CITATION.

1. These regulations may be cited as the Customs (Aircraft) Regulations, 1935, and shall be deemed part of the Customs Regulations published in the *Gazette* on the 2nd day of July, 1914.

INTERPRETATION.

2. For the purposes of these regulations—

“Aircraft” includes all balloons, whether fixed or free, kites, gliders, airships, and flying-machines :

“Aerodrome” means any definite and limited ground or water area intended to be used and capable of being used either wholly or in part for the landing or departure of aircraft :

“Examination station” means a place at a Customs aerodrome appointed by the Minister of Customs as a place for the examination by the Customs of goods subject to the control of the Customs :

“Pilot” includes person in charge :

Other expressions have the same meaning as in the Customs Act, 1913, and regulations thereunder.

CUSTOMS AERODROMES.

3. (i) The Minister of Customs may, subject to the concurrence of the Minister of Defence and subject to such conditions as to security and otherwise as he thinks fit, by Warrant under his hand appoint aerodromes as “Customs aerodromes” for purposes of the Customs Act, and may in like manner and with the like concurrence revoke any such appointment.

(ii) The Minister of Customs may, subject to the concurrence of the Minister of Defence, by Warrant under his hand, and subject to such conditions as to security or otherwise as he thinks fit, appoint at any Customs aerodrome places for the examination by the Customs of goods subject to the control of the Customs, and may in like manner and with the like concurrence revoke any such appointment.

ARRIVAL AT CUSTOMS AERODROMES.

4. An aircraft arriving in New Zealand from parts beyond the seas shall not land in New Zealand for the first time in any journey except at a Customs aerodrome unless with the prior permission of the Comptroller of Customs :

Provided that this clause shall not apply where an aircraft is compelled to land before arriving at a Customs aerodrome owing to accident, stress of weather, or unavoidable cause, in which event the procedure laid down in clause 12 of these regulations shall be followed.

(5) (i) No person in any aircraft entering New Zealand shall carry or allow to be carried in the aircraft any goods the importation of which is prohibited under the Customs Acts.

(ii) No person in any aircraft entering New Zealand shall break or alter any seal placed upon any part of the aircraft or upon any goods therein by a Customs or Revenue Officer at the aerodrome from which he departed for New Zealand, other than upon stores for the consumption of the persons on the aircraft during the journey to New Zealand.

ARRIVAL AT CUSTOMS AERODROME FROM ABROAD.

7. The pilot of an aircraft arriving at a Customs aerodrome from parts beyond the seas shall, on landing, forthwith take his aircraft to the examination station at that aerodrome :

Provided that a pilot shall not be deemed to have contravened or failed to comply with this regulation if he proves that circumstances over which he had no control prevented him from taking his aircraft to the examination station, and that, after the report required by clause 8 of these regulations had been duly made by him, all goods carried in the said aircraft were removed to the examination station in the presence of an officer of Customs.

8. (1) Immediately after the landing at any Customs aerodrome of an aircraft from parts beyond the seas or within such period of time as may in any particular case be permitted by the Collector of Customs, the pilot or owner shall—

 Clerk of the Executive Council.

Egmont County Loans Conversion Order, 1935.

GALWAY, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 21st day of October, 1935.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS it is provided by section nine of the Local Authorities Interest Reduction and Loans Conversion Act, 1932-33, that, with the precedent consent of the Governor-General, given by Order in Council under section thirteen of the said Act, after compliance with the provisions of Part II of the Act, and subject to and in accordance with the provisions of such Order in Council, any local authority may issue new securities in conversion of any existing securities to which the said Act applies :

And whereas by the said section thirteen it is further provided that the Governor-General, by the Order in Council giving his consent to the conversion of existing securities by a local authority, may make such provisions as he thinks fit with respect to all or any of the matters specified in the said section, and that, subject to the provisions of the said Act, every Order in Council under the said section shall have the force of law as if enacted in the said Act, anything to the contrary in any other Act or in any regulations made under the said Act or any other Act notwithstanding :

And whereas the Egmont County Council (being a local authority within the meaning of the said Act) has issued securities in respect of the loans specified in the First Schedule hereto, and such securities are existing securities to which the said Act applies :

And whereas the said local authority, being desirous of issuing new securities in conversion of such existing securities, has complied with the provisions of Part II of the said Act, and it is expedient that the precedent consent of the Governor-General to such conversion should be given as required by the said Act, and that by this Order the provisions hereinafter set forth should be made with respect to the matters specified in the said section thirteen :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, and in pursuance and exercise of the powers and authorities conferred on him by the said Act, and of all other powers and authorities enabling him in this behalf, doth hereby consent to the issue by the said local authority of new securities in conversion of any existing securities to which this Order applies, and with respect to such conversion doth hereby make the following provisions.

PRELIMINARY.

1. This Order may be cited as the Egmont County Loans Conversion Order, 1935.
2. In this Order, unless the context otherwise requires,—
 - “The Act” means the Local Authorities Interest Reduction and Loans Conversion Act, 1932-33 :
 - “The date of conversion” means the date specified in clause five of this Order :
 - “Existing securities” means debentures or other securities issued before the first day of April, one thousand nine hundred and thirty-three; and includes any securities issued on or after that date, but before the date of conversion, in replacement (as that term is defined in the Act) of any such securities :
 - “The local authority” means the Egmont County Council :
 - “Local fund” has the same meaning as in Part V of the Local Bodies' Loans Act, 1926 :
 - “New securities” or “new debentures” means securities or debentures issued in accordance with this Order in conversion of existing securities to which this Order applies :
 - “Unconverted securities” means existing securities to which this Order applies and in respect of which dissent from conversion is signified in accordance with the provisions of this Order.

APPLICATION OF ORDER.

3. This Order shall apply to all existing securities issued in respect of the loans specified in the First Schedule hereto.

SPECIAL RESOLUTION OF LOCAL AUTHORITY.

4. (1) If the local authority so resolves by a resolution passed and confirmed as provided by subsection two of section nine of the Act, it may, subject to and in accordance with the provisions of this Order, issue new securities in conversion of existing securities to which this Order applies.

(2) The following provisions of this Order shall come into force if such a resolution is passed and confirmed as aforesaid, but not otherwise :

Provided that a certificate signed by the Chairman of the local authority and published in the *Gazette* to the effect that such a resolution has been duly passed and confirmed shall be conclusive evidence of the facts therein certified.

DATE OF CONVERSION.

5. The date from which the conversion of existing securities into new securities shall take effect shall be the thirtieth day of November, one thousand nine hundred and thirty-five.

NOTICE TO HOLDERS OF EXISTING SECURITIES.

6. (1) The local authority shall cause a notice in the form numbered (1) in the Second Schedule hereto to be published, not later than the date of conversion, at least once in the *Gazette*, and where the address of any holder of existing securities to which this Order applies is known, shall forward by registered letter to such holder a copy of such notice accompanied by a copy of the prospectus (if any) issued by the local authority, or by a copy of this Order.

(2) In addition to the notices required by the last preceding subclause, the local authority may give such further notice in relation to the conversion (whether by way of advertisement or otherwise) as it thinks fit.

RIGHT TO APPLY FOR OR DISSENT FROM CONVERSION.

7. The holder of any existing securities to which this Order applies may make application to the local authority in writing for the conversion of such securities into new securities in accordance with this Order. Every application under this clause shall be accompanied by the securities to which it relates.

8. If the holder of any existing securities to which this Order applies does not, within the time and in the manner provided by this Order, signify his dissent from the conversion of such securities into new securities, the existing securities shall be converted into new securities in the same manner as if application had been made under the last preceding clause.

9. Dissent from the conversion of any existing securities may be signified—

(a) At any time before the expiration of fourteen days from the date of conversion ;

or

(b) If the holder of the securities (or, where the holder is a trustee, any person whose consent would, but for this Order, be required for conversion) is during the whole of the time between the date of the publication of this Order in the *Gazette* and the expiration of the period referred to in the last preceding paragraph absent from New Zealand, at any time before the expiration of three months from the date of conversion ; or

(c) In the case of any particular holder, within such further time as the local authority may, on account of special circumstances, in its discretion allow.

10. The dissent of the holder of any existing securities from the conversion of those securities into new securities shall be signified in writing, and shall be deemed to be signified when such writing is received by the local authority or by any person authorized by the local authority to receive it.

SURRENDER OF CONVERTED SECURITIES, AND PAYMENT OF INTEREST THEREON.

11. The holder of any existing securities converted into new securities (whether the conversion is on application or after failure to dissent) shall not be entitled to demand payment of any principal or interest payable on the existing securities, or to receive the new securities or any interest thereon, until he has surrendered the existing securities to the local authority.

12. Subject to the provisions of the last preceding clause, the interest on the outstanding principal represented by any such existing securities for the period ending on the date of conversion shall be payable not later than one month from the date of conversion.

NEW SECURITIES.

13. (1) New securities shall be issued in the form of debentures in the form numbered (2) in the Second Schedule hereto.

(2) Every new debenture shall be for a sum of five pounds, twenty-five pounds, fifty pounds, one hundred pounds, or any sum in excess of one hundred pounds.

(3) All new debentures shall be numbered consecutively, and as between the holders thereof shall rank equally.

(4) Every new debenture shall state on its face the fact that the holder has no claim in respect thereof upon the Government or public revenues of New Zealand.

(5) Every new debenture shall be signed by the Chairman, countersigned by the Treasurer or some other officer appointed by the local authority for the purpose, and sealed with the common seal of the local authority.

INTEREST AND COUPONS.

14. (1) The rate of interest payable on new securities shall be four and one-quarter per centum per annum.

(2) The interest on new securities shall be payable half-yearly on days corresponding to the maturity dates of the securities.

15. (1) Separate coupons for each amount of interest payable on any debenture, in the form numbered (3) in the Second Schedule hereto, and numbered consecutively for each debenture, shall be attached thereto.

(2) The signatures to coupons may be made by facsimiles thereof in lithograph or otherwise.

MATURITY DATES.

16. (1) Every new security shall be redeemable at par on such one of the maturity dates set out in the Third Schedule hereto as is specified in that behalf in the security.

(2) The local authority shall so fix the respective maturity dates of the new securities that the aggregate amount of principal secured by the new securities maturing on each of such dates shall, if practicable, be a multiple of one hundred pounds, and, subject thereto, shall, as nearly as may be, bear the same proportion to the aggregate amount of principal secured by all the new securities as the sum set opposite that date in the Third Schedule hereto bears to the total amount specified in that Schedule.

(3) Subject to the foregoing provisions of this clause and to the express wish of any holder who desires to have the maturity date of his securities postponed, the maturity dates of the new securities shall as nearly as practicable be in the same chronological order as the maturity dates of the existing securities in conversion of which they are respectively issued.

PREMIUMS.

17. (1) The holder of any existing securities bearing interest at a rate which, as reduced in accordance with Part I of the Act, does not exceed the rate of interest payable on the new securities shall on the conversion of such securities be entitled to receive new securities for the same aggregate amount of principal as is secured by the existing securities.

(2) The holder of any existing securities bearing interest at a rate which, as reduced in accordance with Part I of the Act, exceeds the rate of interest payable on the new securities shall on the conversion of such securities be entitled to receive new securities for the same aggregate amount of principal as is secured by the existing securities, and, in addition thereto, shall be entitled to receive a premium on such principal computed in accordance with the Fourth Schedule hereto.

18. (1) Every premium to which any person is entitled under the last preceding clause shall be satisfied by payment of the amount thereof in cash.

(2) All payments of cash in accordance with the last preceding subclause that are not made out of moneys raised pursuant to the authority in that behalf conferred by the next succeeding clause hereof or out of any sinking fund pursuant to the provisions of this Order in that behalf shall be made by the local authority out of the local fund, and charged to the appropriate account.

19. (1) For the purpose of providing for cash premium payments the local authority may create, issue, and sell at a price which shall not be below par new securities for an aggregate amount not exceeding five thousand pounds, redeemable at par on such one or more of the maturity dates set out in the Third Schedule hereto as may be determined by the local authority. The rate of interest payable on any new security issued pursuant to the authority conferred by this clause shall, notwithstanding anything to the contrary contained in clause fourteen of this Order, be such rate not exceeding four and one-quarter per centum per annum as may be determined by the local authority.

(2) Pending the raising of the moneys by the sale of any such new securities the local authority may borrow the said sum of five thousand pounds or any part thereof by the hypothecation of such new securities at a rate of interest not exceeding five per centum per annum.

PLACE FOR PAYMENT OF PRINCIPAL AND INTEREST.

20. The principal and interest in respect of new securities shall be payable in New Zealand.

CONSOLIDATED SINKING FUND FOR NEW SECURITIES.

21. (1) In order to provide funds for the repayment of the new securities the local authority shall forthwith make provision for the creation, pursuant to a resolution of the local authority, of a consolidated sinking fund, of which the Public Trustee shall be the Commissioner.

(2) For such purpose the local authority shall permanently appropriate and shall pay to the Commissioner of the consolidated sinking fund on each of the maturity dates specified in the Third Schedule hereto, down to and including the thirtieth day of November, one thousand nine hundred and forty-five, a contribution of eight hundred and twenty-nine pounds, and on each such maturity date after the thirtieth day of November, one thousand nine hundred and forty-five, a contribution of one thousand and twenty-six pounds, increased in respect of every such contribution by a sum equal to two and one-eighth per centum of the aggregate amount of new securities redeemable up to and including the maturity date immediately preceding that on which such contribution is payable, and reduced by the aggregate of the sums which during the six months preceding the date of payment of such contribution have, pursuant to the provisions of the next succeeding clause, been paid to any sinking fund for unconverted securities.

(3) The provisions of subsections four, five, and six of section ninety-five of the Local Bodies' Loans Act, 1926, shall apply with respect to such sinking fund.

SINKING FUND FOR UNCONVERTED SECURITIES.

22. (1) If dissent is signified in accordance with the provisions of this Order from the conversion of any existing securities issued in respect of any loan in the First Schedule hereto for which a sinking fund was provided, the local authority, in order to provide funds for the repayment of the unconverted securities issued in respect of such loan, shall forthwith make provision for the creation, pursuant to a resolution of the local authority, of a sinking fund, of which the persons who at the date of conversion were Sinking Fund Commissioners in respect of such loan shall be the first Commissioners.

(2) For such purpose the local authority shall permanently appropriate a sum which bears the same proportion to the annual contribution payable, before the date of conversion, to the existing sinking fund of such loan as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the existing securities in respect of which such existing sinking fund is held, and shall pay such sum to the Commissioners yearly and every year until the maturity date of such unconverted securities, or until the Commissioners are satisfied that the accumulations of sinking fund will suffice to redeem such securities at maturity.

(3) The first of such yearly payments shall be made not later than one year after the date on which the last annual contribution payable before the date of conversion to the existing sinking fund of such loan was payable.

(4) Subject to the provisions of this Order, the provisions of sections forty to forty-four of the Local Bodies' Loans Act, 1926, shall, so far as applicable and with all necessary modifications, apply with respect to such sinking fund:

Provided that nothing in the said sections or in this Order shall authorize the removal or suspension of the Public Trustee as Commissioner of any sinking fund.

APPLICATION OF EXISTING SINKING FUNDS.

23. For the purposes of the next two succeeding clauses the sinking fund of every loan in the First Schedule hereto some only of the existing securities issued in respect of which are held by the Public Trustee shall be divided into two parts, the first of which shall bear to the second the same proportion which the amount of the existing securities so held by the Public Trustee bears to the amount of the existing securities held by persons other than the Public Trustee. The said parts shall be applied as follows:—

(a) The first part of such sinking fund shall be applied by the Commissioner thereof in accordance with the provisions of clause twenty-four hereof as if the existing securities issued in respect of the loan and held by the Public Trustee were a separate loan to which that clause applies and such first part of the sinking fund were the sinking fund of such separate loan.

(b) The second part of such sinking fund shall be applied by the Commissioner thereof in accordance with the provisions of clause twenty-five hereof as if the existing securities issued in respect of the loan and held by persons other than the Public Trustee were a separate loan to which that clause applies and such second part of the sinking fund were the sinking fund of such separate loan.

24. (1) Subject to the provisions of clause twenty-three hereof, the existing sinking fund of every loan in the First Schedule hereto, the securities issued in respect of which are held by the Public Trustee, shall be applied by the Commissioner thereof, so far as it will extend, in or towards making the following payments, in the following order of priority, namely:—

- (a) First, in transferring to the Commissioner of the sinking fund hereinbefore required to be created for the unconverted securities issued in respect of such loan a sum which bears the same proportion to the amount of such existing sinking fund at the date of conversion as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the securities in respect of which such sinking fund is held;
- (b) Secondly, as far as it will extend to the nearest multiple of five pounds, in repayment as at the date of conversion of the principal secured by the existing securities issued in respect of such loan and held by the Public Trustee; and
- (c) Thirdly, in transferring the balance to the Commissioner of the consolidated sinking fund hereinbefore required to be created for the new securities, to be held as part of that sinking fund.

(2) Interest up to the date of conversion on any existing securities so repaid in accordance with paragraph (b) of the last preceding subclause shall be paid by the local authority out of the local fund.

25. Subject to the provisions of clause twenty-three hereof, the existing sinking fund of every loan referred to in the First Schedule hereto (other than the loans referred to in the last preceding clause) shall be applied by the Commissioners thereof, so far as it will extend, in or towards making the following payments, in the following order of priority, namely:—

- (a) First, in transferring to the Commissioners of the sinking fund hereinbefore required to be created for the unconverted securities issued in respect of such loan a sum which bears the same proportion to the amount of such existing sinking fund at the date of conversion as the aggregate amount of principal secured by such unconverted securities bears to the aggregate amount of principal secured by all the securities in respect of which such sinking fund is held;
- (b) Secondly, in payment, in accordance with the directions of the local authority, of any cash premium payments required by this Order to be made on the conversion of any existing securities to which this Order applies (whether issued in respect of such loan or of any other loan referred to in the First Schedule hereto), provided always that the payments made under the authority of this paragraph shall not exceed in the aggregate the amount by which the total premiums payable in respect of all the loans specified in the said First Schedule exceeds the sum of five thousand pounds;
- (c) Thirdly, in payment, in accordance with the directions of the local authority, of the costs and charges (not exceeding in the aggregate one hundred and ninety-three pounds) of and incidental to the conversion of existing securities to which this Order applies (whether issued in respect of the said loan or of any other loan referred to in the First Schedule hereto); and
- (d) Fourthly, in transferring the balance to the Commissioner of the consolidated sinking fund hereinbefore required to be created for the new securities, to be held as part of that sinking fund.

CONSOLIDATED SPECIAL RATE.

26. (1) As a security for the new securities and the unconverted securities the local authority shall forthwith, by resolution gazetted (in the form numbered (4) in the Second Schedule hereto), make and levy a special rate over the whole of the district of the local authority to provide for the payment of interest, sinking fund, and other charges in respect of such securities.

(2) Subject to the provisions of this Order, the provisions of the Local Bodies' Loans Act, 1926, and of any other Act shall, so far as applicable and with all necessary modifications, apply with respect to such special rate, and with respect to the interest and other charges in respect of such securities, as if such special rate were made and levied in respect of a special loan raised under Part I of the said Local Bodies' Loans Act, 1926.

(3) Upon the making of such special rate every special rate theretofore made in respect of any existing securities to which this Order applies shall cease to be a security for such existing securities.

SECURITIES HELD BY TRUSTEES.

27. The provisions of sections twenty-two, twenty-three, and twenty-four of the New Zealand Debt Conversion Act, 1932-33 (relating to the adjustment of premiums as between capital and income and to the powers of trustees and other persons in relation thereto), shall apply with respect to existing securities converted into new securities in accordance with this Order in the same way as they apply with respect to securities converted under that Act, save that the references in the said section twenty-two to the first day of April, one thousand nine hundred and thirty-three, shall be construed as references to the day following the date of conversion.

BROKERAGE.

28. The local authority shall not, in respect of the conversion into new securities of any existing securities to which this Order applies, enter into any contract for the payment of brokerage at a rate exceeding one-quarter per centum of the amount of such existing securities.

Estimated Areas under Wheat, Oats, Barley, and Potatoes (Season 1935-36).

Census and Statistics Office,
Wellington, 23rd October, 1935.

AS in previous years, cards were sent out by post to grain-growers and to potato-growers throughout the Dominion asking them to state what areas they had sown or planted, or intended to sow or plant, in wheat, oats, barley, and potatoes this season. It may be well to note that only holdings of 1 acre and over outside borough boundaries are covered by the figures appearing below. In the case of potatoes a fair amount is undoubtedly grown on the smaller holdings and on holdings situated within boroughs.
