Provided that it shall be lawful for any Secretary or his deputy, in any case where application is made for a license on or after the 1st day of January in any year, to issue a license to any man for the sum of 12s. 6d., but so that such license shall extend only from the time of granting the same until the termination of the then trout-fishing season. erecting a shed thereon at Lower Matakana, more particularly defined in the notice published pursuant to section nine of the said Act (hereinafter referred to as "the said notice"):

And whereas the proceedings in connection with the said loan were irregular or defective in that—

And whereas by section one hundred and twenty-six of the Local Bodies' Loans Act, 1926, the said Act is repealed, and it is enacted that all matters and proceedings commenced under the said Act and pending or in progress on the commencement of the reciting Act, may be continued and enforced under the reciting Act:

- (c) The voting-paper had provided for the voter to vote by striking out a proposal:

and that the validity of the proceedings in connection with the said loan, or the validity of the security for the said loan shall be not be called in question by reason only of the irregularities or defects aforesaid.
