The request for service shall state the full names and descriptions of the parties, the full names, address and description of the recipient, and the nature of the document to be served, and shall enclose the documents (originals or copies) to be served in duplicate.

(c) The document to be served shall either be drawn up in the language of the country in which it is to be served, or be accompanied by a translation in such language in duplicate. Such translation shall be certified as correct by a Consular Officer of the High Contracting Party from whose territory the document emanates.

(d) Requests for service shall be addressed and sent:—

In Spain to the President of the competent Territorial Court;

In England to the Senior Master of the Supreme Court of Judicature.

If the authority to whom a request for service has been sent is not competent to execute it, such authority shall of his own motion transmit the document to the competent authority of his own country.

(e) Service shall be effected by the competent authority of the country where the document is to be served, who shall serve the document in the manner prescribed by the municipal law of such country for the service of similar documents, except that, if a wish for some special manner of service is expressed in the request for service, such manner of service shall be followed in so far as it is not incompatible with the law of that country.

(f) The execution of the request for service duly made in accordance with the preceding provisions of this Article shall not be refused unless (1) the authenticity of the request for service is not established, or (2) the High Contracting Party in whose territory it is to be effected considers that his sovereignty or safety would be compromised thereby.

(g) The authority by whom the request for service is executed shall furnish a certificate proving the service or explaining the reason which has prevented such service, and setting forth the fact, the manner and the date of such service or attempted service, and shall send the said certificate to the Consular Officer by whom the request for service was made. The certificate of service or of attempted service shall be placed on one of the duplicates or attached thereto.

#### ARTICLE 4.

(a) Service may be effected without any request to or intervention of the authorities of the country where it is effected:—

(1) By a Consular Officer of the High Contracting Party from whose territory the document emanates;

(2) By an agent appointed for the purpose either by the judicial authority by whom service of the document is required or by the party on whose application the document was issued:

but in neither of these cases can any measures of compulsion be employed.

(b) All documents served in the manner provided in the preceding paragraph shall, unless the recipient is a subject of the High Contracting Party from whose territory the document to be served emanates, either be drawn up in the language of the country in which service is to be effected or accompanied by a translation into such language, certified as correct, as prescribed in Article 3 (c).

#### ARTICLE 5.

Nothing in this Convention shall render illegal or inadmissible the service in the territory of one High Contracting Party of documents drawn up in the territory of the other High Contracting Party by any one of the following methods of service in any case where such method is recognized as valid by the law of the country from which the documents emanate:—

(a) By the competent officials or officers of the country where they are to be served acting directly at the request of the parties concerned in cases where such officials or officers are not prohibited from so acting by the law of that country;

(b) Through postal channels; or

(c) By any other mode of service which is not illegal under the law existing at the time of service in the country where it is to be effected.

#### ARTICLE 6.

(a) In any case where documents have been served in accordance with the provisions of Article 3, the High Contracting Party, by whose Consular Officer the request for service is addressed, shall pay to the other High Contracting Party any charges and expenses which are payable under the law or regulations in force in the country where the service is effected to the persons employed to effect service, and any

charges and expenses incurred in effecting service in a special manner. These charges and expenses shall not exceed such as are usually allowed in the Courts of that country.

(b) Repayment of these charges and expenses shall be claimed by the competent authority by whom the service has been effected from the Consular Officer by whom the request was addressed when sending to him the certificate provided for in Article 3 (g).

(c) Except as provided above, no fees of any description shall be payable by one High Contracting Party to the other in respect of the service of any documents.

### III.—TAKING OF EVIDENCE.

#### ARTICLE 7.

When a judicial authority in the territory of one of the High Contracting Parties requires that evidence should be taken in the territory of the other High Contracting Party, such evidence may be taken in any one of the ways prescribed in Articles 8, 9, and 10.

#### ARTICLE 8.

(a) The judicial authority by whom the evidence is required may, in accordance with the provisions of its law, address itself by means of "Letters of Request" to the competent authority of the country where the evidence is to be taken, requesting such authority to take the evidence.

(b) The "Letters of Request" shall be drawn up in the language of the country where the evidence is to be taken, or be accompanied by a translation in such language. Such translation shall be certified as correct by a Consular Officer of the High Contracting Party from whose judicial authority the request emanates. The "Letters of Request" shall state the nature of the proceedings for which the evidence is required, the full names and descriptions of the parties thereto, and the full names, addresses, and descriptions of the witnesses. They shall also either be accompanied by a list of interrogatories to be put to the witness or witnesses and a translation thereof certified as correct in the manner heretofore provided or, if this procedure is recognized by the law of the country from which the letters emanate, request the competent authority to allow such questions to be asked *viva voce* as the parties or their representatives shall desire to ask.

(c) The "Letters of Request" shall be transmitted—

In England by a Spanish Consular Officer to the Senior Master of the Supreme Court of Judicature;

In Spain by a British Consular Officer to the President of the competent Territorial Court.

In case the authority to whom "Letters of Request" are transmitted is not competent to execute them, the "Letters of Request" shall be forwarded without any further request to the competent authority of his own country.

(d) The competent authority to whom the "Letters of Request" are transmitted or forwarded shall give effect thereto and obtain the evidence required by the use of the same compulsory measures and the same procedure as are employed in the execution of a commission or order emanating from the authorities of his own country, except that if a wish that some special procedure should be followed is expressed in the "Letters of Request" such special procedure shall be followed in so far as it is not incompatible with the law of the country where the evidence is to be taken.

(e) The Consular Officer by whom the "Letters of Request" are transmitted, shall, if he so desires, be informed of the date and place where the proceedings will take place, in order that he may inform the interested party or parties who shall be permitted to be present in person or to be represented if they so desire.

(f) The execution of the "Letters of Request" can only be refused—

(1) If the authenticity of the "Letters of Request" is not established.

(2) If in the country where the evidence is to be taken the execution of the "Letters of Request" in question does not fall within the functions of the judiciary.

(3) If the High Contracting Party in whose territory the evidence is to be taken considers that his sovereignty or safety would be compromised thereby.

(g) In every instance where the "Letters of Request" are not executed by the authority to whom they are addressed, the latter will at once inform the Consular Officer by whom they were transmitted, stating the grounds on which the execution of the "Letters of Request" has been refused, or the judicial authority to whom they have been forwarded.

#### ARTICLE 9.

(a) If the law of the country where the evidence is to be taken authorizes such procedure, the judicial authority by whom the evidence is required may, in the "Letters of

Request" addressed to the competent authority of the country where the evidence is to be taken, request such authority to appoint to take the evidence a person specially designated in the "Letters of Request."

A Consular Officer of the High Contracting Party whose judicial authority requires the evidence, or any other suitable person may be so designated.

(b) Where this procedure is adopted the provisions of paragraphs (b), (c), (f), and (g) of Article 8 shall apply, but the following paragraphs shall be substituted for paragraphs (d) and (e) of that Article.

(c) The competent authority to whom the "Letters of Request" are transmitted or forwarded shall give effect thereto, and shall appoint the person designated to take the evidence unless such person shall be unwilling so to act. In addition, if necessary, such authority shall make use of such compulsory powers as it possesses under its own law to secure the attendance of and the giving of evidence by the witnesses and the persons to be examined and the production of documents before the person so appointed.

(d) The person thus appointed shall have power to administer an oath, and any person giving false evidence before him shall be liable in the Courts of the country where the evidence is taken to the penalties provided by the law of that country for perjury.

(e) The evidence shall be taken in accordance with the law of the country for whose judicial authority the evidence is required, provided such method is not contrary to the law of the country where the evidence is being taken, and the parties shall have the right to be present in person or to be represented by barristers or solicitors or by any other persons who are competent to appear before the Courts of either of the countries concerned.

#### ARTICLE 10.

(a) The evidence may also be taken, without any request to or the intervention of the authorities of the country in which it is to be taken by a person in that country directly appointed for the purpose by the Court by whom the evidence is required. A Consular Officer of the High Contracting Party whose Court requires the evidence or any other suitable person may be so appointed.

(b) A person so appointed to take evidence may request the individuals named by the Court appointing him to appear before him and give evidence or to produce any document. He may take all kinds of evidence which are not contrary to the law of the country where the evidence is being taken, and shall have power to administer an oath, but he shall have no compulsory powers.

(c) Requests to appear issued by such person shall, unless the recipient is a subject of the High Contracting Party for whose judicial authority the evidence is required, be drawn up in the language of the country where the evidence is to be taken, or be accompanied by a translation into such language.

(d) The evidence may be taken in accordance with the procedure recognized by the law of the country for whose judicial authority the evidence is required, and the parties will have the right to be present or to be represented by barristers or solicitors of that country, or by any persons competent to appear before the Court of either of the countries concerned.

#### ARTICLE 11.

The fact that an attempt to take evidence by the method laid down in Article 10 has failed owing to the refusal of any witness to appear, to give evidence, or to produce documents does not preclude a request being subsequently made in accordance with Articles 8 or 9.

#### ARTICLE 12.

(a) Where evidence is taken in either of the ways provided in Articles 8 or 9 the High Contracting Party by whose judicial authority the "Letters of Request" are addressed shall repay to the other High Contracting Party any expenses incurred by the competent authority of the latter in the execution of the request in respect of any charges and expenses payable to witnesses, experts, interpreters, or translators, the costs of obtaining the attendance of witnesses who have not appeared voluntarily, and the charges and expenses payable to any person whom such authority may have deputed to act in cases where the law of his own country permits this to be done, and any charges and expenses incurred by reason of a special procedure being requested and followed. These expenses shall be such as are usually allowed in similar cases in the Courts of the country where the evidence has been taken.

(b) The repayment of these expenses shall be claimed by the competent authority by whom the "Letters of Request" have been executed from the Consular Officer by whom they were transmitted when sending to him the documents establishing their execution.

(c) Except as above provided, no fees of any description shall be payable by one High Contracting Party to the other in respect of the taking of evidence.

#### IV.—JUDICIAL ASSISTANCE FOR POOR PERSONS, IMPRISONMENT FOR DEBT AND SECURITY FOR COSTS.

##### ARTICLE 13.

The subjects of one High Contracting Party shall enjoy in the territory of the other High Contracting Party a perfect equality of treatment with subjects of that High Contracting Party as regards free judicial assistance for poor persons and imprisonment for debt; and provided that they are resident in any such territory, shall not be compelled to give security for costs in any case where a subject of such other High Contracting Party would not be so compelled.

(b) The provisions of paragraph (b) of Article 16 shall apply to any such notifications.

(c) The provisions of paragraphs (c) and (d) of Article 16 shall apply to any colonies or protectorates of His Catholic Majesty to which this Convention has been extended.
