2. The promissory notes will be presented at intervals as indicated above, but they may be presented for payment at earlier dates, if more than a due proportion of the timber is found to be cut, or should any breach of the conditions occur; or if, in the opinion of the Commissioner of Crown Lands, the interest of the Crown is jeopardized.

For the purposes of this sale, the foregoing description of the timber shall be taken as being sufficiently accurate as to quantities, qualities, and species; and no contract for the purchase of the timber shall be voidable, nor shall the purchaser be entitled to any abatement of price, by reason of any error or misdescription herein, or in any advertisement having reference to this sale; nor shall any extra sum be claimed by the Crown if the quantity of timber is found to be in excess of that stated herein.

6. All the timber, whether standing, felled, or in logs, shall remain the property of the Crown until the purchase of same has been completed.

7. Should any dispute arise as to any boundary, the decision of the Commissioner of Crown Lands shall be final.

8. If the timber is unsold at this offering, the right to purchase same at the upset price will remain open until further notice.

9. Any breach of the conditions of sale will render the "on demand" promissory notes liable for presentation for immediate payment.

10. The purchaser shall have the right to cut the timber for the period specified, but shall have no right to the use of the land.

11. The purchaser shall have the right to construct and use on the land such tranway or tramways as may be found necessary for the proper cutting, milling, and removal of the timber.

12. If at any time during the currency of the license it should appear that the timber on any area is being improperly cut, or that the interest of the Crown or of the settlers is being prejudiced, or for any other reason, the Commissioner may, by notice in writing to the licensee and his sureties—and without prejudice to any proceedings for damage done, recovery of any amount due on account of royalty, or otherwise—suspend the license pending investigation; and the Commissioner may cancel such license should it be found that its conditions have been infringed.

13. No compensation shall be made, nor shall any be claimed, for any error or discrepancy in these conditions, or for any misdescription of any lot.

14. The timber will be sold in accordance with the areas and boundaries shown on sale-maps which may be seen at the District Lands and Survey Office, Dunedin, where full particulars may be obtained.
