HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS it is provided by section nine of the Local Authorities Interest Reduction and Loans Conversion Act, 1932-33, that, with the precedent consent of the Governor-General, given by Order in Council under section thirteen of the said Act, after compliance with the provisions of Part II of the Act, and subject to and in accordance with the provisions of such Order in Council, any local authority may issue new securities in conversion of any existing securities to which the said Act applies:

And whereas by the said section thirteen it is further provided that the Governor-General, by the Order in Council giving his consent to the conversion of existing securities by a local authority, may make such provisions as he thinks fit with respect to all or any of the matters specified in the said section, and that, subject to the provisions of the said Act, every Order in Council under the said section shall have the force of law as if enacted in the said Act, anything to the contrary in any other Act or in any regulations made under the said Act or any other Act notwithstanding:

And whereas it is provided by section twelve of the Local Authorities Interest Reduction and Loans Conversion Amendment Act, 1934, that any Order in Council under the said section thirteen may make provision that any securities that are not otherwise convertible under the Act may, with the consent of the holder thereof, be converted in accordance with the terms of such Order in Council:

And whereas the Waitemata Electric-power Board (being a local authority within the meaning of the said Act) has issued securities in respect of the loan specified in the First Schedule hereto, and such securities, by reason of the fact that the place fixed for payment of interest and principal in respect thereof is not in New Zealand, are not convertible otherwise than with the consent of the holder thereof:

And whereas the said local authority, being desirous, with the consent of the holder of such securities, of issuing new securities in conversion thereof, has complied with the provisions of Part II of the said Act, and it is expedient that the precedent consent of the Governor-General to such conversion should be given as required by the said Act, and that by this Order the provisions hereinafter set forth should be made with respect to the matters specified in the said section thirteen:

(b) Secondly, as far as it will extend to the nearest multiple of five pounds, in repayment as at the date of conversion of the principal secured by the existing securities issued in respect of such loan and held by the Public Trustee; and

(1) As a security for the new securities and the unconverted securities the local authority shall forthwith, by resolution gazetted (in the form numbered (4) in the Second Schedule hereto), make and levy a special rate to provide for the payment of interest, sinking fund, and other charges in respect of such securities. Such consolidated special rate shall, pursuant to the provisions of section six of the Local Authorities Interest Reduction and Loans Conversion Amendment Act, 1934, be made and levied on such differential basis for the several ridings of the county as may be prescribed by the resolution.
