Order in Council validating the Proceedings in connection with the Conversion of certain Loans by the Tararua Electric-power Board.

MICHAEL MYERS,

Administrator of the Government.

ORDER IN COUNCIL.

At the Government House at Wellington, this 10th day of April, 1935.

Present :

HIS EXCELLENCY THE ADMINISTRATOR OF THE GOVERNMENT
IN COUNCIL.

WHEREAS by the Tararua Electric-power Board Loans Conversion Order, 1934, made under the authority of Part II of the Local Authorities Interest Reduction and Loans Conversion Act, 1932-33, on the fourteenth day of December, one thousand nine hundred and thirty-four, and published in the *Gazette* of the twentieth day of December, one thousand nine hundred and thirty-four, it was provided that the Tararua Electric-power Board, if it so resolved by a resolution passed and confirmed as provided by subsection two of section nine of the said Act, might, subject to and in accordance with the provisions of such Order, issue new securities in conversion of existing securities to which such Order applied :

And whereas the said Tararua Electric-power Board duly passed at a special meeting held on the eighteenth day of January, one thousand nine hundred and thirty-five, and confirmed at a subsequent meeting of the said Board on the fifteenth day of February, one thousand nine hundred and thirty-five, a resolution intended by the said Board to be the resolution required by the said subsection two of section nine :

And whereas the said resolution is defective or irregular for inaccurate and insufficient description of the powers under which it is made and the securities to which it refers :

And whereas it is expedient that the proceedings of the Tararua Electric-power Board be validated in so far as they are affected by the defects or irregularities of such resolution :

And whereas it is provided by clause six, subclause one, of the said Order that the local authority shall cause a notice in the form prescribed by the said Order to be published not later than fourteen days before the date of conversion at least once in the *Gazette*, and where the address of any holder of existing securities to which the Order applies is known shall forward by registered letter to such holder a copy of such notice accompanied by a copy of the said Order :

And whereas the local authority has duly forwarded by registered letter a copy of such notice accompanied by a copy of the said Order to all the holders of existing securities to which the said Order applies but has omitted to publish such notice not later than fourteen days before the date of conversion at least once in the *Gazette* as required by the said Order :

And whereas such notice in the form prescribed by the said Order provides that dissent from the conversion of any security may be signified by the holder by notice in writing on or before the date provided in clause nine (a) of the said Order being any time before the expiration of fourteen days from the date of conversion :

And whereas clause five of the said Order provides that the date of conversion shall be the thirty-first day of March, one thousand nine hundred and thirty-five:

And whereas the date shown in such notice is the fourteenth day of March, one thousand nine hundred and thirty-five, instead of the correct date—the fourteenth day of April, one thousand nine hundred and thirty-five:

And whereas it is now impossible to publish such notice in the *Gazette* not later than fourteen days before the date of conversion:

And whereas it is expedient that the proceedings of the Tararua Electric-power Board be validated in so far as they are affected by the invalidity of the said notice for the incorrect date by which dissent to conversion may be signified and the omission of the said Board to cause such notice to be published at least once in the *Gazette* as required by the said Order:

Now, therefore, His Excellency the Administrator of the Government of the Dominion of New Zealand, in pursuance and exercise of the powers and authorities conferred on him by section two of the Local Authorities Interest Reduction and Loans Conversion Amendment Act, 1934, and of all other powers and authorities enabling him in this behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby validate the proceedings in connection with the conversion of the loans to which the said Order applies to all intents and purposes as though the said resolution had been duly passed and confirmed free from insufficient and inaccurate description, and as though the said notice required by the said Order had not been invalid by reason of the incorrect statement of the date by which dissent could be notified, and the omission of the said Board to cause such notice to be published in the *Gazette* as required by the said Order, and neither the proceedings of the said Tararua Electric-power Board in connection with the conversion of the said loans nor any new securities issued in conversion of existing securities to which the said Order applies shall be questioned in any Court on the grounds of the said insufficient or inaccurate description in the said resolution, or the invalidity of the said notice, or the omission of the said Board to cause such notice to be published in the *Gazette* as required by the said Order.

Acting Clerk of the Executive Council.
