*Bridges Loan, 1939, £20,000.*

WHEREAS on the 11th day of March, 1940, a resolution was duly passed by the Waipawa County Council making a special rate of seventeen-hundredths of a penny ( $\frac{17}{100}$ d.) in the pound upon the rateable value (on the basis of the unimproved value) of all rateable property of the County of Waipawa, for the purpose of providing the principal, interest, and other charges on a loan of twenty thousand pounds (£20,000), authorized to be raised by the Waipawa County Council for the purpose of erecting certain new bridges, replacing old, worn-out bridges, widening and repairing certain bridges, and providing the necessary plant and machinery for carrying out the said works, and whereas it has been ascertained that the said special rate of seventeen-hundredths of a penny ( $\frac{17}{100}$ d.) in the pound will not be sufficient to meet such principal and interest and other charges :
