This does not of course affect the existing arrangements under which bills of lading made out "to order" to a bank or accepting house and bearing the inscription "notify buyer, Messrs. . . ." will be regarded as equivalent to a bill made out to a named consignee. It will be appreciated that this arrangement is based on the assumption that the person to be notified would not be a forwarding agent.

*Classification of Assistant Teachers in Technical Schools and of Manual-training Teachers.*

THE following lists of assistant teachers employed in technical schools, combined schools, recognized technical classes and recognized manual-training classes, or classified for employment in such schools or classes, are issued under the authority of the Minister of Education in accordance with the Manual and Technical Instruction Regulations and the regulations for combined secondary and technical schools, made by Orders in Council dated the 20th November, 1925, and 25th September, 1931.

Under the heading "Division" is shown the division and class in which the teacher is classified.

The class of salary corresponding with the class and division in which the teacher is placed is given in the Schedule to the aforementioned regulations.

Attention is drawn to the regulations relating to appeals of teachers against their classification and grading, under which any teacher who considers he has good grounds for objection to his classification may lodge an appeal to reach the Director of Education not later than forty clear days after the publication of this list in the *New Zealand Gazette*—i.e., such appeals must reach the Director not later than 16th January, 1940, and must contain an explicit statement of the grounds on which the appeal is based.

NOTE.—In the last column of the classification list T.S. stands for "Technical School," E.B. for "Education Board," S. of A. for "School of Art," Int. for "Intermediate School (or Department)," and C.S. for "Combined School."

Teachers marked with an asterisk are on military leave.

N. T. LAMBOURNE, Director of Education.

Wellington, 7th December, 1939.

WHEREAS by special resolution passed on the 13th day of May, 1939, and confirmed on the 17th day of June, 1939, the Christchurch Tramway Board authorized the raising of a loan of £20,000 for the purchase of the first instalment of buses for Opawa, Fendalton, and St. Martins services: And whereas the said loan has not yet been raised and the terms on which it is proposed to raise the same have materially altered since the passing of the said special resolution and it is thought desirable to pass a new special resolution in lieu of the earlier one: Now, therefore, in pursuance and exercise of the powers conferred on it by the Christchurch Tramway District Act, 1920, section 9 of the Christchurch Tramway District Amendment Act, 1921, and the Local Bodies' Loans Act, 1926, and all other powers it enabling, the Christchurch Tramway Board hereby resolves by way of special order as follows:—

First.—That the said Board authorizes the raising of a loan of £20,000 for the purchase of the first instalment of buses for Opawa, Fendalton, and St. Martins services (such authority to be in lieu of the authority given by special resolution passed on the 13th day of May, 1939, and confirmed on the 17th day of June, 1939).

Fourth.—That the said loan be raised upon terms of making the same repayable by instalments extending over a period of eight years from the date of borrowing the same, interest to be paid on the balance for the time being owing.

Fifth.—That the security for the said loan shall be a special rate to provide the instalments of principal and the interest upon the amount of the loan or so much thereof as remains owing.

Sixth.—That for the purpose of providing the instalments of principal and the interest and other charges on the said loan of £20,000 the Christchurch Tramway Board hereby makes and levies a special rate of decimal nought two three four eight one nine pence in the £1 (-0234819d.) upon the rateable value on the basis of the capital value of all rateable property of the Christchurch Tramway District, comprising the whole of the said District, the boundaries of which are defined in the Schedule to the Christchurch Tramway District Act, 1920, as amended by subsection 3 of section 9 of the Christchurch Tramway District Amendment Act, 1932-33; and that such special rate shall be an annual-recurring rate during the currency of such loan, and be payable yearly on the 31st day of March in each and every year during the currency of such loan, being a period of eight years or until the loan is fully paid off.

Seventh.—That it is hereby directed that the said rate be levied and collected by the Christchurch City Council, the New Brighton, Sumner, and Riccarton Borough Councils, and the Waimairi, Paparua, Heathcote, and Halswell County Councils respectively, within their respective districts.
