(2) Cease to use or occupy the said wharf for a period of thirty consecutive days;

18. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the license is granted, the Council shall, if required by the Minister so to do, remove the said wharf entirely from the site and restore the site to its original condition within three months from the date of the revocation or expiry, as the case may be, and, if the Council fails so to do, the Minister may cause the said wharf to be removed and the site so restored, and may recover the costs incurred by the said removal and restoration from the Council.
