(2) For such purpose the local authority shall permanently appropriate a sum which bears the same proportion to the annual contribution payable, before the date of conversion, to the existing sinking fund of such loan as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the existing securities in respect of which such existing sinking fund is held, and shall pay such sum to the Commissioner yearly and every year until the maturity date of such unconverted securities, or until the Commissioner is satisfied that the accumulations of sinking fund will suffice to redeem such securities at maturity.

(3) The first of such yearly payments shall be made not later than one year after the date on which the last annual contribution payable before the date of conversion to the existing sinking fund of such loan was payable.

(4) Subject to the provisions of this Order, the provisions of sections forty to forty-four of the Local Bodies' Loans Act, 1926, shall, so far as applicable and with all necessary modifications, apply with respect to such sinking fund.

(b) Secondly, as far as it will extend, in repayment as at the date of conversion of the principal secured by the existing securities issued in respect of such loan.

(2) Interest up to the date of conversion on any existing securities so repaid in accordance with paragraph (b) of the last preceding subclause shall be paid by the local authority out of the local fund.

(2) Subject to the provisions of this Order, the provisions of the Local Bodies' Loans Act, 1926, and of any other Act shall, so far as applicable and with all necessary modifications, apply with respect to such special rate, and with respect to the principal, interest, and other charges in respect of such securities, as if such special rate were made and levied in respect of a special loan raised under Part I of the said Local Bodies' Loans Act, 1926.

(3) Upon the making of such special rate every special rate theretofore made in respect of any existing securities to which this Order applies shall cease to be a security for such existing securities.

Notice to Persons in whom is vested Ecclesiastical Authority over Religious Bodies.

Office of the Registrar-General,
Wellington, 27th November, 1934.

THE attention of the persons or person within the Dominion of New Zealand in whom is vested ecclesiastical authority over any of the religious bodies enumerated in the Third Schedule annexed to an Act of the General Assembly of New Zealand intitled the Marriage Act, 1908, and of all other persons concerned, is directed to the 11th section of the above-mentioned Act, requiring the several ecclesiastical authorities as aforesaid to send in to the Registrar-General, in the month of December in every year, a correct list of their Officiating Ministers within the meaning of the Marriage Act, 1908, of each of the said religious bodies.

The following are the religious bodies above referred to:—

- The Church of the Province of New Zealand, commonly called the Church of England.
- The Presbyterian Church of New Zealand.
- The Roman Catholic Church.
- The Methodist Church of New Zealand.
- All Congregational Independents.
- Baptists.
- The Lutheran Church.
- All Hebrew Congregations.
- The Society of Friends.
- The Salvation Army.

In default of any person having ecclesiastical authority over any of the religious bodies named above, the name of the Officiating Minister of any congregation of such religious body may be certified to by two recognized office-bearers thereof.

A minister of religion not connected with any of the aforesaid bodies must send to the Registrar-General in the month of December in each year a certificate signed—

- (a) By the recognized head in New Zealand of the religious body to which he belongs; or
- (b) By two duly recognized ministers of such religious body; or
- (c) By ten adult members thereof, who append to their signatures their description as being such members, declaring that such minister is their Officiating Minister, the said signatures and descriptions being attested by some person who shall verify the signatures to the certificate as the genuine signatures of the persons whose they purport to be, by a statutory declaration signed by such person and appended to the certificate.

In each case enumerated under paragraphs (a), (b), and (c) above, the Minister of Justice must be satisfied that the body of persons named in the certificate is a religious body, and that the applicant is a minister of religion and is a person of good character and otherwise qualified to act as an Officiating Minister. In the case of the religious body known as "Brethren" a special form of certificate will be supplied on application.

Neglect in sending the certificate will deprive the minister of his status as an Officiating Minister under the Marriage Act.

A woman shall not be disqualified by reason of her sex from being an Officiating Minister within the meaning of the Marriage Act, or from having her name entered upon the List of Officiating Ministers compiled for the purposes of that Act.

(N.B.—It is requested that the *Christian names* and the *addresses* of the several ministers may be specified in the lists sent in to the Registrar-General.)

In order to obviate the necessity for further inquiry, it is also requested that the reason for omitting the name of any minister be stated (such as on account of death, absence from New Zealand, or as the case may be).

ADMIRALTY PUBLICATIONS.—NEW CHART.

A NEW chart, No. 2532, Banks Peninsula to Otago Peninsula, dated 3rd September, 1934, has been published by the Hydrographer and may be purchased at Mercantile Marine Offices in the Dominion.

The coastline and topography is taken from surveys made by the New Zealand Lands and Survey Department, 1889–1926. The soundings and coastline, from near Vulcan Point to Cape Saunders, are from a survey made by the Otago Harbour Board, 1931.

Insets of Timaru and Oamaru harbours from surveys made by the respective Harbour Boards in 1933 are also shown.

The issue of the chart cancels all existing copies and also the caution and remarks made in sailing directions concerning the incorrect charting of the coastline between Timaru and Banks Peninsula.
