The total estimated quantity of timber in cubic feet is 120,470 of rimu, or in board feet 779,300.

Upset price: £650.

Term of license: Two years.

Terms of Payment.

A marked cheque for one-fifth of the amount tendered must accompany the tender, together with £1 ls. license fee, and the balance to be paid in four equal instalments which will be payable at four-monthly intervals, the first of which shall be due six months after the date of sale.

Terms and Conditions.

1. All instalment-payments shall be secured by "on demand" promissory notes made and endorsed to the satisfaction of the Commissioner of State Forests, and interest at the rate of 1 per cent. per annum in excess of current bank-overdraft rates will be charged on all notes overdue from the date of maturity to the date of payment.

2. The right to cut and remove the timber will be sold in accordance with the provisions of the Forests Act, 1921-22, the regulations in force thereunder, and these conditions.

3. The aforementioned quality, quantity, and kind as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, or kind as stated herein or in any advertisement having reference to the said timber.

4. A return giving the number of logs cut of each species and their contents must be made quarterly by the licensee on the last days of March, June, September, and December, respectively, in each year. A return must also be made on the same dates showing the output of sawn timber of each species. These returns may be ascertained and verified by inspection of the books of the mill, or by such other means as the Conservator may require, and for this purpose the accounts and books shall be open to the inspection of the Conservator, a Forest Ranger, or other duly authorized officer.

5. The attention of all tenderers is drawn to the fact that the local controlling body may require the successful tenderer to pay any claims or charges which may be made by that body for the maintenance of the road over which the timber may be transported, and before a sawmill license is issued a letter indicating that satisfactory arrangements have been made in this connection must be produced to the undersigned.

6. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.

7. Each tenderer must state the total price that he is prepared to pay for the timber. The highest or any tender will not necessarily be accepted, and the timber described is submitted for sale subject to the final acceptance of the tender by the Commissioner of State Forests.

8. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the closing date for receipt of tenders.

9. If no tender is accepted for the timber herein mentioned it will remain open for application for three months from the date tenders close.

10. Tenders should be on the special form obtainable from any office of the State Forest Service, and should be enclosed in envelopes addressed "Conservator of Forests, Nelson," and endorsed "Tender for Timber."

The conditions, which will be inserted in the license to be issued to the purchaser, and further particulars may be obtained on application to the undersigned or to the Director of Forestry, Wellington.

In the Court of Review at Wellington.

In the matter of the Mortgagees and Lessees Rehabilitation Act, 1936, and in the matter of "Other Mortgage" being two series of debentures for £50,000 and £5,590 respectively, dated 1st Series, 28/8/28 and thereafter, Nos. 1 to 891; 2nd Series, 1/5/31 and thereafter, Nos. 1 to 49 of £100 each, and Nos. 1 to 65 of £10 each, from THE WELLINGTON SHOW ASSOCIATION (INCORPORATED), of John Street, Wellington, Show Association, incorporated under the Incorporated Societies Act, 1908 (and see also the Wellington City Exhibition Grounds Act, 1927), to various debenture-holders.

Before the Wellington City (No. 3) Adjustment Commission.

Thursday, the 19th day of October, 1937.

UPON reading the application of the Wellington Show Association (Incorporated), of John Street, Wellington, a show association incorporated under the Incorporated Societies Act, 1908, and also subject to the provisions of the Wellington City Exhibition Grounds Act, 1927, and its amendments, for an adjustment of its liabilities in connection with two series of debentures offered to the public for subscription and which were duly taken up by and issued to various persons, the first series of such debentures being numbered 1 to 891 and being of debentures for various amounts making a total value in all of £50,000, and the second series of such debentures being numbered 1 to 49 (£100 each) and 1 to 65 (£10 each), making the total value of all the debentures of the said second series of debentures £5,590, and making the total value of the debentures of the said first and second series of debentures together £55,590 in all: And upon reading the statement of assets and liabilities filed with the said application and the affidavits filed with the said application, and upon

hearing Mr. Stevenson of counsel for the applicant, Mr. O'Shea of counsel for the Wellington City Corporation, Mr. P. J. Gourley a member of the Debenture-holders' Committee, and also Mr. J. Gallie a debenture-holder, and upon hearing the evidence then adduced, and the Commission having determined:—

- (a) That the applicant is neither a "farmer" nor a "home" applicant;
 (b) That the applicant is entitled to retain all its property;
 (c) That the value of all property of the applicant is £34,409;

it is hereby ordered:—

1. That the amount of principal secured by or owing under each debenture of the said first and second series of debentures be and the same is hereby reduced by the sum of £21,181; and that the said sum of £21,181 be and the same is hereby written off and discharged; and that in the result the sum of £34,409 shall be and the same is hereby declared to be the only amount for principal remaining secured by or owing under the said two series of debentures.

2. That, whereas there is a sum of approximately £1,055 at present held by the Public Trustee as a sinking fund, the applicant immediately after the sealing and taking effect of this order shall distribute *pro rata* amongst the debenture-holders such sum of £1,055, and such payment to the debenture-holders shall be in part reduction of the reduced amount left secured by and owing under the said debentures of the said two series, so that in the result thereafter the sum of £33,354 shall be the amount for principal then left remaining secured by and owing under the said two series of debentures.

3. That the rate of interest payable as from the 1st day of October, 1937, upon the reduced amount remaining secured by and owing under each debenture of the said two series of debentures be and the same is hereby reduced to three pounds (£3) per centum per annum, so that such interest shall be payable at that rate and no more.

4. That the applicant may require debenture-holders to produce to it their debentures for endorsement, and upon the applicant association having any debenture so produced to it the same shall be endorsed by it under the seal of the association with the following words, namely:—

"On and from the 1st day of October, 1937, the principal secured by or owing under this debenture has been reduced to the sum of £ , and the rate of interest has been reduced to £3 per centum per annum, by an order under the Mortgagees and Lessees Rehabilitation Act, 1936, dated the 19th day of October, 1937."

5. That, whereas for some time past the applicant has been paying interest to the debenture-holders at certain less rate or rates than that provided for in the said debentures of the said two series, such payments so made shall be deemed to be in satisfaction of all interest accrued due up to the 1st day of October, 1937, and all or any arrears of interest owing under the said two series of debentures up to such date are hereby remitted, written off, and discharged as on the 19th day of October, 1937.

6. That if from time to time the applicant, after providing for the payment of the interest payable under this order, maintenance charges, working expenses, replacement, and construction work becoming necessary through depreciation, all other necessary outgoings, and such capital expenditure including additions and alterations to the existing buildings or alterations or improvements to the site as it in its absolute discretion may deem advisable to make, and also after setting aside such moneys as it deems advisable for making payments of a like nature in the future, shall have any surplus income, the applicant shall pay such surplus income to the debenture-holders in further reduction of the reduced amounts secured by or owing under the said debentures of the said two series: Provided, however (1) that the applicant shall not be entitled to expend in any one financial year of the association a sum exceeding £1,000 (but excluding all and any insurance moneys received by the applicant for loss or damage to the buildings or site) for additions or structural alterations to the existing buildings or alterations or improvements to the site, without first obtaining the consent of a majority in value of the debenture-holders to any such expenditure in excess of the said sum of £1,000, each such financial year extending from the 1st day of October in one year to the 30th day of September in the next year; (2) that in matters of expenditure (other than such excess expenditure on such additions, structural alterations, and improvements) the President of the association shall be the sole judge of the amount necessary to be expended under this clause, and that his decision shall be final and conclusive and binding on all debenture-holders.

7. That notwithstanding anything contained in the preceding clause 6 hereof, the applicant shall be at liberty to use and expend in reinstating the buildings or site all or any insurance moneys that may be received by the applicant as a result of loss or damage being suffered by or caused to the buildings or site; and it is expressly hereby declared that

any limitations of expenditure imposed upon the applicant by the said preceding clause shall not apply to any such insurance moneys.

8. That a sealed copy of this order be lodged with the Registrar of Incorporated Societies, and that a copy of this order be published once in the *Gazette*, and such publication shall be deemed to be notice of this order and the terms thereof to all existing debenture-holders and to all persons purchasing, becoming possessed of, or dealing in or with the said debentures.
