WELLINGTON, FRIDAY, MARCH 29, 1935.

Teachers' Register.

THE following register of teachers is issued under the authority of the Minister of Education in accordance with the provisions of the Education Amendment Act, 1924.

The register contains the names of the following persons:—

(a) Every person who is permanently employed as a "teacher" within the meaning of the Act.

(b) Every person who though not permanently employed as a teacher on the 1st of January, 1935, was the holder of a teacher's certificate or a license to teach and who, not having notified his or her retirement from the teaching profession, is known to have been actively engaged in the work of education at some time within the last two years.

Where a teacher's certificate is held the class is shown in each case. The abbreviation "Lic." under the heading of "Certificate" signifies that the teacher holds a license to teach only.

Primary, secondary, or technical grading is shown under the heading "Grading." "P. 100" e.g., denotes a primary grading 100, "Sec. C" a secondary grading of Grade C, and "Tech. D II, C V" a technical grading of Division II, Class V. Under this heading also will be shown the nature of the employment of the following other persons engaged in educational work. The abbreviations used are shown in parentheses: Inspectors of Schools (Insp.), Lecturers in Training Colleges (Tr. Coll.), Professors and Lecturers in Universities (Univ.), Departmental Officers (Dept.).

The register also serves the purpose of an alphabetical index to the general graded list of primary-school teachers published in Part II below. The district in which a primary-school teacher is engaged may be ascertained by referring to the graded list.

N. T. LAMBOURNE, Director of Education.

PART II.

General Graded List of Primary-school Teachers.

The following general graded list of teachers is issued in accordance with the regulations for the grading of primary-school teachers, and is, with any amendments thereto, to remain in force until the publication of the new general list in 1936. The list shows the order of merit in which teachers have been placed by the grading officers.

Included are the names of all certificated teachers who were employed in public schools or Native schools on the 31st December, 1934, and of such other certificated teachers who made special application to be graded in accordance with Regulation 3.

The abbreviations used in the columns showing the class of position held by the teacher are as follows: H (head teacher); S (sole teacher); A (assistant teacher); D (assistant in the secondary department of a district high school).

The education districts in which teachers have been graded are shown under the heading "District."

In accordance with clause 19 of the regulations each teacher is being supplied with the separate marks on which his grading has been determined, such information to be treated as confidential.

Attention is drawn to the regulations, under which any teacher who considers that he has good ground of objection to the position assigned to him on the graded list may lodge an appeal by letter to reach the Director of Education not later than forty clear days after the publication of the list in the *New Zealand Gazette*—i.e., appeals must reach the Department not later than the 9th May, 1935. An appeal must be made on the prescribed form, which may be obtained on application to the Director of Education, Wellington, must contain a complete and definite statement of the grounds on which the appeal is based, and must be accompanied by a receipt for the payment of a fee of 10s. 6d. to the Public Account at a branch of the Bank of New Zealand. The 10s. 6d. fee will be refunded if the appeal is successful.

The Teachers' Register published in Part I serves as an index to the graded list.

N. T. LAMBOURNE, Director of Education.
