8. In the event of any other person applying for a similar license to lay down, construct, and maintain another private tramway or a public tramway along, over, or across any portion or portions of the said Mahitahi Road, the Governor-General hereby reserves to himself the right to authorize such person to use such portion or portions of the said tramway by the licensee to be laid down, constructed, and maintained as aforesaid but only upon and subject to such terms and conditions as to compensation to the licensee or otherwise as the person so applying and the licensee may agree upon, or, in case they cannot agree, then upon and subject to such terms and conditions as to compensation to the licensee or otherwise as the Governor-General shall consider advisable and just.
