New Zealand School of Mines.—Scholarship Regulations.

Mines Department,
Wellington, 4th October, 1938.

SIX scholarships are offered annually for competition by students attending schools of mines within the Dominion—three for the South Island, and three for the North Island.

2. The scholarships will be granted to those candidates who comply with the conditions and obtain the highest percentage of marks, which must not be less than specified in Regulation 9.

3. Holders of scholarships are required to attend during the University session at the University of Otago (no class fees will be charged on subjects contained in the curriculum of the Otago School of Mines), and during the long recess are also required to engage in approved practical work at one of the mines or batteries in the Dominion, or in the field with the New Zealand Geological Survey Department.

4. The scholarships will be of the annual value of £50 each to successful candidates who, while attending classes at the University of Otago, have to reside away from their homes, and of £30 to successful candidates who are able to reside at their homes while attending the University classes.

5. The scholarships will be tenable for four years.

6. The scholarships will be open to all students as aforesaid who are not less than sixteen years of age on the day appointed for receiving applications and who shall have attended regularly at any school of mines within the Dominion for not less than two years at least 80 per cent. of the lectures in each subject of the examination course: Provided that the Minister may grant such exemption from the provisions of this regulation as he thinks reasonable in any case where it was not practicable for a student to attend 80 per cent. of the lectures in a subject in which he wishes to be examined, or where no lectures were held in that subject at the school of mines at which he was a student.

7. The examinations will be held in or about the month of December in each year, on days which will be duly announced.

8. The examination will embrace six of the following subjects,—

- (1) Mathematics.
- (2) Elementary Mechanics.
- (3) Theoretical Chemistry.
- (4) Practical Chemistry and Quantitative Analysis.
- (5) Electricity.
- (6) Mechanical Drawing.
- (7) General and Mining Geology.
- (8) Metallurgy of Gold and Silver.
- (9) (a) Coal-mining; or (b) Metal-mining.
- (10) Winding, Haulage, and Pumping.
- (11) Ventilation.
- (12) Land and Mine Surveying.

Subjects 1, 2 or 3, and 5 are compulsory for all candidates, and each candidate must state in his application the branch of mining he intends to take up.

9. No scholarship shall be awarded to any candidate who does not obtain 60 per cent. of the marks in each of the six subjects.

10. The examination may be passed as a whole or in sections. In the latter case the first section must consist of not less than four subjects. The remaining two subjects may be passed separately provided the whole examination is concluded not later than the second examination succeeding the examination at which the candidate passed the first section.

11. No payment on account of the scholarship will be made until the whole examination is passed.

12. Applications from candidates, accompanied by a fee of £1, and by a certificate from the director of the school of mines stating the number of lectures which the student has attended in each subject, must reach the Mines Department, in Wellington, not later than the 1st November in each year. Candidates who elect to pass the examination in sections as provided for in Regulation 10 will require to forward with each application a fee of £1, together with the necessary certificate from the Director of the School of Mines.

13. Candidates must present themselves for examination on the day fixed, as provided in Regulation No. 7.

14. The Minister of Mines retains to himself the right of cancelling any scholarship should the holder attend irregularly or be reported for idleness or bad conduct.

15. Holders of scholarships having to pay more than £5 for their return railway (second-class) or steamer fare to Dunedin will be refunded by the Mines Department any excess over the sum of £5, but such refund will only be made once in each year. Receipts for each fare paid in excess of 5s. (other than railway fares) must accompany each application for a refund.

16. These regulations supersede the regulations published in the *New Zealand Gazette* of the 2nd February, 1933, as amended by notices in the *New Zealand Gazette* of the 30th August, 1934, and the 15th April, 1937.

Land in Wellington Land District for Selection on Optional Tenures.

District Lands and Survey Office,
Wellington, 27th September, 1938.

NOTICE is hereby given that the undermentioned property is open for selection on optional tenures under the Land Act, 1924; and applications will be received at the District Lands and Survey Office, Wellington, up to noon on Tuesday, 25th October, 1938.

Applicants should appear personally for examination at the District Lands and Survey Office, Wellington, on Wednesday, 26th October, 1938, at 10.30 o'clock a.m., but if any applicant is unable to attend he may be examined by any other Land Board or by any Commissioner of Crown Lands.

Applicants are required to produce for inspection when examined documentary evidence of their financial position, such as bank pass-books, certificates or letters of credit from managers of banks, financial institutions, or mercantile firms, or from private persons or parents undertaking to give financial assistance. Persons undertaking to assist financially should state to what extent they are prepared to do so and supply guarantees of their own financial position.

The ballot will be held immediately upon conclusion of the examination of applicants, and the successful applicant is required to pay immediately at conclusion of ballot a deposit comprising the first half-year's rent, broken-period rent, lease and mortgage fees, and deposit in reduction of weighting for improvements.

SCHEDULE.

WELLINGTON LAND DISTRICT.—THIRD-CLASS LAND.

Kaitieke County.—Retaruke Survey District.

SECTION 7, Block XII: Area, 609 acres. Capital value, £155. Deposit on deferred payments, £5: Half-yearly instalment on deferred payments, £4 17s. 6d. Half-yearly rent, £3 2s.

Subject to a reduction of rent by 50 per cent. for five years and a remission of interest for five years on condition that the amount of the concessions each year is expended in permanent improvements to the property.

Weighted with £270 for improvements, comprising dwelling, wool-shed, two sheds, 240 chains fencing, plantations, 120 acres felled, burned, and grassed.

The sum is payable in cash, or, after payment of a deposit of £10, the balance may be secured on mortgage to the State Advances Corporation of New Zealand for a period of thirty-five years at interest $4\frac{1}{2}$ per cent. reducible to $4\frac{1}{4}$ per cent. for prompt payment, gross half-yearly instalments of principal and interest being £7 10s. 7d.

This property is situated thirty-seven miles from Taurarunui, twenty-two miles from Ōwhango Railway-station, and one mile from the school, access being by metalled road. There are about 20 acres of pumaceous flats in the front of the section, the balance of the area being steep, broken, and precipitous with a few bad gorges. About 120 acres lie to the sun, but the remainder is so broken as to render the larger portion shady. The back country can be worked only by means of a narrow track which is continually slipping. The altitude is from 700 ft. to 1,200 ft., and the property is well watered. With the exception of about 120 acres of scattered grass the section has reverted and would be uneconomic to recondition. Stock losses are high. No fencing timber is available. Generally the section is a poor unworkable one and entirely unsuitable as a separate farming unit.

Any further particulars required may be obtained from the undersigned.

Commissioner of Crown Lands.
