Regulations under Part I of the National Expenditure Adjustment Act, 1932.

BLEDISLOE, Governor-General.

ORDER IN COUNCIL.

At the Government Buildings at Wellington, this 31st day of May, 1932.

Present :

THE RIGHT HON. G. W. FORBES, PRESIDING IN COUNCIL.

IN pursuance and exercise of the powers conferred on him by section thirteen of the National Expenditure Adjustment Act, 1932 (hereinafter referred to as "the said Act"), His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby make the following regulations for the purposes of the said Act.

REGULATIONS.

1. For the purpose of the adjustment of anomalies or for the relief of cases of hardship arising from the operation of the said Act, there is hereby established a Committee (hereinafter referred to as "the Adjustment Committee") consisting of the following persons:—

- (a) The President of the Arbitration Court.
- (b) The Public Service Commissioner.
- (c) The President of the New Zealand Public Service Association (Incorporated).

2. The President of the Arbitration Court shall be the Chairman of the Adjustment Committee, and shall have a deliberative vote, and in the case of an equality of votes shall have the casting-vote also.

3. In the event of the absence of the President of the Arbitration Court from any meeting of the Adjustment Committee, the members present shall choose one of their number to be Chairman of that Committee.

4. Two members of the Committee shall form a quorum at any meeting.

5. Save as herein provided, the Adjustment Committee shall regulate its own procedure.

6. Save as otherwise provided herein, any person may, up to and including 31st July, 1932, apply to the Chairman of the Committee, care of the Justice Department, for relief from the operations of the said Act on the ground of anomaly or hardship occasioned thereby.

7. All such applications shall be forwarded to the Committee, through the Permanent Head of the Department, for its determination.

8. No application for relief under these regulations shall be considered in respect of any person bound by an agreement under subsection (2) of section 4 of the said Act.

9. Every application for relief shall specify as concisely as possible the special grounds on which the claim for relief is based, and shall also specify—

(a) The rate of remuneration as at 31st March, 1932:

(b) The rate of remuneration as at 31st March, 1931.

10. If in any case the Adjustment Committee is satisfied that an anomaly or hardship exists, it shall consider the special circumstances of the case and the departmental report and recommendation, and may make such decision as in the circumstances it thinks fit, just, and equitable: Provided that the Adjustment Committee shall not be obliged to make an adjustment in any case unless it is satisfied as to the merits of the application.

11. The decision of the Committee in respect of any application may be extended by the Adjustment Committee, with such modifications or variations (if any) as the Adjustment Committee thinks fit, to any other cases or classes of cases, whether or not application for relief under these regulations has been made.

12. A certificate of the decision of the Committee given under the hand of the Chairman shall be sufficient authority for failing to make any reduction or for making a reduction at a lower rate than the rate prescribed by the said Act, according to the tenor of the decision.

13. In considering any application for relief from the operation of the said Act on the ground of anomaly or hardship made by or in respect of any workers who would be bound by an award under the Industrial Conciliation and Arbitration Act, 1925, if they were employed by an employer bound by that award, the Adjustment Committee shall ascertain the rates of wages under that award to workers of the same class, and in determining whether or not relief should be granted and the extent of such relief shall take those rates into consideration, together with all other relevant facts.

14. In the case of persons employed by any university, college, or other institution to which section 8 of the said Act applies, the adjustment of salary to be made consequent on the passing of the said Act shall be dealt with by the governing bodies of these institutions.

15. For the purposes of the said Act the equivalent of an hourly, daily, or weekly rate of salary or wages shall be computed as follows:—

(a) Hourly rate: Hourly rate as at 31st March, 1932, is to be multiplied by number of hours worked per week multiplied by 52. If the yearly amount does not exceed £225 per annum, then the reduction is 5 per cent. Taking the amount at £225 per annum, the method to arrive at the hourly rate is as follows:—

$$\begin{aligned} &£225 \text{ reduced by } 5 \text{ per cent.} = \\ &£213 \text{ } 15\text{s.} \end{aligned}$$

$$52 \times \text{number of hours in ordinary working-week.}$$

If the hourly rate exceeds £225 per annum, then a 10-per-cent. reduction is to be made, but so as not to reduce the annual rate of pay below £213 15s. per annum.

When the calculation results in a fraction of a penny the amount to be paid is to be fixed to the nearest farthing.

(b) Daily rate: Daily rate will be arrived at on the same basis, but the division will be as follows:—

$$£213 \text{ } 15\text{s.}$$

$$52 \times \text{number of days in week.}$$

Fractions of a penny to be dealt with as in (a).

If the daily rate, calculated yearly, exceeds £225 per annum a 10-per-cent. reduction is to be made, but so as not to reduce the annual rate of pay below £213 15s. per annum.

(c) Weekly rate: Weekly rate will be arrived at on the same basis, but the division will be as follows:—

$$£213 \text{ } 15\text{s.}$$

$$52$$

Fractions of a penny to be paid to the nearest penny. If the weekly rate, calculated yearly, exceeds £225 per annum a 10-per-cent. reduction is to be made, but so as not to reduce the annual rate of pay below £213 15s. per annum.

Care should be taken to see that the proper percentage of reduction—that is, either 5 or 10 per cent., as the case may be—is used.

16. The aforesaid regulations shall apply to officers of the Samoan and Cook Islands Public Service who are subject to the said Act.
