Under the heading "Division" is shown the division and class in which the teacher is classified.

The class of salary corresponding with the class and division in which the teacher is placed is given in the Schedule to the aforementioned regulations.

Attention is drawn to the regulations relating to appeals of teachers against their classification and grading, under which any teacher who considers he has good grounds for objection to his classification may lodge an appeal to reach the Director of Education not later than forty clear days after the publication of this list in the *New Zealand Gazette*—i.e., such appeals must reach the Director not later than 14th January, 1941, and must contain an explicit statement on the grounds on which the appeal is based.

NOTE.—In the last column of the classification list T.S. stands for "Technical School," E.B. for "Education Board," S. of A. for "School of Art," Int. for "Intermediate School (or Department)," and C.S. for "Combined School."

Teachers marked with an asterisk are on military leave.

C. E. BEEBY, Director of Education.

Wellington, 5th December, 1940.

Classification of Secondary-school Assistant Teachers.

Education Department,
Wellington, 5th December, 1940.

THE following lists of assistant teachers employed full time in secondary schools and combined schools are issued under the authority of the Minister of Education in accordance with the regulations relating to secondary schools and to combined secondary and technical schools made by Orders in Council dated the 5th May, 1924, and 25th September, 1931.

Under the heading "Grade" is shown the grade in which a teacher is classified for the year 1941.

Under the heading "Grade of Position" is shown the grade of position in which a teacher is now employed. The salaries of those teachers whose grade of position is marked * are above the scale of their position.

Under the heading "School" is shown the secondary or combined school in which the teacher is employed.

Attention is drawn to the regulations under which any teacher who considers he has good grounds of objection to his classification may lodge an appeal by letter to reach the Director of Education not later than forty clear days after the publication of this list in the *New Zealand Gazette*—i.e., such appeals must reach the Director not later than 14th January, 1941, and must contain the definite grounds on which the appeal is based.

Teachers whose names are marked with an asterisk * are on military leave serving overseas or in a Reinforcement Camp.

Teachers marked with a † are on leave on Territorial service.

C. E. BEEBY, Director of Education.
