11. The holder of any existing securities converted into new securities (whether the conversion is on application or after failure to dissent) shall not be entitled to demand payment of any interest payable on the existing securities, or to receive the new securities or any interest thereon, until he has surrendered the existing securities to the local authority.

(2) For such purpose the local authority shall permanently appropriate a sum which bears the same proportion to the annual contribution payable, before the date of conversion, to the existing sinking fund of such loan as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the existing securities issued in respect of such loan, and shall pay such sum to the Commissioners yearly and every year until the maturity date of such unconverted securities, or until the Commissioners are satisfied that the accumulations of sinking fund will suffice to redeem such securities at maturity.

(3) The first of such yearly payments shall be made not later than one year after the date on which the last annual contribution payable before the date of conversion to the existing sinking fund of such loan was payable.

(4) Subject to the provisions of this Order, the provisions of sections forty to forty-four of the Local Bodies' Loans Act, 1926, shall, so far as applicable and with all necessary modifications, apply with respect to such sinking fund:

APPLICATION OF EXISTING SINKING FUNDS.

19. (1) The existing sinking fund of every loan referred to in the First Schedule hereto shall be applied by the Commissioners thereof in or towards making the following payments, in the following order of priority, namely:—

- (a) Firstly, in transferring to the Commissioners of the sinking fund hereinbefore required to be created for the unconverted securities issued in respect of such loan a sum which bears the same proportion to the amount of such existing sinking fund at the date of conversion as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the existing securities issued in respect of such loan;
- (b) Secondly, in payment, in accordance with the directions of the local authority, of any cash payments required or authorized by this Order to be made in respect of premiums;
- (c) Thirdly, so far as it will extend in repayment as at the date of conversion of the principal secured by the existing securities.

(2) Subject to the provisions of this Order, the provisions of the Local Bodies' Loans Act, 1926, and of any other Act shall, so far as applicable and with all necessary modifications, apply with respect to such special rate, and with respect to the principal, interest, and other charges in respect of such securities, as if such special rate were made and levied in respect of a special loan raised under Part I of the said Local Bodies' Loans Act, 1926.

(3) Upon the making of such special rate every special rate theretofore made in respect of any existing securities to which this Order applies shall cease to be a security for such existing securities.

1. PARAGRAPH 22 is hereby revoked, and the following substituted :—

“ Meritorious Service Medal.

“ 20. “ (2) the maximum number of these medals that may be awarded and held at any one time by serving personnel of the New Zealand Permanent Forces shall not exceed twenty : provided that the fixing of this establishment shall not entail the cancellation of any awards made prior to the coming into force of this regulation.

“ (3) Recommendations for the award will be in letter form, accompanied by certified copies of the conduct-sheets and records of service. They will be forwarded to General Headquarters by the Officer Commanding the Command in which the W.O. or N.C.O. is serving, and the O.C. Command will sign the recommendations. If the candidate is not serving in a command the recommendation will be signed by the Officer Commanding the unit or corps concerned.

“ (4) The names of candidates for the Meritorious Service Medal who are recommended and accepted shall be entered in a register at General Headquarters in the order in which such acceptance is approved, but awards will not be considered until there is a vacancy in the establishment referred to in subparagraph (2) of this regulation, provided that it shall be competent for the General Officer Commanding to approve of the award to an accepted candidate on his discharge from the New Zealand Permanent Forces.”

2. The following additional regulation is hereby made :—
