Appointing a Commission to inquire into and report on certain Matters affecting the Rating of Farm Lands in Boroughs.

CHARLES FERGUSSON, Governor-General.

To all to whom these presents shall come, and to—

ROBERT MACKENZIE WATSON, Esquire, of Feilding, Stipendiary Magistrate, WILLIAM THOMAS STRAND, Esquire, of Lower Hutt, Farmer, and WALTER NASH, Esquire, of Wellington, Secretary. GREETING:

WHEREAS complaints have been made to the Government as to the amount of rates levied by the Councils of certain boroughs on the lands within such boroughs and as to the amount of special rates levied on lands which, after becoming liable for such special rates, have subsequently been excluded from such boroughs:

And whereas representations have been made that the amount of rates levied by the Councils of such boroughs on such lands within the said boroughs as are used solely for farming purposes is excessive, having regard to the benefits received or likely to be received by those lands from the works carried out or proposed to be carried out by the Councils of such boroughs:

And whereas it is desirable that inquiry should be made as to the incidence of rates on lands in the Borough of Feilding, having regard to the purposes for which such lands are used and occupied, and as to the amount of special rates levied on lands which after becoming liable for such special rates have been excluded from the Borough of Feilding:

And whereas it is expedient that inquiry should be made in the Borough of Feilding into the working of the existing laws relating to the incidence of rates on lands in boroughs, having regard to the purposes for which such lands are used and occupied and to the purposes for which such lands are applied, and relating to the continuing liability for special rates of lands severed from boroughs, and the levying of special rates on land so severed:

And whereas legislation has been proposed to make special provision in respect of the several foregoing matters:

Now, therefore, I, General Sir Charles Fergusson, Baronet, Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers and authorities vested in me by the Commissions of Inquiry Act, 1908, and of all other powers and authorities enabling me in this behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, and for the purposes herein set forth, do hereby appoint you, the said

Robert Mackenzie Watson,
William Thomas Strand, and
Walter Nash,

to be a Commission to inquire into and report upon the following matters:—

- (1) Whether it is practicable or desirable in any way to vary, by means of a system of classification of lands, or differential rating, or both, or by any other means, the incidence of rates and the relative amount of rates (whether general, special, or any other kind) that are or may hereafter be assessable in respect of any lands in the Borough of Feilding or any lands that have been excluded therefrom:

- (2) Whether, in the event of your reporting under the last preceding paragraph hereof in favour of a system of classification of lands, or differential rating, or both, or in favour of some other means of variation of rating, in the Borough of Feilding, it is in your opinion practicable or desirable to apply the system or means so recommended by you to boroughs which include or formerly included lands used and occupied for farming purposes; and, if so, by what method:
- (3) Such other matters affecting or incidental to the foregoing as may come under notice in the course of your inquiries and as you may think it necessary and desirable to consider:

And with the like advice and consent I do further appoint you, the said Robert Mackenzie Watson, to be the Chairman of the said Commission:

And you are hereby authorized to conduct any inquiry under these presents at such times and places as you deem expedient, with power to adjourn from time to time and place to place as you think fit, and to call before you and examine on oath or otherwise such persons as you think capable of affording you information as to the matters aforesaid, and to call for and examine all such books, papers, writings, documents, and records as you deem likely to afford you the fullest information on any such matters:

And using all due diligence, you are required to report to me, under your hands and seals, not later than the fourteenth day of August, one thousand nine hundred and twenty-eight:

And you are hereby strictly charged and directed that you shall not at any time publish or otherwise disclose, save to me in pursuance of these presents or by my direction, the contents or purport of any report so made or to be made by you:

And it is hereby declared that this Commission shall continue in full force and virtue although the inquiry be not regularly continued from time to time or from place to place by adjournment:

And lastly, it is hereby further declared that these presents are issued under and subject to the provisions of the Commissions of Inquiry Act, 1908.

Given under the hand of His Excellency the Governor-General of the Dominion of New Zealand, and issued under the Seal of that Dominion, this 9th day of July, 1928.

A. D. McLEOD,
Minister in Charge of Valuation.

Approved in Council—

2. Each lot must be tendered for separately, and each tender must be accompanied by a deposit equal to six months' rent at the rate tendered.

3. Any tender not in conformity with these conditions is liable to rejection. The Board may, if it thinks fit, decline all tenders for any lot.

4. The successful tenderer will be entitled to possession on receipt of a notification of the acceptance of his tender. Lessee will be entitled to rebate of rental for period intervening between 1st July, 1928, and the date of acceptance of his tender.

5. Deposits with tenders which are not accepted will be returned to the respective tenderers. The Board reserves the right to accept or reject any tender.

6. If the rental tendered by two or more tenderers is equal, and is higher than that offered by any other tenderer, the Board shall decide in such manner as it thinks fit which tender (if any) shall be accepted.

7. If from any cause whatever the Board shall be unable to grant a lease of any lot tendered for, the successful tenderer shall be entitled to a refund of his deposit, but shall have no claim for damages, compensation, or interest on the deposit.

8. Each successful tenderer shall be required, within thirty days from the date on which the lease shall be tendered to him, to sign same in triplicate. In the event of his failure to do so, the Board may forfeit the rent paid by him, and again offer the land for lease, freed from any obligation to the defaulting tenderer.

(e) Lessee will fence without any right of resort to the Board for contribution on account of the Board owning adjacent land; but the provision shall not deprive the lessee of any rights he may have against any subsequent occupier, other than the Board, on such adjacent land.

12. The leases will be prepared by the Board at the cost of the lessee. The cost is £3 3s., together with the cost of stamping and registering the same.
