GENERAL DESCRIPTION.

Raupo Settlement is situated on the north and south banks of the Grey River, about twenty-eight miles from Greymouth, by formed and metalled road, in the Totara Flat district, which is one of the richest farming districts on the West Coast, and is adjacent to the Greymouth-Reefton railway and Raupo Railway-station. The settlement, which comprises about 806 acres, is being divided into four sections, which (with liming and top-dressing) should make good dairy farms.

About three-quarters of the area is rich river-flat land, and most of the balance flat terraces. The whole area was at one time covered with silver-beech forest and a few totaras. When cleaned up this class of land makes good grass land, and most of the flat land is now down in good pasture. There is no sour land in this settlement, and all the sections are well watered.

DESCRIPTION OF SECTIONS.

Section 1s: Situated about two miles and a quarter from Raupo Railway-station, about one mile by formed road, balance unformed, and Grey River river-bed, or by formed road (with exception of crossing of Big River), eleven miles to Ngahere Railway-station. About 204 acres flat, 140 acres open grass, 64 acres gorse and blackberry, 104 acres terrace land, with dead trees, bracken, small blackberry, and grass. Well watered. Altitude, 200 ft. to 270 ft. above sea-level.

Section 2s: Situated about one mile from Raupo Railway-station, about a quarter of a mile by formed road, balance unformed mostly over Grey River river-bed, or twelve miles by formed road (excepting Big River crossing) to Ngahere Railway-station. About 135 acres flat, of which 25 acres is swamp, balance open grass with odd beech and small totaras standing; 93 acres terrace land, including about 16 acres silver-beech forest, balance covered with dead trees, bracken fern, grass, and blackberry. Well watered. Altitude, 220 ft. to 340 ft. above sea-level.

Section 3s: Situated about one mile from Raupo Railway-station, a quarter of a mile by formed road, balance unformed, mostly over Grey River river-bed, twelve miles from Ngahere Railway-station for formed road with exception of Big River crossing. About 110 acres flat between road and river, of which 5 acres is swamp and 5 acres small bush, gorse, and blackberry. About 15 acres creek flat along Moore's Creek, 81 acres terrace and hill sidling, of which about 44 acres is heavy silver-beech forest, balance covered with bracken, dead trees, light grass, and blackberry. Well watered. Altitude, 230 ft. to 350 ft. above sea-level.

Section 4s: Situated within 10 chains of Raupo Railway-station or two miles from Totara Flat Railway-station and post-office. All flat; about 5 acres gorse and blackberry; balance in grass. Well watered. Altitude, 230 ft. to 240 ft. above sea-level.

Subsidies to Public Libraries in Country Districts.

Education Department,
Wellington, 23rd November, 1929.

NOTICE is hereby given that the sum of £3,000 has been voted by Parliament for distribution to public libraries in country districts.

The distribution will take place about the 1st March, 1930, and no claim will be entitled to consideration that is not forwarded in due form and received by the Secretary, Education Department, Wellington, on or before the 31st January, 1930.

1. A library to be entitled to a subsidy must be public in the sense of belonging to the public, and of not being under the control of an association, society, or club whose membership is composed of a section of the community only; and if it is within a borough a reading-room where the books may be read, and containing newspapers and periodicals, must be provided for the public free of charge; in addition, it must not be situated in a borough, town, or town district the population of which exceeds fifteen hundred. The receipts for the year from subscriptions, donations, and voluntary contributions must not have been less than £2, exclusive of moneys received from endowments, or from Government, or from Borough or County Councils, or for special building purposes, or as rent, hire, or consideration for the use of any room, or building, or land belonging to the institution, in respect of none of which will subsidy be allowed. The net proceeds of concerts, lectures, or other entertainments on behalf of the current expenses of the library will be regarded as voluntary contributions. The number of members subscribing to the library during the year must not have been less than eight, each of whom must have paid the subscription for at least six months. Libraries established during 1929 may make applications for a grant, and each case will be considered on its merits. A subsidy will not be given to more than one library in the same town.

2. In the distribution of the vote a nominal addition of £25 will be made to the amount of the income of each library derived from subscriptions, donations, and rates, and the vote will be divided according to the amounts thus augmented; but no library will receive credit for a larger income than £25—that is, in no case will the augmented amount on which distribution is based exceed £50.

3. The whole of the subsidy must be expended without delay in the purchase or loan of books for the library.

4. It is particularly enjoined upon the authorities in charge of the public libraries concerned that a due proportion of the books purchased shall be books having a permanent value—that is, books of more than merely passing interest.

5. Application to share in the distribution must be by means of a statutory declaration by the Chairman, or Secretary, or Treasurer of the institution on behalf of which it is made, and must be accompanied by a statement of the receipts and payments of the institution for the year ending on the 31st day of December, 1929, and such declaration must be in the form provided for the purpose.

6. Copies of the form of application may be obtained from the Secretary, Education Department, Wellington.

HARRY ATMORE, Minister of Education.

Notice to Persons in whom is vested Ecclesiastical Authority over Religious Bodies.

Registrar-General's Office,
Wellington, 25th November, 1929.

THE attention of the persons or person within the Dominion of New Zealand in whom is vested ecclesiastical authority over any of the religious bodies enumerated

C

in the Third Schedule annexed to an Act of the General Assembly of New Zealand intituled the Marriage Act, 1908, and of all other persons concerned, is directed to the 11th section of the above-mentioned Act, requiring the several ecclesiastical authorities as aforesaid to send in to the Registrar-General, in the month of December in every year, a correct list of their Officiating Ministers within the meaning of the Marriage Act, 1908, of each of the said religious bodies.

The following are the religious bodies above-referred to:—

- The Church of the Province of New Zealand, commonly called the Church of England.
- The Presbyterian Church of New Zealand.
- The Roman Catholic Church.
- The Methodist Church of New Zealand.
- All Congregational Independents.
- Baptists.
- The Lutheran Church.
- All Hebrew Congregations.
- The Society of Friends.
- The Salvation Army.

In default of any person having ecclesiastical authority over any of the religious bodies named above, the name of the Officiating Minister of any congregation of such religious body may be certified to by two recognized office-bearers thereof.

A minister of religion not connected with any of the aforesaid bodies must send to the Registrar-General in the month of December in each year a certificate signed—

- (a) By the recognized head in New Zealand of the religious body to which he belongs; or
- (b) By two duly recognized ministers of such religious body; or
- (c) By ten adult members thereof, who append to their signatures their description as being such members, declaring that such minister is their Officiating Minister, the said signatures and descriptions being attested by some person who shall verify the signatures to the certificate as the genuine signatures of the persons whose they purport to be, by a statutory declaration signed by such person and appended to the certificate.

In each case enumerated under paragraphs (a), (b), and (c) above, the Minister of Internal Affairs must be satisfied that the body of persons named in the certificate is a religious body, and that the applicant is a minister of religion and is a person of good character and otherwise qualified to act as an Officiating Minister. In the case of the religious body known as "Brethren" a special form of certificate will be supplied on application.

Neglect in sending the certificate will deprive the minister of his status as an Officiating Minister under the Marriage Act.

N.B.—It is requested that the *Christian names* and the *addresses* of the several ministers may be specified in the lists sent in to the Registrar-General.

In order to obviate the necessity for further inquiry, it is also requested that the reason for omitting the name of any minister be stated (such as on account of death, absence from New Zealand, or as the case may be).

W. W. COOK, Registrar-General.

IN pursuance and in exercise of the powers vested in it in that behalf by the Local Bodies' Loans Act, 1926, the Lower Hutt Borough Council hereby resolves as follows:—

That, for the purpose of providing the principal, interest, and other charges on a loan of £400, authorized to be raised by the Lower Hutt Borough Council under the above-mentioned Act for the purpose of relieving unemployment by undertaking work on St. Ronan's Estate Road, within the Borough of Lower Hutt, the said Lower Hutt Borough Council hereby makes and levies a special rate of 4/675ths of a penny in the pound sterling upon the rateable value (on the basis of the unimproved value) of all rateable property of the Borough of Lower Hutt, comprising the whole of the Borough of Lower Hutt, and that such special rate shall be an annual-recurring rate during the currency of such loan, and be payable half-yearly on the first days of April and October in each and every year during the currency of such loan, being a period of twenty years, or until the loan is fully paid off.

I hereby certify that the above is a true copy of a correct extract from the minutes of proceedings of the Lower Hutt Borough Council at the meeting held on the 25th day of November, 1929.
