WHEREAS it is provided by section 18 of the Primary Products Marketing Act, 1936, that all dairy-produce to which Part II of the said Act applies that is intended for export shall, as soon as it is placed, with the concurrence of the Department, on board any ship for export from New Zealand, become the property of the Crown in respect of the Government of New Zealand, free and discharged from all right, title, or interest possessed in respect thereof by any other person: Provided that the Minister may, in respect of any such dairy-produce, determine by notice published in the *Gazette* that the ownership thereof shall pass to the Crown at any specified time prior to shipment:

hereof, and that the said butter and cheese shall at and from the date hereof become the property of the Crown in respect of the Government of New Zealand free and discharged from all right, title, or interest possessed in respect thereof by any other person.
