(2) No such cancellation or refusal shall prevent the making of a fresh application by the same or any other person for the registration of the said premises.

(3) The local authority shall give notice in writing of such cancellation or refusal to the person to whom the certificate of registration has been issued and to any manager or other person named therein or in any endorsement thereon as responsible for the management of the said premises.

* It may be that in some instances the places given under the heading "Residence" are not the present places of abode of the respective persons. They have been copied, however, as they stand in the Register; and if they are inaccurate in any case it is because the changes of residence have not been officially notified to the Registrar-General, as it is obviously desirable that all such changes should be.
