SCHEDULE.

Regulations for the Government and Payment of the New Zealand Division of the Royal Navy, 1929.

Insert new Article 63:—

"63. Promotion to Commissioned Rank.—Ratings of the following branches of the New Zealand Division are eligible to be considered for promotion to Commissioned Rank in the Royal Navy:—

"Seaman Branch	.. }	To Acting Sub-Lieutenant,
"Communications Branch	.. }	Royal Navy.
"Engine Room Artificer	.. }	To Acting Sub-Lieutenant (E),
Branch	.. }	Royal Navy.

"2. The qualifications required of candidates from any of these branches, and the system of selection, will be regulated by the provisions of King's Regulations and Admiralty Instructions, Appendix XII, Parts 3 and 7, and of Admiralty Fleet Orders in force for the time being.

"3. As a preliminary step, New Zealand ratings who are recommended by their Commanding Officers for promotion will be required to pass a selection committee appointed by the Commodore Commanding the New Zealand Station, or, in his absence, by the Naval Board. Subject to the approval of the Naval Board, a candidate who is recommended by the committee may then be transferred on a 'course' basis to the Home or Mediterranean Fleet.

"4. Having regard to the fact that New Zealand ratings are serving under certain conditions which are not provided for in the King's Regulations quoted in paragraph 2, instructions will be promulgated from time to time in Navy Orders adjusting points of procedure to ensure that men who may be regarded as eligible for promotion are trained on the same lines as ratings of the Royal Navy, and to enable them to be judged strictly on their merits in competition with those ratings.

"The number of candidates to be transferred for service in the Home or Mediterranean Fleet in any year will be decided by the Naval Board when the reports of the New Zealand Division Selection Committee have been considered.

"5. Commanding Officers are to give any rating who is recommended by them for promotion clearly to understand that candidature for Commissioned Rank involves:—

"(i) Competition on equal terms with ratings in the Royal Navy.

"(ii) Service on a training or course basis in a ship of the Royal Navy for not less than six months before appearing before the Fleet Selection Board.

"(iii) Disposal as directed by the New Zealand Naval Board and subject to the concurrence of the Lords Commissioners of the Admiralty at any time if it appears that the candidate's conduct is unsatisfactory or if there is no likelihood of his name being recommended by the Fleet or Final Selection Boards.

"6. Candidates who are selected for promotion to Commissioned Rank in the Royal Navy will be discharged from the New Zealand Division of the Royal Navy as from the date of selection for promotion to the rank of Acting Sub-Lieutenant or Acting Sub-Lieutenant (E).

"7. Subject to the provisions of clause 25, Part 3, and clause 14, Part 7, of Appendix XII of the King's Regulations and Admiralty Instructions, candidates who are selected by the Lords Commissioners of the Admiralty for promotion to Commissioned Rank will be granted permanent commissions in the Royal Navy. They will receive pay at Royal Navy rates from the date of selection. They will have no claim to service on the New Zealand Station, but they may volunteer as opportunity offers for such service under the conditions applicable to officers of the Royal Navy in general.

"8. The amount of deferred pay which has accrued to a rating to the date of his selection will be transferred to the Lords Commissioners of the Admiralty. From that date Their Lordships will accept full liability for retired pay, gratuity, widow's pensions, &c., at the rates applicable to officers of the Royal Navy."

Article 134, clause 2: Add new clause 2A:—

"Deferred pay which has accrued to the credit of a rating who is selected for promotion to Commissioned Rank in the Royal Navy will be paid over to The Lords Commissioners of the Admiralty (see Article 63)."
