- (a) First, in transferring to the Commissioners of the sinking fund hereinbefore required to be created for the unconverted securities issued in respect of such loan a sum which bears the same proportion to the amount of such existing sinking fund at the date of conversion as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the existing securities in respect of which such sinking fund is held; and
- (b) Secondly, so far as it will extend, in payment, in accordance with the directions of the local authority of any cash payments required by this Order to be made in respect of premiums to which any holder is entitled on the conversion of any existing securities to which this Order applies.

(1) Subject to the provisions of this clause as to payment in cash, every premium to which any person is entitled under the last preceding clause shall be satisfied by issuing to him additional new securities for the amount of such premium, or so much thereof as is not paid in cash, as the case may be.

(2) The local authority shall pay in cash the amount (if any) required to reduce to the nearest multiple of five pounds the aggregate amount of all such premiums to which any person is entitled, and may, if it thinks fit, pay in cash the whole or any part of the balance of any such aggregate amount.

(3) All payments of cash in accordance with the last preceding subclause that are not made out of any sinking fund pursuant to the provisions of this Order (if any) in that behalf shall be made by the local authority out of moneys raised pursuant to the authority conferred by the next succeeding clause or out of the local fund.

(4) The power of the local authority to issue new securities in accordance with this Order shall be deemed to include the power to issue any additional new securities required for the purposes of this clause.

19. (1) For the purpose of providing for cash premium payments the local authority may create, issue, and sell at par new securities for an aggregate amount not exceeding six thousand seven hundred pounds, redeemable at par on such one or more of the maturity dates set out in the Third Schedule hereto, as may be determined by the local authority. The rate of interest payable on any new security issued pursuant to the authority conferred by this clause shall, notwithstanding anything to the contrary contained in clause fourteen of this Order, be such rate not exceeding four and one-quarter per centum per annum as may be determined by the local authority.

(2) Pending the raising of the moneys by the sale of any such new securities the local authority may borrow the said sum of six thousand seven hundred pounds or any part thereof by the hypothecation of such new securities at a rate of interest not exceeding five per centum per annum.

PLACE FOR PAYMENT OF PRINCIPAL AND INTEREST.

20. The principal and interest in respect of new securities shall be payable in New Zealand.

CONSOLIDATED SINKING FUND FOR NEW SECURITIES.

21. (1) In order to provide funds for the repayment of the new securities the local authority shall forthwith make provision for the creation, pursuant to a resolution of the local authority, of a consolidated sinking fund, of which the Public Trustee shall be the Commissioner.

(2) For such purpose the local authority shall permanently appropriate and shall pay to the Commissioner of the consolidated sinking fund on each of the maturity dates specified in the Third Schedule hereto, a contribution of two thousand and eighty-five pounds, increased in respect of each contribution by a sum equal to 2½ per centum of the aggregate amount of new securities redeemable up to and including the maturity date immediately preceding that on which such contribution is payable, and reduced by the aggregate of the sums which during the six months preceding the date of payment of such contribution have, pursuant to the provisions of the next succeeding clause, been paid to any sinking fund for unconverted securities. The proviso to subsection three of section twenty of the Electric-power Boards Amendment Act, 1927, shall not apply to any such part of the contribution as exceeds two thousand and eighty-five pounds.

(3) The provisions of subsections four, five, and six of section ninety-five of the Local Bodies' Loans Act, 1926, shall apply with respect to such sinking fund.

SINKING FUND FOR UNCONVERTED SECURITIES.

22. (1) If dissent is signified in accordance with the provisions of this Order from the conversion of any existing securities issued in respect of any loan in the First Schedule hereto for which a sinking fund was provided, the local authority, in order to provide funds for the repayment of the unconverted securities issued in respect of such loan, shall forthwith make provision for the creation, pursuant to a resolution of the local authority, of a sinking fund, of which the persons who at the date of conversion were Sinking Fund Commissioners in respect of such loan shall be the first Commissioners.

(2) For such purpose the local authority shall permanently appropriate a sum which bears the same proportion to the annual contribution payable, before the date of conversion, to the existing sinking fund of such loan as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the existing securities in respect of which such existing sinking fund is held, and shall pay such sum to the Commissioners yearly and every year until the maturity date of such unconverted securities, or until the Commissioners are satisfied that the accumulations of sinking fund will suffice to redeem such securities at maturity.

(3) The first of such yearly payments shall be made not later than one year after the date on which the last annual contribution payable before the date of conversion to the existing sinking fund of such loan was payable.

(4) Subject to the provisions of this Order, the provisions of sections forty to forty-four of the Local Bodies' Loans Act, 1926, shall so far as applicable and with all necessary modifications apply with respect to such sinking fund:

Provided that nothing in the said sections or in this Order shall authorize the removal or suspension of the Public Trustee as Commissioner of any sinking fund.

APPLICATION OF EXISTING SINKING FUND.

23. Where the whole of the securities issued in respect of any loan specified in the second column of the First Schedule hereto and outstanding at the date of conversion are not existing securities to which the Act applies, the existing sinking fund of such loan shall be divided into two parts, the first of which shall bear to the second the same proportion which the amount of the outstanding securities to which the Act applies bears to the amount of the outstanding securities to which the Act does not apply. The first part of such sinking fund shall be applied by the Commissioners thereof in accordance with the provisions of clause twenty-four hereof as if those existing securities issued in respect of the loan to which the Act applies were a separate loan to which that clause applies, and such first part of the sinking fund were the sinking fund of such separate loan, and the second part of such sinking fund shall be retained by the Commissioners as a sinking fund for those securities issued in respect of the loan to which the Act does not apply.

24. Subject to the provisions of clause twenty-three hereof, the existing sinking fund of every loan referred to in the First Schedule hereto shall be applied by the Commissioners thereof, so far as it will extend, in or towards making the following payments, in the following order of priority, namely:—

- (a) First, in transferring to the Commissioners of the sinking fund hereinbefore required to be created for the unconverted securities issued in respect of such loan a sum which bears the same proportion to the amount of such existing sinking fund at the date of conversion as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the existing securities in respect of which such sinking fund is held;
- (b) Secondly, in payment, in accordance with the directions of the local authority, of any cash payments required by this Order to be made in respect of premiums to which any holder is entitled on the conversion of any existing securities to which this Order applies (whether issued in respect of such loan or of any other loan referred to in the First Schedule hereto); and
- (c) Thirdly, in transferring the balance to the Commissioner of the consolidated sinking fund hereinbefore required to be created for the new securities, to be held as part of that sinking fund.

CONSOLIDATED SPECIAL RATE.

25. (1) As a security for the new securities and the unconverted securities the local authority shall forthwith, by resolution gazetted (in the form numbered (4) in the Second Schedule hereto), make and levy a special rate over the whole of the district of the local authority to provide for the payment of interest, sinking fund, and other charges in respect of such securities.

(2) Subject to the provisions of this Order, the provisions of the Local Bodies' Loans Act, 1926, and of any other Act shall, so far as applicable and with all necessary modifications, apply with respect to such special rate, and with respect to the interest and other charges in respect of such securities, as if such special rate were made and levied in respect of a special loan raised under Part I of the said Local Bodies' Loans Act, 1926, and as if the local authority were a local authority and its district a district within that Act.

(3) Upon the making of such special rate every special rate theretofore made in respect of any existing securities to which this Order applies shall cease to be a security for such existing securities.

SECURITIES HELD BY TRUSTEES.

26. The provisions of sections twenty-two, twenty-three, and twenty-four of the New Zealand Debt Conversion Act, 1932-33 (relating to the adjustments of premiums as between capital and income and to the powers of trustees and other persons in relation thereto), shall apply with respect to existing securities converted into new securities in accordance with this Order in the same way as they apply with respect to securities converted under that Act, save that the references in the said section twenty-two to the first day of April, one thousand nine hundred and thirty-three, shall be construed as references to the day following the date of conversion.

BROKERAGE.

27. The local authority shall not, in respect of the conversion into new securities of any existing securities to which this Order applies, enter into any contract for the payment of brokerage at a rate exceeding one-quarter per centum of the amount of such existing securities.

(3) Subject to the foregoing provisions of this clause and to the express wish of any holder who desires to have the maturity date of his securities postponed, the maturity dates of the new securities shall as nearly as practicable be in the same chronological order as the maturity dates of the existing securities in conversion of which they are respectively issued.

(3) The first of such yearly payments shall be made not later than one year after the date on which the last annual contribution payable before the date of conversion to the existing sinking fund of such loan was payable.

(4) Subject to the provisions of this Order, the provisions of sections one hundred and fifteen to one hundred and nineteen of the Harbours Act, 1923, shall, so far as applicable and with all necessary modifications, apply with respect to such sinking fund:

The said parts shall be applied as follows:—

- (a) The first part of such sinking fund shall be applied by the Commissioner thereof in accordance with the provisions of clause twenty-three hereof as if the existing securities issued in respect of the loan and held by the Public Trustee were a separate loan to which that clause applies and such first part of the sinking fund were the sinking fund of such separate loan.
- (b) The second part of such sinking fund shall be applied by the Commissioner thereof in accordance with the provisions of clause twenty-four hereof as if the existing securities issued in respect of the loan and held by persons other than the Public Trustee were a separate loan to which that clause applies and such second part of the sinking fund were the sinking fund of such separate loan.

- (a) First, in transferring to the Commissioner of the sinking fund hereinbefore required to be created for the unconverted securities issued in respect of such loan a sum which bears the same proportion to the amount of such existing sinking fund at the date of conversion as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the existing securities in respect of which such sinking fund is held;
 - (b) Secondly, as far as it will extend to the nearest multiple of five pounds, in repayment as at the date of conversion of the principal secured by the existing securities issued in respect of such loan and held by the Public Trustee; and
 - (c) Thirdly, in transferring the balance to the Commissioner of the consolidated sinking fund hereinbefore required to be created for the new securities, to be held as part of that sinking fund.
- (2) Interest up to the date of conversion on any existing securities so repaid in accordance with paragraph (b) of the last preceding subclause shall be paid by the local authority out of the local fund.

- (a) First, in transferring to the Commissioners of the sinking fund hereinbefore required to be created for the unconverted securities issued in respect of such loan a sum which bears the same proportion to the amount of such existing sinking fund at the date of conversion as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the existing securities in respect of which such sinking fund is held;
- (b) Secondly, in payment, in accordance with the directions of the local authority, of any cash payments required by this Order to be made in respect of premiums to which any holder is entitled on the conversion of any existing securities to which this Order applies (whether issued in respect of such loan or of any other loan referred to in the First Schedule hereto); and

(2) Subject to the provisions of this Order, the provisions of the Local Bodies' Loans Act, 1926, and of any other Act, shall so far as applicable and with all necessary modifications, apply with respect to such special rate, and with respect to the interest and other charges in respect of such securities, as if such special rate were made and levied in respect of a special loan raised under Part I of the Local Bodies' Loans Act, 1926.

(3) Upon the making of such special rate every special rate theretofore made in respect of any existing securities to which this Order applies shall cease to be a security for such existing securities.

Land in Canterbury Land District for License by Tender.

District Lands and Survey Office,
Christchurch, 6th November, 1934.

NOTICE is hereby given that the undermentioned land is offered for license by tender under the provisions of the Land Act, 1924, and the Public Reserves, Domains, and National Parks Act, 1928, and that tenders addressed to the Commissioner of Crown Lands and marked "Tender, Quail Island," will close at the Lands and Survey Office, Christchurch, at 4 p.m. on Monday, 10th December, 1934.

SCHEDULE.

CANTERBURY LAND DISTRICT.—HALSWELL SURVEY
DISTRICT.—QUAIL ISLAND.

BLOCK XIV: Area, 172 acres. Minimum annual rent, £70.

Quail Island is situated in the upper reaches of Lyttelton Harbour, Christchurch, about two miles and a half from Lyttelton Wharves. There is no permanent water on the island, but water is conserved in dams, concrete tanks, and a concrete reservoir, and water is laid on to troughs in some of the paddocks. The all-round carrying capacity would be about 150 ewes, 10 to 12 head cattle, 2 horses. There is approximately 160 acres of open area suitable for grazing, while there is a fair area suitable for cultivation for feed purposes if desired. The present condition of the island is generally in a very rough, neglected state, and a good deal of burning and cleaning will be necessary to bring the pastures into a productive state.

The property is well subdivided into several small and fair sized paddocks, and there are two good wharves on the island.

The buildings included in the license comprise a five-roomed dwelling and a good range of outbuildings. There is also a cottage of two rooms (lined, with built-in wardrobes, detached washhouse, &c.) and a twelve-roomed building with water-supply, suitable for letting to holiday parties. Wool-shed, yards, and dip in bad repair. There are several good beaches and excellent fishing. The property is eminently suitable for use as a stud farm.

Conditions.

1. Six months' rent at the rate offered and £1 1s. license fee must be deposited on acceptance of tender.
2. The license shall be for a term of five years with right of renewal for one further term of five years at a rental to be fixed by the Canterbury Land Board.
3. The licensee shall have the use of all buildings erected on the land other than the present quarantine loose-boxes and dog-kennels.
4. The licensee shall reside on the island and be responsible for the care of all buildings thereon, including the oversight as caretaker of the present quarantine loose-boxes and kennels.
5. The licensee shall repair and at all times during the term keep in repair up to their present state all buildings, fences, &c., at present existing on the land and included in the license, and so yield up the same at the termination of the license, and

shall paint all buildings at least once during the term of the license with two coats of well-prepared best-quality English paint.

6. The licensee shall not assign his interest in the license of the said lands or any part thereof without having first obtained the consent of the Commissioner of Crown Lands, Christchurch, but he may sublet the buildings included in the license, subject, however, to a bond being given for the sum of £150 against possible damage to the buildings and other improvements on the land by the licensee or sub-licensees.

7. The licensee shall free and keep free the said land from gorse, brier, broom, blackberry, ragwort, Californian thistle, cottonbush, manuka, foxglove, fennel, and other noxious plants and from rabbits and all other vermin to the satisfaction of the Commissioner of Crown Lands or any officer appointed by him in that behalf.

8. The licensee shall not cultivate the land without the prior written consent of the Commissioner of Crown Lands, and any land broken up must be sown down in permanent pasture to the satisfaction of the Commissioner of Crown Lands.

9. The licensee shall not erect any further buildings or effect other improvements without the prior consent of the Commissioner of Crown Lands.

10. The licensee shall not disturb or remove any shells or other marine deposits upon or about the island, nor permit any other person to do so, except with the prior written consent of the Commissioner of Crown Lands first had and obtained.

11. The licensee shall not use the land or permit its use as a picnic resort except with the prior written consent of the Commissioner of Crown Lands, and then only subject to such conditions and restrictions as may be imposed.

12. The right of quarantining stock on portion of the eastern end of the island containing 22½ acres, on prior notice being given, is reserved to the Crown.

13. Right of access to the island at all reasonable times is reserved in favour of the Commissioner of Crown Lands or any person duly authorized by him, also the Agriculture and Health Departments respectively, or their representatives.

14. The licensee shall pay the rent under the license, half-yearly in advance, free from all deductions whatsoever.

15. The licensee shall pay all rates, taxes, and other assessments that may be levied on the land.

16. The licensee shall insure in the name of the Commissioner of Crown Lands and keep insured during the currency of the license to their full insurable value, in the State Fire Insurance or other reputable insurance office to be approved by the Commissioner of Crown Lands, all buildings and erections at present existing on the demised land.

17. The small area used as a cemetery is excluded from the license, and the licensee shall repair and keep stock-proof the fence surrounding the same.

18. The license may be determined at any time either as to the whole or part of the demised land by the Commissioner of Crown Lands giving to the licensee twelve months' notice in writing of such intention.

19. The licensee shall not be entitled to any compensation on account of improvements or for resumption as aforesaid, but he may upon the expiration or sooner determination of the license remove all improvements effected by him but not otherwise.

20. The license shall be liable to forfeiture in case the licensee shall fail to fulfil any of the conditions of the said license within thirty days after the date on which the same ought to have been fulfilled.

Further particulars are obtainable from the undersigned.
