BLEDISLOE, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 7th day of April, 1930.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned under the Harbours Act, 1923 (hereinafter called "the said Act"), the Tobacco Producers Trust, Limited (who, with its successors and assigns, is hereinafter referred to as "the company"), has applied to the Governor-General in Council for a license under the said Act to occupy a part of the foreshore and land below low-water mark at Shelly Beach, in Kaipara Harbour, as shown on plans marked M.D. 4379, and deposited in the office of the Marine Department at Wellington, in order to maintain thereon a wharf in accordance with the said plans:

And whereas it is expedient that a license should be granted and issued to the company under the said Act for the purpose aforesaid, on the terms and conditions set forth in the Schedule hereto:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the object for which the said license is required by the company as aforesaid; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the company to use and occupy that part of the foreshore and land below low-water mark on which the said wharf is erected, as shown on the plans M.D. 4379, so de-

posited as aforesaid, for the purpose of maintaining the said wharf; such license to be held and enjoyed by the company upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

1. IN these conditions the terms—

"Foreshore" means such parts of the bed, shore, or banks of a tidal water as are covered and uncovered by the flow and ebb of the tide at ordinary spring tides:

"Low-water mark" means low-water mark at ordinary spring tides:

"Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to the part of the foreshore and land below low-water mark adjacent thereto, necessary for the maintenance of the said wharf, as shown on the plans marked M.D. 4379.

3. In consideration of the concessions and privileges granted by this Order in Council, the company shall pay to the Minister the sum of £2 10s., and thereafter an annual sum of £1 in advance, payable on the 1st day of April in each year, the proportionate part of such rental in respect of the period from the date of this Order in Council until the 31st March following to be paid on the company being supplied with a copy of this Order in Council.

4. All persons shall, at all reasonable times, upon payment of the proper dues, have free and full liberty to use the said wharf, and all rights of ingress and egress thereon and therefrom.

5. His Majesty or the Governor-General, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said wharf without payment.

6. The company shall maintain the above-mentioned wharf in good order and repair; and shall at all times exhibit therefrom and maintain at the company's own cost suitable and necessary lights for the guidance of vessels; provided that no light shall be exhibited until after it has been approved of by the Minister.

7. Any person authorized by the Minister may, at all reasonable times, enter upon the said wharf and view the state of repair thereof; and upon such Minister leaving at or posting to the last known registered office of the company in New Zealand a notice in writing of any defect or want of repair in such wharf, requiring the company within a reasonable time, to be therein prescribed, to repair the same, the company shall, with all convenient speed, cause such defect to be removed or such repairs to be made.

8. Nothing herein contained shall authorize the company to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Minister of Customs, or with any provisions of the Harbours Act, 1923, or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

9. The ballast of all vessels loading at the said wharf shall be taken away by the company and deposited above high-water mark, or at such place as may be approved of by the Minister, or by any person appointed by the Minister for that purpose.

10. The rights, powers, and privileges conferred by or under this Order in Council shall continue to be in force for fourteen years from the date hereof, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority, and the company shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

11. The said rights, powers, and privileges may be at any time resumed by the Governor-General without payment of any compensation whatever on giving to the company three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known registered office of the company in New Zealand.

12. The company shall be liable for any injury which the said wharf may cause any vessel or boat to sustain through any default or neglect on the company's part.

13. In case the company shall—

- (1) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2) Cease to use or occupy the said wharf for a period of thirty days;

- (3) Be in any manner wound up or dissolved;
- (4) Fail to pay the sums specified in clause 3 of these conditions;

then, and in any of the said cases, this Order in Council, and every right, power, or privilege, may be revoked and determined by the Governor-General in Council without any notice to the company, or other proceedings whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the company, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

14. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the license is granted, the company shall, if required by the Minister so to do, remove the said wharf entirely from the site, and restore the site to its original condition within three months from the date of the revocation or expiry, as the case may be; and if the company fails to do so the Minister may cause the said wharf to be removed and the site so restored, and may recover the costs incurred by the said removal and restoration from the company.

BLEDISLOE, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 7th day of April, 1930.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

IN pursuance and exercise of the powers conferred upon him by the Music-teachers Registration Act, 1928, and of all other powers enabling him in this behalf, His Excellency

the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth make the regulations hereinafter set forth; and, with the like advice and consent, doth prescribe that the said regulations shall come into force on the date of publication of this Order in Council in the *Gazette*.

REGULATIONS.

CONDUCT OF ELECTIONS.

13. For the purposes of clauses 13 to 48 of these regulations—

“Act” means the Music-teachers Registration Act, 1928:

“Board” means the Music-teachers Registration Board instituted under the Act:

“District” means one of the four districts into which New Zealand is divided by section 3 (4) of the Act for the purpose of elections of members of the Board:

“Election” means an election held under subsection (5) of section 3 of the Act:

“Elector” means a teacher registered under the Act and resident in a district in which an election is to be conducted under the Act:

“Register” means the register of registered music-teachers kept in accordance with the provisions of the Act:

“Returning Officer” means the Registrar of the Board.

14. In the month of October in the year 1930, and in every second year thereafter, the Returning Officer shall send notice by post to every registered teacher under the Act in each of the four districts, calling upon him to nominate for his district two persons to be members of the Board for the ensuing two years; and giving a date (not less than two weeks nor more than four weeks later) upon which such nominations shall close at 4 o'clock p.m. at his office.

15. Every candidate shall be nominated in writing by two electors entitled to vote for his election. Each elector may nominate any number of candidates not exceeding two.

16. Every nomination-paper shall be in the form or to the effect of the following:—

We [Full names and addresses], being persons legally in possession of certificates of registration under the Music-teachers Registration Act, 1928, hereby nominate [Full name and address] as a candidate for election as a member of the Board at the election for the District of _____, to be held on

Dated this _____ day of _____, 193 _____.

Signatures of nominators:

I hereby consent to my nomination.

Signature of candidate:

Nominations shall close at 4 o'clock on the afternoon of the _____ day of _____, at the office of the Returning Officer, _____ Street, _____.

17. A nomination-paper shall be informal—

(a) If it is not made and signed by persons entitled to vote in the election;

(b) If it is received after the time at which nominations close;

(c) If it does not bear the consent of the candidate in writing.

18. Any question that arises touching the validity of a nomination-paper, whether by reason of form, execution, time of receipt, or otherwise howsoever, shall be decided by the Returning Officer, and his decision shall be final.

19. If in any district the number of duly nominated candidates does not exceed two, the Returning Officer shall forthwith declare the candidates so nominated to be duly elected for such district as from the date of expiry of the term of the sitting members for that district.

20. In the event in which a smaller number of candidates has been nominated than is required to fill the vacancies on the Board the Minister of Education shall appoint some fit person or persons to complete the number of the Board.

21. In all other cases the Returning Officer shall, as soon as the nominations are closed, prepare and post to each elector in any district concerned, at his address as appearing in the Register, a printed voting-paper containing in alphabetical order of surnames a list of all the duly nominated candidates for whom such elector is entitled to vote; and such voting-paper shall be in the form or to the effect following:—

VOTING-PAPER FOR USE AT THE ELECTION, TO BE HELD ON THE _____ DAY OF _____, OF MEMBERS OF THE MUSIC-TEACHERS' REGISTRATION BOARD FOR THE [Name of District] DISTRICT.

Candidates.

[Set out in alphabetical order of surnames the full name of every duly nominated candidate.]

DIRECTIONS.

The number of candidates to be elected is two.

The voter must draw a line through the name of every candidate for whom he does not intend to vote.

The number of candidates whose names are left uncancelled must not exceed two.

The voting-paper must be posted or delivered to the Returning Officer in a closed envelope bearing on the outside the word “Voting-paper,” and on the inside of the flap of the envelope the signature of the voter. If posted to the Returning Officer it must be posted on or before the day of _____, and if delivered to him must be delivered at his office, _____ Street, _____, before the day of _____, or not later than 4 o'clock in the afternoon of that day.

22. When posting any voting-paper the Returning Officer shall enclose for the return of the voting-paper an envelope addressed to himself, with a place inside the flap for the signature of the voter.

23. Each candidate for election may, by writing under his hand, appoint one scrutineer, who may be present at the examination of the voting-papers and the counting of the votes by the Returning Officer.

24. A voting-paper shall be informal in any of the following cases, that is to say—

(a) If the elector votes more than once at the same election;

(b) If the candidates whose names are left uncancelled exceed in number the total number of candidates for whom the elector is entitled to vote;

(c) If in any other way the paper fails to indicate for whom the vote is intended to be given;

(d) If, being delivered to the Returning Officer otherwise than by post, the sealed envelope containing the voting-paper is not delivered at his office before the close of the poll;

(e) If, the envelope having been forwarded by post, the Returning Officer is satisfied, from the postmark on the envelope or otherwise, that it was not posted until after the day for the closing of the poll;

(f) If there is reasonable cause to believe that it was not issued to the voter by the Returning Officer;

(g) If the voter fails to place his signature on the inside of the flap of the envelope; or

(h) If the envelope does not bear on the outside the words “Voting-paper.”

25. The Returning Officer shall decide whether a voting-paper is invalid or informal, whether by reason of the time of receipt, or by reason of the fact that the voter's intention is not indicated, or for any other reason; and his decision shall be final.

26. On the day after the closing of the polls the Returning Officer shall open and examine all voting-papers duly delivered to him or received by him through the post as aforesaid, and after rejecting all informal voting-papers shall ascertain for each district the two candidates who have received the greatest number of votes, and shall declare such candidates to be elected as from the date of expiry of the term of the sitting members for that district.

27. If by reason of an equality of votes given for two or more candidates the election in any district is not complete, the Returning Officer shall decide by lot, in the presence of the Director of Education, or some person appointed by the Minister in his place, which candidate or candidates shall be elected, and thereby complete such election.

28. (a) The Returning Officer shall, immediately after counting the votes, seal up all voting-papers, and transmit the whole to the Director of Education, who shall keep the same for six months thereafter, and shall not open or permit to be opened such packet except on the order of some Court of competent jurisdiction, and shall at the end of six months effectually destroy the same.

(b) Forthwith after the completion of the election the Returning Officer shall, by notice in the *New Zealand Gazette* and by advertisement in a newspaper circulating in each district, notify as to such district the names of the persons elected, the number of valid votes recorded for each candidate, and the total number of votes rejected as informal.

(c) The Returning Officer and every clerk or other person employed by him and every scrutineer shall be required faithfully and impartially to perform the duties of their offices, and shall not, directly or indirectly, make known the state of the poll, or give or pretend to give any information by which the state of the poll may be known before the final declaration thereof by the Returning Officer, or make known for which candidate any voter has voted, or communicate to any person any information likely to defeat the secrecy of the ballot.

29. If a candidate informs the Returning Officer in writing not later than 4 o'clock on the day on which nominations close that he retires from the election, the Returning Officer

shall give due notice to the electors in the district concerned; and if by such retirement the number of candidates is reduced to the number of vacancies to be filled the Returning Officer shall publicly declare the remaining candidates to be duly elected as from the date of expiry of the term of the sitting members for the district; but if the said number of candidates is not so reduced the poll shall proceed, but the person so retiring shall not be capable of being elected.

30. The Returning Officer shall be the sole and absolute judge of the regularity and propriety of all matters connected with the election, and the election shall not be called in question on the ground that a voting-paper or an addressed envelope was not posted to any elector, or that a voting-paper from any elector was not received by the Returning Officer, or that a voting-paper prepared by the Returning Officer was irregular in form, or that any vote was irregularly cast, or that any votes were wrongly computed, or that any other irregularity occurred in connection with the election, unless in the opinion of the Returning Officer (whose decision shall be final) such irregularity materially affected the result of the election or occurred otherwise than in good faith.

THE CONDUCT OF APPEALS UNDER SECTION 19 OF THE ACT.

31. (1) Every appeal made under section 19 of the Act against any decision of the Board shall be made by notice to the Board in the form or to the effect of the following:—

38. In matters not expressly provided for in the Act or by these regulations the procedure of the Board of Appeal shall be such as the Magistrate may determine.

39. The Board of Appeal may, from time to time, adjourn the hearing or consideration or determination of the appeal as it thinks fit.

40. The determination made in respect of the appeal shall be in writing, signed by the Magistrate and the assessors, and a copy of such orders shall be given to the appellant and to the Board; and the Board shall at once give effect to such order. No determination shall be invalid by reason of the omission or refusal of any assessor to sign the same.

41. The Board of Appeal may in its discretion order that the expenses involved in hearing an appeal shall be paid by the Music-teachers Registration Board, or may order that they shall be paid by the appellant, in whole or in part.

42. The fee that may be paid to assessors shall be two guineas for each day upon which a sitting of the Board of Appeal is held.

GENERAL.

43. Every person whose name is proposed to be removed from the register, or whose name has been removed, under section 18 of the Act shall, wherever possible, be notified by the Registrar to that effect.

44. The name of every person removed from the register under section 18 of the Act shall be published in the *Gazette*, and the Board may, if it thinks fit, state the ground of such removal.

45. Such publication (except in the case of persons proved to have died) shall not take place until after three months from the date of the Registrar's notification if no appeal is then pending, or in case of an appeal, then until after the decision of the Board of Appeal has been given.

47. Every such person who without just cause fails so to return any such certificate shall be liable to a fine of £5.

48. The Registrar shall present to the Board at its first meeting held in each year an audited statement of account and balance-sheet for the previous year, which shall be published in the *Gazette*. And any registered music-teacher shall be supplied with a copy on application to the Registrar.
