SCHEDULE.

MARLBOROUGH LAND DISTRICT.

Kaikoura County.—Mount Fyffe and Kaitarau Survey Districts.

RUN 125: Area, 6,300 acres. Half-yearly rent, £10 for first three years and £17 10s. for balance of term.

Kaikoura County.—Mount Fyffe, Kaitarau, and Greenburn Survey Districts.

Runs 128 and 128A: Area, 11,430 acres (Run 128: National endowment land, 9,530 acres; Run 128A: Crown land, 1,900 acres). Half-yearly rent, £15 for first three years and £22 10s. for balance of term.

DESCRIPTION.

Run 125.—The run is distant from Kaikoura by eight miles of good metalled road, thence two miles up the Kowhai river-bed (impassable during flood-time).

The property comprises mainly steep and broken country, with numerous shingle-slides and rocky faces. The lower portions include well-grassed spurs, with an intermingling of tussocks, while patches of poor bush and manuka scrub adjoin the creeks which provide a good water-supply.

Owing to its high, steep nature—it rises to 5,260 ft. above sea-level—the run is summer country only, being for the most part snow-clad during winter.

At the present time the property is carrying an abundance of cocksfoot, clover, and native grasses.

Runs 128 and 128A.—This area has the same access and comprises country similar to that of Run 125, excepting that it rises to 8,562 ft. above sea-level.

The property is weighted with £45 for the value of a half-share in 120 chains of boundary-fencing, which sum must be paid in cash.

Full particulars may be obtained from the undersigned.

P. R. WILKINSON,
Commissioner of Crown Lands.

SCHEDULE.

WESTLAND FOREST-CONSERVATION REGION, WESTLAND LAND DISTRICT.

ALL the milling-timber on that area, containing approximately 97 acres, being portion of Section 7, Block V, Woodland Survey District (Provisional State Forest No. 37), about four miles from Tawanui Railway-station.

The total estimated quantity in board feet is 651,900, made up as follows:—

Species.	Board Feet.
Rimu	246,600
Beech	405,300
Total	651,900

Upset price: £461.

Time for removal of timber: One and a half years.

Terms of Payment.

A marked cheque for £83, together with £1 ls. (license fee), must accompany the tender, and the balance be paid by nine equal monthly instalments, the first of which shall be paid one month after the date of sale.

Terms of Sale.

1. All instalment-payments shall be secured by "on demand" promissory notes made and endorsed to the satisfaction of the Commissioner of State Forests, and interest at the rate of 1 per cent. per annum in excess of current bank overdraft rates will be charged on all notes overdue from the date of maturity to the date of payment.

2. The right to cut and remove the timber will be sold in accordance with the provisions of the Forests Act, 1921-22, the regulations in force thereunder, and these conditions.

3. The aforementioned qualities, quantities, and kinds as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, or kind as stated herein or in any advertisement having reference to the said timber.

4. The attention of all tenderers is drawn to the fact that the local controlling body may require the successful tenderer to pay any claims or charges which may be made by that body for the maintenance of the road over which the timber may be transported, and before a sawmill license is issued a letter indicating that satisfactory arrangements have been made in this connection must be produced to the undersigned.

5. A return, giving the number of logs cut of each species and their contents, must be made quarterly by the licensee on the last days of March, June, September, and December respectively in each year. A return must also be made on the same dates showing the output of sawn timber of each species. These returns may be ascertained and verified by inspection of the books of the mill, or by such other means as the Conservator may require, and for this purpose the accounts and books shall be open to the inspection of the Conservator, a Forest Ranger, or other duly authorized officer.

6. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.

7. Each tenderer must state the total price that he is prepared to pay for each species. The highest or any tender will not necessarily be accepted, and the timber described is submitted for sale subject to the final acceptance of the tender by the Commissioner of State Forests.

8. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the closing date for receipt of tenders.

9. If no tender is accepted for the timber herein mentioned it will remain open for application at the upset price until further notice.

10. Tenders should be on the special form obtainable from any office of the State Forest Service, and should be enclosed in envelopes addressed "Conservator of Forests, Invercargill," and endorsed "Tender for Timber."

The conditions which will be inserted in the license to be issued to the purchaser and further particulars may be obtained on application to the undersigned or to the Director of Forestry, Wellington.
