"Registered optician" means a person registered as an optician under the Act:

"Approved training establishment" means any premises or place of business occupied or conducted by a registered optician and which is for the time being approved by the Board for the training of pupils:

"Pupil" means a person who has been accepted for training by a registered optician whose premises have been approved by the Board as a training establishment.

2. (a) Every registered optician having an approved training establishment shall, within one month of his accepting any person for training, notify the Board of his having done so, and of the name, age, and address of such person, and if any person ceases to be receiving training in such establishment the registered optician shall, within one month thereafter, notify the Board to that effect.

(b) Every registered optician having in his employ at the time of the coming into operation of these regulations any person who desires to be recognized as a pupil hereunder shall, within one month of the publication of these regulations in the *Gazette*, notify the Board of this fact, furnishing the name, age, and address of such person, and if such person ceases to be receiving training in such establishment the registered optician shall, within one month thereafter, notify the Board to that effect.
