(2) The term for which the said loan or any part thereof may be raised shall be ten (10) years in lieu of the term of twenty years specified in clause (1) of the said determinations.

(3) Clause two of the said determinations is hereby cancelled.

(4) In lieu of the rate of interest of four pounds ten shillings sterling (£4 10s.) per centum per annum specified in clause (3) of the said determinations, the rate of interest that may be paid in respect of the said loan or any part thereof shall be such as shall not produce to the lender or lenders a rate exceeding three pounds ten shillings (£3 10s.) per centum per annum.

(5) In lieu of the payment of interest and principal being made in London as prescribed by clause (6) of the said determinations, the payment of such interest and principal shall be made in New Zealand and not elsewhere.

(6) The sinking fund to be established pursuant to clause (4) of the said Order in Council dated the fourteenth day of October, one thousand nine hundred and thirty-six, and by the Order in Council dated the ninth day of December, one thousand nine hundred and thirty-six (consenting to the mortgage or hypothecation of debentures by the said local authority), shall apply up to the date of this Order in Council, and the provisions of the said two Orders in Council shall hereafter apply in accordance with the amendments effected by this Order in Council and the Order in Council of even date herewith extending the application of the said Order in Council dated the ninth day of December, one thousand nine hundred and thirty-six.
