Notice to Persons in whom is vested Ecclesiastical Authority over Religious Bodies.

Registrar-General's Office,
Wellington, 23rd November, 1927.

THE attention of the persons or person within the Dominion of New Zealand in whom is vested ecclesiastical authority over any of the religious bodies enumerated in the Third Schedule annexed to an Act of the General Assembly of New Zealand intitled the Marriage Act, 1908, and of all other persons concerned, is directed to the 11th section of the above-mentioned Act, requiring the several ecclesiastical authorities as aforesaid to send in to the Registrar-General, in the month of December in every year, a correct list of their Officiating Ministers within the meaning of the Marriage Act, 1908, of each of the said religious bodies.

The following are the religious bodies above referred to:—
The Church of the Province of New Zealand, commonly called the Church of England.

The Presbyterian Church of New Zealand.

The Roman Catholic Church.

The Methodist Church of New Zealand.

All Congregational Independents.

Baptists.

The Lutheran Church.

All Hebrew Congregations.

The Society of Friends.

The Salvation Army.

In default of any person having ecclesiastical authority over any of the religious bodies named above, the name of the Officiating Minister of any congregation of such religious body may be certified to by two recognized office-bearers thereof.

A minister of religion not connected with any of the aforesaid bodies must send to the Registrar-General in the month of December in each year a certificate signed—

(a.) By the recognized head in New Zealand of the religious body to which he belongs; or

(b.) By two duly recognized ministers of such religious body; or

(c.) By ten adult members thereof, who append to their signatures their description as being such members, declaring that such minister is their Officiating Minister, the said signatures and descriptions being attested by some person who shall verify the signatures to the certificate as the genuine signatures of the persons whose they purport to be, by a statutory declaration signed by such person and appended to the certificate.

In each case enumerated under paragraphs (a), (b), and (c) above, the Minister of Internal Affairs must be satisfied that the body of persons named in the certificate is a religious body, and that the applicant is a minister of religion and is a person of good character and otherwise qualified to act as an Officiating Minister. In the case of the religious body known as "Brethren" a special form of certificate will be supplied on application.

Neglect in sending the certificate will deprive the minister of his status as an Officiating Minister under the Marriage Act.

N.B.—It is requested that the *Christian names* and the *addresses* of the several ministers may be specified in the lists sent in to the Registrar-General.

In order to obviate the necessity for further inquiry, it is also requested that the reason for omitting the name of any minister be stated (such as on account of death, absence from New Zealand, or as the case may be).

W. W. COOK, Registrar-General.

PRESS OPINIONS.

The Hon. G. M. Thomson in writing this manual has evidently taken up a labour of love. He writes not so much for the scientific as for the general reader. It is a valuable and likely to be one of the most popular works issued by the Board of Science and Art. It is a notable addition to Mr. Thomson's other works.—*Evening Post*, Wellington, N.Z.

A bright little book. Mr. Thomson has provided a book sufficiently scientific to be authoritative, and yet informal and simple enough to be interesting to the young and uneducated. We shall look forward eagerly to Part II.—*Herald*, Timaru, N.Z.

It is a book of unusual interest. There is nothing like it in print, and the wonder is that it has not been done before. Mr. Thomson is to be thanked for producing a work so useful and so timely. Technical terms and scientific language have been avoided as far as possible, with the result that we have a narrative as interesting as any romance. It will prove a valuable and useful book.—*Evening Star*, Dunedin, N.Z.
