## REGULATIONS.

## OLD-AGE AND WIDOWS' PENSION-CLAIMS.

1. The claim for an old-age pension or for a widow's pension shall be in the form numbered 1 or the form numbered 2 in the First Schedule hereto, as the case may be; and when completed and signed by the applicant in the presence of any person authorized by section eighty-six of the said Act to take declarations shall be lodged with the Registrar for the district in which the applicant permanently resides.

2. In every case where the applicant, or the wife or husband of an applicant, is a member of the Native race, there shall be annexed to the pension-claim a statement in the form numbered 3 in the First Schedule hereto setting forth particulars of any customary rights or interests now or previously held or enjoyed in Native land, and there shall be endorsed thereon a certificate by a Government officer that the contents thereof were fully explained to, and appeared to be fully understood by, the applicant before he signed it. It shall be the duty of every Government officer having the requisite knowledge of the Maori language to assist Maoris in preparing their pension-claims, and to give the aforesaid certificate without fee.

3. The Registrar shall keep an alphabetical index, in card form, of all claims made by applicants in his district. Any claim received by a Registrar from an applicant who resides in another district shall be forwarded by him to the Registrar of the district in which the applicant permanently resides.

4. The Registrar, after preparing the index-card and noting thereon its registered claim-number, shall forthwith proceed to verify the statements of the applicant by means of the forms provided for the purpose. 7. (1) If the Magistrate's decision is that the claim is rejected, he shall notify the Registrar in the form numbered 4 in the First Schedule hereto, which shall be forwarded to the Commissioner, who shall record and file the same.

(2) Where a fresh claim is lodged at any time subsequent to the rejection of a former claim, such new claim shall be recorded under a new number. For the purpose of this subclause, the adjournment of a claim *sine die* shall be deemed to be equivalent to the rejection of such claim.

8. If the Magistrate's decision is that the claim is established he shall fix the rate of the first year's pension and forward to the Registrar a certificate of establishment in the form numbered 5 or the form numbered 6 in the First Schedule hereto, as the case may require. Upon receipt of the Magistrate's certificate of establishment the Registrar shall record the contents thereof on a pension-card, and, after issuing a pension-certificate in the form numbered 7 in the First Schedule hereto, shall forward the said Magistrate's certificate to the Commissioner, who shall record and file the same.

Every application for a miner's pension or a pension in respect of blindness shall be accompanied by a medical certificate setting out the nature of the disability suffered by the applicant.

12. The Commissioner, after recording a claim and noting thereon its registered claim-number, shall forthwith proceed to verify the statements of the applicant by the forms provided for the purpose, and, having completed his inquiries, shall record his decision in regard thereto, and the Claim Register and index-card shall be noted accordingly.

13. If the decision is that the claim is rejected the Commissioner shall notify the applicant of the reason for the rejection. 16. Where the beneficial interest of the applicant in any property consists of a life interest in such property, the present value of the said life interest shall, except as provided by section 10 of the said Act, be deemed to be accumulated property. To arrive at the value of the life interest, the net annual value of the property shall be multiplied by the value of £1 per annum at the required age as shown in the Carlisle Table of Mortality. For the purpose of any computation under this regulation the net annual value of a property shall be deemed to be the net annual income derivable therefrom, or, in the absence of any such income, an amount not exceeding 5 per cent. of the capital value of the property after the deduction of all charges or encumbrances lawfully existing thereon.

## PENSION-CERTIFICATES.

17. The pension-certificate shall set out on the face thereof the office of payment, and also the date on which the first instalment is payable.

18. If a pension-certificate is lost, destroyed, or mutilated, the pensioner, or his duly authorized agent appointed under these regulations, may make application for a duplicate certificate to the Registrar direct, or to him through a Postmaster or Clerk of Court. After satisfying himself that the original certificate has been lost, destroyed, or mutilated, as the case may be, the Registrar shall, in the case of a pension payable under Part I or Part II of the said Act, issue a duplicate certificate, which shall bear across its face the word "Duplicate," and shall forthwith forward the application to the Commissioner, who shall instruct the paying office to pay on the duplicate certificate only. Any application in respect of a pension payable under any other Part of the said Act shall be dealt with by the Commissioner.

19. Application for transfer from one district to another of a pension payable under Part I or Part II of the said Act shall be made in writing to the Registrar direct, or to him through a Postmaster or Clerk of Court, and with respect thereto the following provisions shall apply:—

- (a) It shall not be granted unless the Registrar to whom the application is made is satisfied that the pensioner is about to change or has permanently changed his residence, or unless the pension-certificate is lodged with the application, for which latter a receipt shall be issued as a subsequent means of identification by the Registrar of the new district.
- (b) For the purpose of effecting the transfer the Registrar of the district in which the pension is registered shall issue a transfer-warrant, and transmit the same, together with the pension-card, pension-certificate, and all papers relating thereto, to the Registrar of the new district.
- (c) The Registrar issuing the transfer-warrant shall note the index-card and forward the application duly noted by him to the Commissioner.
- (d) The Registrar receiving the aforesaid warrant and other papers shall supply the new number by which the pension will be known, and forward the said warrant by first mail to the Commissioner, who shall note the district card and issue the necessary instructions to the paying office. The Registrar shall also issue the pension-certificate to the pensioner or to the duly authorized agent on surrender of the receipt previously issued for the pension-certificate, having first noted on the certificate the new number and the names of the new district and paying office, and shall file the pension-card and other papers, to which latter the receipt for the pension-certificate shall be attached.

20. If the pensioner or authorized agent for the pensioner desires that the office of payment only shall be changed, he may make application in writing to a Registrar, Postmaster, or Clerk of Court, and in support thereof shall forward the pension-certificate with the application. The Registrar, or Postmaster, or Clerk of Court receiving the application, after noting the change of paying office on the pension-certificate (which he shall return to the applicant), shall forward the application in the case of a pension payable under Part I or Part II of the said Act to the Registrar of the district in which the pension is recorded, who in turn shall advise the Commissioner, who shall note the district card and issue the necessary instructions to the paying office. Any application in respect of a pension payable under any other part of the said Act shall be forwarded direct to the Commissioner.

## PAYMENT OF PENSIONS.

21. The Commissioner shall, in respect of every pension granted, provided payment has not been stopped for any reason, transmit to the paying office in every month a form of advice of payment of the instalment falling due on the first day of the following month. Such advice shall be in the form numbered 11 in the First Schedule hereto.

22. When receiving payment of any instalment of a pension the payee shall give a receipt for the same in the manner provided therefor in the advice form, and when making payment the paying officer shall, by affixing thereto his office stamp on the back of the produced pension-certificate, note the date and fact of such payment: Provided that the paying officer, if not satisfied as to the identity of the payee, shall withhold payment and report to the Commissioner.

23. If the payee is other than the pensioner, the payee shall in such receipt certify that to his certain knowledge

the pensioner is alive and residing in New Zealand, giving address, and that the instalment applied for is properly payable.

24. No payment shall be made in respect of any instalment of pension after the expiry of one month after the due date, or after the death of the pensioner, without the special authority of the Commissioner first obtained.

25. The paying officer shall, in every case where the last instalment covered by the pension-certificate has been paid, retain the pension-certificate. Where the said certificate does not indicate that all the instalments payable thereon have been paid he shall forward the same, with his accounts, to the Chief Postmaster; and in other cases may, unless otherwise instructed by the Commissioner, destroy the certificate.

26. Whenever any instalment is payable under a warrant issued under these regulations, the pension-certificate shall be produced by the payee at the time of payment, together with the warrant, and where the aforesaid warrant relates to a single instalment, or to the last of a series of instalments, it shall be delivered up to and retained by the paying officer on payment of such instalment, and forwarded with his accounts to the Chief Postmaster.

27. In the event of any instalment being paid on production of a lost pension-certificate after the issue of a duplicate of such certificate, or on a pension-certificate during the currency of a warrant directing payment to other than the pensioner, the holder of such duplicate or warrant shall have no claim against His Majesty in respect of the instalment so paid.

28. In the event of any instalment being forfeited, the pensioner or the duly authorized agent for the pensioner may make application in writing to receive such instalment to the Registrar or to the Postmaster, to whom the pension-certificate shall be produced, and such application shall be forwarded with a recommendation as to payment to the Commissioner, who shall notify his decision direct to the applicant. Every such application made in respect of any class of pension other than a widow's pension on behalf of the governing body of a charitable institution shall be accompanied by a warrant issued as provided in clause 31 of these regulations.

29. (1) With respect to the portion of an instalment accruing due as at the date of death in the case of any class of pension other than a widow's pension, or for any instalment unpaid at the date of death, the application shall be made in writing by the person who actually defrayed the burial-expenses of the pensioner, or on behalf of the governing body of a charitable institution wherein the pensioner was being maintained at date of death. If the application is made by the person who defrayed the burial-expenses it shall be accompanied by a receipted account for the said expenses, or for such part of the said expenses as is not less than the amount of pension payable; and if the application is made on behalf of the governing body of a charitable institution, for the cost of burial or maintenance of the pensioner to the date of death, it shall be accompanied by a warrant issued as provided in clause 31 of these regulations.

(2) Every application under this clause must be accompanied by the pension-certificate, and, in the case of a Maori pension, by a certificate of death signed by a European of repute other than the applicant or the Registrar. Such application shall be made to the Registrar, who, after satisfying himself that the application is in order, shall forward it to the Commissioner with his recommendation as to payment; except that, in lieu of forwarding a receipt for funeral expenses paid by a charitable institution, he may certify on the application that the receipt has been seen by him. No application shall be entertained where the pensioner has left an estate out of which the funeral expenses, or the cost of maintenance, as the case may be, could be met, or where the pensioner has been dead more than three months, except under special circumstances, which must be explained to the Commissioner.

(3) In the case of an applicant where no portion of the cost of the burial has been paid, the Commissioner may direct that payment of the pension accrued to date of death be made to the undertaker who arranged the burial of the pensioner instead of to the applicant.

30. With regard to the payment of that portion of a widow's pension payable in respect of the child or children of a deceased pensioner, application may be made by the person having the care or control of the said children to the Registrar, who shall forward the application for decision to the Commissioner accompanied by the pension-certificate and a report relating to the circumstances of the applicant. No application shall be entertained where the applicant is a person in affluent circumstances.

## AGENTS' WARRANTS.

31. With respect to a warrant authorizing payment of instalments to the governing body of a charitable institution

in terms of section 66 of the said Act the following provisions shall apply:—

- (a) The application for the warrant shall be made to the Registrar in the form numbered 12 in the First Schedule hereto, and shall specify—
- (i) The name of each pensioner to which it relates;
  - (ii) The number of the pension-certificate;
  - (iii) The amount of the instalment applied for;
  - (iv) The cost and period of maintenance or relief, such period in no case commencing earlier than one calendar month before the day on which the instalment applied for falls due;
  - (v) The total amount of instalments applied for.
- (b) The pension-certificate shall be produced in every case.
- (c) The warrant, which shall be signed by the Registrar, shall be recorded on the application, and shall state the total amount for which it is granted.
- (d) The warrant, which may relate to more pensioners than one, shall be delivered up to the paying officer by the payee when receiving payment of the instalments to which it relates, and shall be forwarded by the paying officer with his accounts.
- (e) No warrant under this regulation shall be issued unless any previous warrant issued to any person in respect of the same pension has been first surrendered to the Registrar, and no payment shall be made to a charitable institution except on production of a warrant issued in terms of these provisions.
- (f) If any dispute arises between the pensioner and the institution as to the proper disposal of the instalment, the question shall be decided in a summary way by a Magistrate.

32. With respect to a warrant authorizing payment of instalments to any person other than the pensioner in terms of section 67 of the said Act the following provisions shall apply:—

- (a) The application for the warrant shall be made to the Registrar direct, or to him through a paying officer or Clerk of Court, in the form numbered 13 in the First Schedule hereto, and shall be accompanied by the pension-certificate.
- (b) The proposed payee, being a European of good repute, must be not less than twenty-one years of age.
- (c) The warrant shall be in the form numbered 14 in the First Schedule hereto, and shall continue in force only during the currency of the pension-certificate to which it is expressed to relate: Provided that it may be renewed upon the issue of a renewed pension-certificate, or may be cancelled by the Registrar or Commissioner at any time for good cause shown.
- (d) No such warrant shall be issued in respect of a pension where the pensioner is absent or about to be absent from the district in which the agent is residing, unless under special circumstances, which shall be set forth in the application.
- (e) The Registrar shall issue the warrant together with the pension-certificate direct to the person entitled thereto.
- (f) If the pensioner does not consent to the application and refuses to give up the pension-certificate the Registrar may issue a duplicate pension-certificate with the warrant, and in respect to such duplicate the provisions of clauses 18 and 27 of these regulations shall apply.
- (g) If after the issue of a duplicate pension-certificate in terms of the last preceding paragraph the original pension-certificate is presented for payment, the paying officer shall refuse payment thereon, and shall impound the certificate and forward it to the Commissioner.

#### RENEWAL AND REVIEW OF PENSIONS.

33. (1) For the purpose of ascertaining whether a pensioner under Part I or Part II of the said Act is entitled to a renewal of his pension, an Income and Property Statement in the form numbered 15 or 16 or 17 in the First Schedule hereto, as the case may require, shall be lodged with the Registrar immediately after the close of the income year.

(2) The Income and Property Statement required to secure the continuance of an old-age pension granted to an inmate of a mental hospital, shall be signed by the Superintendent of the institution, and shall contain a certificate from the Public Trustee as to the property owned by and any income derived from the estate of the pensioner. The statement shall be dealt with as in the case of any other Income and Property Statement.

(3) If no statement is lodged within three months after the expiry of the said income-year the Registrar shall remove the

pensioner's name from his pension roll, and notify the Commissioner that he has done so. In any such case an application subsequently lodged shall be treated as an original pension-claim under these regulations, unless dealt with within the calendar year in which the aforesaid removal took place, in which event it shall be dealt with in the same manner as if the statement had been duly lodged.

34. To facilitate the prompt furnishing of Income and Property Statements the Registrar shall issue to each pensioner before the close of the income-year a copy of the prescribed form. On receipt of the said form duly completed he shall forthwith proceed, where necessary, to verify the statements of the pensioner by means of the forms provided for the purpose and in due course shall forward the necessary papers to the Commissioner with his recommendation, and any explanation necessary as to the altered circumstances of the pensioner.

35. The Commissioner shall forthwith proceed to investigate the application in the same manner, with the same powers, and subject to the same provisions as in the case of an original pension-claim, and, having recorded his decision in the form numbered 18 or the form numbered 19 in the First Schedule hereto, as the case may require, particulars of which shall be noted on the district card, shall return the papers with a copy of his decision to the Registrar. The Registrar shall, in respect of each decision of the Commissioner received by him, notify the pensioner and note the pension-card, and, where a renewal of the pension has been authorized, shall issue a new pension-certificate to the paying officer, to be exchanged for the former certificate on expiry.

36. The Income and Property Statement required to secure the renewal of a pension under Part III of the said Act shall be dealt with as provided by clauses 34 and 35 of these regulations, except that the Commissioner, after noting the district card, shall notify the pensioner of his decision, and, in the event of a renewal of the pension being authorized, shall issue a new pension-certificate direct to the payee.

37. (1) Where at the investigation of any application for renewal of a pension, or at any other time, the Registrar is of the opinion that any pensioner under the said Act is, for any reason relating to the ownership of property or income, or for any other reason, drawing a larger or smaller amount of pension than that to which he is by law entitled, he shall forthwith furnish a report to the Commissioner, who shall, if deemed to be necessary, suspend payment of the pension, and proceed to investigate the circumstances in the same manner and with the same powers as in the case of an original pension-claim, and for that purpose the provisions of the said Act and of these regulations shall apply with all necessary modifications.

(2) In any case to which this clause relates the decision of the Commissioner shall be notified to the Registrar, who shall in the case of pensioners under Part I or Part II of the said Act in due course advise the pensioner and note the pension-card. The Commissioner shall in each such decision take such action in regard to the payment of the pension as is necessary in terms of the provisions of these regulations.

38. Where as the result of any inquiry it is found that the pensioner has been paid an amount in excess of that to which he was by law entitled, the Commissioner may take action to recover such excess in the Magistrate's Court by plaint, as provided by the Magistrates' Courts Act, 1908. In lieu of any such proceedings he may make arrangements with the pensioner to refund in cash or deduct the amount from any further pension payable in such instalments as may be deemed desirable. Where it is ascertained that any overpayment has been obtained by fraud, a prosecution may be instituted by information laid in terms of the Justices of the Peace Act, 1908.

39. No Court fees shall be payable in connection with any proceedings before a Magistrate under these regulations.

40. All moneys received by way of refund of overpaid pension, with or without Court proceedings, shall be paid into the Public Account at the nearest branch of the Bank of New Zealand, and the Registrar shall forward the bank receipts to the Commissioner, giving particulars of the refund.

41. Where a conviction for drunkenness is recorded for the first time against a pensioner the Registrar shall arrange for the appointment of an agent, and when notified of the issue of the necessary warrant the Commissioner shall give notice to the paying office to pay to the agent only; but where a second conviction for drunkenness or other offence dishonouring the pensioner in the public estimation is recorded during the currency of any pension-certificate the Commissioner may, in his discretion, suspend payment of the pension for such period as he deems fit. Where any further conviction is recorded during such currency the Commissioner shall cancel the pension, and shall notify the Registrar, who shall thereupon record the cancellation and shall recover and forward to the Commissioner the pension-certificate current at the date of cancellation.

## RETURNS.

42. In respect of old-age and widows' pensions, the Registrar shall despatch to the Commissioner, not later than the third day in every month, returns for the preceding month as under:—

- (a) A return of new pensions granted, indicating therein the pension-numbers that have been allotted to transferred pensions. In the event of no new pensions being granted, a "Nil" return shall be forwarded.
- (b) A return of applications for new pensions investigated by the Magistrate and not granted, giving the reasons.
- (c) A return of applications for renewal refused or adjourned during the month, and the reason for such refusal or adjournment.

## GENERAL.

43. Except where otherwise specially provided, all powers and functions conferred upon or exercisable by a Registrar under the provisions of the said Act, or under any regulations made in pursuance thereof, shall be exercisable also by the Commissioner.

44. In every case where the death of a pensioner is reported to a Registrar the pension-certificate current at date of death, together with any warrant issued in respect thereto, shall be obtained and forwarded to the Commissioner. Immediately it comes to the knowledge of any Postmaster that a pensioner has died it shall be his duty to at once notify the Commissioner of the date and place of such death, and to return any unpaid advice.

45. In every case where a pensioner is reported to have been committed to a mental hospital the pension-certificate current at the date of committal, together with any warrant issued in respect thereto, shall be obtained and forwarded to the Commissioner for the necessary action.

46. If at any time a Registrar or Postmaster has reason to believe that any person in receipt of a pension under the said Act has done any act with intent to assign such pension, or any instalment thereof, contrary to the provisions of section 85 of the said Act, he shall at once furnish the Commissioner with a report on the matter, and the Commissioner shall take such action as will insure the carrying-out of the provisions of the said Act.

47. It shall be the duty of a Clerk of Court, if at the time of the conviction of any person for any offence he has reason to believe that such person is a pensioner under the said Act, to ascertain whether such person is a pensioner, and, if so, to notify the Registrar of the conviction and of the nature of the offence.

48. On the death of any person in New Zealand being a male of the age of sixty-five years or upwards, or a female of the age of sixty years or upwards, or a widow with children under the age of fifteen years, or a totally blind person of the age of twenty years or upwards, or a miner, or a veteran of the Maori War, it shall be the duty of the Registrar of Deaths to whom the death is reported to inquire, and of the person reporting the death to inform the said Registrar, whether the deceased person was a pensioner under the said Act; and the said Registrar shall notify the Commissioner in writing of the death of any such person, even though he does not appear to be a pensioner.

49. It shall be the duty of the Public Trustee to supply to the Commissioner the names and addresses of deceased persons whose estates have been placed in his hands during each month for administration, and, in the event of any such person proving to have been a pensioner, to supply particulars of the estate.

50. It shall be the duty of members of the Police Force, in addition to assisting applicants in the preparation of their pension-claims and Income and Property Statements, to render such service as the Department may require. Authority to incur expenditure on any occasion must be obtained beforehand from the Commissioner through the local Registrar. A police officer or Clerk of Court or Postmaster, if he believes that any pensioner is drawing a pension to which by law he is not entitled, either by reason of employment or for any other cause, or that any pensioner mispends his pension in drink, shall at once communicate with the Registrar of the district in which the said pensioner is residing, and the Registrar shall in such cases as are necessary take action as provided in these regulations.

51. The employment of medical practitioners for the purpose of determining the extent of the incapacity of any applicant for a miner's pension or for a pension to the blind shall be as decided by the Commissioner. The fee payable for the report of an examination by any such medical practitioner shall be £1 ls.

Every such application for registration shall be in or to the effect of the form numbered 1 set out in the Second Schedule hereto. Forms can be obtained free of charge from the Chief Hemp Grader. No brand shall be registered which, in the opinion of the Chief Hemp Grader, is likely to lead to mistakes or confusion, or is for any other reason undesirable for use as a brand.

(2) Brands which have been or are deemed to have been registered in accordance with the regulations hereby revoked, shall be deemed to have been registered in accordance with these regulations.

**GRADING PROCEDURE AND CHARGES.**

13. The grade of each parcel of phormium products submitted for grading shall be determined by the grader upon opening 5 per centum of the bales, and such further number as he deems necessary, and also, in the case of hemp, upon drawing hanks from as many additional bales as he considers advisable.

14. Any phormium products which on being opened for grading are found to be in a wet or damp condition will not be graded, but such products may be dried and resubmitted for grading. The charge provided for by clause 15 of these regulations will, however, be made in respect of each lot found to be in a wet or damp condition, and a separate charge will be made when the same lot is resubmitted for grading.

15. The charge for grading hemp shall be 4d. per bale, and for tow, stripper-tow, or stripper-slips, 3d. per bale, and shall be payable by the owner on demand. Any phormium products resubmitted for grading in accordance with any of the provisions of these regulations shall be treated as a separate parcel.

16. As soon as possible after grading any phormium products the grader shall stamp the canvas tag attached to each bale thereof with a mark (herein called a "grade-mark") as shown in diagram No. 4 of the First Schedule hereto, indicating the grade of such phormium products as determined in accordance with clauses 9, 10, 11, and 12 hereof; and shall also, if he is satisfied that the phormium products are intended for export, sign and deliver to the owner a certificate of the said grade (herein called a "grader's certificate") in or to the effect of the form numbered 3 set out in the Second Schedule hereto: Provided that, in the case of stripper-slips, the total points awarded need not be shown in the grader's certificate. He shall also, if requested, sign and deliver a report on the phormium products to the miller whose brand they bear.

17. In the event of the hemp in any parcel being noticeably of less than average length the grader shall insert the words "Short" or "Very Short," as the case may be, on the grader's certificate.

18. On the request of the owner any grader shall substitute for separate certificates issued at the time of grading one inclusive certificate for two or more parcels shipped by the same vessel. Blank forms for this purpose will be supplied on application to any grader, and must be filled in by the owner and submitted to the grader for his signature. The separate certificate issued at the time of grading must in every case be returned before the inclusive certificate is given.

19. (1) Owners' marks, which may be affixed to bales in the appointed grading-stores by owners will be registered on application to the Chief Hemp Grader, but no such mark shall be used until the owner has been advised by the Chief Hemp Grader that the mark has been registered. In no case shall the miller's brand be removed or in any way interfered with. In every instance the owner shall notify the grader immediately before affixing any such marks. The Chief Hemp Grader may decline to register any owner's mark if he considers it to resemble a mark already registered so closely as to cause risk of confusion, or to be for any other reason undesirable for use as an owner's mark.

(2) No fee will be charged for the registration of owners' marks.

20. No person shall remove from an appointed grading-store, except for the purpose of immediately shipping them for export beyond New Zealand, any phormium products in respect of which a grader's certificate has been issued, unless such certificate is first surrendered to a grader.

21. No phormium products in respect of which the certificate has been or ought to have been surrendered in accordance with the last preceding clause shall be exported until they have been resubmitted for grading and a new certificate has been issued in respect thereof.

22. (1) If after any phormium products have been graded and a certificate issued, such products are damaged by fire or water, or through any other cause, the owner shall, if the certificate issued in respect of such products is still in his possession, forthwith surrender the certificate to the grader; and whether the certificate is or is not surrendered, such products shall not be shipped from New Zealand without being regraded and a new certificate issued as hereinafter provided.

(2) Such products may be reconditioned and submitted again for grading: Provided that in such case the owner shall, when giving the grader the written particulars prescribed by these regulations, state on the form of advice that the products have been so reconditioned: Provided also that the grader shall, when issuing a new certificate for such products endorse on the certificate a statement that they have been reconditioned.

23. Any person who knowingly and wilfully represents or implies for any purpose whatsoever that the grader's certificate issued in respect of any lot of phormium products is the certificate issued in respect of any other lot commits a breach of these regulations.

24. The decision of any grader as to the quality, condition, or grade of any phormium products shall be conclusive, and no action or proceeding shall lie against the Crown, or against any grader, or against any other officer of the Crown in respect of any erroneous decision of a grader as to such quality, condition, or grade.

25. Except to dry, redress, or rebale the products or to use the same for manufacturing or other trade purposes, no person other than a grader in the execution of his duties shall remove or cause to be removed, wholly or partially, any miller's or owner's tag, brand, or mark, or any grade-mark, from any phormium products.

OFFENCES AND PENALTIES.

26. No person shall export, or attempt to export, or be concerned in exporting, any phormium products unless they bear distinctly impressed on the canvas tag provided for in clause 3 hereof the miller's brand, the number of the bale, and the grade-mark, and unless a grader's certificate in respect of such phormium products has been issued and is still in force. A grader's certificate which has been surrendered, or which ought to have been surrendered in accordance with any of the provisions of these regulations, shall for all purposes be deemed to be cancelled and to be no longer in force.

27. No person shall alter or obliterate, wholly or partially, or cause to be altered or obliterated, any miller's or owner's tag, brand, or mark on any phormium products, nor shall any person counterfeit any such tag, brand, or mark, or improperly impress or otherwise mark on any such products or on any covering thereof or anything attached thereto, any mark purporting to be the brand or mark of a miller or owner, either with the proper marking instrument of the miller or owner or with a counterfeit imitation thereof; or empty, or partially empty, or otherwise interfere with, any bale of phormium products branded by a miller in order to put therein or substitute any other phormium products; or use for the purpose of branding any such products any old tag bearing any miller's brand or any grade-mark, or anything resembling the same.

28. Any person who—(a) fails to observe or perform any duty directly or by implication placed upon him by these regulations, or (b) does anything contrary to the provisions thereof, commits a breach of these regulations.

29. Any person committing a breach of any of these regulations is liable to a penalty not exceeding twenty-five pounds.

The Department is now offering for sale a block comprising forty-nine excellent building-sites on the area to the east of the Woburn Railway-station, and lying between the railway and Waiwetu Road. As will be seen from the locality plan, the roading of this portion of the settlement has been treated in such a manner as to provide quick access to the Railway-stations and direct access to existing thoroughfares. The sections are all absolutely flat, and are within two or three minutes' walk of the Woburn Station. The areas vary from 24 perches, with frontages of 50 ft. up to 35 perches with frontages proportionately greater.

The new Waiwetu School, now built, is in the immediate vicinity of this area, and many of the sections back on to the school ground. The roading is being pushed on rapidly, and the provision of sewerage, storm-water drainage, high-pressure water-supply, gas, and electric lighting will make this a residential area second to none in the Dominion.

NOTE.—The attention of intending purchasers is drawn to easements for public purposes as shown on the plan. Intending purchasers are also advised that a building-line restriction will operate in case of sections fronting streets of a less width than sixty-six feet.

ABSTRACT OF CONDITIONS OF SALE.

One-fifth of the purchase-money to be paid on the fall of the hammer, and the remaining four-fifths, together with Crown grant fee of £1, within thirty days thereafter.

- (c) The balance of 50 per cent. on the expiration of eighteen months from the date of sale.
- (d) Interest on the unpaid balance of purchase-money to be payable with each instalment, and to be computed at the rate of 5½ per cent. per annum.

Special Deferred Payments.

- (a) Five per cent. of purchase-money, together with £1 1s. license fee, to be paid on the fall of the hammer.

- (d) Upon receipt of the final instalment a certificate of title in respect of the land purchased shall issue, upon payment of the prescribed Crown grant fee.

If the purchaser fails to make any of the prescribed payments by due date, whether of purchase-money or interest, the amount (if any) already paid shall be forfeited and the contract for the sale be null and void.

It shall not be lawful for any person to acquire more than two allotments of land, subject to the provisions of the Hutt Valley Lands Settlement Act, 1925, under the system of deferred payments providing for repayment of purchase-money in 34½ years, and where any person so acquires two allotments, such allotments shall be contiguous.

Except on the recommendation of the Land Board and with the approval of the Minister of Lands, it shall not be lawful for any lessee or licensee of land subject to the provisions of the Hutt Valley Lands Settlement Act, 1925, to transfer his interest in such land before the expiration of ten years from the date of the original disposal of the land under the aforesaid Act.

Titles will be subject to section 85 of the Land for Settlements Act, 1925, and Part XIII of the Land Act, 1924.

The lands are described by the general information of intending bidders, who are recommended, nevertheless, to make a personal inspection, as the Department is not responsible for the accuracy of any description.

Full particulars may be obtained at this office.
