CONDITIONS.

1. REGULATIONS.

THIS license is subject to the Electrical Supply Regulations, 1927, and to the Electrical Wiring Regulations, 1927, and to any regulations made or to be made in amendment thereof or in substitution thereof, which regulations shall be deemed to be incorporated herein.

14. In the event of this Order in Council being revoked for any reason whatsoever, or upon the expiry of the period for which the license is granted, the company shall, if required by the Minister so to do, remove the said wharf and storage shed entirely from the site, and restore the site to its original condition within three months from the date of revocation or expiry, as the case may be; and, if the company fails so to do, the Minister may cause the said wharf and storage

shed to be removed and the site so restored, and may recover the costs incurred by the said removal and restoration from the company.
