Fifth Class	2½ "

(2) No person shall on any classified road operate any motor-lorry the weight of which, together with the weight of the load it is actually carrying, exceeds the maximum weight for which a road of that class is by the last preceding clause hereof declared to be available.

(3) Notwithstanding anything hereinbefore contained, a controlling authority may give written permission for any licensed motor-lorry to be used on any road classified so as not to be available for the use thereon of such motor-lorry, subject to such conditions as to weather, speed, weight of load, number of trips, payment for damage done by such use, or any other condition whatsoever, as such controlling authority may think fit to impose.

(4) Every person operating a motor-lorry under a permission given as aforesaid shall comply with all the conditions expressed in such permission.

9. GENERAL TRAFFIC RULES.

(1) No person shall operate any motor-lorry unless such motor-lorry is equipped with a reflector situated on one side thereof or periscopic in its nature and so arranged as to enable the driver of such motor-lorry, whether loaded or unloaded, to become aware of the existence or approach of anything behind the motor-lorry.

(2) No such equipment shall extend laterally more than 4 ft. from the centre-line of the wheel-track of the motor-lorry, except in accordance with the provisions of any written permission issued under Regulation No. 6.

(3) The driver of any motor-lorry when about to change the direction in which he is travelling or about to stop shall indicate his intention of so doing by means of arm signalling, but if the motor-lorry is equipped with mechanical warning-signals in proper order he may operate such signals in lieu of giving arm signals.

(4) Any controlling authority may prohibit absolutely or conditionally the use on any road of motor-lorries, or of any class of motor-lorry, during any specified period or periods, but this power shall be exercised in a reasonable manner.

(5) No person shall operate any traction-engine or metal-tired motor-lorry unless the consent thereto in writing is first obtained from the controlling authority.

(7) Every person operating any traction-engine or metal-tired motor-lorry under a consent given as aforesaid shall comply with all the conditions expressed in such consent.

(8) Notice of any prohibition under clause (4) of this regulation shall be given by the controlling authority at least seven days before the commencement of the specified period, or the first of the specified periods, by means of a statement conveying the general effect of the prohibition published in some newspaper circulating in the district to which the matter of the notice relates, and if there is no such newspaper then by a printed or written placard posted in some conspicuous place on the road affected by such notice.

(9) No person shall operate any motor-lorry on any road where its use has for the time being been prohibited by a controlling authority under clause (4) of this regulation.

(10) All powers exercised or consents given in terms of Regulation 9 of the Motor-lorry Regulations, 1925, shall enure as if they had been effected under this regulation.

10. HEAVY-TRAFFIC LICENSES.

(1) Every license shall be applied for and issued in respect of one motor-lorry only.

(2) Every local authority having control of any road, with the exception of the Main Highways Board and Road Boards other than the Road Board of any road district in a county wherein the Counties Act, 1920, is suspended or is not in force, shall be a licensing authority entitled to issue licenses under these regulations.

(3) Except as provided by the next succeeding clause hereof, application for a license shall be made to the licensing authority having the control of the roads (or which but for the provisions of the Main Highways Act, 1922, and the Road Boards Act, 1908, would have the control of the roads) in the area of which is situate the garage (as defined by the Motor-vehicles Act, 1924) of the motor-lorry which is the subject of the application.

(4) Any licensing authority may, with the consent of any other licensing authority in the same heavy-traffic district (as defined by Regulation No. 13 hereof) issue licenses and collect fees and do all matters incidental thereto in accordance with these regulations, in respect of motor-lorries the garage of which is situated in the district of the second licensing authority, and may in respect of all licenses so issued make the deductions provided for by clause 2 of Regulation No. 13 hereof, but no such arrangement shall otherwise affect any apportionment of license fees to be made under Regulation No. 13 hereof.

(5) Applications for a license shall be made in writing by the owner in accordance with Form A in the Schedule hereto.

(6) Upon receipt of such application and upon payment of the license fee the licensing authority shall issue to the applicant a heavy-traffic license in accordance with Form B in the Schedule hereto: Provided that the licensing authority may, at its discretion, allow credit for a term not exceeding nine months for payment of any portion or portions of any license fee. In such case every reasonable effort must be made by the licensing authority to collect any amount outstanding before the end of the licensing year; and, if payment is not made in fulfilment of the terms arranged, the licensing authority may cancel the license, whereupon the owner shall surrender the relative license and indication-disc to the licensing authority.

(7) Any heavy-traffic license issued under these regulations by any local authority shall operate within and throughout New Zealand.

(8) Every license shall be an annual license and shall expire on the 31st day of March in each year, but in the case of any motor-lorry in respect of which the owner thereof does not become liable to pay a license fee until a date subsequent to the 30th day of April in any license year the local authority shall issue a license for the remaining part of the license year, but in such case the annual license fee shall be reduced by one-twelfth part for every complete month by which that period is less than one year.

(9) Neither the owner of any motor-lorry nor any other person shall use or permit to be used any motor-lorry upon any road unless and until a heavy-traffic license has been obtained in accordance with these regulations, irrespective of whether the license fee has been paid or whether credit has been allowed for the same or any part thereof.

(10) On application by or on behalf of any owner, and on proof to the satisfaction of the licensing authority by statement in writing, statutory declaration, or other evidence that any license or copy of a license has been lost or mutilated, or become illegible, and on payment of a fee of 2s. 6d., the licensing authority shall at any time during the currency of the license issue to the owner a copy thereof, certified as being a true copy, and such copy shall be available for all purposes for which the original license could have been available under these regulations.

(11) Every licensing authority shall keep a true and faithful record of all applications for licenses, of all licenses, copies of licenses, and indication-discs issued, of all fees paid, and of all particulars supplied under Regulation No. 16, and such particulars as will enable a copy of any license to be issued if required, together with record of cancellation of licenses, and transfer of the ownership of any motor-lorries.

(12) No heavy-traffic license fee other than that fixed by these regulations shall be made, levied, charged, or collected by any local authority having control of roads in respect of any motor-lorry.

(13) No change in the ownership of a motor-lorry shall affect the continuing validity of any license issued in respect thereof, save that thereupon the licensing authority may demand that any amounts outstanding for payment of any portion or portions of the license fee shall be immediately payable, failing which the license may be cancelled in terms of subclause (6) of this regulation.

(14) Before any change in the ownership of a motor-lorry takes place notice in writing of the particulars of such change, verified by the signatures of every person ceasing to have any interest as owner, and every person acquiring any interest as owner, shall be given to the licensing authority: and until such notice is so given any person so ceasing to have an interest shall be deemed to remain an owner of such motor-lorry, and shall be liable under the provisions of these regulations accordingly.

(15) No person shall operate a motor-lorry for the carriage of goods unless such motor-lorry shall be licensed for the carriage of goods or for the carriage of goods and passengers.

(16) No person shall operate a motor-lorry for the carriage of passengers, unless such motor-lorry shall be licensed for the carriage of passengers or for the carriage of goods and passengers.

(17) No person shall operate a motor-lorry licensed for the carriage of passengers and carrying a greater number of passengers than such motor-lorry is licensed to carry.

(18) In all proceedings against any person for an offence under these regulations the motor-lorry, the subject of the proceedings, shall be deemed to be unlicensed or to have an insufficient license, as the case may be, unless at the hearing of the case such person produces a license or sufficient license as the case may be.

(19) In all proceedings under these regulations an application for a license shall be *prima facie* evidence of the statements, matters, and things therein contained as against the owner (including any person notified as having acquired an interest as owner under clause (14) of this regulation).

(9) The license fee for any motor-lorry the motive-power of which is obtained from electric storage-batteries shall be 25 per centum less than the fees hereinbefore set out.

(10) Where by virtue of any agreement for composition made in pursuance of section 150 of the Public Works Act, 1908, any sum is payable in respect of any particular motor-lorry, then the license fee imposed by these regulations in respect of such motor-lorry shall be reduced by the sum so paid during the then current license year in respect of the said motor-lorry: Provided that evidence shall be produced to the licensing authority at the time of payment of the license fee of the fact that such sum has been so paid.

(11) Where, in respect of the use of any particular motor-lorry, extraordinary expenses that have been incurred by a local authority have been recovered in a summary manner in pursuance of section 150 of the Public Works Act, 1908, and have been actually received by the local authority, a refund shall be paid to the owner of that motor-lorry from the license fee paid by him for such motor-lorry equal to the amount of such expenses incurred in respect of the period for which such license fee was paid.

(12) Where, in respect of the use of a particular motor-lorry, extraordinary expenses that will have to be incurred by a local authority have been recovered in a summary manner in pursuance of section 150 of the Public Works Act, 1908, and have been actually received by the local authority, a reduction shall be allowed to the owner of that motor-lorry from the license fee payable by him for such motor-lorry equal to the amount of such expenses to be incurred in respect of the period for which such license fee is payable.

(13) In arriving at the amount of any expenses under the two last preceding clauses hereof there shall be excluded any sum recovered by the local authority by way of costs upon any summary proceedings under section 150 of the Public Works Act, 1908.

(14) In any case in which a tractor with one trailer attached thereto has been licensed as one motor-lorry pursuant to clause 2 of Regulation No. 1 hereof, such tractor may be used with any other trailer subject to the following conditions:—

(a) If such other trailer is fitted with tires of a kind in respect of which no greater license fee would have been payable, and if in respect of the gross weight of tractor, trailer, and load no greater license fee would have been payable had the original license been granted in respect of such tractor and the other trailer, then no other license fee shall be payable and no further license shall be required.

(b) If such other trailer is fitted with tires of a kind in respect of which a greater license fee would have been payable, or if in respect of the gross weight of such tractor, trailer, and load a greater license fee would have been payable had the original license been granted in respect of such tractor and the other trailer, then a further license shall be obtained in accordance with the provisions of this regulation, and the fee payable for such further license shall be the amount by which the license fee payable under an original license granted in respect of such tractor and the other trailer exceeds the license fee actually paid.

12. ABATEMENT OF LICENSE FEES.

(1) In any case in which a license under these regulations has been issued in respect of a longer period than one month, and the motor-lorry in respect of which such license was issued is lost or destroyed, the owner may apply in writing for a partial refund of the license fee.

(2) Such refund shall be one-twelfth part of the annual license fee payable in respect of such motor-lorry for every complete month of the unexpired period of the license subsequent to the date of loss or destruction of the lorry.

(3) Any application under this regulation must be made before the date of the expiration of the license.

(4) The owner shall supply proof to the satisfaction of the licensing authority of the facts entitling him to a refund.

13. DISPOSAL OF LICENSE FEES.

(1) Every licensing authority shall collect the license fees and keep a separate account for same, and neither the net proceeds of such fees nor any part thereof shall be expended or disposed of otherwise than in accordance with this regulation.

(2) The licensing authority may deduct from the license fee an amount not exceeding 5 per centum thereof to cover cost of issue and incidental expenses, and may retain all fees received for copies of licenses and duplicates of indication-discs.

(3) For the purpose of the apportionment of license fees under these regulations the Dominion shall be divided into heavy-traffic districts as set out in the Schedule hereto.

(4) The license fees paid to licensing authorities hereunder, less any deduction in accordance with this regulation, or any refund made in accordance with Regulation No. 12, shall be apportioned among the local authorities having control of roads within each heavy-traffic district either as may be mutually agreed upon by such local authorities, or, in default of agreement, as may be determined by order of a Magistrate on the application of any of those local authorities.

(5) In the making of any such order the Magistrate shall be guided in the first place by the amount of use made by motor-lorries, whether licensed in the heavy-traffic district concerned or in any other heavy-traffic district, of the roads under the control of such respective local authorities. The Magistrate shall also be guided by—

(a) The wear and damage done to such roads by such motor-lorries :

(b) The relative costs of maintenance of such roads :

(c) The benefit derived in the districts of the respective local authorities from the operations of such motor-lorries :

(d) The fact that any moneys are received by a local authority in terms of section 150 of the Public Works Act, 1908 :

(f) All other considerations which the Magistrate may think it equitable to take into account.

(6.) Any agreement or Magistrate's order made under this regulation may relate to all or any of—

(a) The license year current when the agreement or order is made :

(b) The next succeeding license year :

(c) Any previous license year in respect of which no agreement or order may have been made.

(7) The moneys received by each local authority in respect of all such license fees shall be expended by the local authority on the maintenance of the roads in its district.

(8) For the purpose of distributing the license fees there shall be within each heavy-traffic district one distributing authority which shall be such one of the licensing authorities within the heavy-traffic district as may be mutually agreed upon by such local authorities as aforesaid, or, in default of agreement, as may be nominated by a Magistrate on the application of any of those local authorities.

(9) Every licensing authority within the heavy-traffic district shall within ten days after the last day of each of the months of March, June, September, and December in each year remit to the distributing authority all license fees (save a reasonable proportion thereof, not exceeding 5 per centum, which may be retained for refunds in terms of Regulations 11 and 12) received by it up to and including such respective last-mentioned dates and not previously so remitted.

(10) Every distributing authority shall within one month after the respective dates mentioned in the last preceding clause hereof account to every local authority within the heavy-traffic district concerned for all moneys payable to such local authority under this regulation up to and including the respective dates aforesaid. Provided always that, if no agreement or order for apportionment of such moneys is in force upon any such respective date, it shall be sufficient if the distributing authority accounts as aforesaid within one month after the making of such agreement or order.

(11) Every agreement or Magistrate's order made under Regulation No. 13 of the Motor-lorry Regulations, 1925, the effect of which has not expired on the coming into force of these regulations, shall continue in force and be deemed to have been made under this regulation.

(2) Such disc shall be affixed by the owner to the inside of the wind-shield or, if there is no wind-shield, to some other prominent part of the inside of the cab of the vehicle or on the front portion of the vehicle, and shall at all times be kept clear and undefaced and visible for inspection.

(3) On application by or on behalf of any owner and on proof to the satisfaction of the licensing authority by statement in writing, statutory declaration, or other evidence, that any indication disc has been lost, mutilated, defaced, or become illegible, and on payment of a fee of 2s. 6d. the licensing authority shall at any time during the currency of the license to which the disc refers issue to the owner a fresh indication-disc.

(4) No person shall operate any motor-lorry not having an indication-disc affixed thereto as herein provided.

(5) No person shall operate any motor-lorry the indication-disc whereof is obscured, defaced, or not visible for inspection.

(6) No person shall operate any motor-lorry bearing an indication-disc relating to a license which has expired.

15. INSPECTORS.

(1) The Minister, by writing under his hand, and any controlling authority other than the Minister, by resolution duly passed, may appoint any one or more persons to be Inspectors for the purposes of these regulations.

(2) An Inspector appointed by the Minister or the Main Highways Board shall be entitled to exercise the powers hereby conferred on him upon any Government road or main highway.

(3) An Inspector appointed by any local authority shall be entitled to exercise the powers hereby conferred on him upon any road within the boundaries of the heavy-traffic district in which such local authority is situated, notwithstanding that such road may be a Government road or a main highway, or within the district of some other local authority.

(9) The driver of every motor-lorry shall comply with the requirements of any Inspector under the last preceding clause hereof.

(10) No person shall obstruct, hinder, or interfere with any Inspector in the exercise of his powers.

(11) All appointments of Inspectors made in terms of Regulation 15 of the Motor-lorry Regulations, 1925, shall be effective and enure as if the appointments had been made under the powers contained in this regulation.

16. PARTICULARS TO BE FURNISHED BY MOTOR-LORRY OWNERS.

(1) The owner of every motor-lorry shall enter or cause to be entered up daily and furnished to the licensing authority at such intervals as such licensing authority shall think fit, full particulars as to the use of any such motor-lorry, including approximate distances traversed and the names of the controlling authorities in the area or areas in which such motor-lorry operates. Such particulars shall be furnished generally in accordance with Form D in the Schedule hereto. For the purpose of the supply of such particulars the controlling authorities (other than the Minister and the Main Highways Board) shall assist motor-lorry owners so far as is reasonable by the erection of boundary indicators on their roads, or by supplying maps, or by other suitable aids; but the failure of a controlling authority so to do shall be no defence to proceedings against the owner of a motor-lorry for a breach of the provisions hereinbefore contained.

(2) The operation of this regulation may be suspended in any heavy-traffic district if by resolution each of the controlling authorities in such district (other than the Minister and the Main Highways Board) agrees to such suspension.

17. PENALTIES.

Validating Proceedings in connection with the Hauraki Plains County Council's Netherton Roads Loan (1925) of £29,500.

CHARLES FERGUSSON, Governor-General.

ORDER IN COUNCIL.

At the Government Buildings at Wellington, this 22nd day of March, 1927.

Present:

THE HONOURABLE W. DOWNIE STEWART, PRESIDING IN COUNCIL.

WHEREAS the Council of the County of Hauraki Plains lately proceeded to raise a loan of twenty-nine thousand five hundred pounds (£29,500) under the provisions of the Local Bodies' Loans Act, 1913, and its amendments (hereinafter referred to as "the said Act"), and section five of the Main Highways Amendment Act, 1925, for the purpose of constructing roads as follows:—

- (a) Improving, metalling, and laying down as a bitumen road the main highway from Puke Bridge to the northern boundary of Netherton Riding, £8,200;
- (b) Improving and metalling Fisher's Road, £3,600;
- (c) Improving and metalling Munro's Road, £1,140;
- (d) Improving and metalling School Road, £1,940;
- (e) Improving and metalling Old Main Road, £2,100;
- (f) Improving and metalling Rangiora Road, £520;
- (g) Improving and metalling Awaiti Road, £2,480;
- (h) Improving and metalling Awaiti West Road, £1,620;
- (i) Improving and metalling Pukahu East Road, £2,050;
- (j) Improving and metalling Pukahu West Road, £1,400;
- (k) Improving and metalling Ngararahi Stopbank Road, £2,120;
- (l) First year's interest and sinking fund and the preliminary charges of raising loan, £2,330; total, £29,500:

And whereas the said loan is for the benefit of part of the said county—to wit, all that portion of the Netherton Riding of the said county bounded as follows: Commencing at a point where the Waihou River and the northern boundary of Tahanui Section 1 intersect; thence in a westerly direction along the northern boundaries of Tahanui Sections 1, 2, 8, and 7; thence southwards along the western boundaries of Tahanui Sections 7 and 6 to the north-western boundaries of Te Awaiti 2c 4; thence along the north-western and south-western boundaries of Te Awaiti 2c 4 and the south-western boundary of Section 29, Block XI, Waihou, to the north-western boundary of Te Awaiti 1j 2b 3, Section 1; thence south-westerly along the said north-western boundary of Te Awaiti 1j 2b 3, Section 1, and south-easterly along the south-western boundaries of Te Awaiti 1j 2b 3, Section 1, Te Awaiti 1j 2a 1, and Te Awaiti 1a to the southern boundary of the said Te Awaiti 1a; thence eastwards along the southern boundaries of Te Awaiti 1a, Waihou West 4b West, Waihou West 4b East, and Waihou West 4c to the intersection of the last-named boundary with the Waihou River; thence following the eastern and northern boundaries of the said Netherton Riding to the point of commencement:

And whereas the proceedings in connection with the said loan were irregular or defective in that—

- (a) No resolution was passed by the said Council constituting as a special-rating area the area above described;
- (b) No resolution of the said Council was passed authorizing the preparation of a special roll in respect of the said area;
- (c) The special roll prepared in respect of the said area omits divers properties within the said area;
- (d) The published notice of the deposit for public inspection of the said special roll does not define the said area except by referring to it as "The Netherton Roads Loan (1925) Special-rating Area";

- (e) The loan proposal published under section nine of the said Act misdescribes the said area ;
 (f) The said loan proposal fails to state the amount of the proposed sinking fund ;
 (g) In the notice setting forth the date on which the poll would be taken the said Act was not correctly cited by its short title.

The resolution making and levying the special rate misdescribes the boundaries of the special-rating area, and fails to state the numbers of the sections and blocks comprising the same and the name of the survey district, and purports to make the rate payable to Ernest Walton, County Treasurer, at the County Office, Ngatea, during the whole currency of the loan :

And whereas it appears that the ratepayers of the said special-rating area have not been misled by such irregularities or defects as aforesaid, and it is expedient to validate the said proceedings :

And whereas by section one hundred and twenty-six of the Local Bodies' Loans Act, 1926, the said Act is repealed, and it is enacted that all matters and proceedings commenced under the said Act and pending or in progress on the commencement of the reciting Act may be continued and enforced under the reciting Act :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers conferred on him by section one hundred and twenty-two of the Local Bodies' Loans Act, 1926, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby order and declare that the proceedings in connection with the said loan shall be valid to all intents and purposes as though,—

- (a) The area above-described had been duly constituted a special-rating area ;
 (b) The preparation of the said special roll had been duly authorized ;
 (c) The special roll prepared in respect of the said area had been complete and in order ;
 (d) The published notice of the deposit for public inspection of the said special roll had duly defined the said area ;
 (e) The loan proposal published under section nine of the said Act had correctly described the said area ;
 (f) The said loan proposal had stated the amount of the annual payments to the proposed sinking fund as one per cent. of the amount of the loan for the time being raised ;
 (g) The said Act had been correctly cited in the notice setting forth the date on which the poll would be taken ;
 (h) The resolution making and levying the special rate had correctly described the boundaries of the said area, and had duly stated the numbers of the sections and blocks comprising the same, and the name of the survey district or districts, and had not included the words "to Ernest Walton, County Treasurer, at the County Office, Ngatea" :

And that the validity of the proceedings in connection with the said loan or of the security for the said loan shall not be called in question by reason only of the irregularities or defects aforesaid.

Scheme for the Control of Rotorua High School.

Education Department,
Wellington, 24th March, 1927.

IN accordance with the provisions of the Education Act, 1914 (hereinafter called the "Education Act"), and with the powers thereunder, I, Robert Alexander Wright, Minister of Education, do hereby, on the advice of the General Council of Education, approve of the following scheme for the Rotorua High School (hereinafter called "the school"), established under section 88 of the Education Act, 1914:—

1. The school shall be controlled by a Board of Governors under the name of "The Board of Governors of the Rotorua High School" (hereinafter called "the Board").

2. (1.) The Board shall be constituted as provided by the Education Act, 1914.

(2.) The ordinary term of office of members shall be two years, and every member shall hold office until the appointment or election of his successor.

3. (1.) The members appointed by the Board of Education shall be appointed by a resolution of such Board.

(2.) The member appointed by the Council of the nearest borough shall be appointed by a resolution of the Council.

4. In regard to the election of members of the Board by the parents of the pupils, the following provisions shall apply:—

(1.) Every such election shall be held on a date to be fixed by the Board in accordance with this scheme.

(2.) The Secretary of the Board shall be the Returning Officer.

(3.) For the purposes of each election the Returning Officer shall prepare a roll, and shall enter therein the name, occupation, and address of every person qualified to be enrolled as a parent of a pupil of the school. The roll shall be closed at 5 o'clock on the fourteenth day next before the day on which any election is to be held, and shall continue to be closed until the election is completed.

"Parent" means the parent or guardian having the actual custody or control of a pupil of the school. It includes both the father and mother, if so qualified; or if neither be so qualified then the actual guardian of the pupil; but does not in any case include both a parent and a guardian: Provided that no parent or guardian shall be entitled to be enrolled or to vote if the Returning Officer is satisfied that his usual place of residence is nearer another secondary school by the shortest road or other means of access.

A "pupil of the school" means a pupil whose name is on the school roll, including a pupil of a junior high school forming an intermediate department of the school.

(4.) The Returning Officer shall, by advertisement in a newspaper circulating in the district, publicly notify not less than fourteen days before each election—

(a.) The day and hour for the closing of nominations:

(b.) The total number of candidates to be elected:

(c.) The day and hour for the closing of the election.

(5.) Every candidate shall be nominated in writing by one or more parents entitled to vote for his election.

Each such parent may nominate any number of candidates not exceeding the number to be elected.

(6.) Every nomination-paper shall be in the form or to the effect following:—

I, [Name and address], being a parent duly entered on the roll, do hereby nominate [Name and address] as a candidate for election to the Board of Governors of the Rotorua High School at the election to be held on the day of , 19 .

Dated this day of , 19 .

[Signature of nominator.]

CANDIDATE'S CONSENT [to be subscribed at foot of Nomination-paper].

I hereby consent to my nomination.

[Signature of Candidate nominated.]

(7.) If the nomination-paper does not bear the written consent of the candidate nominated, such consent may be given by him to the Returning Officer before the nominations are closed, and every nomination-paper shall be void in so far as concerns any candidate whose written consent is not duly given as aforesaid.

(8.) Nominations shall close at noon on the seventh day before the day of the election.

(9.) If the number of nominations received does not exceed the number of vacancies to be filled, the Returning Officer shall forthwith declare the candidate or candidates so nominated to be duly elected.

If the number of nominations is less than the number of vacancies, the Board shall, at its next meeting, select duly qualified persons to complete the number required.

In all other cases the Returning Officer shall, as soon as the nominations are closed, prepare and post to each elector at his address as appearing on the roll a printed voting-paper containing in alphabetical order of surnames a list of all the duly nominated candidates for whom such parent is entitled to vote; and such voting-paper shall be in the form or to the effect following:—

VOTING-PAPER FOR USE AT ELECTION TO BE HELD ON THE DAY OF , 19 , OF MEMBER OF THE BOARD OF GOVERNORS OF THE ROTORUA HIGH SCHOOL.

CANDIDATES.

[Set out in alphabetical order of surnames the full name of every duly nominated candidate.]

DIRECTIONS.

The number of candidates to be elected is [Specify the number].

The voter must draw a line through the name of every candidate for whom he does not intend to vote.

The number of candidates whose names are left uncanceled must not exceed .

The voting-paper must be posted or delivered to the Returning Officer in a closed envelope bearing on the outside the word "Voting-paper." If posted to the Returning Officer it must be posted on or before the day of election, and, if delivered to him, must be delivered at his office, Street, , before the day of election, or not later than 5 o'clock in the afternoon of that day.

(10.) Before posting the voting-papers the Returning Officer shall write upon a corner of the back thereof his initials and the number appearing on the roll against the name of the voter, and after securing the said corner by gum or otherwise shall place thereon an official mark.

(11.) The poll shall close at 5 o'clock on the afternoon of the day of election; but all voting-papers shall be included and counted which are not informal and are received by the Returning Officer in due course of post before the close of the second day after the day of the election.

(12.) A voting-paper shall be informal in any of the following cases, that is to say,—

(a.) If the elector votes more than once at the same election;

(b.) If the candidates whose names are left uncanceled exceed in number the total number of candidates for whom the person is entitled to vote;

(c.) If in any other way the paper fails to indicate clearly for whom the vote is intended to be given; or

(d.) If, being delivered to the Returning Officer, the sealed envelope containing the voting-paper is not delivered at his office before the close of the poll; or

(e.) If, having been forwarded by post, the sealed envelope containing the voting-paper is not received at the office of the Returning Officer before the close of the second day after the day of election, or if, from the post-mark on the envelope or otherwise, the Returning Officer is satisfied that it was not posted until after the day of the election;

(f.) If it does not bear the official mark and there is reasonable cause to believe that it was not issued to the voter by the Returning Officer;

Provided that a voting-paper shall not be deemed informal if in the opinion of the Returning Officer the intention of the voter in voting is clearly indicated.

(13.) On the third day after the day of election the Returning Officer shall open and examine all voting-papers duly delivered to him or received by him through the post as aforesaid, and, after rejecting all informal voting-papers, shall ascertain the candidates (not exceeding the total number to be elected) who have received the greatest number of votes, and shall declare such candidates to be elected.

- (14.) If, by reason of an equality of votes given for two or more candidates, the election is not complete, the Returning Officer shall decide by lot, in the presence of two members of the Board, which candidate or candidates shall be elected, and thereby complete the election.
- (15.) (a.) Each candidate may, by writing under his hand, appoint one scrutineer, who may be present at the examination of the voting-papers and the counting of the votes by the Returning Officer.
- (b.) The Returning Officer shall, immediately after counting the votes, seal up all voting-papers, and transmit the whole to the Clerk of the nearest Magistrate's Court, who shall keep the same for six months thereafter, and shall not open or permit to be opened such packet except on the order of some Court of competent jurisdiction, and shall at the end of six months effectually destroy the same.
- (c.) Forthwith after the completion of the election the Returning Officer shall, by notice exhibited on the outside of the office of the Board, notify the names of the persons elected, the number of valid votes recorded for each candidate, and the total number of votes rejected as informal, and shall notify to the Board and to the Minister the names of the persons elected.
- (d.) The Returning Officer and every scrutineer shall be required faithfully and impartially to perform the duties of their offices, and shall not directly or indirectly make known the state of the poll or give or pretend to give any information by which the state of the poll may be known before the final declaration thereof by the Returning Officer, or make known for which candidate any voter has voted, or communicate to any person any information likely to defeat the secrecy of the ballot.
- (16.) If a candidate informs the Returning Officer in writing not later than three clear days before the polling-day, that he retires from the election, the Returning Officer shall give public notice thereof; and if by such retirement the number of candidates is reduced to the number of vacancies to be filled, the Returning Officer shall publicly declare the remaining candidates to be duly elected; but if the said number of candidates is not so reduced the poll shall proceed, but the person so retiring shall not be capable of being elected.
- (17.) If any dispute or question arises touching the regularity of any election, such dispute or question shall be determined by a Stipendiary Magistrate in manner provided by sections 33 and 58 to 67 inclusive of the Local Elections and Polls Act, 1925, all the provisions of which shall, *mutatis mutandis*, apply.
5. The members of the Board elected in accordance with this scheme shall retire on the 31st March in the year 1929 and in each second year thereafter.
6. Retiring members shall be eligible for reappointment or re-election.
7. (1.) A casual vacancy shall be created in the same way and for the same causes as are set out in the Education Act in the case of members of an Education Board.
- (2.) Every casual vacancy shall be filled in the same manner and by the same appointing or electing authority as in the case of the vacating member: provided that the member appointed or elected shall hold office only for the residue of the term of the vacating member.
- (3.) Whenever a casual vacancy occurs it shall be the duty of the Board forthwith to report the fact to the Minister if the vacancy is to be filled by the Governor-General, or to the Secretary to the Education Board if the vacancy is to be filled by the Board, or to the Town Clerk in the case of a member to be appointed by the Borough Council.
8. (1.) The appointment or election of members to fill vacancies caused by the expiry of the ordinary term of office shall be made in the first week of the month of March at the end whereof such expiry takes place, or as soon thereafter as may be convenient, but shall not take effect until such expiry.
- (2.) The appointment or election of a member to fill a casual vacancy shall be made not later than fifty days after the vacancy occurs.
9. The Board shall hold an annual meeting in the month of April in each year, at such time and place as the Board shall direct.
10. From time to time as may be necessary the Board shall appoint a Secretary, and shall appoint him or some other person with authority to receive and to pay moneys on its account. The Board shall in each case forthwith inform the Minister of such appointment.
11. (1.) At the annual meeting and at such other times as may be necessary the Board shall elect a Chairman.
- (2.) During the election of Chairman the Secretary to the Board shall preside. The person presiding shall have no vote; ties shall be decided by lot.
- (3.) The Chairman's ordinary term of office shall be one year, and he shall be eligible for re-election.

Ground rent, £2 7s. per annum.

Time for removal of timber, two years.

Terms of Payment.

A marked cheque for one-fourth of the price tendered, together with half-year's ground-rent and £1 ls. license fee, must accompany the tender, and the balance be paid by three equal quarterly instalments, the first of which shall be paid six months after the date of sale.

In addition, the successful tenderer shall continue to pay such ground rent half-yearly in advance during the currency of the license.

Terms of Sale.

1. All instalment-payments shall be secured by "on demand" promissory notes made and endorsed to the satisfaction of the Commissioner of State Forests, and interest at the rate of 1 per cent. per annum in excess of current bank overdraft rates will be charged on all notes overdue from the date of maturity to the date of payment.

2. The right to cut and remove the timber will be sold in accordance with the provisions of section 21 of the Reserves and other Lands Disposal and Public Bodies Empowering Act, 1926, the Forests Act, 1921-22, the regulations in force thereunder, and these conditions.

3. The attention of all tenderers is drawn to the fact that the local controlling body may require the successful tenderer to pay any claims or charges which may be made by that body for the maintenance of the road over which the timber may be transported, and before a sawmill license is issued a letter indicating that satisfactory arrangements have been made in this connection must be produced to the undersigned.

4. The above-mentioned quantities, qualities, and kinds as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase

shall be voidable, nor shall the successful purchaser be entitled to any abatement in price by reason of the said timber being of less quantity, quality, or kind than as stated herein, or in any advertisement having reference to the said timber.

5. A return, verified by affidavit, giving the number of logs cut of each species and their contents must be made quarterly by the licensee on the last days of March, June, September, and December, respectively, in each year. A return, similarly verified, must be made on the same dates showing the output of sawn timber of each species. These returns may be ascertained and verified by the inspection of the books of the mill, or by such other means as the Conservator may require, and for this purpose the accounts and books shall be open to the inspection of the Conservator, a Forest Ranger, or other duly authorized officer.

6. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.

7. Intending tenderers must make their own arrangements in regard to access to the block, and the removal of the timber therefrom.

8. Each tenderer must state the total price that he is prepared to pay for each species. The highest or any tender will not necessarily be accepted, and the timber described is submitted for sale subject to the final acceptance of the tender by the Commissioner of State Forests.

9. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the closing date for receipt of tenders.

10. If no tender is accepted for the timber herein mentioned it will remain open for application at the upset price until further notice.

11. Tenders should be on the special form obtainable from any office of the State Forest Service, and should be enclosed in envelopes addressed "Conservator of Forests, Palmerston North," and endorsed "Tender for Timber."

The conditions which will be inserted in the license to be issued to the purchaser, and further particulars may be obtained on application to the undersigned or to the Director of Forestry, Wellington.
