M. H. WATT, Director-General of Health.

Classification of Assistant Teachers in Technical Schools and of Manual-training Teachers.

THE following list of assistant teachers employed in technical schools, combined schools, and recognized technical classes, and recognized manual-training classes, or classified for employment in such schools or classes, are issued under the authority of the Minister of Education, in accordance with the regulations relating to technical schools, recognized technical classes, recognized manual-training classes, and combined secondary and technical schools, made by Orders in Council dated the 10th November, 1925, and 25th September, 1931.

Under the heading "Division" is shown the division and class in which the teacher is classified.

The class of salary corresponding with the class and division in which the teacher is placed is given in the Schedule to the aforementioned regulations.

Attention is drawn to the regulations relating to appeals of teachers against their classification and grading, under which any teacher who considers he has good grounds for objection to his classification may lodge an appeal to reach the Director of Education not later than forty clear days after the publication of this list in the *New Zealand Gazette*—*i.e.*, such appeals must reach the Director not later than the 24th January, 1933, and must contain an explicit statement of the grounds on which the appeal is based.

NOTE.—In the last column of the classification list T.S. stands for "Technical School," E.B. for "Education Board," S. of A. for "School of Art," J.H.S. for "Junior High School," and C.S. for "Combined School."

T. B. STRONG, Director of Education.

IN pursuance and exercise of the powers and authorities conferred upon him by the Customs Act, 1913, and the Customs Amendment Act, 1921, and of all other powers and authorities enabling him in this behalf, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby revoke the Order in Council

made on the twenty-ninth day of September, one thousand nine hundred and thirty, and published in the *Gazette* on the second day of October, one thousand nine hundred and thirty, and doth, to the extent hereinafter appearing, hereby modify the Customs (Tariff Preference and General) Regulations, 1925, made by Order in Council on the twenty-first day of November, one thousand nine hundred and twenty-five, and published in the *Gazette* on the twenty-sixth day of the same month at page 3265; and doth, with the like advice and consent, make the following regulations for the purposes of the said Acts: and doth hereby order that such modifications shall take effect and that the following regulations shall come into force on the date of the publication of this Order in the *Gazette*.

ADDITIONAL CUSTOMS REGULATIONS.

(1) THESE regulations may be cited as the Additional Customs (Tariff Preference and General) Regulations, 1932, and shall be read together with and deemed part of the Customs regulations made by Order in Council on the 29th day of June, 1914, and published in the *Gazette* on the 2nd day of July, 1914, at page 2675, and the Customs (Tariff Preference and General) Regulations, 1925.

(2) Notwithstanding anything in clause 5 of the Customs (Tariff Preference and General) Regulations, 1925, tobacco (as hereinafter defined) shall not be deemed to be the produce or manufacture of any particular country unless the final process of manufacture has been performed in that country, and unless also the expenditure in material produced in that country and/or labour performed within that country (calculated subject to the qualification in clause 6 of the Customs (Tariff Preference and General) Regulations, 1925), in each and every case, is not less than three-quarters of the factory or works cost of such tobacco in its finished state:

Provided that this regulation shall not apply to tobacco manufactured in the United Kingdom (including Northern Ireland), or in any colony, dependency, or protectorate belonging to or held by His Majesty in right of the United Kingdom (except India); and to tobacco manufactured in any of such countries and territories the Customs (Tariff Preference and General) Regulations, 1925, shall apply as if these regulations had not been made.

(3) Except as modified by these regulations, or except in so far as they are inconsistent with these regulations, the Customs (Tariff Preference and General) Regulations, 1925, shall, *mutatis mutandis*, apply to tobacco.

(4) Notwithstanding the making of these regulations all duties which have become due and payable and all penalties and forfeitures which have been incurred prior to the coming into force of these regulations shall be recovered and enforced in the same manner as if these regulations had not been made.

(5) For the purposes of these regulations "tobacco" includes cigars and cigarettes, but does not include unmanufactured tobacco.
