REGULATIONS.

1. THE following provisions shall apply to any land in respect of which a license to occupy, pending the purchase thereof on deferred payments, is issued under Part II of the Land Laws Amendment Act, 1928:—

(a) The licensee shall, from the date of his license, reside continuously on the land comprised in his license.

(b) The licensee shall once a year throughout the term of his license, and at the proper season of the year, properly cut and trim all live fences on the land at the date of the

license, or subsequently planted thereon, and stub all gorse not growing as fences, and also stub all broom, sweetbriar, and other noxious plants.

(c) The licensee shall not take more than three crops, one of which must be a root crop, from the same land in succession; and either with or immediately after a third crop of any kind shall sow the land down with good permanent cultivated grasses and clovers, and allow the land to remain as pasture for at least three years from the harvesting of the last crop before being again cropped.

(d) The licensee shall, whenever necessary, but not less than once a year during the term of his license, properly clean and clear from weeds, and shall at all times during the said term keep open all creeks, drains, ditches, and watercourses upon the land, and the Commissioner of Crown Lands (hereinafter called "the Commissioner") or any contractor, servants, or agents appointed by him shall have the power at any time to enter upon and make through the land any drain that he deems necessary, without payment of any compensation to the licensee.

(e) In the event of the licensee at any time failing to comply with any of the conditions hereinbefore mentioned relating to the trimming of live fences and stubbing gorse, broom, sweetbriar, or other noxious weeds and to the cleaning, clearing from weeds, and keeping open all creeks, drains, ditches, and watercourses, it shall be lawful for the Commissioner to have such work done and to recover the cost of the same from the licensee in the same manner as an instalment payable under his license.

(f) The licensee shall at all times during the term of his license keep in good repair and condition, to the satisfaction of the Commissioner, all buildings and erections for the time being standing on the land, and shall not destroy, pull down, or remove them, or any part thereof, without the previous permission of the Commissioner in writing.

(g) The licensee shall not cut down or remove or sell any of the trees growing on the land demised without the consent of the Commissioner in writing first obtained.

(h) In the event of the forfeiture or surrender of the license the provisions of the Land Act, 1924, respecting valuation of improvements and the payment or other disposal thereof shall, so far as the same are applicable, apply to the improvements made by the licensee.

(i) For the purpose of distinguishing the improvements existing on the land at the date of the license from those subsequently made by the licensee the first mentioned improvements and their value shall be fixed by the Land Board and be specified in the license.

(j) The right is reserved to the Crown or to its delegated authority to take water-races and to lay water-pipes over any lands referred to herein without payment of compensation to the licensee.

(k) In any case where the channel of any creek, or natural or artificial water-race or watercourse runs on more sections than one, then each licensee on whose land any part of such channel runs shall have the right to the reasonable use and enjoyment of a reasonable proportion of the water that would flow in such channel if it were not stopped or diverted by any other licensee; and, for the purpose of securing such right as between respective licensees, it is here declared that no licensee on whose land any portion of such channel or any natural or artificial water-race or watercourse runs shall at any time alter such portion, or stop or divert the water flowing therein, save to such extent as the Commissioner deems reasonable, and the decision of the Commissioner shall be final and conclusive.

And it is hereby agreed and declared that these presents are intended to take effect as a license to occupy pending the completion of purchase by deferred payments under the provisions of Part II of the Land Laws Amendment Act, 1928, and the provisions of the said Part, and of the regulations made in respect thereof and all other provisions applicable to such licenses, shall be as binding on the parties hereto as if such provisions had respectively been set out herein at length, and it is further agreed and declared that this license is subject to the following easements. The Treasury, Wellington. 13th July, 1929.

R. E. HAYES, Secretary to the Treasury.

*Amendments and Additions to the Regulations under the Public Service Act, 1912.*

IN pursuance and exercise of the authority conferred on him by the Public Service Act, 1912 (hereinafter called "the said Act"), the Commissioner, with the approval of the Governor-General in Council, doth hereby, in respect of the regulations made under the said Act on the thirty-first day of March, one thousand nine hundred and thirteen, and published in the *New Zealand Gazette* on the first day of April, one thousand nine hundred and thirteen, and the amendments thereof made from time to time under the provisions of the said Act, make the amendments shown in the Schedule hereto.

Such amendments shall have effect on and from the date of publication thereof in the *New Zealand Gazette*.

SCHEDULE.

REGULATION 24 is hereby revoked, and the following substituted in lieu thereof:—

24. No fee, reward, or remuneration of any kind whatsoever, beyond his salary, shall be received and kept for his own use by any officer for the performance of any service for the Government unless specially authorized by the Commissioner.

All fees due to officers attending in their official character, under a subpoena or order to give evidence or to produce papers in any Court, shall be recoverable from the Justice Department by the Department concerned by means of transfer vouchers.

Such officers, however, on application to the Head of their Branch, may be paid all necessary reasonable expenses incurred by them in consequence of being so subpoenaed or called as witnesses.

Regulation 110 (5) is hereby revoked, and the following substituted in lieu thereof:—

110. (5) Where an officer travelling by train uses a sleeping-berth, the cost thereof will be refunded to him on production of a receipt for the amount paid. In such a case the officer is required to reduce his claim for travelling-allowance by one-fourth of one day's scale rate. If a "special" sleeping-berth is used the additional cost above that of an "ordinary" sleeper must be borne by the officer.

Regulation 111B is hereby revoked, and the following substituted in lieu thereof:—

RELIEVING-ALLOWANCES.

111B. Officers called upon to perform relieving duty which necessitates their absence at night from home may be paid allowances at the following rates:—

|  |    |           |
|--|----|-----------|
| To officers drawing salaries not exceeding £145 :                          |    |           |
| Actual and reasonable expenses.  |    | Per diem. |
| To officers drawing salaries exceeding £145 and not exceeding £295 .. .. . | 10 | s. d.     |
|  | 0  |           |
| To officers drawing salaries exceeding £295 and not exceeding £470 .. .. . | 12 | 6         |
| To officers drawing salaries exceeding £470 .. .. .                        | 15 | 0         |

Officers entitled to lodging-allowance, when appointed to relieving duty involving separate payment for such duty, will not be entitled to claim lodging-allowance for a longer time than one week after the relieving duty commences.

Officers are not entitled to draw travelling-allowance for any time during which they perform relieving duty, except as follows: When in performing relieving duty an officer is not required to stay more than three nights in the place where such duty is performed, he may be paid travelling-allowance instead of relieving-allowance. But travelling-allowance may be paid for the day occupied in travelling to or from headquarters, provided that the time occupied exceeds six hours on each occasion.

In any special case the Commissioner may authorize payment of an allowance at a higher or lower rate.

An allowance in accordance with this regulation shall be granted only in cases where an officer is required to perform purely relieving duty.

A relieving-allowance shall not be paid to an officer for any period in excess of one month, or in cases where the period of relief is likely to be in excess of one month, without the previous approval of the Commissioner thereto. In such cases, where practicable, a commuted allowance will be payable.

Regulation 142 is hereby revoked.

As witness my hand this 9th day of July, 1929.

P. VERSCHAFFELT,  
Public Service Commissioner.

In pursuance of the provisions of the Public Service Act, 1912, the Governor-General of the Dominion of New Zealand, with the advice and consent of the Executive Council of the said Dominion, approves the foregoing regulations.
