Artisan Branches	.. .. . Six months.
Sick-berth Branch	.. .. . One year.

2. Discharge may be recommended by Commanding Officers at any time during the probationary periods prescribed above, and the approval of the Naval Board must be obtained in every case. Recommendations for discharge should be based on the grounds of unsuitability.

3. Ratings will be regarded as supernumerary to the complement of the ships in which they are serving until they have completed their periods of probation.

Article 57: Cancel.

Article 62: Cancel, and substitute:—

**62. Discharge by purchase.**—Men and boys serving in the New Zealand Division of the Royal Navy under continuous service engagements may be permitted, in special circumstances, to purchase their discharge. Discharge by purchase cannot be claimed as a right, and nothing in these regulations shall interfere with the power of the Naval Board to suspend this concession at any time, or to refuse discharge in a particular case.

2. Discharge by purchase will involve forfeiture of deferred pay in respect of current engagement under Article 134.

3. In normal circumstances, ratings who are permitted to take their discharge by purchase will be liable to serve in the Royal Naval Reserve (New Zealand Division) for ten years from date of discharge or until the age of forty years if this is earlier, and during this period they remain liable to be called out for service in time of war.

4. The Captain is to be careful not to entertain or forward an application without fully satisfying himself that the applicant has good and substantial reasons for seeking his discharge. He is to state whether or not the application is recommended by him as in the real interests of the man.

5. *Compassionate grounds for discharge by purchase:* Applications for discharge by purchase on compassionate grounds must be supported by clear evidence that undoubted material hardship to a man's dependents is involved by his retention in the Service. Proof will be required that the circumstances of the dependents have changed for the worse since the man entered the Service, and that the applicant is contributing to their support, through Service channels, an amount of his pay which inflicts hardship upon him, and which he could better afford as a civilian.

6. Such applications should also be accompanied by a statement showing whether or not the purchase-money has been offered or lodged, and, if not, whether the captain is satisfied that the circumstances of the applicant and/or his family preclude the possibility of finding sufficient funds to meet the full amount payable under the provisions of clause 10 or any part thereof.

7. *Method of forwarding applications:* Commanding Officers are to investigate each application, and may forward to the Commodore Commanding those which they recommend. All applications are to be forwarded through the Commodore Commanding. They are to be made on form S. 222, and are to be accompanied by Certificate of Service (or attested copy) and all relevant particulars, including the following:—

- (a) Details of intended permanent employment and rate of wages offered.
- (b) Two independent certificates from men of standing, *e.g.*, the local Justice of the Peace and minister of religion, substantiating the man's claim to consideration and confirming that the offer of employment is of a *bona fide* permanent nature.
- (c) Medical certificates, where the application is preferred on compassionate grounds.

8. The Commodore Commanding will transmit the applications of men whose discharge he recommends to the Naval Board. When forwarding applications on compassionate grounds he should state whether a reduction in the amount payable is recommended.

9. The Naval Board will consider each case on its merits, and, notwithstanding the provisions of clause 10, may accept such lesser rate of purchase-money as may be determined in the case of applications recommended for consideration on compassionate grounds and which satisfy the requirements of clauses 5 and 6.

10. *Scale of payments*: The following is the scale of payments for discharge from the Service by Naval ratings:—

I. Ratings of all branches, if within three months of entry (except that boys may purchase discharge up to, but not exceeding, six months' service from date of first entry for the sum of £10)		£ 20
II. Engine Room, Ordnance, and Electrical Artificers and Shipwrights—		
If within 2 years of date of entry	.. ..	60
If more than 2 years but within 3 years of date of entry	.. ..	50

If more than 8 years but within 12 years of date of entry	.. ..	25
*If more than 12 years but within 13 years of date of entry	.. ..	35
*If more than 13 years but within 17 years of date of entry	.. ..	24
*If more than 17 years of date of entry	.. ..	Free
III. Mechanics—

*If more than 8 years but within 12 years of date of qualifying	.. ..	24
Subject to the provision that discharge by purchase within 2 years after completing first engagement shall require payment of	.. ..	50
IV. Ratings of all branches other than those shown above:—		
Boys and Ordinary Seamen under age of 18 (other than those at I above)	.. ..	} 40
Men—		
If within three years of date of entry or of attaining age of 18 years	.. ..	} 32
If more than 3 years but within 8 years of date of entry or of attaining age of 18	.. ..	
If more than 8 years but within 12 years of date of entry or of attaining age of 18	.. ..	20
*If more than 12 years but within 13 years of date of entry or of attaining age of 18	.. ..	32
*If more than 13 years but within 17 years of date of entry or of attaining age of 18	.. ..	20
*If more than 17 years of date of entry or of attaining age of 18 years	.. ..	Free

\* Deferred pay up to date of completion of first continuous service or second continuous service engagement may be withdrawn by the rating if it is not already paid to him when he has completed such an engagement. In these and all other cases claim to any benefit of deferred pay for current engagement is forfeited, *vide* Article 134.

Any rating who is permitted to purchase his discharge within three years of qualifying for higher Gunnery rate, higher Torpedo rate, P. & R.T. Instructor, Artificer Diver, Diver, Air Gunner, or Acting Observer's Mate, will be required to pay a sum of £20 in addition to the sum applicable under the scale shown above.

11. *Calculation of service for discharge by purchase*: The amount of purchase-money payable for the discharge of men who make application within three months of entry, and boys who make application within six months of entry, is to be governed by the date of application, provided that there is no undue delay in depositing the sum required; in all other cases the governing factor is the actual date of discharge.

Service must be actual service in receipt of pay as recorded on the Service Certificate calculated to the date of discharge (Article 1456, clause 1, King's Regulations), and no period shown thereon as time forfeited or as in desertion will be allowed to reckon, although time prior to desertion, being actual service in receipt of pay, will count for the purpose.

Ratings, including Artificer and Shipwright ratings, entered direct from the shore after the age of 18 years, will count service for the purposes of discharge by purchase from the date of entry.

12. The amount of any debt due to the Crown at the time of discharge must be paid in addition to the purchase-money.

13. As a rule payment of the purchase-money will not be required before the discharge has been approved, but the Captain may consider it desirable to require or to permit the applicant to deposit the purchase-money at the time of the application; if so, the Captain is authorized to do so. It is to be made clear, however, to the applicant that the deposit of the money is an incidental and that it does not signify a promise that the discharge will be granted.

14. *Kits on discharge*: Boys discharged on payment of £10 or less are not to be allowed to take away the whole of their kit. Other ratings who purchase their discharge within three months of entry or re-entry are not to be allowed to take away the whole of their kit if they received a free kit or a grant toward the provision of a kit on entry or re-entry.

It is left to the discretion of Captains to determine the actual articles of kit which the men or boys concerned may take with them, but as a general rule they should be allowed to take only such articles as are necessary to enable them to reach their homes decently dressed, the remainder being withdrawn and sold for the benefit of the Crown.

Insert new Article 62A:—

**62A. Re-entry after discharge by purchase.**—One-half of the purchase-money paid for the discharge of a continuous-service man from the New Zealand Division of the Royal Navy will be refunded if he is allowed to re-enter the Service within two years of discharge, provided that on re-entry a fresh engagement is entered into for twelve years, or for five years if the unexpired portion of the original engagement be less than this latter period.

2. One-half of the purchase-money paid for the discharge of a boy, entered under a continuous-service engagement, from the New Zealand Division of the Royal Navy will be refunded if he is allowed to re-enter within six months of discharge. No repayment will be made if the period of absence exceeds six months, whether he re-enters in a man's rating or not.

3. Should re-entry of a person who has purchased his discharge take place within five years of such discharge, previous service shall count in every respect as if no break in the original engagement had occurred.

4. Re-entries who comply with the conditions described in clause 1 of this article will normally be eligible for the re-credit of an amount of deferred pay not exceeding the amount which they forfeited when discharged by purchase, but each case will be considered on its merits.

Article 63: Cancel clause 1, and substitute:—

**63. Promotion to commissioned rank.**—Ratings of the following branches of the New Zealand Division are eligible to be considered for promotion to commissioned rank in the Royal Navy:—

Seaman Branch .. ..	} To Acting Sub-Lieutenant, Royal Navy.
Communications Branch .. ..	
Engine Room Artificer Branch .. ..	} To Acting Sub-Lieutenant (E), Royal Navy.
Stoker Branch .. ..	

Insert new Article 65:—

**65. Promotion to warrant rank.**—The provisions of King's Regulations, Chapter VI, Section VIII, will generally be applied in the New Zealand Division, except that the service qualifications and age limits for promotion to warrant rank will be as follows:—

Executive Branches ( <i>i.e.</i> , Gunner, Gunner (T), Boatswain, Signal Boatswain, Warrant Telegraphist)	Candidates must be at least 28 years of age and not more than 37 years of age.
Non-executive Branches (other than Writer and Supply Branches)	Candidates must have at least 10 years' service, including time under training, and be not more than 40 years of age.
Writer and Supply Branches .. ..	Will be governed by special rules to be promulgated from time to time by the Naval Board.

2. Ratings who have been candidates for promotion to commissioned rank, but who have not been selected for such promotion after appearing before a Fleet Selection Board, will be considered for early promotion to warrant rank if they are recommended as specially deserving of early

promotion when within three years of the normal date on which they would become eligible by age, and are qualified in all other respects under the regulations. No rating will, however, be promoted under this clause until he is within two years of the normal age for promotion.

3. The existence of vacancies in the established numbers of warrant officers will invariably govern promotion to warrant rank in the New Zealand Division.

4. A return is to be forwarded to the Naval Board on 31st December every year giving the names of candidates who are studying with a view to passing the educational examination for warrant rank.

Article 92: Cancel clause 5, and substitute:—

5. On return to New Zealand the ratings specified in paragraph 4 may be granted foreign service leave at the rate of eleven days for each completed period of six months, and two days for each completed month in periods of less than six months, of absence from New Zealand, reckoned from the date of leaving New Zealand to date of return, irrespective of any leave which may have been granted whilst absent from New Zealand. They may also be granted leave at the rate of twenty-eight days per annum (fourteen days for six months, and two days for each completed month in periods of less than six months) for the unexpired portion of the current New Zealand leave year, reckoned from the date of return to New Zealand—*e.g.*, a man returning to New Zealand on 1st May, in addition to his foreign service leave, would be eligible for twenty-four days' leave before the subsequent 31st March.

Article 100: Add new clause 2:—

2. Officers placed on half pay under the provisions of Article 34 shall receive pay at the daily rate of one-half of the active pay prescribed for their rank but shall not be entitled to allowances of any nature whatever. (*See 106 (Deferred pay).*)

Article 106: Cancel, and substitute:—

**106. Deferred pay: Officers.**—Officers of the Royal Navy and Royal Marines loaned for service in the New Zealand Division are ineligible for deferred pay.

2. Deferred pay is payable to other officers on the Active List of the New Zealand Division at the following daily rates which have been in force from 1st July, 1936, and subject to the conditions in the following clauses:—

Rank or Relative Rank.	Daily Rate.	
	s.	d.

After three years .. .. .	9	6

An additional allowance of 2s. a day is payable to Surgeon Commanders, Surgeon Lieutenant-Commanders, and Surgeon Lieutenants, but not to Dental Officers.

3. Deferred pay and accumulated interest will become payable on the occasions specified hereunder:—

- (i) On the resignation or retirement of an officer for age, or for any other cause except as prescribed in clauses 4 and 5.
- (ii) On invaliding of an officer, except as provided in clause 5.
- (iii) On death of an officer while serving.

- (iv) When promoted to warrant rank, the deferred pay which has accrued to his credit by reason of his service before promotion, plus accrued interest thereon to date of payment, will become payable to an officer on the date when the engagement which is current at the time of his promotion would have been completed had he not been promoted, provided that where an engagement or re-engagement has not been completed before a further re-engagement has been entered into, deferred pay will be payable on the date the original engagement or re-engagement would have expired.

4. Deferred pay which has accrued to the credit of an officer will not be payable in the following circumstances, and will be forfeited to the Crown:—

- (i) On resignation or retirement from the Active List before attaining the age of 40 years, or if over the age of 40 years, if the officer has completed less than 6 years' service as Commissioned Officer, Commissioned Officer from warrant rank, or Warrant Officer on the Active List. The provisions of this subclause will not, however, apply to sums which have accrued to the credit of an officer prior to the date of his promotion to warrant rank.
- (ii) On dismissal from the Service, with or without disgrace, by sentence of Court-martial.
- (iii) On being discharged "Run."

5. An officer whose services are dispensed with on account of misconduct, or who is invalided from the Service for causes due to misconduct or causes within his own control, will not be entitled to any payment on account of deferred pay, but the Naval Board will consider each case on its merits and may authorize payment to him of any sum not exceeding the amount of deferred pay to which he would otherwise have been entitled.

6. Deferred pay will be subject to any deductions for the time being in force on account of employment taxation.

7. Deferred pay will accumulate at compound interest at the rates in force from time to time and under the terms for crediting of interest on moneys invested in the Common Fund of the Public Trustee.

8. Deferred pay shall not be credited to an officer in either of the following circumstances:—

- (i) During sick leave granted without pay.
- (ii) When placed on the half-pay list.
- (iii) When full hospital stoppages are enforced (Article 143, clause 3).

Article 134: Cancel, and substitute:—

**134. Deferred pay: Men.**—Deferred pay shall be allowed to accumulate to the credit of every rating other than those serving under loan agreements (Category (ii), Article 50) at the following rates, which have been in force as from 1st July, 1936:—

Rating or Relative Rating.	Per Diem.	
	s.	d.
Chief Petty Officer over six years .. .. .	2	10
Chief Petty Officer under six years .. .. .	2	7
Petty Officer .. .. .	2	3
Leading Seaman .. .. .	2	0
Able Seaman .. .. .	1	9
Ordinary Seaman (over 18) .. .. .	1	3
Boy .. .. .	0	6

2. Deferred pay will accumulate at compound interest at the rates in force from time to time and under the terms for crediting of interest on moneys invested in the Common Fund of the Public Trustee.

3. Deferred pay will be subject to any deductions for the time being in force on account of employment taxation.

4. Subject to the provisions of clauses 5 and 7, all deferred pay and accumulated interest standing to the credit of a rating may be paid to him—

- (a) On completion of any engagement or re-engagement; or
- (b) On discharge from the Service;

but any rating who re-engages for a further term of service may exercise the option of allowing the amount which is standing to his credit on the date when he completes his current engagement to remain so that it will further accumulate by way of quarterly additions and compound interest until he expresses his desire to withdraw it. Notwithstanding the provisions of clause 5 (a), (d), and (e), every rating shall have a vested interest

in the sum, including accumulated interest, which is standing to his credit on the date of completion of any engagement, save only that the interests of deserters will always be forfeited to the Crown unless the Naval Board direct otherwise under the terms of clause (5) (c), or unless the "Run" is removed under the terms of clause 6.

5. All claim to deferred pay is forfeited to the Crown in the following circumstances :—

- (a) When a rating is dismissed from the Service for misconduct, with or without disgrace.
- (b) When a rating is discharged "Run," provided he is not recovered, or is not claimed for further service either when arrested or when he voluntarily surrenders himself.
- (c) When a rating is convicted and punished for any act of desertion, unless the Naval Board when reviewing all the circumstances on receipt of the punishment warrant or minutes of Court-martial shall then direct otherwise under the provisions of section 19 of the Naval Discipline Act, 1866.

(NOTE.—Remission of the forfeiture will only be granted in very exceptional circumstances.)

- (d) When a rating is discharged "Services no longer required" under the provisions of King's Regulations, Article 420.
- (e) When a rating is permitted to take his discharge at his own request other than on completion of engagement, or by purchase under the terms of Article 62. (See also Article 62A, clause 4.)

6. A recovered deserter may become eligible by subsequent satisfactory service for the removal of "Run" under the terms of King's Regulations, Article 589. The Naval Board may, therefore, when approving the removal of "Run" also approve of there being credited to the deferred-pay account of the recovered deserter an amount not exceeding that of the deferred pay forfeited by his desertion. This rule may also be applied in favour of recovered deserters who are invalided from causes not due to their own misconduct or neglect before they can qualify under King's Regulations, Article 589, for the removal of "Run."

7. A rating who is invalided from the Service for causes due to misconduct, or causes within his own control, will not be entitled to any payment on account of deferred pay, but the Naval Board will consider each case on its merits, and may authorize payment to him of any sum not exceeding the amount of deferred pay to which he would otherwise have been entitled.

8. The full amount of deferred pay, together with accumulated interest thereon, will be payable to the estate of a rating discharged "Dead."

9. Credit of deferred pay will not be made in any of the following circumstances :—

- (a) During imprisonment or detention (summarily, by Court-martial, or following a conviction by Civil power).
- (b) During confinement in cells.
- (c) During periods when full hospital stoppages are enforced. (Article 143, clause 3.)

Mulcts for leave-breaking, &c., or deductions on account of being in the second class for conduct, will not affect credit of deferred pay.

10. Deferred pay which has accrued to the credit of a rating who is selected for promotion to commissioned rank in the Royal Navy will be paid over to the Lords Commissioners of the Admiralty. (See Article 63.)

11. Deferred pay is intended to assist ratings on discharge from the Service to re-enter civil life. No rating has any claim to payment of deferred pay until his discharge from the Service has been effected or until he completes an engagement or re-engagement; consequently, the Naval Board will not authorize payment of deferred pay on account of time served in a current engagement.

Article 192: Cancel.

Article 229: Cancel, and substitute :—

**229. Canteens.**—Canteens in H.M. Ships of the New Zealand Division are to be conducted generally on the lines laid down in King's Regulations and Admiralty Instructions, with the exception that canteens will not be operated by the Navy, Army, and Air Force Institutes unless in special circumstances as may be approved by the Naval Board.

2. When the canteen is conducted on the tenant system, a contract will be entered into between the tenant and the Commanding Officer on the approved forms (N.Z.D. 127) drawn up for the purpose.

3. Where for any reason it is necessary to commence a canteen on the "service" system in the New Zealand Division, the approval of the Naval Board is to be obtained before any advance of public money is made.

Article 281 : Cancel clause 3, and substitute :—

**3. Payment of claims.**—All claims for travelling-expenses are to be carefully examined by the Accountant Officer, who is to ensure that the information required by the regulations is included in the claim. Where the journey for which expenses are claimed is confined to travelling in New Zealand, and no doubt exists, the claim may be settled by the Accountant Officer on the approval of the Commanding Officer. In all other cases the claim, supported by receipts, &c., is to be forwarded to the Naval Secretary for Board approval prior to settlement. If necessary an advance may be made to the extent of that portion of the claim respecting which there is no doubt. Where travelling-expenses are paid to an officer or rating in charge of a draft a certificate is to be furnished on the travelling-expense claim by that officer or rating to the effect that all the persons comprising the party have each received the travelling-expenses due to them.

Article 289 : Cancel, and substitute :—

**289. Class of accommodation for journeys in New Zealand.**—The following shall be the classes of accommodation by rail and sea when travelling on duty in New Zealand :—

Rank, or Relative Rank, or Rating.	Class of Accommodation.	
	By Rail.	By Sea.
Commissioned, subordinate, and warrant officers..	1st Class ..	1st Class.
Chief Petty Officers .. .. .	1st Class ..	2nd Class.
Other ratings .. .. .	2nd Class	3rd Class.

(NOTE.—In vessels having two classes of accommodation designated saloon and steerage, Chief Petty Officers are to be provided with saloon passages.)

2. A superior class of accommodation may be assigned to invalids upon medical recommendation ; and, in special cases, to others when suitable accommodation of the lower class is not available in merchant vessels.

3. The following officers shall be entitled to deck berths on inter-island ferry steamers :—

The Commodore Commanding.  
 Members of the Naval Board.  
 Director of Naval Reserves.  
 Commanding Officers of H.M. Ships of and above the rank of Commander.

4. Officers necessarily required to perform rail journeys by night on duty may be allowed the use of a sleeping-berth on trains, at the lowest rate, subject to the conditions herein. In accordance with Treasury requirements (Treasury Instruction No. 55) the officer concerned is to pay for the sleeping-berth in cash to the railway authorities and must obtain a receipt. Refund may be claimed in the usual claim for travelling-expenses to which the receipt for the sleeping-berth is to be attached. On no account are official order forms (N.Z.D. Form No. 31) to be used for requisitioning sleeping-berths on trains.

5. The Commodore Commanding New Zealand Station shall be entitled to the sole use of a two-berth sleeping compartment when travelling by train on duty at night, but if accompanied by an officer of his staff no further provision of sleeping-berth accommodation can be made in respect of the latter officer from public funds.

6. A deduction of one-third of the daily rate of subsistence should be made in the case of all officers provided with a sleeping-berth in a train and for all officers and men provided with accommodation in an inter-island ferry steamer for any night.

Article 291 : Cancel clause 4, and substitute :—

4. The above rates of subsistence allowances are exclusive of any cost of conveyance by rail, motor-coach, or steamer, and in computing the period of absence on duty the time shall be counted from the hour of leaving the ship or other place of duty to the hour of return. When a sleeping-berth is provided, or when travelling by the inter-island ferry steamers by night at Government expense, the daily rate of subsistence allowance is to be reduced by one-third for any one day.

*Takapuna Borough Loans Conversion Order, 1937.*

GALWAY, Governor-General.

## ORDER IN COUNCIL.

At the Government House at Wellington, this 20th day of October, 1937.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

**W**HEREAS it is provided by section nine of the Local Authorities Interest Reduction and Loans Conversion Act, 1932-33, that, with the precedent consent of the Governor-General, given by Order in Council under section thirteen of the said Act, after compliance with the provisions of Part II of the Act, and subject to and in accordance with the provisions of such Order in Council, any local authority may issue new securities in conversion of any existing securities to which the said Act applies :

And whereas by the said section thirteen it is further provided that the Governor-General, by the Order in Council giving his consent to the conversion of existing securities by a local authority, may make such provisions as he thinks fit with respect to all or any of the matters specified in the said section, and that, subject to the provisions of the said Act, every Order in Council under the said section shall have the force of law as if enacted in the said Act, anything to the contrary in any other Act or in any regulations made under the said Act or any other Act notwithstanding :

And whereas it is provided by section twenty of the Finance Act (No. 2), 1935, that, notwithstanding the limitation of time prescribed by section fifteen of the said Local Authorities Interest Reduction and Loans Conversion Act, 1932-33, as extended by section twelve of the Local Authorities Interest Reduction and Loans Conversion Amendment Act, 1934, an Order in Council may be issued at any time under the aforesaid section thirteen of that Act making provision for the conversion, with the consent of the holder, of any securities whether or not they are existing securities to which the said Local Authorities Interest Reduction and Loans Conversion Act, 1932-33, applies :

And whereas the Takapuna Borough Council (being a local authority within the meaning of the said Act) has issued securities in respect of the loans specified in the First Schedule hereto :

And whereas the said local authority, being desirous, with the consent of the holder of such securities, of issuing new securities in conversion thereof, has complied with the provisions of Part II of the said Act, and it is expedient that the precedent consent of the Governor-General to such conversion should be given as required by the said Act, and that by this Order the provisions hereinafter set forth should be made with respect to the matters specified in the said section thirteen :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, and in pursuance and exercise of the powers and authorities conferred on him by the said Act, and of all other powers and authorities enabling him in this behalf, doth hereby consent to the issue by the said local authority of new securities in conversion of any existing securities to which this Order applies, and with respect to such conversion doth hereby make the following provisions :—
