NOTICE is hereby given that the undermentioned pastoral run will be offered for license under the Land Act, 1924, by public auction at the District Lands and Survey Office, Blenheim, at 2.30 o'clock p.m. on Tuesday, 3rd November, 1936.

SCHEDULE.

MARLBOROUGH LAND DISTRICT.

Marlborough County.—Molesworth and Leatham Survey Districts.

RUN 150: Area, 35,224 acres. Upset annual rental, £10. Term of license: Twenty-one years.

This run is situated at the head of the Leatham River, approximately 68 miles from Blenheim by metal road for 57 miles and thence by river-bed with no road and rather difficult to negotiate as river has to be crossed numerous times.

Altitude is from 2,500 ft. to 6,982 ft. There are some good flats and undulating country in the main valley, although rather stony in patches. The area comprises 10,000 acres grazing, 8,400 acres native bush, and the balance rough, rocky gullies, ridges, and shingle-tops. The whole area is subject to heavy snow in the winter months, but it is estimated that 3,000 sheep could be carried for about nine months of the year. It would be impossible to work the area on its own but would be very suitable country for some adjoining holder. Rabbits require attention, and wild sheep, goats, and deer are in evidence.

Full particulars may be obtained at this office.

In the Supreme Court of New Zealand,
Wellington District
(Wellington Registry).

In the matter of the Companies Act, 1933, and in the matter of NEW ZEALAND WOOLPACK AND TEXTILES, LIMITED, and reduced, a company under the above Act.

NOTICE is hereby given—

(1) An order of the Supreme Court of New Zealand made at Wellington on the 18th day of September, 1936, confirming the reduction of the capital of the above-named company from three hundred thousand pounds (£300,000) divided into three hundred thousand (300,000) shares of one pound (£1) each to seventy-five thousand pounds (£75,000) divided into three hundred thousand (300,000) shares of five shillings (5s.) each, and that such reduction be effected by reducing the nominal amount of all shares in the capital of the company from one pound (£1) to five shillings (5s.).

(2) The total shares issued by the company numbered 100,848 and these have been reduced by surrender and forfeiture to 100,013.

(3) A minute (approved by the Court) showing with respect to the share capital of the company as altered by the said order the several particulars required by the above-mentioned Act was registered by the Assistant Registrar of Companies at Wellington on the 19th day of September, 1936.

(4) Pursuant to the said order and to section 69 of the above-mentioned Act the reason for the reduction of the capital of the company is the loss of upwards of £75,000 of the capital value of the assets of the company by reason of the excessive depreciation in value of plant and machinery resulting from the adaption of existing machines to the treatment of the fibre of phormium tenax, the disuse of certain other machinery consequent upon the discontinuance of certain processes covered by expensive patents, the accumulation of losses from trading in competition with extraordinarily low prices ruling in the Calcutta market, and the writing off of certain intangible assets such as preliminary expenses.

And further take notice that the said minute is in the words and figures following:—

"The capital of New Zealand Woolpack and Textiles, Limited, is £75,000 divided into 300,000 shares of five shillings (5s.) each. At the time of registration of this minute 100,013 shares are issued and the sum of five shillings (5s.) has been and is deemed to be paid up on each of such 100,013 shares. The remaining 199,987 shares are unissued."
