These sections are suitable for seaside residence-sites, adjacent to Te Awanga Township, a seaside resort rapidly increasing in popularity. A lagoon fronting this township affords safe bathing and a splendid playground for children.

It is proposed to constitute a long strip of Crown land between these sections and Haumoana a public domain. The ground generally is flat, and consists of well consolidated shingle, some sections being lightly covered with soil.

A few sections at western end have pot holes caused by removal of gravel, &c.

A good country road provides access to Napier, distant about twelve miles, and Hastings, distant about ten miles, about half the distance in each case being by the Main Highway, part bitumen and part concrete.

These sections comprise the fifth portion of the Orakei Garden Suburb to be offered to the public. The completion of the Waterfront Road very shortly will bring the centre of the suburb within ten minutes of Queen Street. A bus

service has already been licensed, and services will commence as soon as the road is opened for traffic. The formation of the internal roading is complete. Water is laid on to every section, and sewers have been laid over a portion of the block; the remaining sewers will be completed within three months.

The land is in grass. Sections vary from level to easy sloping and some command a magnificent view of Hauraki Gulf, Waitemata Harbour, and surrounding country.

On account of its seaside situation, elevated position, and proximity to the City, Orakei provides the best block of residential sections in the Auckland Suburbs.

Erected on Section 287 is a seven-roomed kauri semi-bungalow, with pantry, scullery, bathroom, and detached washhouse, hot and cold water service; motor-shed; grounds laid out in lawns, with concrete paths. The purchaser of this section on deferred payments will be required to pay a deposit of £250, together with £1 ls. license fee. This sum is to be paid on the fall of the hammer. The balance of the purchase-money, with interest thereon at the rate of 5½ per cent. per annum, may be paid by instalments extending over a period of thirty-four years and a half.

SPECIAL CONDITIONS RELATING TO SECTIONS PURCHASED ON DEFERRED PAYMENTS.

1. The sections shall be used for residential purposes only.
2. No buildings shall be erected at a less distance than 15 ft. from the road-boundary, as indicated by the line drawn on the plan.
3. It shall not be lawful for any person to acquire on deferred payments more than two allotments of land, and where any person so acquires two allotments such allotments shall be contiguous.
4. Except on the recommendation of the Land Board, and with the approval of the Minister of Lands, it shall not be lawful for any purchaser on deferred payments to transfer his interest in such land before the completion of the purchase, or the expiration of ten years from the date of his license, whichever is the less.
5. The intention of intending purchasers is drawn to the sewer easements as shown on the plan.

As witness the hand of His Excellency the Governor-General, this 17th day of December, 1930.
