(iii) If any question arises as to whether any appliance, fitting, accessory, or wiring is in a safe condition, such question may be referred to an Inspector of Electrical Wiring, and the electrical wireman in charge of the switchboard shall act upon such Inspector's decision.

described in the said section may be offered for lease in such
lots, on such terms, and subject to such conditions as the
Governor-General by Order in Council may see fit to fix:

And whereas it is expedient at the present time to offer
for lease a portion only of the land hereinbefore mentioned:

Now, therefore, His Excellency the Governor-General of
the Dominion of New Zealand, in pursuance and exercise of
the powers and authorities conferred upon him by the said
section twelve, and acting by and with the advice and consent
of the Executive Council of the said Dominion, doth hereby
declare that such portion should be offered for lease in the lots
as set forth in the Second Schedule hereto, and upon the
following terms and conditions:—

(1) No person shall be permitted to hold more than one
allotment, and such allotment shall be held for his or her sole
use and benefit, and not for the use or benefit of any other
person whatsoever. For the purpose of this condition husband
and wife shall be considered to be one person.

(2) Where water-troughs are situated on the boundaries
between allotments the ownership thereof shall be common to
the adjoining lessees. The lessee from whose allotment
the water-supply for any water-trough is obtained shall be
responsible for the maintenance of the supply, and in the event
of any dispute the decision of the Commissioner of Crown
Lands shall be final.

(3) The leases shall be in the form set out in the First
Schedule hereto.

(4) The leases for the first period of thirty-three years
shall be submitted to ballot at a time and place to be fixed
by the Land Board for the Land District of Wellington.

(5) The annual rentals for the first period of thirty-three
years, together with the repayments required to be made on
account of buildings now existing upon the land and to be
disposed of with same, shall be as set out in the Second
Schedule hereto.

(6) The lessee, or his successor in title, shall have a con-
tinuous right of renewal on the terms and conditions set out
in the form of the First Schedule hereto.

(7) Any allotment the lease of which is not disposed of
at the ballot mentioned in paragraph four hereof shall be
open for selection at the office of the Commissioner of Crown
Lands, Wellington, at the annual rental at which the lease
was offered at ballot, and upon the same terms and conditions.

(8) Provided that should any allotment remain unselected
for a period of three months from the date of the ballot aforesaid,
the Governor-General by Order in Council may reduce the
annual rental or the value of the buildings, and thereupon
the lease shall be reoffered at ballot at a time and place to
be fixed by the Land Board for the Land District of Well-
lington.

acquired a lease of the said allotment:

Now, this deed witnesseth that, in consideration of the rent
hereinafter reserved, and of the covenants, conditions, and
agreements herein contained and implied, and on the part of
the lessee to be paid, observed, and performed, the lessor doth

hold the said several premises intended to be hereby demised
unto the lessee for the term of thirty-three years, to be
reckoned from the first day of . . . , one thousand nine
hundred and . . . , and including in addition the
period between the date of this lease and such day; yielding

also

(b) By the payment thereafter of . . . half-yearly in
advance on the first day of January and the first

And also paying in respect of the value of the buildings
specified in the Third Schedule hereto, unto the aforesaid
Receiver of Land Revenue, the respective instalments speci-
fied in that Schedule at the dates herein respectively men-
tioned in that behalf.

And the lessee doth thereby covenant with the lessor as
follows, that is to say:—

1. The lessee will reside on the demised land from the date
of this lease continuously.

2. The lessee will put on the demised land within one
year from the date of the lease substantial improvements
of a permanent character to the value of one hundred pounds
 (£100). "Substantial improvements of a permanent
character" mean and include reclamation from swamps,
clearing of gorse, broom, or sweetbrier, planting, gardens,
fencing, draining, making roads, sinking wells or water-
tanks, constructing water-races, sheep-dips, making embank-
ments or protective works of any kind, erecting any non-
movable building:

Provided always that, notwithstanding anything herein
contained, nothing that does not add to the value of the
said lands shall be deemed an improvement:

Provided also that the conversion of pasture into arable
land, or arable land into pasture, or felling or clearing, or
burning of scrub or bush, or the laying-down of land in
artificial grasses, shall not be deemed to be improvements.

3. The lessee will once a year during the said term, and at
the proper season of the year, properly cut and trim all live
fences now on the demised land, or which may be planted
thereon during the said term, and will prevent their spread
by seed, and will stub all gorse not growing as fences, and
also stub all broom, sweetbrier, and other noxious weeds.

4. The lessee will not take more than three crops, one of
which must be a root-crop, from the same land in succession;
and will either with or immediately after a third crop of any
kind sow the land down with good permanent cultivated
grasses and clovers, and allow the land to remain as pasture
for at least three years from the harvesting of the last crop
before being again cropped.

5. The lessee will at all times during the said term so farm
the demised land that not less than one half of the total area
shall be maintained in permanent pasture.

6. The lessee will not cut the cultivated grass or clovers
for hay or seed during the first year from the time of sowing
as aforesaid, nor at any time remove from the demised land
or burn any straw grown thereon.

7. The lessee will, whenever necessary, but not less than
once a year during the said term, properly clear and clear
from weeds and will at all times during the said term keep
open all creeks, drains, ditches, and watercourses upon the
demised land, and the Commissioner of Crown Lands at
Wellington (hereinafter called "the Commissioner"), or any
person authorized by him in that behalf shall have the power
at any time to enter upon and make through the demised
land any drain that he deems necessary without payment
of any compensation to the lessee.

8. In the event of the lessee at any time failing to perform
faithfully any of the foregoing covenants relating to the
trimming of live fences, and stubbing gorse, broom, and sweet-
brier, or other noxious weeds, or to the cleaning, clearing
from weeds, and keeping open all creeks, drains, ditches, and
watercourses, it shall be lawful for the Commissioner to have

such work done, and to recover the cost of the same from the lessee in the same manner as rent.

9. (1) The lessee shall have no right to extract or remove any minerals from the land.

(2) The term "minerals" in this section includes all minerals, mineral oils, metals, clay, stone, or other valuable materials existing below the surface of the land.

(3) The value of minerals shall not be taken into account in any determination of the value of the land for the purpose of fixing the rental thereof, either at the commencement of the lease or any renewal thereof.

(4) Nothing herein shall be construed to prevent the lessee from using on the land hereby demised any minerals for any agricultural, pastoral, household, roadmaking, or building purpose.

10. The lessee will pay all rates, taxes, and assessments levied on or payable in respect of the demised land during the said term.

11. The lessee will at all times during the said term keep in good repair and condition, to the satisfaction of the Commissioner all buildings and erections for the time being standing on the demised land, and will not destroy, pull down, or remove them to any part thereof without the previous permission in writing of the Commissioner.

12. The lessee shall not cut down or remove any of the trees growing on the demised land without the consent of the Commissioner in writing first obtained.

13. The lessee will fully and punctually pay the rent hereinbefore reserved at the times and in the manner hereinbefore named in that behalf.

14. The lessee shall have a right at the expiration of the term of this lease to a renewal thereof for a further term of thirty-three years, subject in all respects to the same conditions and provisions as are contained in this lease, including the right of renewal, save that the rent shall be determined at the first and at each subsequent renewal in the manner hereinafter provided, that is to say:—

15. Not earlier than three years, and not later than two years before the expiry of the lease, the Land Board for the Wellington Land District (hereinafter called "the Board") shall cause the following valuations to be made by an appraiser appointed by the Board, and for that purpose the following provisions shall apply:—

- (a) A valuation of the substantial improvements of a permanent character which are then in existence and unexhausted in the land included in the lease.
- (b) A valuation of the fee-simple of the said land, not taking the said improvements into account.
- (c) To the value of the fee-simple of the said land there shall be added the value of the improvements as specified in the Second Schedule hereto.
- (d) The amount by which the valuation of the substantial improvements exceeds the value of the improvements as specified in the Second Schedule hereto shall be deemed to be the value of the improvements effected by the lessee.
- (e) The rental for the renewed term shall be five pounds per centum of the value of the fee-simple of the land, together with the value of the improvements as described in the Second Schedule hereto.

16. Not later than eighteen months before the expiry of the lease the Commissioner shall deliver to the lessee a notice in writing requiring him to elect whether he will accept a renewed lease at the rent so fixed as aforesaid, and the notice shall contain or be accompanied by a copy of the aforesaid valuations.

17. Within six months after the receipt of the notice referred to in the last preceding clause, notice in writing shall be given to the Commissioner by the lessee to the effect either—

- (a) That he accepts the offer of a renewed lease at the rental so fixed; or
- (b) That he does not desire a renewed lease, and agrees to the aforesaid valuation of improvements; or
- (c) That he does not desire a renewed lease, but requires the improvements to be valued by arbitration; or
- (d) That he desires a renewed lease, and requires the value of the land and improvements and the amount of the rental, or any of these matters, to be determined by arbitration.

18. If the lessee omits to give to the Commissioner within the time limited therefor the notice referred to in the last preceding section, he shall be deemed to have agreed to accept a renewed lease at the rent mentioned in the notice of the Commissioner, and to have agreed to the valuations contained or referred to in that notice.

19. If the Board or Commissioner omits to cause any such valuation to be made or notice to be given as is hereinbefore referred to within the proper time therefor, the lessee may require such valuation to be made and notice to be given

at any time thereafter so long as he remains in possession of the land, whether the term of his lease has or has not expired, and his right to a renewal of the lease shall not be affected by any such omission or delay.

20. If the lessee in accordance with the foregoing provisions, requires any matter to be submitted to arbitration, it shall be determined in accordance with the provisions of section 86 of the Land Act, 1924.

21. (1) The lessee shall, within two months after receiving notice of the determination of the arbitrators, elect whether he will accept a renewed lease at a rent so fixed by the arbitrators and give notice of his election to the Commissioner.

(2) If he fails to give notice within the time aforesaid he shall be deemed to have elected to accept a renewed lease at the said rent.

(3) Any such election to accept a renewed lease shall amount to a binding agreement to accept such lease.

(4) If the lessee fails without reasonable excuse to execute a lease accordingly within one month after the same has been presented to him for execution, the Board may declare that his right of renewal is forfeited, and his right shall thereupon determine.

22. (1) If the lessee refuses or omits to accept a renewed lease or forfeits his right to obtain the same, the value of the improvements on the land, as determined by valuation or arbitration as aforesaid, shall become a debt due by the Crown to the lessee.

(2) If the said improvements have become for any reason appreciated or depreciated in value between the date of the valuation or arbitration and the date on which the lessee gives up possession of the land, the amount of this appreciation or depreciation shall be assessed in manner provided by section 86 of the Land Act, 1924.

And it is hereby agreed and declared as follows, that is to say:—

(a) Subject to the provisions herein contained, the provisions of the Land Act, 1924, and the regulations thereunder with respect to the rights and powers of the lessor and of every person or authority in his behalf, the rights, powers, and functions of the Land Board and the Commissioner, and the estate, interest, rights, duties, and liabilities of the lessee shall, so far as the same are applicable, apply to this lease as effectually as if they were fully set out herein.

(b) If and so often as the lessee makes default in the due and full payment of any rent hereby reserved or of any other moneys payable under this lease, or in the faithful observance and performance of any other of the covenants, conditions, or stipulations herein contained or implied, and by him to be observed or performed, then in any such case the Land Board may, without any previous or other notice or demand forfeit this lease; and in such case all the lessee's interest therein shall absolutely cease and determine, subject, nevertheless, to the provisions of the next following clause respecting valuation of improvements; but such forfeiture shall not affect any right or remedy on the part of the lessor to recover from the lessee any money due to the lessor, nor release the lessee from any penalty or liability in respect to anything done or omitted to be done by him.

(c) In the event of the forfeiture or surrender of this lease the provisions of the Land Act, 1924, respecting valuation of improvements and the payment or other disposal thereof shall, so far as the same are applicable, apply to the improvements made by the lessee.

(d) For the purpose of distinguishing the improvements existing on the demised land at the date of this lease from those subsequently made by the lessee, the first-mentioned improvements and their value shall be deemed to be those specified in the Second Schedule hereto.

In witness whereof the Commissioner of Crown Lands for the Land District of Wellington, on behalf of the lessor, hath hereunto set his hand, and these presents have been also executed by or on behalf of the lessee.

CHARLES FERGUSSON, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 17th day of June, 1929.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned, the Devonport Steam Ferry Company, Limited (hereinafter called "the company"), has applied to the Governor-General in Council for a license under the Harbours Act, 1923 (hereinafter called "the said Act"), to occupy a part of the foreshore and land below low-water mark adjacent thereto at Pine Island, in Auckland Harbour, as shown on plan marked M.D. 6667, and deposited in the office of the Marine Department at Wellington, in order to erect and maintain thereon a wharf :

And whereas it has been made to appear to the Governor-General in Council that the said work will not be or tend to the injury of navigation, and the said plan has, prior to the making of this Order in Council, been approved by the Governor-General in Council :

And whereas it is expedient that a license under the said Act, for the purpose aforesaid, should be granted and issued to the company on the terms and conditions set forth in the Schedule hereto :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the company as aforesaid ; and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the company to use and occupy that part of the foreshore and land below low-water mark immediately contiguous thereto, which are particularly shown and delineated on the plan marked M.D. 6667, so deposited as aforesaid, for the purpose of erecting and maintaining such wharf thereon, such license to be held and enjoyed by the company upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

1. IN these conditions the term—

"Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to that part of the foreshore and land below low-water mark necessary for the erection of such wharf, which are shown on the plan marked M.D. 6667, and deposited in the office of the Marine Department at Wellington.

3. In consideration of the concessions and privileges granted by this Order in Council, the company shall pay to the Minister the sum of £2 10s., and thereafter an annual sum of £2 10s. in advance, payable on the 1st day of April in each year, the proportionate part of such rental in respect of the period from the date hereof until the 31st March following to be paid on the company being supplied with a copy of this Order in Council.

4. His Majesty or the Governor-General, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, over, and out of the said wharf without payment.

5. All persons shall, at all reasonable times, and upon payment of the proper dues, have free and full liberty to use the said wharf, and all rights of ingress and egress thereon and therefrom.

6. The company shall maintain the above-mentioned wharf in good order and repair, and shall at all times exhibit and maintain at the company's own cost suitable and necessary lights for the guidance of vessels : Provided that no light shall be exhibited until after it has been approved of by the Minister.

7. 8. Nothing herein contained shall authorize the company to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or with any regulation of the Minister of Customs, or with any provisions of the Harbours Act, 1923, or its amendments, or any regulation made thereunder, and that are now or may hereafter be in force.

10. The said rights, powers, and privileges may be at any time resumed by the Governor-General, without payment of any compensation whatever, on giving to the company three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the company in New Zealand.

11. The company shall be liable for any injury which the said wharf may cause any vessel or boat to sustain through any default or neglect on the company's part.

12. In case the company shall—

- (2) Cease to use or occupy the said wharf for a period of thirty days ; or
- (3) Fail to pay the sums specified in clause 3 of these conditions ; or
- (4) Be in any manner wound up or dissolved ;

then, and in any of the said cases, this Order in Council and every license, right, power, or privilege thereby conferred may be revoked and determined by the Governor-General in Council without any notice to the company or other proceeding whatsoever ; and publication in the *New Zealand Gazette* of any Order in Council containing such revocation shall be sufficient notice to the company, and to all persons concerned or interested, that this Order in Council and the license, rights, and privileges thereby conferred have been revoked and determined ; and upon such revocation the Minister may cause the said wharf to be removed, and may recover the cost incurred by any such removal from the company.

13. Payment of the sums mentioned in clause 3 hereof shall be sufficient evidence of the acceptance by the company of the terms and conditions of this Order in Council.
