These sections form the second group to be offered of the Orakei Garden Suburb, situated on the Orakei Peninsula, within easy reach of Auckland City. The land is in grass and from level to easy sloping, and several of the sections command unsurpassed views of the Auckland Harbour, Hauraki Gulf, and Rangitoto. The subdivision has been laid out on modern town-planning principles, with numerous reserves for the benefit of residents.

The formation of the internal roading, including the laying of water and sewerage pipes, is proceeding rapidly, many of the avenues having been completed. Access is by way of the new waterfront road, which is open to the foot of the Peninsula, or via Remuera, and the Orakei Road. Steps having already been taken towards the construction of a ferro-concrete bridge to replace the present wooden structure over the Orakei Creek.

When the railway is opened the subdivision will be within ten minutes journey of Auckland by either train or motor, and on account of the proximity to the city, and the views obtained, the sections are admirably suited for residential purposes.

SPECIAL CONDITIONS RELATING TO SECTIONS PURCHASED ON DEFERRED PAYMENTS.

1. The sections shall be used for residential purposes only.
2. No buildings shall be erected at a less distance than 15 ft. from the road-boundary, as indicated by the line drawn on the plan.

3. It shall not be lawful for any person to acquire on deferred payments more than two allotments of land, and where any person so acquires two allotments such allotments shall be contiguous.

4. Except on the recommendation of the Land Board, and with the approval of the Minister of Lands, it shall not be

lawful for any purchaser on deferred payments to transfer his interest in such land before the completion of the purchase, or the expiration of ten years from the date of his license, whichever is the less.

5. The intention of intending purchasers is drawn to the sewer easements as shown on the plan.
