NATIVE-SCHOOL TEACHERS.

The salaries of Native-school teachers carry scale increases generally from the 1st February in each year. The salaries given are those for the calendar year 1937. The increases cannot be specified, as they are subject to varying conditions prescribed by the regulations relating to Native schools and the grading of teachers. "Salary maintained at higher grade" means that, although the grade of the school has fallen, the grades of salary have been maintained in accordance with the provisions of the Native Schools Regulations and the Education Act, 1914, as amended by section 34 of the Finance Act, 1932. Grading increments in accordance with the regulations are included in the salaries shown.

SCALES FOR GENERAL DIVISION.

Workers not otherwise specified receive not less than current award rates or other ruling rates if no award is in existence. The scale may be raised slightly or the annual increments varied according to local conditions.

When increments of less than £10 are provided, double increments may be granted in special cases.

In the column "Annual Increments" the normal annual increment is shown. The last increment shall, where necessary, be such lesser sum as will enable the maximum to be attained, but not exceeded.

An officer does not necessarily proceed to the maximum shown. His salary may be fixed at any point between the minimum and the maximum.
