**IN RELATION TO FIRE BRIGADES.**

5. All officers of brigades shall be appointed by the Board, and due consideration shall be given by the Board to the recommendation of the Superintendent in the engagement of members of the brigade and in respect of the promotion of officers or men in the Board's services.

**THE SUPERINTENDENT.**

12. In addition to the powers and duties conferred and imposed by section 48 of the Act, the duties and powers of the Superintendent shall be as follows:—

(1) He shall be responsible to the Board for the efficiency of the officers and members of the brigade and all gear used in its service.

(2) He shall have the power to suspend any officer or member for breach of discipline or misconduct of any description at any time, but must at once report such suspension to the Board. The member suspended may appeal to the Board, who will hold an inquiry into the alleged breach of discipline or misconduct. At such inquiry the suspended member may be present, and have the right to speak in his defence, and if he desires bring witnesses in support of same.

(3) He shall allot such duties to the members of the brigade as he shall deem necessary for assuring the efficiency thereof, and may withdraw any member from any special duty and allot him fresh duties at his (the Superintendent's) discretion.

(4) He shall keep a store-book in which shall be entered all property of the Fire Board, the date of purchase, and the date when it was first used and when condemned.

- (2) To be civil and respectful in demeanour and clean in appearance.
- (3) To perform all duties entrusted to him in a prompt and efficient manner.
- (4) To study and otherwise endeavour to be able to perform the duties of his superiors should he be called upon to do so.
15. Every fireman appointed as a resident member is to reside on the station in such quarters as the Superintendent may allot to him.

## WATCH-ROOM DUTY.

16. Upon receiving a call to a fire, whether by telephone or other means, the fireman on duty must immediately record the time and sound the alarm.

Upon a receipt of a call to a fire the man on station duty must see that the officers are informed of the locality of the occurrence.

When a call is received at night, and the lights of the station have been turned up for the occasion, the man on station duty must turn them down as soon as the appliances have left the station.

The police must be informed as soon as possible of a call to a fire.

The station-duty man must promptly inform the water-works on a call being received, being careful to name the exact locality of the fire.

Upon receiving a call from outside the town limits the station-duty man must at once inform the Superintendent or officer in charge, but must not sound the alarm unless ordered to do so.

The watch-room at all stations is to be used for brigade business only.

The man on duty must be at all times acquainted with the whereabouts of all the officers attached to the station.

## UNIFORM.

17. Members of the brigade shall be mustered once a month and their uniform and accoutrements inspected.

## GENERAL BEHAVIOUR.

18. Any member of the brigade guilty of intoxication, disobedience of orders, insubordination, abusive or obscene language, shall thereby render himself liable under the conditions of service to instant suspension or dismissal.

Gambling is strictly forbidden on any part of the Board's premises.

Any member or members of the brigade who shall damage the property of the Fire Board wilfully must make the same good at his or their own cost.

Members of brigades shall at all times salute all superior officers when addressing or being addressed by the latter on a point of duty.

No member of a brigade shall enter or in any way use the Board room except on business.

No member of the brigade provided with married quarters shall on any account allow any person except his wife and children to sleep on such quarters without the written permission of the Superintendent.

No noisy recreation shall be indulged in on brigade premises on Sunday.

No person shall supply any intoxicating liquors to any officer or member of the brigade while such officer or member shall be on duty unless he shall first have received from the officer in charge of the brigade at the time permission to do so.

No person other than the members of the Fire Board and its Secretary or members of the brigade shall enter any station unless they shall first receive permission to do so from the officer in charge.

## MEMBERS OF THE BRIGADE NOT TO WRITE TO THE PRESS ON FIRE BRIGADE MATTERS.

19. No member of the brigade shall under any circumstances write any letters or furnish information to the Press on matters connected with the Board or brigade, save that in the event of no superior officer being present the senior on duty may give particulars regarding any fire which has been attended.

## GENERAL STATION DUTY.

20. The officer in charge of a station must be promptly informed of all messages or other business requiring the attention of the Superintendent, and shall give or send the same to the Superintendent at the first opportunity.

Promotion will be awarded on the recommendation of the Superintendent, and must be approved by the Board.

In the absence of all officers the senior fireman present shall assume command of the brigade.

No man dismissed from the brigade shall be reinstated except upon recommendation of the Superintendent.

Any member or members of the brigade wishing to make a statement to the Superintendent may do so on request.

## GENERAL INSTRUCTIONS: ORDERS MUST BE GIVEN CLEARLY AND DISTINCTLY.

21. At fires and drills and at all other times orders must be given in a clear and distinct manner, and continual shouting must be avoided as much as possible. Every officer should cultivate his manner and tone of voice in giving orders, and no officer shall use violent language to members of the brigade.

## FIREMEN SHOULD KEEP TO THE LEFT WHEN MEETING IN NARROW PLACES.

22. When men are approaching one another on a stairway, in a passage, or in any narrow place each should keep to his left if possible.

## SENIOR OFFICER'S APPLIANCE MUST NOT BE PASSED.

23. When the senior officer is in charge of an appliance none other moving in the same direction may pass him without permission.

## PERFORMANCE OF PARTICULAR SERVICE AT FIRE MUST BE REPORTED IMMEDIATELY.

24. When working at a fire any officer or fireman instructed by the Superintendent or officer in charge to perform any particular service must at the earliest moment report that he has executed the same or why he has failed.

## DRILL CALLS TO BE VARIED AS REGARD TIME.

25. In the practice of turning out the motors or reels for drill an officer should vary the time of call as much as possible so that it may be unexpected by the men, and thus prove a true test of their readiness and general efficiency.

## EXCESSIVE ROUTINE TO BE AVOIDED.

26. Officers must use discretion so as to avoid excessive routine and constantly worrying the men.

## PROMPTNESS AT THE BEGINNING OF A FIRE ALL-IMPORTANT.

27. Officers must remember that at the beginning of a fire avoidance of loss of time is all-important, and that quickness and judgment are therefore the qualifications most required

of them. Enormous loss of property may result from too much attention to detail at such a moment.

NO UNNECESSARY LENGTHS OF HOSE TO BE RUN OUT AT THE BEGINNING OF FIRE.

28. In the first stage of a fire only sufficient hose to reach the fire should be run off, so that no time may be lost by passing the water through unnecessary lengths of hose and in unnecessary handling.

DOORS AND WINDOWS OF BURNING BUILDING TO BE KEPT CLOSED UNTIL FIRE IS ATTACKED.

29. Especial care must be taken at all times to keep the doors and windows of a burning building closed until every preparation has been made for attacking the fire.

Neglect of this precaution gives the flames a chance to spread, with the result that a fire may obtain a strength beyond the power of all appliances of the brigade to subdue.

MEMORANDUM FOR MOTORMAN.

30. Motormen are instructed to proceed at a moderate pace when turning corners, going over crossings, and in all crowded places.

CONDITIONS OF SERVICE.

31. Every member shall obey all orders of the persons in authority.

32. Every member shall obey and conform to such regulations as may be made from time to time by the Board.

33. Every member shall be liable to immediate dismissal for negligence or misconduct, and to forfeiture of any pay due to him not exceeding five pounds (£5).

34. Every member shall be liable to suspension by the Superintendent, or in his absence by any other responsible officer of the brigade, for negligence or misconduct. Every case of suspension shall be brought before the Board at its first meeting after the suspension, and the Board may either reinstate the member or continue the suspension for a further period or dismiss the member from the service.

35. Any member dismissed from the service or who may resign from the service shall immediately deliver up all clothes and accoutrements that have been supplied to him by the Board; and if, in the opinion of the Superintendent, any article or articles supplied shall have been improperly used or damaged, a deduction from the pay or moneys due to the member shall be made sufficient to cover the loss sustained, or such loss may be recovered by process of law.

36. Every member in the employ of the Board will, as often as the Board shall consider necessary, be supplied with a suitable uniform and accoutrements, for the safety, cleanliness, and good order of which the member will be held responsible. Such uniform and accoutrements remain and are the property of the Board. Any member wilfully damaging or disposing of all or any portion thereof will be prosecuted.

37. Every member of the service of the Board will be furnished with a number to be worn on the collar of his tunic in addition to such other distinguishing-mark as the Board may approve.

38. Every member on joining the brigade is required to make himself acquainted with the regulations in force, and also with such other regulations as may be made from time to time by the Board.

39. No member under any pretence whatever shall leave the locality of a fire without the instruction or permission of the officer in charge of the fire.

40. No member shall take any intoxicating liquors while on duty without permission of the officer in charge of a fire, or practice, or other duties.

41. No member shall be entitled to any pay during the time he shall remain under suspension from duty unless the Board on investigation of the circumstances acquit him from all blame in the matter.

42. Unless otherwise provided, two weeks' written notice given on either side shall terminate the agreement for service.

43. Any member being desirous of absenting himself from the district for any reason must first obtain permission from the Superintendent, and should the Superintendent so desire the member must provide a substitute during such absence, and payment of the substitute must be made by the member.

44. The Superintendent may grant leave of absence at any time to such number of the men as the Board may approve.

45. There shall be held during the year twenty-four (24) drills or practices, at times and places to be decided upon by the Superintendent. Any member of the brigade who fails to attend eighteen (18) of the practices or drills, or two-thirds of the fire calls received during each year, shall be deemed to have forfeited his membership, and may be dismissed by the Superintendent.

46. Members of the brigade shall be liable for a fine of two shillings and sixpence (2s. 6d.) for each offence for being absent without leave.

RATES OF PAY.

47. Members of the brigade will be paid for attendances at fires in accordance with the following schedule:—

1. Firemen shall receive pay at the rate of three shillings (3s.) per hour or any part of an hour.
2. For false alarms and chimneys and other fires when not required to leave the station, the rate of pay will be two shillings (2s.) per man.

48. The sum of one pound ten shillings (£1 10s.) per annum, payable in half-yearly instalments of fifteen shillings (15s.) each on the thirtieth day of June and the thirty-first day of December in each year, will be paid as boot-allowance to all members of the brigade who have been at least six months in the brigade, and who shall have attended at not less than two-thirds of the drills or practices, and not less than two-thirds of the musters required to be held under paragraph 45 during the preceding half-yearly period.

BRIGADE MAY MAKE RULES.

49. Subject to the approval of the Board, and provided they in no way conflict with the Board's by-laws, the brigade may make rules and regulations for its own government.

DONATIONS RECEIVED BY BRIGADE.

50. Donations by the public in recognition of the services of the brigade shall be the property of the brigade, and shall be used for the recreation and comfort or otherwise for the benefit of the members of the brigade.

FIRES OUTSIDE THE FIRE DISTRICT OF WAIROA OR ON VESSELS.

51. If any brigade, or any portion of any brigade established and maintained by the Board within the Fire District of Wairoa, attends or performs any services at a fire in any building outside the Fire District of Wairoa at the request of the owner or occupier of such building, or attends or performs any services at a fire on any vessel wherever situated at the request of the owner, agent, or other duly authorized person, then such owner, occupier, agent, or other duly authorized person (as the case may be) shall pay to the Board for such attendance and services amounts not exceeding the undermentioned rates, the said charges to be reckoned from the time the brigade leaves the station until it returns to the station:—

For the first hour (or part thereof if less than one hour),  
£7 10s.

For each succeeding hour or part thereof, £7 10s.

MAINTENANCE AND DISCIPLINE AND THE ENSURING OF GOOD CONDUCT.

52. No person shall interfere with or obstruct any officer or member of a brigade in the execution of his duty.
