLICATIONS FOR ALLOWANCE.

2. Application for an allowance under the said Act shall be made in the form in the Schedule hereto, and application forms shall be made available at any Courthouse in the Dominion. When completed, the application shall be lodged with the Registrar of Pensions for the district in which the applicant resides.

3. Where the applicant himself, or the wife of the applicant, is a member of the Maori race, there shall be annexed to the application a statement in regard to the ownership of native land, which shall be deemed to be part of the application to which it is expressed to refer, and there shall be indorsed thereon a certificate signed by a Government officer that he fully explained to the applicant the contents of the said statement, and that the applicant appeared to fully understand the same.

4. The Registrar shall keep a Claim Register, in which all applications lodged by persons residing in his district shall be entered and numbered consecutively in the order in which they are received. Any application received by a Registrar from a person residing in another district shall be forwarded to the Registrar of that district.

5. The Registrar, after recording an application, shall forthwith proceed to verify the contents thereof, and for this purpose the forms and regulations under the Pensions Act, 1926, shall, with the necessary modifications, apply.

6. On completion of the necessary inquiries, the Registrar shall transmit the application with all the information available and, where practicable, a personal report to the Commissioner for investigation and determination.

7. The Commissioner shall keep a Claim Register, in which all applications received by him shall be recorded. All such applications shall be numbered consecutively in the order in which they are received.

8. In connection with the investigation of any application, the following provisions shall apply :—

- (a.) If further evidence on any specific matter is required, the Commissioner, or any person authorized by him, may inquire into the same, and for the purposes of such inquiry free access shall be given to—
- (i.) The registers and records of all Departments of State.
  - (ii.) All property of the applicant, and all books, vouchers, and other documents relating to such property, or to the income of the applicant.

(b.) It shall be the duty of all officers of the aforesaid Departments and offices, and of any bank, insurance company, or other corporation carrying on business in New Zealand, and of all officers of the Post Office Savings-bank, and of any other Government Department which receives investments of money from the public, and of any private individual, to make true answers to all questions, and to afford (without fee) all such information as may be reasonably required for the purpose of prosecuting such inquiry as aforesaid.

(c.) The powers of inquiry and search hereby given shall be limited to specified applications, and shall not be construed as authorizing any general search or inquiry.

(d.) The Commissioner may, in his discretion, accept as testimony for or against the application—

(i.) A declaration made by any reputable person who therein declares to what he knows of his own knowledge to be true; or

(ii.) Any other documentary evidence, whether strictly legal evidence or not; or

(iii.) The spoken evidence of a reputable person who deposes to what he knows to be true:

(iv.) The knowledge or observation of the Commissioner himself.

9. The valuations for the time being appearing in a district valuation roll under the Valuation of Land Act, 1925, shall, so far as the same are applicable, be used for the purpose of assessing the value of any property of an applicant for an allowance, if the value of such property is relevant to the determination of the claim.

10. In the calculation of the income of any family, the average weekly income shall be deemed to include, at the discretion of the Commissioner—

(a.) The actual weekly earnings or other regular weekly receipts as at the date of application; or

(b.) The weekly equivalent of any other periodical payments which the family may be entitled to receive during the ensuing allowance year, although no part thereof may have been actually received; or

(c.) The one-fifty-second part of all other receipts (except such as are hereinafter exempted) during the last preceding income year; or

(d.) Such proportion as the Commissioner deems reasonable, having regard to all the circumstances, of the average weekly amount of any capital moneys expended for other than capital purposes. In the exercise of his discretion under this paragraph, the Commissioner shall not include any capital moneys in the computation of income, if the average weekly expenditure (including the expenditure of any allowance received under the said Act) does not exceed £5 10s. a week with an additional 10s. a week for each child in excess of three.

11. The term "income" shall not be deemed to include—

(a.) Any allowance payable under the said Act:

(b.) Any payment by way of sick or funeral benefit from any registered friendly society:

(c.) Any money received on the sale or exchange of land or other property:

(d.) Any money received under an insurance policy on the destruction or damage by fire or otherwise of a building or other property:

(e.) Any principal or capital sum received on the intestacy or under the will of any member of the family:

(f.) Any moneys raised by public subscription for the benefit of any member of the family:

(g.) Any money received by way of compensation or damages in respect of the death of any member of the family:

(h.) Personal earnings which have ceased owing to loss of employment or other cause.

12. The decision of the Commissioner shall be notified direct to the applicant and to the Registrar. The Commissioner shall cause to be entered on his Claim Register particulars of every authorized allowance, and such particulars shall be transcribed upon a district card, on which shall be recorded from time to time any circumstances that may affect or have relation to the payment of the allowance.

13. Every allowance authorized by the Commissioner shall be for the period of one year, and shall commence on the first day of the month in which the application was lodged. In respect of every allowance authorized as aforesaid there shall be issued to the person entitled to receive the same an identity certificate which shall set out on the face thereof particulars of the grant and the place of payment.

## PAYMENT OF ALLOWANCES.

14. There shall from time to time be paid out of the Consolidated Fund into the Post Office Account by way of imprest whatever moneys are necessary in order to enable allowances granted under the said Act to be paid out of such account, and the Postmaster-General shall thereupon pay such allowances accordingly.

15. Every allowance shall be payable by equal monthly instalments, the due date of the first of which shall be the first day of the month following the commencement of the allowance year, and the due date of subsequent instalments shall be the first day of each succeeding month thereafter.

16. Each monthly instalment shall be payable at the Post-office named in the identity certificate and, on production of the said certificate to the Postmaster, shall be available for collection at any time within one month after its due date: Provided that an instalment may be paid not earlier than the 25th day of the month preceding the due date of payment.

17. In respect of every instalment the Commissioner shall transmit to the paying officer during the preceding month an advice of payment in which shall be embodied a form of receipt.

18. When receiving payment of any instalment the payee shall give a receipt for the same. Every such receipt shall include a statement to the effect that all the children in respect of whom the allowance is granted remain under the care and control of the payee. When making payment, the paying officer shall note on the back of the produced identity certificate the date of such payment by affixing thereto his office stamp, but if the paying officer is not satisfied as to the identity of the payee, or as to the accuracy of any statement contained in the receipt, he shall withhold payment and report to the Commissioner.

19. Whenever any instalment is payable to an agent under the authority of a warrant issued under these regulations, as hereinafter provided, the identity certificate shall be produced by the payee at the time of payment, together with the warrant; and where the aforesaid warrant relates to a single instalment, or to the last of a series of instalments, it shall be delivered up to and be retained by the paying officer on payment of such instalment, and forwarded with his accounts.

20. In the event of any instalment being paid on production of a lost identity certificate after the issue of a duplicate of such certificate, or on production of an identity certificate during the currency of a warrant directing payment to an agent of the payee, the holder of such duplicate or warrant shall have no claim against His Majesty in respect of the instalment so paid.

21. In the event of any instalment not being collected within one month after the date on which it falls due, the advice of payment shall be withdrawn, but the person authorized to collect the allowance may thereafter make application in writing to receive such instalment. The application may be delivered to any Registrar or Postmaster, to whom the identity certificate shall be produced, and such application shall be forwarded to the Commissioner.

22. If the person duly authorized to receive payment of any instalment of an allowance desires that the office of payment shall be changed, he shall make application in that behalf to any Registrar or Postmaster, and in support thereof shall produce the identity certificate. The officer receiving the application shall thereupon note the change of office of payment on the identity certificate, and shall then return the same to the applicant. He shall also forward the application forthwith to the Commissioner, who shall arrange for the payment of the allowance at the office referred to in the application.

23. If an identity certificate is lost, destroyed, or mutilated, the payee, or his duly authorized agent appointed under these regulations, may make application for a duplicate certificate, supported by declaration, to any Registrar or Postmaster, who shall forward the application to the Commissioner, with his recommendation.

24. The Commissioner shall, whenever he is satisfied that it is expedient to do so, having regard to age, infirmity, or improvidence, or any other special circumstances, issue a warrant authorizing payment of instalments to any reputable person for the benefit of the children. With respect to the issue of such warrants, the following provisions shall apply:—

(a.) The application for such warrant shall be made in writing to any Registrar or Postmaster, or to the Commissioner direct, and shall be accompanied by the identity certificate if the person entitled to the allowance consents to the application. If such person does not consent to the application and refuses to give up the identity certificate, the application shall state these facts.

(b.) The proposed payee must be not less than twenty-one years of age.

(c.) The warrant shall continue in force only during the currency of the identity certificate to which it is expressed to relate: Provided that it may be renewed or cancelled at any time by the Commissioner.

GENERAL.

25. For the purpose of ascertaining whether an allowance is to be continued, or whether the amount of any such allowance should be altered, the Commissioner may require at the close of any income year or at any other time a statement from the parents of the children regarding their income and property, and the number of their children under fifteen years of age. On receipt of this statement, the Commissioner shall forthwith proceed to verify the contents thereof, and shall conduct his investigation in the same manner as in the case of an original application, and for that purpose the various forms relating to the investigation of original applications shall apply with all necessary modifications.

26. In respect of each allowance which is renewed, the Commissioner shall issue a fresh identity certificate to the Postmaster of the post-office at which the allowance is payable, for issue to the person entitled thereto.

27. It shall be the duty of all Government officers, when requested so to do, to assist applicants in the preparation of their applications for an allowance under the said Act.

28. It shall be the duty of officers of the Police Force to render such service as may be required in connection with the investigation of any application under the said Act.

## Conversion of German Government Loans.

Wellington, 9th March, 1927.

INFORMATION has now been received from the German Consul for New Zealand that German Government bonds which were acquired by their present owners after the 1st July, 1920, can now be presented for exchange into bonds of the Loan Liquidation Debt on the basis of R. M. 25 (i.e., gold marks) for each M. 1,000 of the old loan.

The period during which applications will be considered commenced on the 1st instant and will close on the 30th June, 1927. After that date bonds which have not been presented will become valueless.

Applications from holders of such bonds living in New Zealand and its dependencies or in Western Samoa should be addressed to the German Consul for New Zealand, P.O. Box 1300, Wellington.

The position in regard to bondholders who have had uninterrupted ownership of their bonds from before the 1st July, 1920, was set out in a notification published in the *New Zealand Gazette* No. 30, dated 13th May, 1926, at page 1293.
