(2) No person shall sell or offer or expose for sale any manufactured firework included in the 3rd Division of Class 7 as defined above other than the fireworks mentioned below which is not labelled or marked to the satisfaction of the

Every such sample shall be identified by a number or other identification mark for reference purposes.

(b) An importation license for the importation of manufactured fireworks samples of which have not been deposited aforesaid shall not authorize the removal of such manufactured fireworks from the custody of the Minister of Customs until samples thereof have been submitted to and approved by the Chief Inspector of Explosives.

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by Order in Council dated the twenty-fifth day of March, one thousand nine hundred and fifteen, and published in the *New Zealand Gazette*, No. 45, of the first day of the following month, Maurice Alfred Harding, of Tangowahine (who with his executors, administrators, and assigns, is hereinafter referred to as "the licensee"), was licensed for the term of fourteen years computed from the twenty-fifth day of March, one thousand nine hundred and fifteen, to use and occupy part of the foreshore of Gumstore Creek, Kaipara Harbour, in order to erect and maintain thereon a wharf, erected in accordance with plan marked M.D. 4393, and deposited in the office of the Marine Department at Wellington:

And whereas the license has applied for a fresh license under the Harbours Act, 1923 (hereinafter called "the said Act"), for a further term of fourteen years, and it is desirable to grant the same:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred upon him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the licensee as aforesaid; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensee to use and occupy that part of the foreshore which is particularly shown and delineated on plan M.D. 4393, so deposited as aforesaid, for the purpose of maintaining the said wharf, such license to be held and enjoyed by the licensee upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

In these conditions the terms—

"Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to that part of the foreshore occupied by the said wharf as shown on plan marked M.D. 4393.

3. In consideration of the concessions and privileges granted by this Order in Council the licensee shall pay to the Minister the sum of £1, and thereafter an annual sum of £1 in advance, payable on the 1st day of April each year.

4. His Majesty or the Governor-General, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said wharf without payment.

5. All persons shall, at all reasonable times, and upon payment of the prescribed dues, have free and full liberty to use the said wharf and all rights of ingress and egress thereon and therefrom.

6. The licensee shall maintain the said wharf in good order and repair, and shall at all times exhibit from the said wharf and maintain at the licensee's own cost suitable and necessary lights for the guidance of vessels: Provided that no light shall be exhibited until after it has been approved by the Minister.

7. Any person authorized by the Minister may at all reasonable times enter upon the said wharf and view the state of repair thereof; and upon such Minister leaving at or posting to the last-known address of the licensee in New Zealand a notice in writing of any defect or want of repair in the said wharf requiring the licensee, within a reasonable time to be therein prescribed, to repair the same, the licensee shall with all convenient speed cause such defect to be removed or such repairs to be made.

Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last-known address of the licensee in New Zealand.

- (2) Cease to use or occupy the said wharf for a period of thirty days;
